**Church Notes.**

The officers of the Women's Missionary Society desire to call the attention of all ladies of the Congregation to the fact that the society's apportionment for foreign work has been raised to \$175. It will be difficult to meet this unless all the women join in the work. There are some who do not contribute. May we not have a pledge from every one for the work this year?

Mrs. W. I. Prince was called away last week by the death of her mother which occurred Saturday, February 8th, at Waupaca, Wis.

At last Midweek Service a letter was granted Miss Beth Fisher who will join the First Methodist Church of this city.

Mr. Milne's contribution to the January Number of the Yale Divinity Quarterly, entitled "After Eighteen Years," has brought the pastor some very complimentary notices.

This Church has been invited to be represented by pastor and delegate at a Council called to assist in the installation of Dr. Harry P. Dewey as pastor of Plymouth Church of Minneapolis on February 26th. At the prayer meeting on Thursday evening Mr. Albert Baldwin was elected delegate.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. Albert Baldwin prior to Friday morning of each week.

Church Notes.

The Trustees have re-appointed Mr. Ward Ames, Chairman of the Finance Committee, with authority to select his own associates on the committee.

The Missionary Committee of the Christian Endeavor Society solicits contributions of books, magazines and papers, suitable for distribution at the County Poor House. Contributions may be left at the Church. Please notify Mr. Edwin H. Wieland or some member of the committee.

At a recent meeting, the Trustees approved the new Weekly Church Bulletin, which heretofore has had no official authorization, and requested the Deacons to assume the duty of providing for its regular publication.

Although the ladies have been very reticent about the coming "Sunflower Banquet," considerable information has leaked out in regard to it. It will occur in the church parlors, Wednesday evening, March 18th, and active preparations are under way to make this one of our most unique and interesting affairs. Tickets are one dollar each, and may be obtained from any of the ladies.

The different Christian Endeavor Societies of the city have arranged for an exchange of leaders at the prayer meetings this evening. Miss Quigley of the Glen Avon Society will lead our own meeting and a full attendance is therefore urged.

Those not already informed should read carefully the following: The Ladies' Union, to facilitate its work, is divided into four circles, with a chairman and assistant chairman for each circle. The Star Circle includes those living west of First Ave. East. Park Point is also in this circle. Mrs. E. R. Jefferson is Chairman and Mrs. B. Webster Assistant. The Square Circle includes those living between First Ave. East and Tenth Ave. East. Mrs. Julia Barnes is Chairman and Mrs. M. F. Bates Assistant. Church Notes.

The concert next Wednesday evening will be a musical treat which all should hear.

Mr. B. A. Shuman who will occupy the pulpit this evening has an interesting and instructive message, and should have a large audience.

The Pastor was confined to the house by illness a portion of last week. In his absence from midweek service, the meeting was led by Mr. W. S. Woodbridge.

At last midweek service a letter was granted to Miss Belle E. von Bredenbeck, who will unite with the First Presbyterian Church of Grand Forks, North Dakota.

The President of the Ladies' Union has appointed the "work committee" for April as follows: Mrs. E. L. Phillips, Chairman, Mrs. E. R. Jefferson, Mrs. E. D. Field, Mrs. W. A. Cant, Mrs. John Christie, and Mrs. H. I. Pineo.

The meeting for men at the Y. M. C. A. building this afternoon will be one of unusual interest, being in the nature of a farewell service for Secretary B. A. Shuman who is about to return to his work in Buenos Ayres, South America.

The Easter offering, excepting that portion enclosed in the regular pledge envelopes, will go to the fund the Ladies' Union is raising to pay off the last of the indebtedness on the church. The ladies have been working hard and have succeeded so well that they expect to make a payment of five hundred dollars before Easter, leaving a balance of only one thousand dollars. A special Easter offering from each of the congregation will greatly encourage the ladies to push forward to the final payment of the entire debt.

At a recent meeting of the Ladies' Union visiting committees were appointed for the different circles as follows: East End Circle, Mrs. Albert Baldwin and Mrs. A. W. Frick. Circle Number Four, Mrs. C. W. Ericson, Mrs. Oscar Mitchell and Mrs. W. S. Horr. Square Circle, Mrs. Geo. W. Tallant, Mrs. Joseph Cox and Mrs. M. F. Bates. Star Circle, Mrs. E. L. Paddock and Mrs. Ira C. Coburn. In addition to the above, special visitors were appointed as follows: For Hunter's Park, Mrs. W. A. McGonagle; for Lakeside, Mrs. R. P. Boyington; and for Park Point Miss Jessie Maynard. Mrs. Milne is chairman of the combined committees and Miss Grace E. Duncan and Miss Ethel I. Myron are members at large.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

Mrs. M. J. Gochey has returned from Sioux Falls, South Dakota where she was called by the death of her mother.

Mr. and Mrs. R. A. Webster and family have moved from 1921 Jefferson Street to 22 West Third Street.

Another payment of five hundred dollars was made on the mortgage debt of the church last week.

The Ladies' Union realized fifty dollars from the Lundmark & Franson grocery sale and sixty-seven dollars from the Kerr song recital.

The Christian Endeavor Union will hold a Sunrise Prayer Meeting in the First Presbyterian Church, at half past six o'clock on the morning of Easter Sunday.

The Kerr song recital last Wednesday evening was an artistic success such as has seldom been heard by music lovers here. The ladies of the church will probably arrange for another recital by Mr. Kerr in the fall.

The ladies of the church will send a barrel of clothing to a colored school at Moorhead, Miss. Light weight garments suitable to the southern climate are solicited. Contributions may be sent to the church next Wednesday. The parlors will be open from 9 A. M. till 4 P. M. on that day.

The Easter offering next Sunday, excepting that portion enclosed in the regular pledge envelopes, will be devoted to the fund which the ladies are raising to pay off the last of the mortgage debt of the church, which now amounts to only one thousand dollars. A liberal contribution from each member of the congregation is hoped for.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

Mr. Andrew Nelson who has been absent in California will return in season to take charge of the Sunday School again next Sunday.

At last Midweek Service letters were granted to Mr. and Mrs. Philip A. Smith. They will join the First Presbyterian Church, Grand Rapids, Minn.

At the "quilting bee" last week the ladies tied sixteen comforters. There are ten more to be done and it is expected that these will be finished at the meeting on Wednesday.

The Sunday afternoon meetings for men at the Y. M. C. A. building have been temporarily suspended and will not be resumed till the association has moved to its new building.

The Christian Endeavor Union held a sunrise prayer meeting at the First Presbyterian Church this morning. The usual meeting of our Christian Endeavor Society will therefore be omitted this evening.

The "missionary barrel" which is to be sent to a colored school at Moorhead, Miss., has not yet gone forward. Those having garments to contribute are requested to send them to the church next Wednesday.

Mr. John T. Russell whose children and grand children are members of this church died last Thursday after a short illness. Mr. Russell was an old resident and a member of the First Methodist Church of this city.

The next Communion Service will be on Sunday, May third. All those desiring to unite with the church at that time are again reminded that they should notify the pastor in order that their names may be announced one week before, in accordance with the by-law of the church.

The Christian Endeavor Society which was recently organized at Smithville has no musical instrument to use in its meetings. If any one in the congregation has an organ to give, lend, or sell at a nominal price, to this new society, Mr. R. A. Sprague of our own society would like to be advised of the fact.

Special envelopes will be found in the racks for today's Easter offering which will be devoted to the fund which the ladies are raising to pay off the remainder of the mortgage debt of the church. This amounts now to only one thousand dollars. It is hoped that there will be a generous response from each member of the congregation.

There will be a meeting of the Duluth Conference in this church the latter part of May or early in June. This conference embraces all churches of our denomination in this vicinity and west as far as Brainerd. The exact date of the meeting will be announced later. It is hoped that our people will be ready to entertain delegates in their homes at that time.

Miss Patty S. Hill of Columbia University will lecture in the assembly hall of the high school on Wednesday evening, April twenty-second at eight o'clock, her subject being "The Problem of Work and Play in Elementary Education." Miss Hill will also conduct a "Round Table" talk at the Madison School at half past two o'clock, on the afternoon of Thursday, April twenty-third. The subject at that time will be "Hand Work and Sense Training."

Mr. Lee F. Hanmer, field secretary of the Playground Association of America will address the women of the city at the public library next Tuesday afternoon. He will also speak at other meetings while he is here as announced in the daily papers. His work for the children and especially neglected children is so vitally connected with the moral welfare of our city and country that it becomes the duty of christian people to co-operate with Mayor Haven and the women having this in charge, in making these meetings a success.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Street to 113 West Fourth Street.

quested to make payment as soon as possible.

The younger girls of the Church and congregation met with Mrs. H. B. Paull  
Saturday afternoon to make plans for the organization of a new society.

The special Easter offering last Sunday amounted to three hundred nine  
dollars. Of this amount forty dollars was contributed by the Sunday School.

The Lord's Supper will be administered at the service next Sunday morning.  
Those desiring to unite with the Church at that time will please notify the Pastor  
to-day.

Commencing Sunday, May third and continuing through the summer the even-  
ing service will begin at eight o'clock and the Christian Endeavor meeting at seven  
o'clock.

The sermon this evening on "The Taking of Oaths" will be the first of a series  
of five, in which the Pastor will speak on some of the memorable and enigmatical  
sayings of Jesus. The subject next Sunday evening will be "Turning the Cheek to  
the Smiter."

The attendance at prayer meeting during the past three months has averaged  
about thirty. Last week there were only fifteen present. This meeting should have  
the support of every member of the Church. Are there not some who are forget-  
ting this obligation? The Pastor would be pleased to see an unusually large atten-  
dance at the preparatory service next Thursday evening.

The subject of the Pastor's sermon next Sunday evening will be "The Faith  
that Moves Mountains."

