Church Notes

The monthly missionary offering will be received today.

A son was born to Mr. and Mrs. Carl F. Sheldon, on December twenty-third.

The regular Monday evening meeting of the Friends in Council will be omitted this month.

Mr. Joseph L. Lonegren, tenor, will sing with the choir at morning and evening services today.

Mrs. Charles Alden Smith will be the speaker at the Y. W. C. A. vesper service today, and Miss Ella Mason will sing.

Hon. Frank M. Eddy of Minneapolis, will address the men's meeting at the Y. M. C. A. this afternoon, and the Svea Glee Club will furnish the music.

The meeting of the Ladies' Union last Wednesday, was a notable one on account of the action taken in voting to begin at once the accumulation of a fund to be used in securing a parsonage.

The executive and membership committees of the Christian Endeavor Society, held a meeting at the home of Miss Myron, last Wednesday evening. Mr. Harry L. George is the new chairman of the membership committee.

Rev. Harry Milford, sometimes called the "Lumber Jack Preacher," who will speak at the service this evening, is engaged in city mission work in Superior, and has an interesting and characteristic message which all should hear.

The pastor will deliver a series of addresses on Lincoln, at Sunday evening services during February, the subjects in their order being: "Formative Influences of Lincoln's Life;" "The Crisis of His Career;" "Bearing the Burdens of the Nation;" and "His Religious Life." All who heard the lectures which Mr. Milne delivered last year on Heroes of the Reformation, will be willing to predict with confidence that the new series as outlined above, will be intensely interesting and helpful.

That the Laymen's Missionary Movement has secured a strong hold on Minnesota, is evidenced by the fact that there are already fourteen co-operating committees representing fourteen of our cities and larger towns. These committees have issued invitations to a Laymen's conference in the interest of the movement, to be held in Minneapolis, February fourth to seventh. An event of importance preliminary to the conference will be a dinner at the West Hotel, next Thursday evening, at which Governor Johnson and others of national reputation will speak.

Annual Meeting of Plymouth Church

Plymouth church, West Duluth, held its twentieth annual meeting last Thursday evening, preceeded by a supper. Between forty and fifty were present. Deacon J. H. Bowne was chairman of the meeting. Mr. Roger M. Weaver, clerk reported a membership of sixty-four, being the same as one year ago, but the roll needs revision. Three joined by confession last year and one by letter. Four members were lost during the year. J. H. Bowne, treasurer, reported all bills paid; insurance paid two years ahead; fuel on hand for another year; minister paid two hundred dollars more than was agreed. Superintendent of Sunday School, Dr. Howard Baker, showed an enrollment of seventy-three; average attendance for the year fifty-four; collections, sixty dollars. Miss Tena Weddell, president of the Endeavor Society, less than a year old, reported ten members, with an attendance often twice that number. Mrs. Bowne, secretary of the Ladies' Aid Society reported nineteen members; and receipts one hundred and ninety-four dollars. The Women's Missionary Society have sixteen dollars in the treasury. Mrs. Chas. C. Salter is chairman.

Mr. H. C. Bowne was elected deacon to take the place of Mr. Fargo, removed from the city.

Dr. Geo. R. Merrill, State Superintendent of missions, gave an encouraging talk and assured the church of help as in the past. Mr. W. S. Woodbridge brought the greetings of Pilgrim church, and the assurance of an interest and willingness to help.

It is expected that a regular supply will be had for the morning service to cover the next week when it is hoped to call a permanent pastor.

Church Notes

The new Glen Avon Presbyterian church at Hunter's Park is nearly finished and will be occupied and dedicated next Sunday.

The Christian Endeavor Society is devoting fifteen minutes of each Sunday evening prayer meeting to a regular course of Bible study, under the leadership of Mrs. Milne.

Hereafter the last mid-week service of each month, instead of the first as heretofore, will be devoted to the consideration of the Sunday School lessons for the succeeding month.

Mr. and Mrs. F. E. Coleman, who are new-comers among us, are living at 2117 Jefferson Street, and Mr. and Mrs. C. H. May, who are also new-comers, are living at 615 West Second Street.

Rev. Theodore W. Gulick preached in Plymouth church, West Duluth, last Sunday, and will continue to occupy the pulpit there at Sunday morning services until a permanent pastor is secured.

All should bear in mind the addresses on Lincoln, which will be given by the pastor at evening services during February. The subject next Sunday evening will be, "The Crisis in his Career."

Special attention is called to the meeting of the Brotherhood tomorrow evening. Each member is asked to bring a friend whom he thinks should join the organization. Every man of the congregation whether at present a member or not, is cordially invited to be present at the meeting.

Word was quietly passed around last week that Thursday, the fourth, would be the fourteenth anniversary of the marriage of the pastor and his wife, and that in honor of the event every one was expected to be present at the mid-week service. As a result, a large audience assembled, comfortably filling the lecture room and giving a hint as to the possibilities of attendance at the prayer meeting if our people would but become interested in this service. Besides the consideration of the regular subject of the meeting, the letter recently received from Mr. Irwin, extracts from which have already been published in the bulletin, was read in full. At the close of the meeting Mrs. C. H. Dunning struck up the Wedding March on the piano and little Helen Sheperdson presented Mrs. Milne with a bridal bouquet. Mr. W. I. Prince expressed the congratulations and best wishes of those present, and Mr. Milne responded expressing for himself and for Mrs. Milne their pleasure and complete surprise at the reception accorded them. There followed a pleasant social evening interspersed with music by Miss Abbott, recitations by Mrs. Rollins and informal remarks by Mrs. E. A. Shores and others. Light refreshments were served and all went home from the meeting feeling that the occasion had been one of the pleasantest in our church history.

At the meeting of the Brotherhood last Monday evening, the secretary was instructed to send flowers and a message of affection and sympathy to Professor Charles Alden Smith, who is seriously ill at St. Luke's hospital.

At the recent conference of the Laymen's Missionary movement, held in Minneapolis, Mr. Watson S. Moore and Mr. W. S. Woodbridge, were elected as two of the three members from Duluth, of the newly formed state executive committee. The third Duluth member has not yet been named. Mr. Woodbridge will address the Brotherhood of the First Presbyterian church today, giving a report of the conference.

Conference of the Laymen's Missionary Movement

The Minnesota Conference of the Laymen's Missionary Movement held at Minneapolis, February fourth to seventh, is said by men competent to judge, to have been the most remarkable series of religious meetings ever held in the Northwest. The Conference had been planned during the past six months by a local committee of fifty or more leading business men of Minneapolis, headed by ex-mayor David P. Jones, and it brought together during the various meetings not less than one thousand earnest Christian laymen, representing eight religious bodies, and over fifty cities and towns of this state.

The principal speakers during all the meetings were four laymen who had studied the Foreign Missionary work at close range and who told of what they had seen rather than what they had heard. These men were David F. Wilbur, an ex-member of the U. S. Congress, now Consul-General at Halifax, Nova Scotia, and formerly U. S. Consul at Singapore; Col. Elijah W. Halford, founder and editor of the Chicago Inter-Ocean, private secretary to President Harrison during his entire term in the White House, later an officer in the army and stationed in the Philippines; Wm. T. Ellis, a Philadelphia journalist, who recently made a trip of thirty-five thousand miles around the world for the purpose of studying Foreign Missions; and J. Campbell White of New York, who spent ten years of his life as a Young Men's Christian Association worker among the University students of Calcutta. The three men last named gave addresses at the opening meeting of the conference following the dinner at the West Hotel, on the evening of February fourth, when four hundred and sixty-five men, all that could be accommodated, had seats at the table and nearly as many more tried to secure tickets. All these four men and others who spoke missionaries on furlough, mission board secretaries and so on, had each a message of value and added to the interest of the meetings, but the man who towered above them all, simple, clear, with unerring logic and beautiful spirit was J. Campbell White.

The underlying thought of all the nine meetings was this—The evangelization of the world in this generation, and on this one question in some form or other, all the great thoughts and utterances of the conference, as well as the facts and figures presented, centered. Some of these were: the vastness of the work proposed—one thousand million souls in non-Christian lands; over against this put the words of Him who said "All power is given unto Me in Heaven and Earth." But never forget that while Christ can win the world, He cannot win the world alone.

Thirteen thousand missionaries now abroad can probably evangelize three hundred and twenty-five millions. It is estimated that each missionary, with the usual average of ten native helpers, can in fifteen to twenty-five years, carry the Gospel message clearly to twenty-five thousand people, and lay the foundation of Christian education and civilization. This has been done in scores of instances in the last twenty-five years; what man has done, man, with God's help can do.