The young ladies' society which was recently organized has chosen a name  
and will hereafter be called "The Mayflowers." Miss Ruth G. Borland is Presi-  
dent; Miss Margaret A. Cant, Vice President; Miss Ruth Paull, Treasurer; and  
Miss Ruth A. Ericson, Secretary.

The funeral of Mr. Giles Gilbert, who died on the train while returning from  
the West was held at the family residence last Friday afternoon. Mr. Milne con-  
ducted the services. Mr. Gilbert was for many years a member of our congrega-  
tion and a valued contributor to the work of this church.

There are eight churches included in the Duluth, Conference which is to meet  
here next month. One each in Aitkin, Biwabik, Hill City and Walker; two in  
Brainerd; our own church and the church at West Duluth. In addition to these  
a church has been organized at Grand Marais and another at Backus within the  
past year. These are in Duluth territory but are not yet members of the conference.

At last midweek service it was voted that a committee of three be appointed  
by this church to act with a committee that may be named by Plymouth Church,  
West Duluth, for the consideration of the general interests of our denomination in  
this city and to bring into closer fellowship our two existing churches. Each church  
also to be represented on this joint committee by its pastor ex-officio. Mr. W. S.  
Woodbridge, Mr. E. G. Chapman and Mr. W. G. Hegardt were elected to act  
with the pastor on this committee.

Notices for this bulletin, in order to insure publication, must be in the hands of  
Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

A son was born to Mr. and Mrs. John M. Oldham on Tuesday, May 12th. Mr. and Mrs. Judson S. Clark have returned from their wedding journey and are now at home at 2724 Lake Avenue South, Minnesota Point.

Our Christian Endeavor Society has arranged for a temperance lecture to be given in the church by Mr. Clinton N. Howard, on Sunday evening, May thirty-first.

The Pastor will deliver an address before the Alumni of Yale Divinity School on June 1st, his subject being "The Value of Rewards and Punishments in the Gospel Message."

The "missionary barrel" is not yet full, though there have been repeated notices in the bulletin in regard to it. Those who have garments to give are requested to send them to the church as promptly as possible.

A new bible class is to be organized in the Sunday School under the leadership of Mr. C. E. Lovett. All young men and young women who desire to join this class are requested to meet Mr. Lovett at the close of the service next Sunday morning.

Plymouth Church, West Duluth, of which Rev. J. A. Lumley is the pastor, has a resident membership of forty-seven and a Sunday school enrollment of ninety; the average attendance at their midweek service during the past year has been about ten and at the Christian Endeavor meetings about fifteen.

The fifty dollar scholarship for the benefit of a needy student at Fisk University which is being raised among the members of our congregation, has not yet been fully provided for. It is necessary that the money be forwarded before June first. Subscriptions may be handed to Mrs. W. A. McGonagle.

At the recent semi-annual meeting of the Women's Home Missionary Association of Massachusetts and Rhode Island, Mrs. Cornelius H. Patton was elected President. Among the speakers at the meeting were Miss Louise K. Noyes, field secretary of the Association and Rev. Roy B. Guild, New England secretary of the Church Building Society.

"The Mayflowers" deserve to be congratulated on the success of their recent entertainment. There was a large attendance and several whose faces are new in our church circle were present. This society has a splendid opportunity for awakening new interest in our work among the young people of the church.

There were sixty-five present at the midweek missionary service on Thursday evening. After the supper Mrs. W. W. Sanford gave an unusually interesting talk on the work of our medical missionaries; Mr. E. A. Schulze told of Dr. Van Allen's work in Madura, India; and Mr. A. W. Taylor spoke on Dr. Dodd's hospital at Cesarea, Turkey. A letter was also read by Mr. Milne from our Missionary Pastor, Rev. Herbert M. Irwin.

The joint committee of Pilgrim and Plymouth churches met last Monday evening in West Duluth, electing Mr. W. S. Woodbridge, chairman and Mr. Roger M. Weaver, clerk. Rev. Mr. Lumley reported Plymouth Church as occupying a good field for work, the spirit of the people harmonious, no debts, but finances necessarily occupying an undue share of thought and attention, and interfering to some extent with more important matters. Plans to overcome this were discussed. Another meeting will be held soon.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

## Church Notes.

In absence of the Pastor, last midweek service was led by Mr. T. H. Hawkes, Jr.

Mrs. O. A. Townsend and sons have moved from 704 East Fourth Street and are now living at 1025 East Fifth Street.

Miss Germond has returned from Rhinelander, Wis., where she was called by the death of her mother, and has moved to 124 Tenth Avenue East.

The new bible class which is to be organized in our Sunday School today under the leadership of Mr. C. E. Lovett will meet in the Sunday School room after morning service.

The Christian Endeavor Society combined business and pleasure at a picnic and business meeting on Minnesota Point last Wednesday evening. An enjoyable and profitable time was reported by all present.

The funeral of Thomas H. Sexton who died last Sunday was held from the residence on Wednesday afternoon, the services, in the absence of Mr. Milne, being conducted by Dr. A. W. Ryan of St. Paul's Church.

The Ladies' Union has made another payment of four hundred fifty dollars on the mortgage debt of the church leaving only five hundred fifty dollars yet to be paid. It is expected that this balance will be wiped out during the current year.

The Pastor accompanied by Mrs. Milne and daughter left by boat on Wednesday for Columbus, Ohio, where Mrs. Milne and Miss Marjorie will visit for several weeks. From Columbus Mr. Milne will go to New Haven, where he will deliver an address before the Alumni of Yale Divinity School, returning in season to be with us again on Sunday, June fourteenth.

The Y. M. C. A. meeting this afternoon will be in the nature of a farewell to the old building which has been the home of the association for so many years. During the week the new building will be occupied and this important event in the history of our city will receive appropriate recognition at special meetings in the new building on Wednesday, Thursday, Friday and Saturday.

Rev. H. B. Hunting, former assistant pastor of Plymouth Church, Minneapolis and now of Rochester, Wis., will occupy the pulpit at morning and evening services today. Next Sunday Rev. Geo. R. Merrill D. D., State Superintendent of our home missionary society will preach in this church in the morning, and in the evening there will be a temperance lecture by Mr. Clinton N. Howard.

"The Congregational Brotherhood" a new organization in our denomination was launched on May seventh at Detroit, Michigan, by a convention of enthusiastic delegates, most of whom were laymen. The object of the Brotherhood is to encourage the organization of men in the Congregational Churches, and unite all such organizations in one National body, for increased efficiency in church work.

Church Notes.

The regular monthly missionary offering will be received today.

The Evening Service was omitted last Sunday on account of the storm.

The midweek meeting last Thursday evening adjourned to the Y. M. C. A. building on account of the union service there.

The Ladies' Union has paid an additional fifty dollars on the mortgage debt of the Church leaving unpaid a balance of only five hundred dollars.

The mass meeting for men at the Y. M. C. A. building today is the last of the series of meetings held in honor of the opening of the new building.

Mrs. Robert Smith and Mrs. H. B. Paull have been appointed as leaders of the June "Work Committee" with authority to select their associates on the committee.

"The Mayflowers" have secured ground for a flower garden at the corner of Second Street and First Ave. East, and will raise flowers for church decoration and for the sick.

Special attention is called to the fact that the needs of our Sunday School will be considered at next midweek service. All are urged to make a special effort to attend this meeting.

"Children's Sunday" will be observed on June fourteenth. At that time a class of about twenty will be promoted from the primary department to the intermediate department of the Sunday School.

Mr. Clinton N. Howard who will speak at the evening service today under the auspices of the Christian Endeavor Society, has taken an important part in the temperance reform movement which has swept the South. Mr. Howard is one of our very best temperance lecturers and should have a large audience.

It is a pleasure to again welcome to our pulpit George R. Merrill D. D. of Minneapolis, Secretary and Treasurer of the Minnesota Congregational Missionary Society. By special request Dr. Merrill will this morning tell us something about the work of neighboring churches of our denomination. In view of the coming meeting of the Duluth Conference in this Church an address on this subject seems very opportune. Dr. Merrill will also preach next Sunday morning and evening.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

Children's day will be observed next Sunday and an interesting program has been prepared for the occasion.

It is probable that the Pastor's absence will be prolonged so as to prevent his being with us next Sunday as expected.

A letter received from Mr. Milne announces the death of his father which occurred in Boston. In this bereavement to Pastor has the sympathy of all his people.

The temperance address by Mr. Clinton N. Howard, in the church last Sunday evening, deserves special notice as a stirring appeal for prohibition, such as has never before been heard in this city. Mr. Howard was engaged for ten addresses in the state.

The Friends in Council picnic in Chester Park last Tuesday which celebrated the close of this season's work was a very successful affair. There were twenty present and all reported an enjoyable and profitable time. Meetings will be resumed again in the fall.

Last midweek service was made especially profitable by interesting talks from Mr. Eugene H. Harbison and Mr. Andrew Nelson, the subject being "The Needs of the Sunday School". It was voted to continue the consideration of the subject at the meeting next Thursday, at which time it is hoped that there will be a large number of Sunday School workers present.

The Sunday afternoon meetings for men at the Y. M. C. A. building will not be resumed till next fall. Rev. J. A. McGaughey, pastor of the First Presbyterian Church of Two Harbors who has been engaged to fill the new office of Religious Secretary of the association expects to assume the duties of the office early in July. He will have entire charge of the religious work of the association.

The committee appointed to confer with a similar committee from Plymouth Church, West Duluth made a further report at the midweek service on last Thursday evening. At the suggestion of the committee the following resolution was adopted: "Resolved that we express our sympathy for Plymouth Church in its sacrifice and struggles; that we heartily approve the suggestion that the salary of its pastor be increased by two hundred dollars a year; and that we hope to give substantial aid in case such effort is made".

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

### A PERSONAL MESSAGE FROM THE PASTOR.

I greatly regret the necessity, unavoidably laid upon me, of being absent again from my church and people. A matter of great importance demands my presence and attention in Columbus, Ohio, for the next three weeks. Arrangements have been made for the supply of the pulpit. The Rev. George E. Morehouse, of Brainerd, who preached so acceptably at the recent conference, is expected to preach on July 12. The Rev. E. Lee Howard of Columbus, Ohio will preach July 19 and 26. My hope and expectation is to return with my family in abundance of time for the first Sunday in August.

Your Pastor,

ALEXANDER MILNE.

Mr. W. S. Woodbridge kindly consented to prepare for the Bulletin the following report:

### The Eleventh Annual Meeting of the Duluth Conference. (June 30th and July 1st, 1908.)

"The conies are a feeble folk, but they build their houses on the rock." So said the wise man, and this describes the Duluth Conference, which comprises eleven churches, two of which are at present pastorless. The State of Massachusetts with its one thousand churches could be set down within the limits of this Conference with room to spare.

The churches represented were Biwabik, Rev. H. R. Harris; Brainerd, First, Rev. Geo. E. Morehouse; Peoples, Rev. F. L. Kirk; Duluth, Pilgrim, Rev. Alexander Milne; West Duluth, Plymouth, Rev. J. A. Lumley; Hill City, Rev. Theodore W. Gulick; Backus and Hackensack, Rev. Geo. Sheets; five lay delegates were also present. Dr. Geo. R. Merrill, Secretary and Treasurer of the Minnesota Home Missionary Society and Rev. W. J. Conard, Field Agent, represented that work. Rev. Mr. Dixon of Hope Church, Superior, was welcomed as an honorary member of the Conference; and Rev. J. Kimball of our own church for some years past a member of this body, was present at the meeting Wednesday evening and took part in the services.

The Conference was opened Tuesday evening by a sermon, practical and earnest, by Rev. Geo. E. Morehouse, followed by the communion service at which Rev. Theodore W. Gulick presided. The organization on Wednesday morning resulted in the selection of Rev. Geo. E. Morehouse as moderator and Rev. Alexander Milne, registrar and treasurer, and was followed by the report of the registrar and treasurer.

### Report of Conference—Continued.

The reports from the churches were for the most part cheering and indicative of growth; the most encouraging results were reported from the neediest fields. The total membership was reported as about eight hundred.

An unusual feature of business was the passing, by the committee on credentials, on the standing of all ministers present except that of Rev. Alexander Milne; all others present having come into the Conference during the past year. Another singular fact was that four of the ministers present were born abroad; one in England, one in Scotland, a third in Turkey, and a fourth in the Hawaiian Islands.

After receiving the new churches of Grand Marais, Backus and Hackensack into the conference, Rev. H. R. Harris gave an outline of his experience of seven years on the frontier in a parish seventy miles long by forty miles wide, but he had his wife to help him. She was duly licensed to preach, and preach she did, holding one hundred and eighty nine services in three years. This conference gladly extended her license to preach; we may have an opportunity to hear her some day.

Rev. W. J. Conard followed with a paper on "The Wisdom of Yoking Small Fields Together", a question which seemed to have only one side (our own church and the First in Brainerd were so yoked from 1875 to 1878). After discussion of the two addresses came the call to luncheon which was served by the Ladies' Union in the church parlors, and was greatly appreciated as it deserved to be. This was followed by a few informal addresses, Mr. Milne calling on Rev. Mr. Morehouse to respond to the toast "A New Comer"; Rev. Mr. Conard to "A Tramp Abroad"; and Mr. Wm. S. Woodbridge to "The Deacons."

At two P. M. came the Woman's Hour" conducted by Mrs. Wm. S. Woodbridge; half of the time was given to the foreign work, the other half to the work at home. Mrs. Coman C. Ames gave an interesting sketch of Medical Missions, followed by Miss L. Ella Roe with a brief summary of what our own American Board is doing in this special direction. After a solo, Kipling's Recessional by Miss Roella Lovett, Mrs. Siehl of Minneapolis, assistant state treasurer of the Minnesota Woman's Home Missionary Union, brought the greetings of that society.

As was fitting the next address was on a missionary topic, "The Triumphs of the Gospel in the Pacific" by Rev. Theodore W. Gulick the son of missionary parents, born in the Hawaiian Islands where his father and mother were missionaries for forty five years. Few names stand higher on the roll of missionary heroes than does the name Gulick.

At four o'clock came a discussion on the question "How shall we Organize the Men for more Efficient Work in the Church?" Mr. E. A. Schulze and Mr. C. E. Lovett conducted the discussion clearly and forcibly, showing the great need from the stand-point of the men as well as from that of the church, for an awakening of the men to the real work of the church. It is hoped that some tangible results will come from this before long.

At the close of the afternoon session, on the invitation of Mr. and Mrs. Oscar Mitchell, the delegates and such of their friends as were able to go, enjoyed a trip on the bay in launches, followed by a dinner at the Duluth Boat Club, and this thoughtful attention on the part of Mr. and Mrs. Mitchell was greatly appreciated.

In the evening Dr. Merrill gave one of his stirring addresses on Home Missions, but his range of vision was no narrow one, it included the world. Rev. J. A. Lumley closed the general exercises of the Conference with an address on "The Ultimate Supremacy of the Kingdom of Jesus Christ."

After reading and approving the minutes the Conference adjourned to meet next year at Biwabik.

The thanks of the Conference as well as of Pilgrim Church are due to Miss Rogers, Miss Swan, Miss Lovett and our church choir for furnishing the music; and to the Mayflowers for so tastefully decorating the church.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Mr. Rollin A. Sprague was married on June thirtieth to Miss Harriet Barningham, at Vermontville, Mich.

The Christian Endeavor Society is arranging for a picnic to be held next week, the particulars of which will be announced later.

All will be glad of an opportunity to become better acquainted with Dr. Moorehouse of Brainerd who preached the opening sermon at the recent meeting of the Duluth Conference. In the pastor's absence it is a pleasure to again welcome him to our pulpit.

The special attention of the men is called to the garden party and lawn supper at the home of Mr. and Mrs. W. A. McGonagle on Wednesday afternoon, under the auspices of the Woman's Missionary Society and the Ladies' Union. Supper will be served at six o'clock. The ladies desire to make this one of the pleasantest and best attended gatherings of the summer. There will be no charge for the supper but there will be an opportunity given to contribute to a "silver collection."

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

The church is glad to welcome home from their trip abroad Mr. and  
Mrs. Ward Ames who reached here on Saturday the 18th inst.

Several members of our Christian Endeavor Society attended a social given  
on Friday evening, the seventeenth, by the new society at Smithville.

Mr. Howard, who has so acceptably filled our pulpit in the pastor's absence,  
will leave Monday evening on the Tionesta for his home in Columbus, Ohio.

Mr. Milne will return to the city some time during the coming week accom-  
panied by Mrs. Milne and Miss Marjory, and will occupy the pulpit next Sunday.

ful grounds of Mr. M. L. Jenks. It is planned to make this an evening affair and  
particulars will be announced later.

Mr. F. R. LeRoy's father died suddenly of apoplexy at Detroit, Mich., on  
the 17th inst. Mr. LeRoy upon his return from the funeral brought his mother  
who will make her home here with her children.

There was a meeting of the executive committee of the Christian Endeavor  
Society on last Wednesday evening. The committee met at the home of Miss  
Fanny B. Lippitt and plans for the fall work were discussed.

Mr. Murray George has been appointed "press agent" for the Christian  
Endeavor Society. The Bulletin is in need of some one in each organization of  
this church who will take an active interest in furnishing items of general interest  
each week.

Dr. Mary McCoy met with a serious accident on Saturday, the 18th inst.  
While waiting with many others to take a car on Lake Avenue an automobile  
ran into the crowd. Dr. McCoy was struck, and suffered a fracture of  
the ankle. She is at St. Mary's Hospital and is reported as comfortable as  
could be expected under the circumstances.

It is expected that all departments of the Sunday School and Church will  
unite in making the annual outing on Wednesday a successful affair. Some further  
financial assistance is needed to meet the expenses, and those of the congregation  
who wish to give may hand their contributions to Mrs. W. J. Stevenson, Mrs. H.  
B. Paull, Mrs. T. J. Davis or Mr. Andrew Nelson.

Church Notes.

Mr. and Mrs. E. D. Field are spending a portion of the summer at Solon  
Springs.

The Church is glad to welcome the Pastor and his family, who returned from  
Columbus on Friday, last.

Prof. and Mrs. Charles Alden Smith have returned to the city from their  
summer home at Wright, Minn.

Miss Frances D. Woodbridge, who has been absent for several months, re-  
sumes her place in the choir today.

The Sunday School picnic on Wednesday last was a very successful affair.  
There were about two hundred present and all reported an enjoyable time.

The midweek service has been very poorly attended of late. Now that the  
pastor has returned it is hoped that all will bear this important meeting in mind and  
make an effort to attend.

The Y.W.C.A. is arranging for a lawn fete, Tuesday Evening, August eleventh,  
on the grounds of Mr. W. C. Sherwood, Hunter's Park. An admission fee of  
twenty-five cents will be charged, and all are invited.

Special attention is called to the lawn party on Wednesday evening at the  
home of Mr. and Mrs. M. L. Jenks. This will be in honor of the pastor and his  
family, to welcome them home after their absence. It is desired that every member  
of the congregation be present and all are urged to come and bring as many of their  
friends as possible. There will be special music and ice cream, cake and home

Church Notes.

The attention of the ladies of the Missionary Society is called to the fact that  
all pledges should be paid promptly, as the money must be forwarded by September  
first.