This leaves in non-Christian lands unprovided with the Gospel message, six hundred and seventy-five millions. Twenty-seven thousand missionaries, each covering a district containing twenty-five thousand people, would be required on the basis given above to carry the message of salvation to these six hundred and seventy-five millions. Remember that God has opened every door and thrown down every barrier; that the Bible, or portions of it, is now printed in five hundred and thirty-four languages and dialects of the earth; that an average contribution of three dollars per year from each member of the protestant churches of America, would furnish our share of the money needed to send sufficient missionaries to carry the story of God's love to six hundred millions of God's children, who have never heard His name. But given the money, can we find the men and women, who will give their lives to this work? The Acts of the Apostles is still an unfinished book; the age of heroism has not passed away; the voice of Christ can today awaken responses in the human soul, as full and deep as when he called Saul on the road to Damascus. Nothing, absolutely nothing, stands in the way of the fulfillment in this generation of the prophecy.—"He shall see of the travail of His soul and shall be satisfied," except the indifference of His followers—your indifference and mine—W. S. W.

Charles Alden Smith, beloved member and honored deacon of this church, died at St. Luke's Hospital, Monday, February fifteenth. The funeral services were held on Wednesday, at Glen Avon Presbyterian Church, Hunter's Park, on account of the proximity of that church to the residence. Mr. Milne conducted the services and was assisted by Rev. J. C. Faries. A more extended notice of the life and work of Professor Smith, will be found on page four of the Bulletin.

In Memoriam

The following resolution presented by Mr. W. S. Woodbridge, was adopted unanimously at last mid-week service and was ordered spread upon the minutes of the church.

"We desire to put on record the expression of our sense of the great loss sustained, not only by the church, but by the community at large in the death of our brother beloved, Charles Alden Smith.

As a member of the church for nearly ten years, and a deacon for the past five years, we came to know him, and to know him was to love and honor him. Behind and above every service he rendered to the church, and through his position as principal of the High School, to the whole community, was the man himself, kindly and true, gentle in his firmness and firm in his gentleness, the Christian gentleman, without fear and without reproach.

Words are but feeble symbols to express the value of such a life, or our appreciation of it; powerless to bring comfort to the widow and the fatherless. But feeble and powerless though they are, we offer them as the heartfelt expression of affection on the part of this church for our friend and brother, and of sympathy for his family in this crushing bereavement."

Charles Alden Smith

Charles Alden Smith was born in Princeton, Illinois, in 1853. The town was founded by New England people. His mother was a native of New Hampshire, and a descendant of John Alden, reputed the first man to step on Plymouth Rock from the Mayflower, whose courtship of Priscilla Mullens was celebrated by Longfellow. With such an inheritance and with the influence of the church, founded by New Englanders and nourished in the lofty traditions of New England life, it is not strange that he was a devoted adherent of the Pilgrim ecclesiastical order.

He was graduated from Amherst College, Massachusetts, in the class of 1874, and took up the work of teaching. After a brief service in a military academy in Orchard Lake, Michigan, he returned to his native state and wrought at his chosen profession successively in Peoria, Ottawa, Rockford and Lake Forest. At Lake Forest, he was principal of the academy, the preparatory department of Lake Forest University. From there he came to Duluth, in 1899, to the principalship of the Central High School.

The responsibilities of the position are many and arduous. With so many kinds of people to deal with, directly and indirectly, wisdom of the rarest kind is demanded in order to achieve success. It was not long before the whole city knew that a man of high ability and sterling character was at the head of the High School. The wisdom with which he dealt with the difficulties that arose, gained him universal respect, and his never-failing gentle courtesy won the hearts, even of those who for a moment may have differed with him. Tennyson's lines concerning Arthur Hallam describe him perfectly: "And thus he bore without abuse, the grand old name of gentleman."

He identified himself with Pilgrim church immediately on his arrival in the city. His modest, unassuming, helpful spirit soon won the cordial esteem and warm affection of our people. His purchase of a home in Hunter's Park, cut the family off in part from regular attendance upon the church services. Mr. Smith, however, continued to serve as deacon to which office he was elected in 1904. He was a valuable member of the Diaconate, his knowledge of men, his experience, his native tact and sincere piety filling nobly the ideal of that office. He was also an honored member of the Board of Directors of the Young Men's Christian Association. His character was an honor to the church and his daily life an exemplification of its teaching.

The universal mourning over his death, is an impressive evidence of the power and attractiveness of a life consecrated to a high Christian ideal.

For several months he bore without complaint the burden of ill health, and when his physicians advised an operation, he submitted cheerfully and bravely, expecting soon to be able to resume his work. The surgeons found what had been hoped of a successful issue was impossible. They hoped, however, to prolong his life, but he passed away at half-past four o'clock, Monday morning, February fifteenth, in the presence of his family, with tender messages of farewell to each one and a beautiful expression of his trust in God.

There remain of his immediate family to mourn his loss, his wife, Mrs. May L. Smith, his son Philip Alden and his daughters, Delia Marguerite and Katherine Town. Our hearts go out to them in their great sorrow.—Alexander Milne.

Church Notes

Mrs. C. A. George has been called to Wolcott, Indiana, by the serious illness of a relative.

The meetings of the Square Circle and the East End Circle which had been planned for this week, have been postponed.

At the Christian Endeavor Society meeting this evening, there will be a special missionary collection. All members are requested to be present.

Members of the Women's Missionary Society whose pledges for foreign missions are still unpaid, are requested to pay the same at once as the Society's apportionment for this work must be forwarded before April first.

One of the pleasant Church affairs of last week, was the supper in the church parlors on Monday evening, for the young men of Mr. Baldwin's Bible class. The supper was served under the direction of Mrs. Milne and Mrs. T. J. Davis, and all reported a most enjoyable time.

The business meeting and basket social of the Christian Endeavor Society held in the parlors last Wednesday evening, was a very successful affair. There was a good attendance and the following new members were received into the society: Miss Edith Hessmer, Mr. Arthur Heller and Mr. Milton Hessmer.

The sympathy of the members of Pilgrim church is extended to Mrs. A. G. Strong, in the loss of her mother, Mrs. Mary Ann Bassett, who passed away at the home of her daughter, 1515 East First Street, on Tuesday, March twenty-third. The funeral was held on Wednesday, Mr. Milne conducting the services, and the remains were taken to Cleveland, Ohio, for burial.

Mrs. Bassett was born in Keene, New Hampshire, in 1822, and was the widow of the late Charles Bassett of Cleveland. She was the last of a family of twelve children, and besides her daughter, Mrs. Strong, there survive her, two sons and another daughter, all of whom are residents of Cleveland. She was at the time of her death, and for many years prior thereto, a member of Plymouth Church, Cleveland, in which church she had been an active worker. Since coming to Duluth, her declining years and somewhat feeble health, have prevented her taking an active part in church life and have limited those who knew her well, to a small number; but to this inner circle of friends, and to her family, the simple and consistent beauty of her Christian character and her love of the Bible which was her constant companion, have been a continual inspiration, the influence of which her death can not take away.

TUESDAY. 2:30 P. M. The Square Circle will meet with Mrs. W. H. Denham, 219 East Third Street. A full attendance is desired.

Church Notes

The Ladies' Union will conduct a "grocery sale" at the store of Lundmark & Franson, early in May.

Mrs. L. E. Paddock, Mrs. M. L. Jenks and Mrs. M. J. Gochey have been appointed on the April work committee of the Ladies' Union.

A new departure in the Sunday School, is the establishment of a "Cradle Roll" which will be under the supervision of Miss Mary E. Murdoch.

The next communion service will occur on Sunday, May second. All who wish to unite with the church at that time are requested to inform the pastor.

Attention is again called to the fact that the pastor's telephone number on the "Bell" line has been changed and is now "55-M." Correction cannot be made on the first page of the Bulletin until the present stock of outside pages, already printed, is exhausted.

There was a large attendance at the mid-week service last week, which was devoted to the consideration of the Sunday School lessons for the ensuing month. The speakers were Miss Grace E. Duncan, Rev. J. A. McGaughey, Mr. W. W. McMillan and Mr. J. A. P. Neal.

On Fridays during April, the Children's Home of this city will be open for the inspection of the public. The interior of the building has recently been undergoing some improvement and renovation, and the board of managers cordially invites the members of this congregation to visit the home and become more familiar with the work which is being done there.

By vote of the trustees the Easter offering to be taken next Sunday, will be devoted to the fund which is being set aside for the purchase of a motor for the organ. This improvement which will be somewhat expensive, has been long needed and it is hoped that our people will contribute liberally.

The annual offering of Pilgrim church to the W. B. M. I. was forwarded to the state treasurer on March thirtieth. The Christian Endeavor Society contributed twenty-seven dollars, the Friends in Council forty dollars and the Women's Missionary Society one hundred and eighteen dollars, a total of one hundred and eighty-five dollars. This meets the amount apportioned to the church, being an increase of ten dollars over last year.

That the special Lenten services conducted in the lecture room by the pastor during the past two weeks were interesting and helpful, was attested by the large attendance at the meetings, both in the afternoon and evening.

At the service last Tuesday evening, a letter was granted to Mrs. Harriet Raw Deyoe, who will unite with the Congregational church at Garner, Iowa, and to Mr. Rollin A. Sprague, who will join the Congregational church at Vermontville, Michigan. At the meeting on Thursday evening, letters were also granted to Mr. and Mrs. E. K. Sherwin, who will join the Hammond Avenue Presbyterian church, Superior.

An Easter Message

"If then ye were raised together with Christ seek the things that are above, where Christ is." In this profound way Paul makes the resurrection a perennial fountain of noblest life. It is something more than an event that happened at a certain definite time; it is a victory endlessly repeated in the lives of all those who name the name of Christ. There are in Christian experience what may be called the analogues of the crowning events in the work of Christ. He died and rose again; his disciples die unto sin to rise again in the newness and power of a better life. This is what conversion means; it is also the reality of a daily consecration. The evening confession, when sincere and complete, is the death of that day's life; the morning prayer is the sign of the soul's renewal and the dedication of the new day to a fresh incarnation of the spirit of Christ.

"Seek the things that are above, where Christ is." To look at life through Christ's eyes, to see the world in the light of God, that is the power of a truly spiritual life. Augustine confessed that in his wayward days he did not do this. "I had my back to the light, and my face to the things enlightened, whence my face itself was not enlightened." To see the light and to rejoice in it, to lift the face to the Sun eternal, letting it flood heart and soul and daily life with radiance, is the reality suggested by Paul's words. Seeking always the things above, the higher righteousness, the more perfect obedience, the nobler love, the more Christ-like spirit — this is the power of His resurrection. In this way it is an ever present reality, a daily sign of his grace and goodness.—Alexander Milne.

The following dispatch, taken from a recent daily paper, indicates the danger
in which our missionaries are placed by the present political and religious disturb-
ances in the Turkish Empire:

"Boston, Mass., April 19 - A brief cable dispatch, in effect a cry for help from
the scene of the massacre at Adana, Asia Minor, where D. M. Rogers and Mr.
Maurer perished, has been received by the American Board of Commissioners for
Foreign Missions here. The message, tragic in its brevity, is as follows:

"Help, Adana." (Signed) "CHAMBERS."

This was from Rev. William Chambers, resident missionary of the board in
Adana. Convinced that the help requested must be prompt, Secretary Barton noti-
fied the officials of the state department at Washington of the appeal. There are
fifty officials of the state department at Washington connected with the American
thought to have been upwards of fifteen missionaries connected with the American Board
Board, gathered at Adana last week for the annual conference of the central Turkey
mission. The identity of the particular delegates is not known to the American Board
officers in this city, but among the entire number of missionaries in Central
Turkey of whom some are likely to have been in Adana, are the following:
Miss Kate E. Ainslie of Ohio; Miss Alice C. Brewer of Washington, niece of
Justice Brewer of the United States supreme court; Miss Isabella M. Blake of
Vermont; Miss Ellen M. Blankely of Winchendon, Mass.; Dr. Thomas D. Christie
of Hartford Conn., and his wife; William N. Chambers of Canada and his wife,
Cornelia P. Chambers of Philadelphia; Fred F. Goodsell and his wife, Lulu K. S.
Goodsell of San Francisco; Dr. Lucius O. Lee of Owasso, Mich.; Frederick W.
McCullum and Mrs. McCullum of Toronto, Canada; Mrs. Margaret R. Trow-
bridge of Brooklyn, and Miss Clara L. Peck of Chicago."

The following item, furnished by Rev. J. Kimball, refers to Miss Peck, whose name is mentioned with the names of other missionaries in recent dispatches from Asiatic Turkey:

Miss Sarah Louise Peck, who went with Miss Ainslie to the central Turkey Mission last September, is a daughter of Mrs. Peck, nee Lauretta J. Frank, who for several years taught in the public schools of Duluth. She attended Pilgrim Church and was a teacher in the Sunday School. She died in Faribault where she had been matron for some time in one of the state schools. Miss Peck is a graduate of the Minnesota State University, and has taught several years in this state. Although born in Chicago, most of her early life was spent in South Dakota and Minnesota.

Mrs. Milne left on Thursday last, for a visit in Columbus, Ohio. Attention is called to the fact that hereafter mid-week service will begin at eight o'clock.

Miss Glenn Bartholomew, contralto, will sing with the choir at morning and evening services today.

Special attention is called to the report on the opposite page, from Miss Duncan, who was our delegate at the Sunday School convention held in Crookston.

The pastor will attend a meeting of the business committee of the State Association in Minneapolis next Wednesday, and a meeting of the trustees of Carleton College in Northfield, on Thursday.

At the last meeting of the Women's Missionary Society, Mrs. T. H. Hawkes was elected auditor, and Mrs. John Drew was appointed to act as a committee on literature, and to solicit subscriptions for the "American Missionary." A collection was taken at the meeting for the benefit of those made destitute by the recent troubles in Turkey. Those wishing to contribute for this object may hand the money to Mrs. W. G. Hegardt. The funds will be forwarded for disbursement to our missionary pastor, Rev. Herbert M. Irwin.

The Crookston Convention

"We are here in the boosting business," said Mr. W. C. Pearce of Chicago, in one of his inspiring addresses, at the fifty-first annual convention of the Minnesota Sunday School Association, on May fourth, fifth and sixth at Crookston; and I am sure no one left Crookston without a strong desire to go home and give his own Sunday School a boost. Our Sunday School is steadily progressing under the leadership of our very able Superintendent, but there is much room for improvement yet and I am glad of it, for the Association sets a standard for every school in the state, and we have something to work toward. Mr. W. H. Gold of Redwood Falls, presided over most of the meetings. The gist of the opening address by Rev. S. M. Dick of Minneapolis, was the conquest of the world in peace, which we as Sunday School teachers are striving for, by teaching the Gospel to those already in our schools, and trying to get every member of every family "from the cradle to the grave" enrolled as members. A little new enthusiasm is what we all need now and then, and this session of meetings, morning, afternoon and evening, for three days, was full of it. The purpose of the convention was as Mr. Pearce said, like the boy's idea of a telescope: "it helps you see the things you can't see." At the meetings we heard of what others do and how they do it, and were aroused to our own possibilities. In order to keep pace with other wide awake Sunday Schools of our state, we must have besides our monthly prayer meeting, a regular teachers' training class, where those of us who are teaching in the school may, by just a little effort, be made so much more efficient. The opportunity is provided for us and we are simply giving ourselves as channels through which Jesus may teach the class, and He will take our smallest talents and bless them to their greatest good. Let's help St. Louis county to reach point ten of the standard which requires that ten per cent of the schools in our county shall have teachers' training classes. A strong plea was made for the standard grading of our Sunday Schools. The grading of the junior, intermediate, senior and adult classes is as important as that of the primary department. "And there should be yearly recognition of what has been accomplished especially in the supplemental work," said secretary Locker. Mrs. Frank Caldwell of Minneapolis, gave a talk full of interest and helpful suggestions on "Practical Plans for the Cradle Roll." Great emphasis was laid on the importance of this department, not only because it brings the children very early into connection with the day School but because it is one of the best ways to enlist the interest of the parents. The home department, and the extreme importance of a "Decision Day" in every school, are other subjects which were considered in detail. Rev. Hullett of Detroit, compared a Sunday School without a "Decision Day" to a fisherman who casts in his net and never pulls it out; and in speaking of the importance of teaching the word of God to children, quoted Gypsy Smith as saying: "if you save a man you save a unit, if you save a boy you save a multiplication table." The splendid work done by the general secretary, Mr. A. M. Locker, was recognized by the convention, and since the work in his field has become too great for one man to handle alone, a strong plea was made for funds, to allow the employment of an assistant secretary. Thirteen hundred dollars in addition to its regular apportionment of three hundred dollars. Many other things which were of great benefit can not be mentioned here, but let me not neglect to say that the people of Crookston opened their hearts and their homes most cordially to the delegates.—Grace E. Duncan.

Other Notices for the Week

WEDNESDAY. 2:30 P. M. Circle Number Four will meet with Mrs. Mary E. Townsend, 1025 East Fifth Street. This will be a "work" meeting and a full attendance is requested.

THURSDAY. 8:00 P. M. Mid-week service in the lecture room. Subject: "The Greatest Thing in the World." 1 Cor. 12: 31; 13: 1-13; Matt. 22: 34-40. Why love endures. Self-love and neighbor-love. The charm of the Divine life as Christ reveals it.

Church Notes

The regular monthly missionary offering will be received today. Miss Glenn Bartholomew, contralto, will sing with the choir at the morning service.

There was a meeting of the social committee of the Christian Endeavor Society last Wednesday.

At the last mid-week service a letter was granted to Mr. Malcolm C. Sinclair. He will join the Fowler Methodist Church, Minneapolis.

Mr. Milne went to Moorhead on Saturday where he will today preach the annual sermon to the graduating class of the State Normal School.