A large company greeted the Pastor and his wife at the lawn party given in  
their honor at the home of Mr. and Mrs. M. L. Jenks, last Wednesday evening.  
All enjoyed the occasion and the ladies realized about twenty-five dollars from the  
sale of ice cream and candy.

A Personal Word from the Pastor.

It is a great satisfaction to be at home again and at my work. Duluth never  
seemed so attractive. The summer is still with us and until fall we may not effect the full  
resumption of our church activities. Much however, may be done. A goodly  
number of strangers visit us during the vacation season. They will appreciate a  
kindly hospitable welcome from those in the pews. Some who have come to  
make their homes in the city should also be received and greeted in a courteous  
friendly way.

In several ways the people can aid the minister. They can be eyes and ears  
to him. They can greet and call his attention to newcomers. They can inform  
him of any who may be sick or in any trouble, so that a pastoral call would be  
appreciated.

I shall be greatly obliged for any assistance or information of this kind.  
With warm appreciation of the loyal and generous support and regard of my  
people, I am glad to sign myself

Your Pastor,  
ALEXANDER MILNE

A Letter from our Missionary Pastor.

It is a pity that more of our members did not hear the remarkable letter from  
our missionary in Turkey, the Rev. H. M. Irwin, which was read at mid-week  
service, last Thursday evening. Along with the letter was an account of a splendid  
work for boys and young men which he has inaugurated in Talas, and which has  
been attended by marked success. It is evident that Mr. Irwin is a man of unusual  
calibre, one to be proud of as our representative. Two extracts from his letter  
which follow will give an idea of the soundness of his principles, and the wisdom  
of his methods.

"In this country profession of mouth is easy, so easy in fact, that we take no  
stock in it until we see it backed up by a considerable time of straight living.

There is no place like the treasury of a station in which to learn what the  
people really are. All young missionaries, in my opinion, should have a siege of  
it. These oriental people are so glib of tongue when it comes to matters of religion,  
that it takes plain every-day dealing in business to learn what they really are.  
More than once I have caught men who professed all sorts of holiness and even  
perfection, trying to play sharp tricks. On the one hand it is very discouraging and  
shattering to one's faith in mankind when one meets such cases, on the other it is  
equally encouraging when one meets straight forward, honest dealing, as is frequently  
the case. For in this country there is so much crooked slippery business, and has  
been for generations, from the government down, that it speaks well for the mission-  
ary work when one meets cases where everything is done frankly, openly and above  
board—straight. The principles of business rectitude to which we are accustomed  
in America, (in action we get far from them many times, but we are taught  
them anyhow), are not the result of fifty years training, but of generations, and we  
shall have to keep on digging for years, yea, generations before we get this people  
where we are. But with patience, perseverance and the help of God, it can be  
done, and I believe we are doing it."

"There is certainly a decided change in the lives of the boys and especially of  
some. As the work goes forward we look for a greater improvement. We look  
for no false religious pretensions, but for lives, straight, pure and manly. On this  
foundation we hope to build Christian character, if indeed one can separate them,  
for me it cannot be, except in thought. Straight, pure, manly life, this is Christian  
character. I hope you grasp my meaning. What we don't want is mere religious  
profession, but life, that will be its own profession."

Church Notes.

The regular missionary offering will be received today

The Lord's Supper will be celebrated next Sunday morning. All who have been contemplating uniting with the church, are urged to join our membership at that time.

Mr. H. Chase Ballou has accepted the secretaryship of the Y. M. C. A., at Rochester, Minn. He will be greatly missed by the local association and in our church and Sunday School, where he has been an efficient worker.

Miss Florence M. Beatty and Mr. Louis G. Paulson were united in marriage by the pastor, on Wednesday, the twenty-sixth. Mr. and Mrs. Paulson will live on Park Point.

All ladies whose pledges for home missionary work have not yet been paid are asked to attend promptly to the payment of the same, as it is necessary that the money be forwarded during the coming week.

Contributions may be handed to Mrs. W. W. McMillan, Mrs. T. H. Hawkes Jr., Mrs. H. I. Pineo or Mrs. W. G. Hegardt.

The pastor has accepted an invitation to deliver an address before the students of Carlton College, on the opening of the school year, Wednesday, September ninth.

The meeting of the Ladies' Union, on next Wednesday, should be a reminder that the time has come to again take up in earnest the different lines of church work which have been necessarily dropped during the summer. It is hoped that every organization of the church will begin the fall work with such interest and zeal, that the result will be a quickening of the religious life of all our members.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

The Congregational church at Grand Marais, which for nearly a year past

market in the Armory, on Saturday, September nineteenth. All sorts of home  
made good things to eat will be on sale. The ladies are urged to bear this in mind

Society, on Wednesday, at which time, it is hoped, there will be a large  
attendance.

Other Notices for the Week.

**WEDNESDAY.** 2:30 P. M. Circle No 4 will meet with Mrs. W. W. McMillan, 1016 East First Street. The purpose of the meeting is to plan the work for the coming year.

**THURSDAY.** 8:00 P. M. Mid-week Service in the lecture room. Subject: "A Parable of Work and Reward." Matt. 19:23-30. 20:1-28. God's care for our good will. All these Laborers ready to work. The measure of reward not wholly of desert. The ready heart sure of its opportunity.

**FRIDAY.** The East End Circle will meet with Mrs. T. J. Davis, at her home, 1601 London Road, from three to five in the afternoon.

Church Notes.

John David, son of Mr. and Mrs. John Christie Jr., was baptised on Sunday, September 6, at the time of communion service.

Mrs. Aldrich, who recently came to this city from Toledo, Ohio, will sing a solo, "Resignation", at the Rally Day service in the Sunday School.

Mr. Dawson, the father of Mrs. E. N. Bradley, was stricken with paralysis last week, and his recovery is not expected. He is over eighty years of age. People will miss his venerable form in the front seat, where he sat, when able to be in church.

An interesting and important meeting of the Sunday School teachers and officers was held at the pastor's residence on Monday evening. Among other things it was decided to devote one Thursday evening a month, usually the first, to a review of the lessons for the coming month. This will take the place of the regular mid-week subject.

The Ladies Union will meet in the church parlors on September thirtieth, one week from next Wednesday, at three o'clock P. M. One hour of the meeting will be devoted to the discussion of the religious training of the child, with Mrs. Shores as leader. Any mother, wishing a special point of this subject brought forward, is asked to give topic in writing to Mrs. Shores before the day of the meeting.

Unusual interest attaches to our preaching service this evening, from the fact that the preacher, Mr. Lippitt is a member of our church. He was graduated from Carleton College last year and he has been one year a student at Hartford Theological Seminary. He will return to his studies at Hartford, in a little while. He spent the summer preaching and establishing Sunday Schools in the region around Grand Rapids, Minnesota.

Notices for this bulletin, in order to insure publication, must be in the hands of Mr. E. W. Matter prior to Friday morning of each week.

Church Notes.

Do not fail to note the change in the hour of Evening Service, Christian Endeavor meeting and the Mid-week Service.

Sunday afternoon meetings for men will be resumed at the Y. M. C. A. building today and will be continued through the fall and winter.

Rev. J. T. Moody preached at the evening service last Sunday, giving an account of the work that the Bethel is doing in this city.

Miss Winifred George and Mr. LaVerne Olney, were married on Wednesday, September thirtieth, at the home of the bride's parents, 1007 East Fifth Street, the pastor officiating. Mr. and Mrs. Olney will make their home in Menden, Mich.

Members of the East End Circle who have not yet paid their pledges for the Ladies Union, are requested to hand the same as soon as possible, to Mrs. A. G. Strong.

At last Mid-week Service Mr. E. A. Schulze, Miss L. Ella Roe and Mr. M. W. Bates, were elected delegates to the fifty-third annual meeting of the General Congregational Association of Minnesota, which will meet at Faribault, October sixth, seventh and eighth. The principal address at the meeting will be delivered by Mr. Milne.

In accordance with the plan recently adopted, the Mid-week service last week was devoted to a discussion of the Sunday School lessons, for the coming month. There was a large attendance and a very interesting meeting.

Next Sunday evening the Sermon will be by Rev. Theodore W. Gulick on "The Triumphs of the Gospel in the Pacific." Mr. Gulick was heard with great interest at the time of the meeting of the Duluth Conference in this city, and it is hoped that a larger audience than is customary on Sunday evening, will attend this service.

The principal church event of the coming week will be the "Harvest Home" supper in the parlors, next Friday evening. This has always been one of our most enjoyable occasions. It is hoped that there will be an unusually large number present this year, as the ladies are making preparations for the entertainment of every member of the church and congregation. Each member is particularly requested to bring one or more guests. The supper for which there will be a charge of fifty cents, will be followed by an enjoyable social evening.

Church Notes.

At last Mid-week Service Mr. Milne and Mr. E. A. Schulze gave interesting reports on the recent annual meeting of the State Association, at Fairbault.

Members of the Ladies' Union are requested to meet for a few moments in the rear of the main audience room, at the close of the morning service.

Mr. Royal G. Wilson, who will sing at the service this morning, has recently moved to this city and will be a valuable addition to musical circles here.

Mr. R. W. Mars, who suffered a stroke of apoplexy, Sunday, October eleventh, has been in a critical condition during the week, and it is feared that he can not recover.

Mr. Milne kindly consented to prepare the interesting report of the annual meeting of the State Association, which appears in this number of the Bulletin. This report should be taken home and read carefully by every member of the Congregation.

Mr. Chris. T. Brian of Duluth, and Miss Ida C. Stroud of Houghton, Michigan, were married at the pastor's residence last Wednesday, morning. Mrs. Brian is a member of the Congregational Church in Houghton. They will be of our congregation, and will reside for the present at 218 Pioneer Block.