There will be no meeting of the Friends in Council tomorrow evening, the society having discontinued its meetings for the summer.

This congregation is glad to welcome to our pulpit Rev. John A. McGaughey, who is at the head of the religious work of the Y. M. C. A. of this city. In the pastor's absence he will preach at both the morning and the evening service.

The mid-week service last Thursday evening was devoted to the consideration of the Sunday School lessons for the ensuing month. There were special addresses on the lessons by the pastor and by Mr. H. I. Pineo. Miss Grace E. Duncan also gave an interesting talk on some features of the recent Sunday School Convention at Crookston. Miss Duncan made a special plea for the grading of the intermediate and higher departments of our own school, to conform to the standard grade which is being so generally adopted. It is to be hoped that this will receive the serious consideration of the officers and workers of our Sunday School.

Twelfth Annual Meeting of the Duluth Conference

The meetings of the Duluth Conference at Biwabik, May twenty-fifth and twenty-sixth, were favored by unusually fine weather. The attendance of delegates from the churches was exceptionally small. Our own delegates were unable to attend, and this church was represented in the conference by the pastor only. There were six ministers present, and the program was of unusual interest. The afternoon and evening meetings were well attended by the Biwabik people. Their hospitality was very cordial and very gracious. Special interest was aroused by the addresses of Mr. Gulick, on missionary work in China; and of Dr. Merrill on the Prayer Life of the Master. Dr. Merrill also delivered a most remarkable address on Our World Wide Work and the Apportionment Plan. Mrs. Walter A. Snow, wife of the pastor of our church in Glenwood, was present and spoke in a very persuasive and effective way on the work done by the workers of our churches. Other addresses were made by the Rev. W. J. Conard, the Rev. Dr. R. P. Herrick and by Mr. Milne. Mr. T. E. Grae sent a paper on the Opportunity for the Men of our Churches, which was read by Dr. Bray, who served as moderator. The visitors to Biwabik were greatly impressed by the solid prosperity of the church there, and by the tokens of material and moral progress in the town. The Rev. Mr. Harris is clearly doing a fine work.

The first in the series will be by Dr. W. R. Bagley, on the subject, "Religion and Medicine." It has been expected that this address would be given next Sunday evening, but on account of Dr. Bagley's absence from the city, a postponement has been necessary. The address, however, will be given in the near future.

The meeting of the Missionary Committee and others interested in the "Joint Missionary Campaign" which was held last Monday evening, was not largely attended, but the results were very gratifying. At the service this morning, opportunity will be given for further subscriptions. Other Notices for the Week

THURSDAY. 8:00 P. M. Prayer service in the lecture room. Subject: "The Growing Kingdom The Emergence of National Spirit in the Orient." A thousand million Orientals in China, Japan, India, Persia and Turkey, becoming imbued with Occidental ideals of liberty, equality, self-government and brotherhood. Contrasts between today and conditions previous to the Russo-Japanese war. The new problem of British and American Statesmen. The growth and self-assertiveness of native churches. How long will the missionary be needed?

Church Notes

The annual Sunday School picnic will probably occur the last week in July.

The Ladies' Union has disbanded for the summer, and will hold no further meetings until Fall.

The total pledges from this church to the "Joint Missionary Campaign" amounted to six hundred and eighteen dollars.

The sermon by the pastor last Sunday morning on "Spiritual Surgery," was one of unusual power and helpfulness, and he has been asked to repeat it at some future time.

The pastor expects to go to Columbus, Ohio, on Tuesday next, and will probably be away for two Sundays. In his absence Rev. J. T. Moody of the Bethel, will occupy the pulpit.

A special collection will be taken at the Christian Endeavor meeting this evening, the money to apply in paying the expenses of the delegate from the Christian Endeavor Union to the St. Paul Convention.

Attention is called to the service this evening, at which Miss M. M. Foote will speak. Miss Foote served for seven years as missionary in Turkey under the American Board, and is well qualified to speak of the work there.

At last mid-week service letters were granted to Mr. and Mrs. William J. Morgan and Miss Mary Morgan, who have been for some time residents of Superior. They will unite with the First Presbyterian Church of that city.

The mid-week service last Thursday evening was devoted to the study of the Sunday School lessons for the current month. Mr. Andrew Nelson conducted the meeting, and there were special talks on the lessons by Mrs. W. S. Woodbridge, Mr. T. H. Hawkes and Mr. Miine. Miss M. M. Foote was present at the meeting and spoke briefly of her work in Turkey.

A Word from the President of our Christian Endeavor Society

The Twenty-fourth International Convention of the Christian Endeavor Societies of the United States and Canada will be held in St. Paul, July seventh to twelfth. The railroad fare from Duluth will be four dollars and fifty cents for the round trip. Tickets will be on sale at the Union Depot and various city ticket offices July fourth, fifth and sixth, only; good going down until July twelfth, and good for return trip until July thirty-first. The registration fee at the Convention will be one dollar, and anyone, whether a Christian Endeavor member or not, will be entitled to all the privileges, upon payment of this fee. One of the privileges will be the reduced rate for board, being one dollar and fifty cents per day—fifty cents for lodging, twenty-five cents each, for supper and breakfast and fifty cents for dinner. For further particulars as to the Convention enquire of Mr. Eugene Harbison, or the president of the Society. It is desired that as many as possible from our congregation attend the Convention, both, for the sake of the church and for the sake of our Society. We may be able to help you, and you may be able to help us. Are you interested in this great work and this Convention? If not, get interested. Attend the usual Christian Endeavor meeting this evening. Subject: "Patriotism that Counts." Everyone welcome. Ethel I. Myron, President.

It has been decided to postpone the annual Sunday School picnic until August.

Mr. Milne left by boat for Columbus, Ohio, on Tuesday last, to be gone about two weeks. In his absence the last midweek service was led by Mr. Albert Baldwin.

The congregation is glad to again welcome Rev. J. T. Moody of the Bethel, who will preach at both morning and evening services today, and will also occupy the pulpit next Sunday.

A Letter From our Former Pastor

Cornelius H. Patton, D. D.

The following letter received by Mr. W. S. Woodbridge will be of interest to many in the congregation:

Boston, Mass., July 2nd, 1909.

My Dear Mr. Woodbridge:

Thank you for the copy of the church calendar announcing the gift of six hundred and eighteen dollars to the Joint Campaign Fund. I am heartily glad the church joined in this movement, the more as we can now speak of the movement as a success. We passed the three hundred thousand dollar mark on the thirtieth of June. All subscriptions now coming in count on the forward movement. The way has been hard and long, and at times we have been almost in despair, but the Lord has been with us most evidently and we certainly have a right to be very thankful.

Please congratulate Mr. Milne and the church on my behalf. We shall look for a big delegation from Duluth at the Annual Meeting of the Board, October thirteenth, at Minneapolis.

Very sincerely yours,

Cornelius H. Patton.

Church Notes

It is expected that the pastor and his family will be home again some time during the coming week and that he will occupy the pulpit as usual next Sunday.

At the Mid-week service on Thursday evening, July first, a resolution was passed authorizing the pastor and a committee of the church Miss Harriet Emma Strong, who by reason of ill health is unable to attend the regular church services. In accordance with this resolution Miss Strong was admitted to membership in this church at a service held on Sunday afternoon, July fourth, at the home of her sister, Mrs. Ward Ames.

THURSDAY. 8:00 P. M. Mid-week service in the lecture room. Subject: "The Government of Thought." Phil. 4: 1-9; Luke 12: 22-48. Opening the door for thoughts of God. Barring the door for evil thoughts. Is it possible to train memory and imagination for God? How can we do it?

Twenty-fourth International Christian Endeavor Convention.
St. Paul, July Seventh to Twelfth.

About fifty Duluth Christian Endeavorers left in a large special coach of the Northern Pacific, at one fifty-five Wednesday, P. M. This coach was decorated with banners bearing the inscription "C. E., Duluth." The ride down to St. Paul was very warm and dusty, but no one seemed to mind it much, for all were thinking of the good time they were going to have at the Convention. We were met at the depot by the St. Paul Reception Committee and conducted to the Minnesota Headquarters Building, on the corner of Fourth and Jackson Streets. Here we each paid a dollar to register and were given the Convention Badge, a copy of the Official Program and a song book, "Jubilant Praise," which was used throughout the Convention. Those who wished rooms were shown to their places by the Entertainment Committee, others hastened over to the Auditorium where the first general meeting was already in progress. The Auditorium is a large, beautiful building, with a seating capacity of over fifteen thousand. It was a grand sight, decorated as it was with the Christian Endeavor colors, red and white, and a beautiful arrangement of electric lights. The musical directors of the Convention were Prof. E. O. Excell of Chicago, Mr. Percy S. Foster, Washington, D. C., and Prof. F. H. Jacobs of New York. Each director had trained a chorus choir in his own city. These choirs came to St. Paul and made up the Convention Chorus, and helped greatly to make the singing of the Convention a very pleasant part of the program. On Saturday evening, this Convention Chorus, together with a number of eminent soloists and an orchestra, rendered the oratorio, "Elijah" under the leadership of Prof. H. E. Phillips. All wearing the Convention Badge were admitted free and nearly everyone improved the opportunity. The Convention program began Wednesday evening, and after a service of song and prayer, messages to Gov. Johnson, Endeavorers were received—first from the State by Rev. Swearingen of St. Paul, and from the Christian Endeavor nineteen hundred and nine Committee by its chairman, J. Powell Moore. Following these, Mr. Shaw gave the Secretary's report and Mr. Lathrop the Treasurer's statement. Then Mr. Shaw introduced Rev. Francis E. Clark or Father Endeavorer Clark, as he is called, to the Convention. Mr. Shaw briefly told what Rev. Clark had done for Christian Endeavor in such an eloquent way that all true Endeavorers with that love and admiration for their leader that all true Endeavorers should feel. And, as our President came to the front, the applause was deafening; then followed the Chautauqua salute, a still louder applause, etc., until the whole room re-echoed. Space will not permit me to tell of the different meetings, but a more complete report will be given at our regular meeting this evening, to which everyone is invited. The song book used during the Convention seemed to be enjoyed by everyone and we bought sixty copies for our Society with a part of the Convention fund.—Fanny B. Lippitt.

Church Notes

Rev. J. T. Moody of the Bethel, will preach at the service this evening.

The Ladies' Union is arranging for an excursion up the river to Fond du Lac sometime in August.

There was no mid-week service last Thursday evening, on account of the lecture room having been flooded by Wednesday night's storm.

The pastor and family left Ashtabula, Ohio, on the steamer "Hoyt," Wednesday last, and it is expected that they will arrive in Duluth sometime tomorrow.

President Henry C. King of Oberlin, who has been visiting in the city during the past few days, kindly consented to speak at the service this morning. It is a pleasure to welcome Doctor King to the city and to our pulpit.

On account of the prevalence of scarlet fever, the health department of the city has requested that all Sunday Schools be closed for a time. In accordance with this request our school did not meet last Sunday, and there will be no further sessions until further notice.

Attention is called to the reception for Mrs. S. F. Stewart at the home of Mrs. T. J. Davis, on Saturday afternoon. This will be in celebration of Mrs. Stewart's eightieth birthday, and all ladies of the congregation and other friends of Mrs. Stewart are cordially invited to be present.

In the storm on Wednesday night, which worked such havoc in the city, our church property did not escape. The basement and sub-basement were flooded and the damage by reason of water and mud was considerable. The sidewalk on the westerly side of the church was washed out and will have to be replaced by a new cement walk.

Mr. Don Gearhart, bass, and Mrs. Heth of Grand Rapids, Michigan, contralto, will sing with the choir today.

There will be a meeting of the Ladies' Union on Wednesday, August twenty-fifth, to make plans for the fall work.

Special attention is called to the union meeting of Christian Endeavor Societies at the First Presbyterian Church this evening. Our own Society will discontinue its Sunday evening meetings for a time. The next meeting will be on Sunday, September twelfth.

The Sunday School will meet as usual next Sunday. All teachers and officers are especially requested to be in their places and parents are asked to see that the children are on hand as usual. This notice is given with the approval of the Health Department of the city, at whose request the sessions of the school have been omitted for the past three weeks.

Our Work in Cook County

Some two years and a half ago, Pilgrim Church voted to raise two hundred and fifty dollars for Home Missionary work in the state, with the understanding that this amount should go to the support of the Home Missionary at Grand Marais, Minn. It seemed that there would be more interest on the part of our church, if we had a particular field to work for, and so it ought to be. It is well just now to call attention to the work at Grand Marais and vicinity, which has been under the care of Rev. W. J. Horner for over a year. A Duluth man visiting that section recently, brought back very favorable reports of Mr. Horner's work, which seems to cover about all the settlements in Cook County, and recently, Mr. Horner has written a brief letter about his field. He holds two services on Sunday at Grand Marais, hiring the village hall, as the little church has no building, and in the afternoon looks after a Sunday School seven miles away, which he reaches by means of a hired or a borrowed horse, when he is fortunate enough to secure one; otherwise on foot. There would not seem to be much rest for Mr. Horner during the week, for he holds services with such regularity as is possible at Lutsen, Tofte, Cross River, Chicago Bay and Flute Reed Valley, the furthest of these points being distant twenty miles, and the roads rough, to use a very mild term. Sunday Schools are organized at most of these places, and the young people are being reached by the Gospel message. Is it any wonder that Pastor Horner and the little band of Christians at Grand Marais look longingly to their nearest Congregational church neighbor --- Pilgrim of Duluth, for sympathy, prayers and help? Why not take this field of Cook County as our Home Missionary field; carry it on our hearts; make some real sacrifice to help carry on the work; invite Mr. Horner to a missionary meeting at our church, or when the Brotherhood commences its work in the fall, to a Brotherhood meeting, giving him ample time to tell his story; and if opportunity offers, send a delegation of one or two men from our church to these now isolated and find out in what way we can be most helpful to these now isolated communities. There is a church in Montreal, which besides supporting six foreign missionaries and showing an intense interest in mission work within the limits of its own city, is bearing the expense of missionary work at twenty points in the Canadian Northwest. Why not resolve that we will take care of Cook County?

make plans for the Fall work.

The Christian Endeavor Society will hold no Sunday evening
meetings until September twelfth.

The Sunday School resumes its sessions today. Teachers, offi-
cers and scholars are expected to be in their places.

On Friday evening, August sixth, the pastor officiated at the
wedding of Mr. Robert Tulloch and Miss Abigail Smith. They are
at home in Park Hill Terrace, corner Fourth Street and First Avenue
West, and they attend our services.

One of the sure signs of industrial revival or depression is found
in the marriage returns. As times become hard marriages become
fewer; as times improve the wedding bells are more frequently heard.
The pastor's experience bears this theory out. Last year he had
only about two-thirds the usual number of weddings. The half-year
just past showed the same condition. The last two weeks showed a
decided improvement. In that period he was called to perform the
marriage ceremony five times, a most unusual thing in August. This
may be an accidental co-incidence or it may be one of the signs of
industrial revival.

WEDNESDAY. The Ladies' Union will meet Wednesday, August twenty-fifth, to make plans for the Fall work. This is an important meeting and all who can are requested to be present.

THURSDAY. 8:00 P. M. Prayer service in the lecture room.
Subject: "The Strenuous Life for Christ. Paul in Persecutions." 2 Cor. 11: 16-32; Jer. 12: 5; John 16: 31-33. What sustained Paul? The compensating privileges of the Christian. The joys of the active life of discipleship.

Church Notes

Mr. Thomas Leslie, a member of the church who has been for ten or twelve years absent from the city, died last week in Minneapolis. His body was brought here for burial beside his daughter in Forest Hill Cemetery. The pastor conducted services in Stewart's undertaking rooms, and at the grave, on Tuesday afternoon.

Fall is approaching, and the days are shortening. Beginning Sunday, September the fifth, the Sunday evening services will open one-half hour earlier than at present. This will make the time for the evening preaching service half past seven. The Thursday evening services will begin at fifteen minutes before eight.

The schools open on September the seventh. The scattered members of the congregation will be back by that time. The following Sunday, September the twelfth, the Lord's Supper will be celebrated. We shall be glad to welcome into our membership at that time any who may have letters or who come by confession of faith.

A widow, the sole support of her family of four children, suffered great loss from the storm of three weeks ago. Clothing for the children is needed at once and the ladies of this church are asked to supply it. There are three girls, six, eight and ten years of age, and one boy of fourteen. Please leave what you can for this case of destitution at the Troy Laundry this week, in order that they may have it by Saturday.

Church Notes

Beginning next Sunday evening, the summer schedule of hours of service will be given up. The second preaching service will open at half past seven, instead of eight, as at present.

On Sunday morning, September the twelfth, the Lord's Supper will be celebrated. Those who have letters from other churches are cordially invited to present them in time for reception at that service. The pastor will be glad to counsel with any who have in mind to unite with the church on confession of faith.

Next Sunday, September the fifth, the sermon on "Spiritual Surgery," which was preached early in the summer, will be repeated. This is in accordance with a number of requests from those who heard it. Several expressed the idea that the message of the sermon is particularly helpful to young people.

The attendance at our mid-week service has been very slender during these summer weeks, with so many away and so much of a social nature going on. Has not the time come for a change in the way of an improvement? The subject for next Thursday evening is a very suggestive one—"What God asks of us, and Why?" This should give the basis for a good earnest, interesting and spiritual meeting.

The program includes talks by Mrs. E. W. Adams on the history and geography of the country, by Mrs. C. E. Adams on the people, and by Mrs. H. B. Paull on mission work. The topic for the devotional service will be "Giving."