The Ladies' Union will conduct a grocery sale at the store of Lundmark and Franson, corner Second Street and Tenth Avenue East, on Friday, November sixth. Ten per cent of all cash sales on that day will be given to the ladies. It is hoped that all will bear the date in mind and patronize the sale liberally.

The finance committee of the church wish to call attention to the fact that the current pledges are not sufficient to meet current expenses. Are there not some members of the congregation who will increase the amount of their weekly pledges and others who are not now making any regular contribution, who will sign a pledge card for a definite weekly amount?

The pastors and Sunday School superintendents of the city are invited to a Conference with Mr. Hugh Cork, and other prominent Sunday School workers, at the Y. M. C. A., on Friday evening, October twenty-third, at eight o'clock, and on Sunday afternoon, October twenty-fifth, at half past three o'clock, there will be a mass meeting of Sunday School workers in this church. The object of these meetings is to arrange for a thorough canvass of the city in the near future, in order to secure an accurate religious census.

## Meeting of the State Association.

The fifty-third annual meeting of the General Congregational Association of Minnesota, was held with the First Church of Faribault, October sixth to eighth. Our church was represented by the pastor and Mr. E. A. Schulze. The attendance was large, the nearness of the Twin Cities making it easy to secure full delegations. The weather was beautiful and the hospitality of the Faribault people was gracious and delightful. The city of Faribault is finely situated on the banks of a small river, rising on one side into a noble bluff, which is crowned by large and stately buildings, the state deaf and dumb school, St. Mary's Seminary for young women, Shattuck Military Academy, Seabury Divinity School and the state institution for feeble minded youths. There is an abundance of foliage. The city is one of the most attractive in the state.

The Congregational Church is one of the oldest in the state, having been organized in 1856. The pastor, Rev. John H. Albert has served them eight years. One noticeable feature of the meeting was the number of new men among the pastors. During the past year quite a number of the leading churches have lost their pastors. Some have already secured their successors. As a whole, the ministers are a rapidly changing body.

Mr. Walter N. Carroll of Minneapolis was moderator, and the annual sermon was preached by the pastor of this church.

The national missionary societies were well represented; the A. M. A. by Rev. Geo. E. Hall, the C. C. B. S. by Rev. W. W. Newell, the C. E. S. by Rev. Theodore Clifton and the A. B. C. F. M. by Rev. A. N. Hitchcock. One of the noteworthy elements was the presence and address by the Rev. Frank Dyer of Chicago, secretary of the National Congregational Brotherhood. The ladies of the church gave a supper to all the delegates, on Wednesday evening, after which Mr. Dyer delivered a most interesting and telling address, outlining what men can do for the advancement of the church and kingdom of God. Mr. Dyer is clearly a man of much wisdom and strength in this particular kind of work.

The address by Rev. A. N. Hitchcock of the American Board, was of great value. He has just returned from a tour around the world, visiting the missions of the Board. His impressions and observations of heathenism at close range and of missionary work in general, were gathered up in two points: that the religions of heathendom are not able to do for the people the work that should be done, and that Christianity is the most vital and promising of all the forces making for a transformation of the people of India, China and the great and populous east. It was a most remarkable address, full of interest and power from the beginning to the end.

The moderator, Mr. Carroll, gave an address on prayer. It was simple, straightforward, spiritual and unusually impressive.

Much business is done in connection with these meetings. The annual meeting of the Minnesota Congregational Missionary Society incorporated under state law, was held on Wednesday afternoon. The women of the Woman's Home Missionary Union and of the Woman's Board of Missions of the Interior, held their meetings on Wednesday afternoon, in the M. E. Church, and on Thursday afternoon in the Congregational Church.

One very important step was taken by the association in the recommendation of the trustees for ministerial relief, providing that in the future, ministers disabled by sickness, or old age and their widows shall receive a small pension. This is emphatically a movement in the right direction.

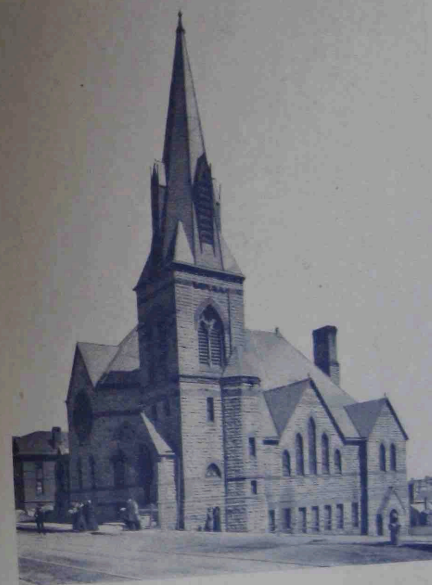

A state committee on the Congregational Brotherhood was appointed, which included the names of Mr. Ward Ames and the pastor.

**FRIDAY.** 8:00 P. M. The Christian Endeavor Society will hold a Halloween social in the parlors of the church. A good time is promised and every one is cordially invited.

Church Notes.

The regular monthly missionary offering will be received today.

The Lord's Supper will be administered at the service next Sunday morning.

At last mid-week service a letter was granted to Miss Louise K. Noyes who will unite with the First Congregational Church of Newton Centre, Mass.

There was a meeting of the executive committee of the Christian Endeavor Society last Friday evening at the home of Miss Myron, the new president of the society.

Sunday school workers should remember that the first mid-week service in each month, in accordance with the plan recently adopted, is devoted to the consideration of the Sunday School lessons.

It is important that all remember the grocery sale which will be conducted by the Ladies' Union all day on Friday, November sixth, at the store of Lundmark and Franson, corner of Tenth Avenue East and Second Street. Ten per cent of all cash sales on that day will be donated to the ladies.

There will be a meeting of the Sunday School workers of the city in this church, this afternoon at three o'clock. The object of the meeting is to perfect arrangements for the thorough canvass of the city in the near future, in order to insure an accurate religious census. All are invited to the meeting.

At the annual business meeting of the Christian Endeavor Society, held October 16th, the following officers were elected: Miss Ethel Myron, President; Mr. E. C. Clow, Vice President; Miss Winifred Warner, Secretary; Mr. Edwin Wieland, Treasurer, and Miss Agnes Lippitt, Pianist. The Society has started with enthusiasm on the work of another year, and it is to be hoped that all will feel that they are personally invited to attend the meetings.

The Ladies' Union announces a concert of unusual merit to be given in the church on the evening of Wednesday, November fourth. Mr. Royal G. Wilson, baritone and Miss Donna Louise Biblette, soprano will be the soloists. Mrs. Frederick Rollins will appear in dramatic reading and Miss Ruth Alta Rogers will be the organist and accompanist. The admission for adults will be fifty cents and for children and high school students twenty-five cents.

Secretary J. A. McGaughey has arranged for an interesting series of talks by prominent business and professional men at the Sunday afternoon meetings for men at the Y. M. C. A. beginning November first, the subject being "What is Practical Christianity." This subject will be treated by the different speakers from the standpoint of their respective callings, and the prominence of the speakers whose names will be announced later should insure a large attendance at the meetings.

Church Notes.

Mrs. David Hood, Mrs. Henry I. Pineo and Mrs. William A. Cant have  
been appointed on the November work committee.

Special attention is called to the fact that the meeting of the Friends in Council  
will occur on Monday instead of Tuesday, as is customary.

The next meeting of the Women's Missionary Society which will be held in  
the parlors of the church, on Wednesday, November eleventh, will be the regular  
annual "Thank Offering" meeting.

Mr. Victor Bartholomew and Miss Bertha Jung were married at the pastor's  
residence, Wednesday, October twenty-first. They will reside at 308 East Fifth  
Street, and expect to attend our church.

Be sure and remember the grocery sale at the store of Lundmark and Franson,  
on Friday. Members of the congregation should not only patronize the sale  
liberally, but interest all their friends in the affair as well.

Dr. Cornelius H. Patton, home secretary of the American Board, was pre-  
vented by illness from attending the recent annual meeting of the board held in  
Brooklyn, and his very interesting report was read by another.

An enjoyable time was reported by all who attended the Halloween social  
given by the Christian Endeavor society in the parlors of the church, last Friday  
evening. Before the social there was a special business meeting, and seven new  
members were voted into the society.

The Concert on Wednesday evening deserves special mention on account of  
the unusual merit of the program, which will be presented. Mr. Royal G. Wilson,  
baritone and Miss Donna Louise Riblette, soprano, will be the soloists. Mrs.  
Frederick Rollins will appear in dramatic reading, and Miss Ruth Alta Rogers will  
be the organist and accompanist. The ladies will be greatly disappointed if there  
is not a large attendance.

After the supper a proposal to organize a men's brotherhood will be discussed, and if deemed advisable, an organization will be affected. Let every man in the congregation plan to be present.

At the Christian Endeavor meeting this evening, Miss Jessie McGhie will sing a solo.

The last Thursday evening meeting was one of great interest. The Sunday School lessons were taken up by Mrs. McMillan, Miss McCollum and Mr. Woodbridge. These monthly meetings are certainly a great success.

Mr. and Mrs. Sheldon also presented their children for baptism. The children's names are, Raymond Sedgwick, Dorothy, and Ruth. The reception of the parents and the baptism of their children made an unusually impressive service.

Last Sunday morning, at the communion Service, there were received into church membership, Mr. and Mrs. Arthur L. Sheldon, 2017 Jefferson Street, Miss Myra Germond, 124 Tenth Avenue East, and Miss Idella D. Ray, 303 East Third Street.

Church Notes.

Mr. and Mrs. Walter B. Rittenhouse have moved to 1813 East Second Street. Mrs. S. W. Clark left for Sacramento, California, on Friday last, where she was called by the sudden death of her brother.

The offering for Ministerial Relief, which was taken at the last communion, amounted to about thirty dollars.

Special attention is called to the fact that the meeting of the Ladies' Union announced for this week, will occur on Friday, instead of on Wednesday, as usual.