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. The pastor will speak on the subject, "Christ our Life." The service will be preparatory to the communion.

Church Notes

Attention is called to the change in the hour of evening service.

The Lord's Supper will be celebrated at the morning service next Sunday.

The Ladies' Union is arranging for the regular annual Harvest Home supper, which will probably be held on Wednesday, September fifteenth.

On account of the omission of the regular Sunday School picnic this year, an entertainment for the children is being planned to be given some time in October.

Miss Ruth A. Rogers has resigned her position as organist and will spend a year abroad devoting her time to the further study of music. Until further notice Miss Faith Rogers will act as organist and director of the choir.

All ladies who have not yet paid their missionary pledges are requested to make payment at their earliest convenience. The money may be handed to the treasurer Mrs. Hegardt, or to any other officer of the missionary society.

Mr. Raymond E. Townsend and Miss Margaret Pierce were married Thursday, September second, in St. Paul's Episcopal Church, Rev. R. F. Reed officiating. Mr. and Mrs. Townsend will be at home at 27 South Seventeenth Avenue East.

Death came suddenly on Wednesday morning, September first, to John Drew, an old and well known resident of the city whose family has for many years been prominently identified with this church. Mr. Drew was born in 1817 and came to Duluth in 1869. He was twice elected mayor of the city and until his declining years and feeble health compelled him to relinquish active business life he was one of our best known citizens. On account of the absence in the East of Mrs. Drew and Miss Drew, no arrangements for the funeral have yet been announced.

To the Members of the Church

Dear Friends:

It has been the well established custom in our Congregational Churches to devote one evening previous to the communion, to a preparatory service. With us, as far as the majority of our people are concerned, that custom has been more honored in the breach than in the observance. It has shared the neglect and indifference meted out to the mid-week prayer meeting. Is it not time for a decided change in the way of improvement? Many of you are living a long distance from the church. It is not as easy as it once was for you to attend a mid-week service, but you can do it once in a while. The trouble is that most of you have even ceased to think about that meeting. You have left it to the minister and a small number who do bear it in their hearts. Will you not plan to be present at the service next Thursday evening? It will begin promptly at a quarter to eight, and will close before nine. The preparatory address will be on the topic, "Christ our Life." Cordially your pastor—Alexander Milne.

WEDNESDAY. 6:15 P. M. The regular "Harvest Home" supper will be given in the church parlors. Supper, for which there will be a charge of fifty cents a plate, will be served at half past six o'clock. There will also be an agricultural display of home-grown products, which will be on sale. All are invited.

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. Mr. LaRoy A. Lippitt will speak, and will give a report of the work and needs of Plymouth Church, West Duluth.

FRIDAY. 8:00 P. M. The City Christian Endeavor Union will hold a rally at Glen Avon Church, Hunter's Park. This will be an important meeting and all members of the Christian Endeavor Society are urged to attend.

Church Notes

The Christian Endeavor Society will resume its regular Sunday prayer services this evening.

The Y. M. C. A. will resume its Sunday afternoon meetings for men on Sunday, October third.

At the mid-week service last Thursday evening, letters were granted to Mr. and Mrs. George M. Brace. They will join the First Congregational Church, Menomonie, Wisconsin.

The funeral of the late John Drew who died on Wednesday, September first, was held from the residence Wednesday afternoon, September eighth. Mr. Milne conducted the services and was assisted by Rev. J. Kimball. The remains were taken to Sheboygan, Wisconsin, for burial. The sympathy of this congregation is extended to the family in their bereavement.

In response to the pastor's special request for a full attendance, between fifty and sixty people gathered at the mid-week preparatory service on Thursday evening. It is hoped that there will be a large attendance at the meeting next Thursday evening also. Mr. Lippitt, who will address the meeting, has been in charge of Plymouth Church, West Duluth, during the past summer, and will speak on the work there.

The State Convention of the W. C. T. U. will meet in this city, September sixteenth to nineteenth. The meetings will be held in the First Presbyterian Church, and all are invited. In connection with the Convention Mrs. Mary Harris Armor will speak in the First Methodist Church, Sunday evening, September nineteenth. Those who are willing to entertain delegates are requested to report their names to Mrs. Bailey, president of the W. C. T. U., West Duluth.

Special attention is called to the service this evening. Mr. Milne will speak on the topic: "The Function of Religion in Man's Struggle for Existence." The address will be a discussion of a book with that title by Professor George B. Foster of the University of Chicago. The book has been the occasion of a great deal of criticism. It is a bold and thoroughgoing repudiation of the generally accepted ideas in regard to the Christian faith, and an attempt to put other ideas in their place. It claims to be both philosophical and scientific. Mr. Milne will give the author's thought and will point out, where in his judgment, that thought is lacking in soundness, being neither scientific nor Christian.

FRIDAY. 8:00 P. M. The Christian Endeavor Society will hold a business meeting followed by a social hour, at the residence of Mr. C. A. George, 1007 East Fifth Street. A full attendance is requested.

Church Notes

At the communion service last Sunday, the following coming by letter, were received into the membership of the church: Miss Sophie Holt, 609 West Third Street, from Straight University Church, New Orleans, Louisiana, and Mrs. Ethel Coleman, 2117 Jefferson Street, from the First Congregational Church, Ashland, Wisconsin.

There was a large attendance at the annual Harvest Home supper last Wednesday evening. Mrs. R. A. Webster had charge of the supper and the hostesses at the various tables were Mrs. W. W. Sanford, Mrs. C. F. Coleman, Mrs. Albert Baldwin, Mrs. J. A. P. Neil, Mrs. Clarence Dunning, Mrs. C. E. Adams, Mrs. A. D. Goodman, Miss Bessie Mars, Miss Mary Murdoch, Miss Ethel Myron and Miss Katherine Shearer. Miss Prosser and Miss Mattix furnished the music and Mrs. W. A. McGonagle was in charge of the agricultural display of home products. The returns are not all in, but the ladies now expect to realize about seventy-five dollars from the supper and sale of vegetables.

An important matter of business was discussed and informally acted on at the Harvest Home supper last Wednesday evening, being the proposal that the church buy and use as a parsonage, the property at 1129 East First Street, now owned by Mr. W. H. Cole, and until recently, occupied by him as his residence. The house has ten rooms, is in excellent repair, occupies a fifty foot corner lot and is offered to the church for nine thousand dollars. A cash payment of thirty-five hundred dollars is required, and the balance with interest at six per cent., may be deferred and paid at the rate of one thousand dollars per year. Two members of the congregation have agreed to give the fifty-five hundred dollars deferred. The meeting on Wednesday evening had no authority to take formal action, but voted unanimously to recommend to the regular church meeting, at which the matter will be presented, that the trustees be authorized to purchase the property. As the question has been raised by some who were not of the trustees or desire of the pastor that it has not been the intention informed, it is proper to state here, that the house be given the pastor free of rent at the present time. If the property is purchased the rentals received from it will be sufficient to provide for carrying charges including interest on the deferred payments.

Special Notice

At the mid-week service on Thursday evening, September twenty-third, 1909, there will be presented to the meeting for formal action, a motion that the trustees of the church be authorized to purchase for use as a parsonage, the residence property located at 1129 East First Street, and execute a mortgage to secure the deferred payments on the same. A full attendance at the meeting is requested.

Other Notices for the Week

WEDNESDAY. 3:30 P. M. The Ladies' Union will meet with Mrs. W. G. Hegardt, 1708 East First Street. As business of unusual importance is to come before the meeting, a full attendance is requested.

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. Subject: "The Statesmanship of Paul." Rom. 15: 13-33; Acts 16: 1-12; 35-40. Paul, the Roman. Spreading the churches to the limit of the empire. His breadth of view and perseverance of purpose.

Church Notes

The regular monthly meetings of the Friends in Council which were omitted during the summer, will be resumed in October. The first meeting will be on Monday, October fourth, in the church parlors. All young ladies of the congregation are invited.

Special attention is called to the meeting of the Ladies' Union with Mrs. Hegardt on Wednesday afternoon. Plans for raising money to meet the deferred payments on the parsonage will be discussed. The president makes a special request that there be a large attendance.

Purchase of Parsonage Authorized

At the mid-week service last Thursday evening, Mr. Oscar Mitchell presented the following motion: "Moved that the trustees be authorized to purchase for use as a parsonage, the house and lots located at 1131 East First Street, and execute notes and a mortgage securing the same, to cover the deferred payments, the property being described as follows: Fractional lot 3, block 17, Banning and Ray's sub-division, and fractional lots 15 and 16, block 37, Portland division of Duluth, being a rectangular piece of land 50x140 feet at the north-west corner of First Street and Twelfth Avenue East." The motion was seconded and unanimously carried. It should be noted that the number of the house is 1131 instead 1129, as erroneously stated in the Bulletin last week. The trustees intend to effect the purchase of the property at once, and the pastor and family will occupy the parsonage as soon as practicable.

Annual Meeting of the American Board

The annual meeting of the American Board of Commissioners for Foreign Missions, will be held in Minneapolis, October thirteenth to fifteenth. The meeting promises to be of unusual interest. Through the "Together Campaign," the debt of three years standing, \$80,000, has been provided for, and all expenses for the current year ending August thirty-first, have been fully met. The past year has been, in different ways, one of the most eventful in the history of the Board, and Congregationalists have a right to feel gratified at the record of this, the oldest Foreign Missionary Society on this Continent, whose influence circles the Globe. Our church should be specially interested in this—the One Hundredth Annual Meeting, as two beloved and honored former pastors occupy prominent positions among those who are directing the affairs of the Board, Dr. C. H. Patton, the Home Secretary, and Rev. E. M. Noyes, one of the nine members of the Prudential Committee: they both expect to attend the Minneapolis meeting. Dr. Washington Gladden will preach the opening sermon; an unusually strong body of missionaries will bring news of thrilling interest from the world-wide field; leading pastors and laymen will re-enforce the message of the men from the front; and the marvelous events of the past year in Turkey will be set forth by eye-witnesses. Pilgrim Church would gain increased interest in the work of Christ for the world, if a large number of our people should attend the Minneapolis meeting. It is eighteen years since an annual meeting of the American Board has been held so near to us, and it is likely to be as many more years before another such opportunity occurs to learn what our Congregational body is doing among the nations.

The Brotherhood Convention

The second National Convention of the Congregational Brotherhood of America will be held in Minneapolis, Thursday, Friday, Saturday and Sunday, October fourteenth to seventeenth. The convention program is a very attractive one, and the list of speakers includes the names of some of the best known and most influential men in our denomination. Special attention should be called to the joint meeting of the Brotherhood and the American Board of Commissioners for Foreign Missions, at the Auditorium on Thursday evening, October fourteenth. It is desired that the Brotherhood of Pilgrim Church have a large representation. Members, make your plans now, reserve the dates above named, and notify the secretary if you can arrange to go.

Church Notes

The pastor and family moved during the past week and are now settled in the new parsonage, 1131 East First Street.

There will be an entertainment for the children of the Sunday School sometime during the present month, probably on Wednesday, the twentieth.

The first Brotherhood meeting of the season will occur on Monday evening, October eleventh, at which time the usual supper will be served, followed by a business and social session.

Dr. A. E. Walker and family have moved to 2103 East First Street. Mrs. Walker, who has been away during the summer, has returned and will resume her place as conductor of music in the Sunday School.

The pastor and congregation are glad to welcome Rev. T. S. Oadams of St. Cloud, who will preach this morning. Mr. Oadams is in the city in attendance on the meetings of the Methodist Conference, which is now in session here.

Special Notice

Next Sunday will be "rally day" in the Sunday School and it is hoped that every member of the school will be present. Parents are requested to bear this in mind and see that the children are on hand promptly. It is the desire of the superintendent and teachers to establish a new record for attendance during the coming year, and every member of the congregation is asked to cooperate. A special invitation is extended to all to visit the school next Sunday.

Delegates Wanted

Men from this church are wanted to attend the Second Annual Brotherhood Convention at Minneapolis, October fourteenth to seventeenth. In the west vestibule of the church is a poster with the names and likenesses of the speakers at the Convention. The program and speakers are the best the country affords. The meeting on Friday afternoon, October fifteenth, will be devoted to the subject, "The Brotherhood and the Boys." A full program of events will appear in next Sunday's Bulletin. Do not forget there will be a joint meeting of the American Board and the Brotherhood. The invitation is signed jointly by Dr. C. H. Patton, representing the American Board and Frank Dyer, National Secretary of the Brotherhood. Pilgrim Church should be represented by ten to fifteen men. Can you go?

Other Notices for the Week

MONDAY. 6:15 P. M. The Brotherhood will hold its first regular meeting of the season, in the church parlors. Supper, for which there will be a charge of twenty-five cents per plate, will be served at half past six o'clock. Dr. William Norman Guthrie and Mr. E. M. Morgan will address the meeting. All men of the church are invited.

THURSDAY.

The actual tokens of the negroes' progress, material, intellectual, moral. His right to a higher as well as to industrial education. The still undischarged duty of Caucasian Christians toward Negroes, Indians, Chinese and Japanese.

Church Notes

The regular monthly meeting of the Women's Missionary Society which would regularly be held on Wednesday next, has been postponed for one week. Mrs. Roy B. Guild will be present and will speak at the postponed meeting.

Until further notice a part of the evening service will be devoted to the singing of familiar hymns. It is thought that such a song service will be approved by all, and will attract some who have not been in the habit of attending church in the evening.

There will be an entertainment for the children of the Sunday School, Friday evening, October twenty-second, the particulars of which will be announced later. This entertainment is being prepared on account of the omission of the regular Sunday School picnic in the summer.

The annual business meeting of the Minnesota Home Missionary Union will be held in Park Avenue Congregational Church, Minneapolis, next Tuesday afternoon, at half past two o'clock. It is hoped that those of our ladies who will be in Minneapolis in attendance on the meetings of the American Board, will arrange to attend this meeting.

It is hoped that a large number of our people will attend the two great meetings in Minneapolis during the coming week: the one hundredth annual meeting of the American Board of Commissioners for Foreign Missions, which will be in session October thirteenth to fifteenth, and the Second National Convention of the Congregational Brotherhood of America which will meet October fifteenth to seventeenth. In addition to the above our State Association will hold its annual meeting in Minneapolis, on Monday and Tuesday. At the mid-week service last Thursday evening the following delegates were chosen to represent this church at the meetings of the Association: Mr. and Mrs. W. S. Woodbridge, Mr. and Mrs. W. A. McGonagle, Mr. and Mrs. Ward Ames, Mrs. W. W. McMillan and Mrs. T. J. Davis.

A Word from the Finance Committee

Special attention is called to the foot note at the bottom of the fourth page of the Bulletin and to the fact that the ability of the treasurer to meet the current obligations of the church when due, depends not only on the amount of weekly pledges, but upon such pledges being paid promptly. The duty of assisting in the support of the church rests alike on each member, and a very important part of this duty lies in the prompt payment of our weekly subscriptions. The church has no surplus income, and when pledges are in arrears, the treasurer is forced into the embarrassing position of being behind in the payment of current bills, which is a serious reflection on the church. This is the condition at the present time, there being outstanding about three hundred and fifty dollars of pledges due and not paid, and about the same amount of unpaid bills, with no money in the treasury. The members of the finance committee are all busy men, and it is not fair to impose on them the burden of making personal solicitations for money due on weekly subscriptions. It is therefore requested that all who are in arrears on their pledges, pay the same at their earliest possible convenience, and the further suggestion is made to all subscribers that in order to avoid possible delinquency on account of inadvertence or absence from service, they form the habit of keeping paid up a little in advance. From the standpoint of the treasurer and the finance committee, this would be a valuable habit indeed.—Ward Ames, Chairman, Finance Committee.

There was a good attendance at the meeting of the Brotherhood last Monday evening. Dr. William Norman Guthrie and Mr. E. M. Morgan, made interesting addresses, and Rev. D. G. Cole, who has just been sent by our Home Missionary Society to take charge of Plymouth church, West Duluth, also spoke. Mr. Cole impressed all as being a man of ability and earnest purpose, and urged the necessity of Pilgrim Church, taking an active interest in the West Duluth similar Committee from Plymouth Church with a view to ascertaining what the Brotherhood can do to help in placing this now struggling church squarely on its feet. The president has appointed the following on this committee: A. W. Frick, Chairman, W. S. Woodbridge and J. B. Heimick.