The Friends in Council have changed the time of their regular meetings from the first Tuesday to the first Monday of each month.

In absence of Mr. Martin, Mr. John Koneczny will sing at morning and evening services today.

The world's week of prayer for young men, has been observed during the past week by daily meetings at the Y. M. C. A. The meeting this afternoon, addressed by Doctor Coyle, marks the close of the series.

Thursday, November twenty-sixth, Thanksgiving Day, will be observed by a union service at the First Presbyterian Church. Doctor Kinley, of the First Baptist Church will preach the sermon.

The annual thank offering meeting of the Women's Missionary society held last Wednesday, was well attended and the offering amounted to about one hundred dollars.

The Ladies' Union is arranging for the presentation of a cantata, to be given in connection with the annual Christmas sale which will occur early in December.

The net proceeds from the Lundmark and Franson grocery sale were eighty dollars, and from the recent concert seventy dollars. The ladies having these affairs in charge deserve to be congratulated on this very satisfactory showing. The money to pay off the remainder of the mortgage debt of the church is now all in hand with the exception of about one hundred dollars, and it is expected that this will be raised before the end of the year.

A religious census of the city will be taken next Saturday, under the auspices of the Minnesota Sunday School Association. The city will be divided into districts and the work of taking the census will be done during the afternoon, beginning at one o'clock. A large number of solicitors will be required for the several districts. Our church has been asked to furnish twenty workers for this purpose, and volunteers are called for. Names may be reported to Mr. Milne, Miss Murdoch or Mr. E. W. Munter.

On account of the Thanksgiving-day service on Thursday, the usual mid-week service will be omitted this week.

Mr. Milne will go to Minneapolis, on Monday, to attend the annual meeting of directors of the Minnesota Congregational Missionary Society.

Ladies will please take notice that all pledges should be handed to the treasurer of the Ladies' Union before next Sunday. This is important.

The use of the church parlors has been given to the two Grand Army posts of the city for a reception on Tuesday evening, in honor of State Commander, Marcus W. Bates.

Mr. T. H. Hawkes, Jr., was called to Springfield, Mass., on Sunday last, by the fatal illness of his father, Theron H. Hawkes, D. D., who passed away on Wednesday, November eighteenth. Doctor Hawkes was for many years an honored minister in our denomination, and well known to some in this congregation. The sympathy of our people is extended to Mr. Hawkes and his family, in this bereavement.

Pilgrim Church Brotherhood

In pursuance of the call issued last week, about sixty men of the church met in the parlors Tuesday evening, November seventeenth, to consider the question of organizing a Brotherhood. At half-past six o'clock the company sat down to a bountiful repast provided by the Ladies' Union. The ladies however, very discreetly, were not in evidence, the supper being served by some of the young men.

After supper Mr. Milne took the chair, and in a brief address introduced the business of the meeting. He was followed by Mr. Albert Baldwin who spoke on the advantages of a Brotherhood, in promoting Bible study. Mr. E. A. Schulze spoke of the benefits to be realized by the church from such an organization in welcoming strangers, and Mr. Oscar Mitchell of its possible advantages to the church and community along civic lines.

After informal remarks by others, it was voted to proceed to organization and a constitution presented by Mr. Milne was unanimously adopted.

Following the adoption of the constitution came the election of officers resulting in the unanimous choice of Mr. W. I. Prince as President, Mr. Geo. A. Gray, Vice President, Mr. W. C. Johnson, Treasurer and Mr. E. A. Schulze, Secretary. Mr. Prince and Mr. Schulze responded with brief remarks, expressing hearty sympathy with the Brotherhood idea.

Mr. Schulze, whom some one had called the Father of the Brotherhood movement in our church, disclaimed any such honor and confessed to having received from some of the ladies the suggestions which first led him to become interested in this direction. The anomaly, however, of conferring this title upon any one of the ladies having been pointed out, the distinction rested with Mr. Schulze, to whom no doubt it belongs.

At this point there was unexpectedly interjected into the proceedings of the meeting, an animated discussion of a matter of local public interest, which for some days had been occupying the attention of our daily press. This discussion, while entirely informal and not intended for publication, has not escaped comment in the daily papers of the city, and has probably been productive of considerable good.

Before adjournment it was voted to contribute ten dollars to the state Brotherhood; a hearty vote of thanks was extended to the Ladies' Union for their entertainment so generously provided; and those present were given an opportunity to pay their dues and become enrolled as active members.

The constitution as adopted provides for an annual meeting the second Monday in October, and regular meetings the second Monday of each month. All men of the congregation, including boys of sixteen years and over, are eligible to membership. The annual dues for minors are fifty cents, and for others one dollar. The Brotherhood will be affiliated with the state organization and through it with the national body.

All men of the congregation who have not yet become members are urged to promptly get in line and send their names to Mr. E. A. Schulze, Secretary.

## In Memoriam

### Robert W. Mars

Who entered into rest, November twenty-first in his 71st year.

This is not the place to put on record our appreciation of our departed friend as a defender of his country in the days when civil war shook the nation, or our esteem for him as an upright business man for nearly half a century. His comrades of the Grand Army of the Republic, and his companions of the Loyal Legion will sorrowfully and lovingly put these things on record. We simply desire to note here our sense of loss to this church and community, when the Lord called the faithful husband, the devoted father, the upright citizen, the conscientious man of business, the beloved brother in the church.

In an old letter which has come down to us through nearly twenty centuries we read these words—"Moreover it is required in stewards that a man be found faithful." In these words, a sort of summary of the Christian life, we read the character of our brother. A steward he felt himself to be of all that God had put into his hands: life, health, strength, influence, time, money; and his aim was to be faithful. One who lived a close neighbor to him for many years, and who was not altogether in harmony with his religious views, said the day after his funeral, "I never knew a man of more beautiful character." It was the life of the Christ that can not be hid.—W. S. W.

Church Notes.

The pastor visited Brainerd last week, on business connected with the Duluth Conference.

Mr. and Mrs. C. E. Adams have moved to their new home, at 412 Oxford Street, Hunter's Park.

At last mid-week service, a letter was granted to Miss Edith Bucklin, who will unite with the First Congregational Church, of Calumet, Michigan.

The ladies of the Square Circle and Circle Number Four, held their sale last Friday, and cleared thirty-two dollars on aprons and fifteen dollars on home cooking.

The membership committee of the Brotherhood has been appointed as follows: Messrs. E. D. Field, A. W. Frick, S. E. Matter, Arthur W. McMillan, and C. H. Dunning, Chairman.

The Ladies' Union has decided to omit this year the usual Christmas sale. The cantata, which was to have been given in connection with the sale, will not therefore be rendered at this time.

Mr. Fred S. Goodman, one of the international secretaries of the Y. M. C. A., delivered an inspiring address on Bible study from our pulpit last Sunday morning, having consented to speak too late for announcement in the bulletin last week.

Ladies who have not yet paid their pledges, are again reminded that payment should be made at once to the treasurer of the Ladies' Union. About fifty dollars must be collected before the balance on the mortgage debt of the church can be settled.

Attention is called to the anti-tuberculosis campaign which is now being conducted in this city. There will be meetings in the interest of this movement during the week, as announced in the daily papers. The value of this movement is such as to command the co-operation of all thoughtful people.

All men of the congregation who have not yet joined the Brotherhood, are urged to become members without delay. The next regular meeting will be held Monday evening, December fourteenth, in the parlors. Supper will be served, during which there will be a business session.

Mr. Booker T. Washington says that many negro children know no difference between Christmas and other days, except by the cards which are sent to him for following which there will be a business session. Any cards donated for that purpose, may be given to Mrs. W. S. Woodbridge who will send them on Monday, December fourteenth, or may be left in care of Mrs. B. Webster, 105 West Superior Street.

Church Notes.

Those who wish to take the Advance, may avail themselves of club rates by subscribing through Miss Alice Drew.

Special attention is called to the lecture on Mormonism in the church on Monday evening. The lecturer, Mr. Don Carlos Musser, is an ex-mormon elder and missionary, and is thoroughly conversant with his subject.

Mrs. W. G. Hegardt and Mrs. M. L. Jenks have been appointed on the December work committee of the Ladies' Union. They will also act as a nominating committee and submit nominations for new officers at the annual meeting.

The annual conference of those who are interested in work for the children of Minnesota, who are dependent on charitable institutions, was held in the office of the state Board of Control in St. Paul, on Saturday, December twelfth. Mrs. T. J. Davis, president of the Children's Home Society of this city, represented that organization at the meeting.

The annual meeting of the Ladies' Union for the election of officers and the transaction of such other business as may properly come before the meeting, will be held in the lecture room, on December thirtieth, at three o'clock in the afternoon. Officers and circle leaders are reminded that their annual reports must be submitted at this meeting.

The three hundredth anniversary of the birth of John Milton, which was celebrated last week, makes the subject of the pastor's address this evening, a timely and interesting one. Special attention is called to this that there may be a large attendance at the evening service.

The missionary committee of the church at their meeting, held at the residence of Mr. W. G. Hegardt last Monday evening, voted to recommend to the church for adoption, the same schedule of benevolences for 1909 as was adopted one year ago for 1908. Their report will be presented at the mid-week service next Thursday evening, and it is hoped there will be a large attendance to consider this important matter.

At the Christian Endeavor meeting this evening, the regular monthly mission-ary collection will be received and all members who are in arrears, are requested to make payment of the amounts due on their pledges.

Officers and circle leaders of the Ladies' Union are reminded that their reports must be presented at the annual meeting, on December thirtieth. The annual meeting of the church will also occur on the third Tuesday in January and officers of the church and presidents of the various organizations should bear in mind that written reports of the year's work will be expected from them at that time.

The meeting of the Brotherhood last Monday evening, was well attended. At the business session which followed the supper, the membership committee made a report showing the enrollment of several new members. The executive committee submitted a plan for the enlistment of the members in different lines of church activity, which was unanimously adopted, and there were informal remarks by the pastor and others. The next meeting will occur on the second Monday in January.

**Our Missionary Benevolences.**

The missionary committee of the church, consisting of seven men, with the pastor and missionary treasurer as members ex-officio, met last week to consider what our men had been doing the past year in missionary benevolences and to plan for the coming year.

The schedule of last year called for the raising of \$1,240.00 including \$25.00 for contingent fund, and the committee found that there had been already collected \$860.20 and there are unpaid pledges considered good, amounting to \$350.80, making a total for the year of \$1,211.00.

To the credit of the church it should be mentioned that missionary pledges seldom show any shrinkage; but on the other hand it appears that about one-third of the male members of our church give nothing, as far as known, towards our missionary benevolences.

The committee voted to recommend to the church, the adoption of the same schedule as last year and at the last mid-week service their report was adopted. The schedule is as follows:

American Board of Commissioners for Foreign Missions	\$575.00
(Account of support of Rev. H. M. Irwin and family, Cesarea, Turkey.)	\$325.00
Congregational Home Missions in Minnesota	50.00
(Including \$75.00 for Plymouth Church, West Duluth.)	30.00
Congregational Church Building Society	55.00
Congregational Education Society	75.00
Congregational Sunday School and Publishing Society	50.00
American Missionary Association	25.00
Ministerial Relief	15.00
Chicago Seminary	15.00
American Bible Society	25.00
American Tract Society	
Contingent Fund	\$1,240.00

Total desired in 1909

If subscriptions fall short, some modification of the schedule may be needful. Pledges may be modified or cancelled at the option of the giver. If there are any objects outside of those named above to which any one may wish to contribute, this may be arranged.

The above desired sum, \$1,240.00, does not include the amounts collected for Missionary Benevolence by the Women's Missionary Society of our church. Subscriptions for 1909, may be handed to Mr. W. W. McMillan, treasurer of the benevolent fund.

Church Notes

The regular Missionary offering will be received today.

The Lord's Supper will be celebrated at the service next Sunday morning.

Mrs. Milne was kept indoors by illness a portion of last week.

A son was born on December ninth, to Mr. and Mrs. H. F. Boylan, of 520 Lake Avenue North.

The pastor was in Minneapolis last Wednesday and Thursday, in attendance at a meeting of the trustees of Carleton College.

Special attention is called to the meeting of the Ladies' Union on Wednesday. An important item of business will be the discussion of plans for the celebration of the payment of the last of the mortgage debt of the church which has just been accomplished. The president makes a special request that every member be present at the meeting.

Members of the congregation may now take satisfaction in the knowledge that Pilgrim Church has no mortgage debt. The Ladies' Union paid the final amount recently, and the release of the mortgage has been received and put on record. At the annual meeting of the church, which will occur the third Tuesday in January, there will be appropriate ceremonies in celebration of this important event, and some public recognition of the valuable work done by the ladies in raising this financial burden.

The unexpected death of Mrs. Jessie Smith Bagley, wife of Dr. W. R. Bagley which occurred on Sunday, December twentieth, as announced from the pulpit at the morning service one week ago, brought grief to a large circle of friends. The funeral was held from the residence on Tuesday afternoon, the pastor conducting the services. The large attendance and the profusion of flowers, attested the deep regard in which Mrs. Bagley was held by all who knew her. She was a woman of engaging personality and high character and a valued member of this church. The sympathy of all goes out to the husband and to the five little children to whom at the Christmas time, has come this crushing bereavement.

#### Church Notes

A daughter was born to Mr. and Mrs. E. D. Baker, on Saturday, January second.

Attention is called to a mass meeting in the First Methodist Church, at three o'clock this afternoon, to protest against the attempt of Russia, to have her political refugees extradited. The call for the meeting is signed by many leading citizens of Duluth. Ladies are particularly invited.

At last Mid-week Service a letter was granted to Mr. A. J. Blix, who will unite with Plymouth Church, Minneapolis. There were also presented several requests to be admitted into the membership of the church, from those coming from other churches, all of which were favorably acted upon. These new members will be received today.

Copies of our schedule of Missionary benevolences with pledge cards attached, will be found in the pews today, each in an envelope addressed to Mr. McMillan, Treasurer. The first Sunday of the new year is a fitting time for each member of the congregation to decide what he will give during the next twelve months. It is requested that the cards be filled out and returned to the treasurer of the missionary fund, as promptly as convenient.

#### Annual Meeting of the Ladies' Union

The annual meeting of the Ladies' Union held in the church Wednesday afternoon, was one of unusual interest and importance.

After the opening prayer, a tribute to the memory of Mrs. W. R. Bagley, so dearly loved by all, was read by Mrs. Milne and it was ordered that it be placed on the minutes and a copy be sent to Dr. Bagley.

A large and representative gathering of the women of the church listened to the reports with the closest attention, as the summing up of the various lines of the year's work was laid before them. Surprise was expressed that so much had been done in other ways than the paying off of the last fifteen hundred dollars of the mortgage, but the ladies were exhorted by the president to bear themselves with becoming modesty, as an examination of the official statements of years had revealed most creditable records, and that it is expected the work of the coming year, while of a different kind, will be carried on with the same energy and enthusiasm that have marked that of the year just closing.

The chairman of the calling committee outlined a plan for the department next year which would increase its efficiency and extend its sphere of usefulness. Briefly stated it is as follows: A sub-committee of three should be formed in each of the four circles, the chairman of each sub-committee being appointed by the chairman of the calling committee and each of the chairmen so appointed should choose the two remaining members of the sub-committee. Each sub-committee should hold a short conference at the close of the Sunday morning service, as to the work done the preceding week. A written report from the chairman of each sub-committee should be presented monthly to the chairman of the calling committee who inspects it and with such additions as she sees fit to make, promptly turns it over to the minister. The sub-committees should serve for a period of four months each.

It is believed that this plan, supplemented by whatever could be done in this line by the Brotherhood, would insure steady systematic work by the individual members of our church among the strangers in our city, the sick, those in trouble or any one needing Christian help and fellowship and that it would bring many into the kingdom of God. The resulting spiritual strength to those engaged in it is no small argument in favor of the plan.

Votes of thanks were given to Mr. S. W. Clark, Mr. John Christie, Mr. E. W. Matter, and Mr. Wm. Beatty, for valuable favors extending throughout the past year.

Mrs. W. W. McMillan spoke warmly of the ladies' appreciation of the splendid work done by our president, Mrs. T. J. Davis, and of her inspiring leadership. The enthusiastic applause which followed was a hearty endorsement of Mrs. McMillan's remarks.

New officers for next year were elected as follows: President, Mrs. S. W. Clark; Vice President, Mrs. W. G. Hegardt; Secretary, Mrs. H. W. Nichols; Treasurer, Mrs. George Gray.

The solicitors for the four circles were appointed: East End Circle, Mrs. Brewer Mattocks; Circle Number Four, Mrs. W. W. McMillan; Square Circle, Mrs. M. L. Jenks; and Star Circle, Mrs. Sands Van Wagner.

The new President, Mrs. Clark, appointed Mrs. McGonagle chairman of the committee for the supper at the annual meeting of the church in January, and the meeting adjourned.—J. T. M.

#### Special Notice

**FRIDAY.** 8:00 P. M. The regular quarterly rally of the Christian Endeavor Union, will be held in the lecture room.

Church Notes

At last mid-week service a letter was granted to Mr. H. Chase Ballou, who will unite with the First Congregational Church of Rochester, Minn.

The congregational hand-books for 1909, containing prayer meeting topics for the year and other valuable information, are now ready for distribution and may be obtained from the pastor.

At morning service last Sunday, the following children were presented for baptism: Helen Margaret Grae, daughter of Mr. and Mrs. T. E. Grae and Charlotte Grawn, daughter of Dr. and Mrs. Frank A. Grawn.

At the communion service last Sunday, the following persons coming by letter from other churches, were admitted to our membership: Mr. and Mrs. Walter B. Rittenhouse, 1813 East Second Street; Mr. and Mrs. T. E. Grae, 515 Eleventh Avenue East; Mr. Thos. E. Jones, 213 East Second Street; and Miss Rose Dengler, 8 Chester Terrace.

It will be remembered that a committee of three was appointed by the church last May, to act with a similar committee from Plymouth Church, West Duluth, to consider the general interests of our denomination in this city, and to bring the two churches into closer fellowship. The pastor of each church was ex-officio a member of the committee. This joint committee held three meetings during the past eight months, with evident good results. Pilgrim church has shown a friendly interest in her struggling sister church, not only by words of sympathy, but by financial help. One hundred dollars was given by our members and a like sum was raised by the people of Plymouth church, thus swelling the amount of their available funds by two hundred dollars and enabling them to increase the salary of their minister. Other matters of general interest to our congregational body were discussed, and a closer fraternal feeling between the two churches was established. It is evident that the movement for co-operation should be continued.

Special Notice

The annual meeting of Pilgrim Church for the election of officers and the transaction of such other business as may properly come before the meeting will be held in the lecture room, Tuesday evening, January nineteenth, 1909. Irwin, wife of our Missionary pastor, Cesarea, Turkey, and from others, in acknowledgement of Christmas remembrances sent by the ladies of this church. At the business session the following officers for the ensuing year were elected: Mrs. W. W. Sanford, President; Mrs. Albert Baldwin, Vice President; Mrs. H. B. Paull, Secretary; and Mrs. W. G. Church Notes

Mr. John Koneczny, tenor, will sing with the choir today.

A daughter was born recently, to Rev. and Mrs. Herbert M. Irwin.

Plymouth church, West Duluth, is now without a minister, Rev J. A. Lumley, having resigned his charge and accepted a call to a church in Ohio.

At last mid-week service, a letter was granted to Miss Carrie B. Russell, who will unite with the Congregational church, of Fargo, North Dakota.

Rev. James Robert Smith, formerly pastor of Pilgrim church, Superior, and now of Quincy, Illinois, delivered a lecture in Superior, last Wednesday evening, at which he was given an enthusiastic reception by his old parishioners and friends.

The annual report of our missionary pastor, Rev. Herbert M. Irwin, was delayed in transit and arrived too late to be read at the annual meeting. Extracts from the report are published in this number of the Bulletin, but it needs to be read in full to get an adequate idea of the splendid work which is being done by our representatives on the foreign field.

The annual meeting of the Congregational church, at Biwabik, of which Rev. H. R. Harris is the pastor, was held last Tuesday evening. The financial report showed that two hundred dollars more was raised during 1908, than in the preceding year. Besides being pastor of the church, Mr. Harris is superintendent of the Sunday School and has under his charge two other outlying stations, where he preaches at stated intervals.

A pleasant feature of the annual meeting of the church, last Tuesday evening, was the presentation by the members of the Ladies' Union, of a loving cup to the retiring president, Mrs. T. J. Davis. The gift was typical of the high regard in which Mrs. Davis is held by the members of the congregation and of their appreciation of her work as president of the Ladies' Union during the past year. Mrs. S. W. Clark, the new president, presented the cup and Mrs. Davis responded briefly expressing her thanks.

## Annual Meeting of Pilgrim Church.

The thirty-eighth annual meeting of the church was held in the parlors on Tuesday evening, January nineteenth. Promptly at half past six two hundred fifteen people sat down to the bountiful supper prepared by the ladies and those coming in after the supper swelled the number to about two hundred twenty-five, making this one of our most largely attended business meetings in recent years.

After the supper and an enjoyable social hour the business session was begun, the pastor acting as moderator. The meeting was opened with the singing of the hymn "Blest Be the Tie that Binds," followed by reading of Scripture and prayer by the pastor. The annual reports of the officers of the church, of the pastor and of the presidents and treasurers of our various organizations were then submitted and were listened to with great interest.

These reports which cover fully our church activities for the past year are on file with the clerk and can not on account of their length be reproduced in the Bulletin. They all bear witness to a growing financial strength in the church and an interest in its work.

The Christian Endeavor Society, through its president, Miss Ethel Myron, and the Sunday school, through Mr. Andrew Nelson, superintendent, reported a very gratifying increase in the membership of these organizations.

Mrs. Robert Smith, superintendent of the primary department of the Sunday school, recommended in her report the establishment of a "Cradle Roll," a new department to care for the very little children in the school.

The report from the Ladies' Union, submitted by Mrs. T. J. Davis, the retiring president, was heard with special interest as it evidenced the remarkable activity of the ladies during the year which enabled them to pay off the last fifteen hundred dollars of our mortgage debt leaving the present church property, for the first time in its history free of all incumbrance. As noted elsewhere in the Bulletin, Mrs. Davis after reading her report was presented with a silver loving cup from the ladies of the church.

The Board of Trustees, through its chairman, Mr. Oscar Mitchell, reported that notwithstanding an increase in the annual budget the business of the church had been managed more easily during the past year than ever before, owing largely to the activity of the finance committee of which Mr. Ward Ames is chairman, in securing a considerable increase in the amount of our current weekly pledges. Mr. Mitchell stated in his report that since the previous annual meeting and without formal authorization by the church the trustees had voted that the salary of the pastor for 1908 be increased to three thousand dollars, and that this sum had been duly paid. He also requested that this action be ratified by the church and recommended that the salary of the pastor for 1909 be made three thousand dollars. By a unanimous vote of those present the action of the trustees was ratified as requested and their recommendation adopted.

The report of Mr. E. G. Chapman, clerk, showed an accession of eighteen members during the year and a loss of seventeen, three of these being by death.

On account of the approaching tenth anniversary of the beginning of his work here the pastor in his report took occasion to review briefly the growth of the church during the past ten years as shown by an increase of membership from 364 to 429 and a greatly enlarged financial strength, evidenced by the increased amount of expenditures for our home work and for missions being a grand total for the ten years of \$88,430.00. Of this amount our expenditures for 1908 were \$10,667. A gratifying feature is the great increase in the percentage of our gifts for missions, being nine and three-quarters per cent of the whole in 1898 and twenty-six and three-quarters per cent in 1908.

Reports were also presented by Miss Mary E. Murdoch, president of the Friends in Council; Mr. W. I. Prince, president of the Brotherhood; and Mrs. H. B. Paull, secretary of the Women's Missionary Society. In absence of Mrs. Paull her report was read by Mrs. W. G. Hegardt, and Mr. Milne read the report of the Mayflower society in absence of Miss Ruth G. Borland, the president. The financial statements which were submitted are published elsewhere in the Bulletin.

After hearing the reports the meeting proceeded to the election of officers and the following were elected: Trustees to serve for three years, Mr. Oscar Mitchell and Mr. W. G. Hegardt; deacons to serve for three years, Mr. T. H. Hawkes and Mr. Charles A. Smith; clerk to serve for one year, Mr. E. G. Chapman; treasurer of the general fund to serve for one year, Mr. H. W. Nicholls; treasurer of the benevolent fund to serve for one year, Mr. W. W. McMillan; members of the standing committee to serve for one year, Mrs. W. A. McGonagle and Miss L. Ella Roe; and members of the music committee to serve for one year, Mr. J. P. Johnson, Mrs. E. W. Matter and Mrs. Albert Baldwin. Officers of the Sunday school to serve for one year were also chosen as follows: Superintendent, Mr. Andrew Nelson; assistant superintendent, Mr. E. A. Schulze; superintendent of the primary department, Mrs. Robert Smith; secretary, Mr. Eugene H. Harbison; treasurer, Mr. Alonzo W. Taylor. The matter of selecting ushers for the ensuing year was referred to the Brotherhood. The present missionary committee was continued for another year, the members being, Mr. W. S. Woodbridge, Mr. W. I. Prince, Mr. W. G. Hegardt, Mr. Charles A. Duncan, Mr. George A. Gray, Mr. Ward Ames and Mr. Charles A. Smith. The pastor is also ex-officio a member of the committee.

The trustees were as usual authorized to appoint a finance committee of five members to assist in the securing of pledges and in the general financial administration of our church affairs.

This concluded the business of the meeting which was closed with singing the doxology, and with the benediction by the pastor.

The election of officers and other proceedings were conducted with entire harmony and good feeling and all went from the meeting with an added sense of pride in the past history of Pilgrim church and with an increased hope for her future usefulness.

## Report of Our Missionary Pastor.

My particular work is that of treasurer and secretary of the Cesarea mission field or station, which is larger than any other field in Turkey, for besides our American missionaries we have thirty-five or more native helpers, with each of whom I have to keep separate accounts. Last year \$22,500 passed through my hands; this year \$17,500.

In addition work of all kinds falls upon the treasurer, from the ordinary repair upon a defective chimney, prescribing for a sick horse, or opening boxes from America and distributing their contents, to transacting business with the government. In such details most of my life is spent—not specially religious work you may think, but it brings me in contact with many people, and gives an opportunity to reach them.

Occasionally I find time for a preaching tour in the surrounding villages; have made two such tours this past year, one in the spring, the other in the fall. The first trip was not altogether enjoyable as my object was to reconcile two factions in the congregation. The fall tour was of quite a different kind, covering a number of our out-stations, among them two churches well-manned by native pastors, and in thriving condition.

Another branch of work to which Mrs. Irwin as well as myself are giving time is our Boys' Club at Talas, an account of which to July 1st last I have previously given you. With the re-opening of this work in September there was a considerable falling off in attendance for which we were both sorry and glad; sorry because so many of the young men had passed from under our immediate influence; glad, because it showed the liberty that has now come to Turkey. Talas, five miles from Cesarea, is a town with no work for young men, and yet under the old regime they could not go away without permission from the authorities; practically they were forced to stay at home. Under the new liberty of travel about thirty young men belonging to our organization have left for other places. Our belief that we have touched the lives of these young men for good rests among other things, on this fact: two years ago it was not safe to leave outside or unguarded anything of value that could be easily carried off; now for weeks at a time things are left out and are untouched.

We are now negotiating for the rental of a building in Cesarea itself—a city of 60,000 people—in which to start a similar work for young men and boys. A friend in America, who visited us a year ago, has offered the money for this work, and the possibilities of good are great.

Now a few words in regard to the wonderful revolution in Turkey. Parliament is an accomplished fact, and with it have come liberty of travel and speech and improved educational facilities. There is good prospect, too, of reduced and equitable taxation and the establishment of new industries; these things give promise of prosperity and progress, almost dazzling.

Pray for us that we may still further break down the prejudice of centuries, and gain the great object for which the missionaries in Turkey have planned and toiled and prayed for three-quarters of a century.—HERBERT M. IRWIN.

A portion of the missionary funds of the Friends in Council, the Society of Christian Endeavor and the Sunday school, were turned over to the treasurer of the benevolent fund of the church and by him disbursed. For this reason the sum of \$103.22 is duplicated in the above summary, and should be deducted from the total receipts to arrive at the net amount of receipts for 1908.

An analysis of the financial statements of the various treasurers shows that they had on hand Jan. 1, 1908, missionary funds to the amount of about \$270.00, and that there was collected during the year for strictly missionary purposes from all sources about \$1,810.00. The disbursements of all departments of the church for purely missionary purposes, both home and foreign, were about \$2,035.00. This does not include receipts on account of the "deacons fund" of \$87.00, and disbursements on account of the same fund amounting to \$34.00.