The Minneapolis Meetings

The fifty-fourth annual meeting of the Congregationalists of Minnesota, opening on Monday morning last, was necessarily short and sharp, and all the more interesting on that account. It was overshadowed to some degree by the larger meetings which were to follow from Wednesday to Saturday, that of the American Board, and that of the National Congregational Brotherhood, and yet, the lesser meeting was of real value. Less than half of the two hundred and twenty-five Congregational churches were represented in the attendance, but the reports showed a year of growth, and a promising outlook. The wiping out of the great debt of the Home Missionary Society, removed a standing cause of depression, and made the talk of advance in our Home Missionary work a reasonable proposition. One quarter of our churches, fifty-six, were aided last year by the Home Missionary Society, but this money, as for the previous two years, has come almost entirely from within the state, the grant from the National Treasury being now only one hundred dollars per year. Against this, offset some twelve thousand, not to mention the amounts raised by for Home Missionary work, struggling sister organizations, and we see the stronger churches for Congregational consideration, no longer a dependent state. There was one topic that specially interested the Association—the great needs and possibilities of Northern Minnesota. To this, the moderator Dr. R. P. Herrick, devoted most of his interesting address; Dr. Merrill, State Superintendent of Missions, urged its great importance, as did Dr. Herrick again when he made his report as Superintendent of Sunday School work for the state. If a stranger had dropped in on the meeting he might have thought he was among a crowd of real estate men who were booming Duluth and

Northern Minnesota. It was proposed to organize Northern Minnesota as a separate field, and put in, during the next few years, an amount of work and money corresponding in some degree to the needs of this great section. If this action should be taken, the Duluth Conference would not long continue to be the smallest, numerically, in the state. The apportionment plan, while thoroughly endorsed as the ideal for raising our benevolent contributions, has not yet received the endorsement of the individual churches that it deserves; its careful presentation seems necessary to bring it into general adoption. Mr. Ward Ames was nominated as a corporate member of the American Board to serve for three years. The other nomination was that of Ex-President James W. Strong of Northfield. The annual meeting of the State Brotherhood was the feature of Tuesday morning. President S. T. Johnson in the chair; his report, as might be expected, was vigorous and bright. He positively declined a re-election, and Calvin D. Decker of Minneapolis, was chosen in his stead. W. I. Prince was selected to represent the Duluth Conference. Twenty-two local organizations were reported as affiliated with the State Brotherhood, and through that with the National, and each was called upon for a brief report; these reports varied from Zero to A1, some Brotherhoods appearing to have accomplished nothing but keep alive, others to have taken a lively interest in the Bible class, the Sunday evening services and other work of the church. One reported the evening services so well attended that the church could not hold all that wanted to come. The following resolution was adopted: "Resolved, that the local Brotherhoods be urged to assume special financial responsibility in regard to the great missionary enterprises of our own denomination, that through the regularly appointed channels of the local church, there may come to the officers of our great Missionary Societies and to the faithful workers in the field, new confidence in present conditions and increased courage for extension work, by reason of increased financial support assumed through the activity of the local Brotherhoods."

To give any adequate report of the One Hundredth Annual Meeting of the American Board in time for this week's church calendar is clearly an impossibility. As I write, half past five o'clock Thursday afternoon, only one half of the series of meetings has been held, but already enough has been told of Geography, History, Politics and Religion, to almost make one imagine he had been studying all these subjects for long weeks. And this is no second-hand information that is being brought out with telling effect. Men who witnessed the strange scenes in Constantinople and Smyrna when the new Turkish Constitution was promulgated in July, 1908; who knew personally the twenty-two missionaries, preachers and teachers of Cilicia who were cut to pieces in the Adana massacre last spring; who have watched the movements of God's Spirit in Japan for ten, twenty, thirty years; who passed through the Boxer Rebellion in China, and have watched the awakening of that giant nation in the last decade; who have been trembling at the unrest of India, and rejoiced while they trembled; who could bring news of the Dark Continent, and of the light breaking upon it; when such men spoke of what they had seen and heard, their words were like a trumpet call from high heaven. It may be our calendar for next week will have room for some account of this wonderful meeting. It is pleasant to note that so many of our people were able to attend most, or all of this series of meetings. Besides our pastor and his wife, there were in attendance Mrs. McGonagle, Mrs. Phillips, Mrs. Stewart, Mrs. H. W. Nichols, Mr. Kimball, Mr. Chapman and Mr. and Mrs. Woodbridge.—W. S. W.

In Memoriam

Mr. Edmund L. Phillips died very early on Wednesday morning. He was in church last Sunday morning, and was apparently in good health. Tuesday afternoon, at four o'clock, he was stricken with apoplexy while at work on a house he was building on Eighth Street. He was borne to his home and a physician summoned. It seemed at first that the stroke was light, and that with care, he might recover. He was conscious, and was able to speak to his wife and son. By the urgent advice of the physician, he was removed to St. Luke's hospital, where he died shortly after one Wednesday morning.

Mr. Phillips was born in Medina County, Ohio, in the year 1850. He became a member of the Congregational Church in York, in that same county. He came to Duluth eighteen years ago, and transferred his church membership to Pilgrim Church.

Mr. Phillips was a quiet, modest, perfectly genuine and thoroughly reliable man. In all his dealings with his fellow-men, his integrity was flawless. His life was an honor to the church and the Christian faith. He was like Nathanael of whom Jesus said, "Behold an Israelite indeed in whom is no guile." The members of the congregation unite in mourning his loss, and in extending heartfelt sympathy to his wife and son.

Church Notes

A son was born to Mr. and Mrs. Oscar Mitchell, on Tuesday, November ninth.

The collection received at the thank-offering meeting of the Women's Missionary Society last Wednesday, amounted to about eighty-five dollars.

Doctor E. A. Steiner, of Grinnell, Iowa, has been prevented by illness in his family, from visiting the city, and will not therefore occupy the pulpit this evening as announced in last Sunday's Bulletin.

Mr. Dunbar F. Lippitt and Miss Portia Deming were married at the home of the bride's parents in Minneapolis, Tuesday evening, November ninth. Mr. and Mrs. Lippitt will make their home in West Duluth.

Members of the Ladies' Union who have not yet paid their pledges are requested to do so at their early convenience. The money may be handed to Mrs. S. W. Clark, Mrs. W. G. Hegardt, or Mrs. George A. Gray.

Members of the congregation are asked not to forget that December third is the day on which Circle Number Four will have an apron sale, and the Square Circle a sale of fancy bags and home cooking, at the store of Gray-Tallant Co.

The usual "poor-fund" collection which will be received after the communion this morning, will, by vote of the church at last mid-week service, be devoted to Ministerial Relief, half for the state fund and half for the national organization.

At the annual meeting of the Brotherhood last Monday evening, the following officers for the ensuing year were elected: George A. Gray, President; Oscar Mitchell, Vice President; E. L. Kimball, Secretary; and W. C. Johnson, Treasurer. It was voted that the Brotherhood undertake the payment of five hundred dollars during the year, on the mortgage debt now resting on the parsonage.

Special Notice

The Oberlin College Glee Club will give a concert in the church on the evening of December twenty-fifth, under the auspices of the Brotherhood. Many will remember with pleasure the entertainment which the Oberlin club gave here some four or five years ago. The college has always borne the reputation of having one of the best glee clubs in the country, and the present organization is well up to the best traditions of the past in the concerts which are being presented during the present season.

The club will be brought here by the Brotherhood at considerable expense, and it is hoped that the concert will receive the generous support of our people.

On account of Thanksgiving Day services, and following the custom of former years, there will be no mid-week service in the church on Thursday evening.

Attention is called to the meeting of Circle Number Four on Friday afternoon. This will be the last meeting of the Circle before the "apron sale" which will be held on December third. The ladies are reminded that all garments should be finished in season for delivery at Friday's meeting.

At the communion service last Sunday, the following persons coming by letter from other churches were admitted to membership in this church: Mr. Carl A. George and Mrs. Frances A. George, residing at 1007 East Fifth Street, from the First Presbyterian Church, Hibbing, Minnesota, and Mr. Edward A. Albrecht, living at the Y. M. C. Other Notices for the Week

WEDNESDAY. 3:00 P. M. The Ladies' Union will meet with Mrs. Ward Ames, 205 Eighteenth Avenue East. A full attendance is requested.

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. Subject: "The Plan of the Perfect Life." Luke 2: 40-52; Luke 15: 1-32. Sent by God. Walking with God. How far are these principles applicable to our lives?

FRIDAY. 9:00 A. M. Beginning in the morning and continuing all day, Circle Number Four will conduct an "apron sale" at the store of the Gray-Tallant Co., and at the same time and place, the Square Circle will have a sale of fancy articles and home cooking.

Church Notes

The regular monthly missionary offering will be received today.

The pastor's new address is 1131 East First Street. His telephone numbers are: Zenith 840; Duluth 2792-M.

Members of the Square Circle who have articles for the sale on Friday, are requested to send by them Wednesday to the residence of Mrs. Robert Smith, 318½ Seventh Avenue East.

There was a meeting of the Central District Sunday School organization in the church last Tuesday evening. Mr. Andrew Nelson was elected president of the organization.

The meeting for men this afternoon at the Y. M. C. A. will be addressed by Mr. J. A. Jackson of Toronto, Canada. Mr. Jackson is a very successful leader in men's Bible class work. Those interested in that work should be present. We should have a large men's Bible class in our church.

There will be a meeting of men in the main audience room of the church immediately after the morning service, to consider plans for organizing additional adult Bible classes in our Sunday School. Mr. A. M. Locker, president of the Minnesota State Sunday School Association, will be present.

The representatives of the Anti-Saloon League usually give an opportunity to their hearers to subscribe towards the work of the League. Dr. Clemans will probably do so tonight. All such subscriptions are entirely independent of our regular church and missionary offerings, they are not handled by our treasurers, and are not included in their reports. Those who subscribe, do so of their own liberality and relying on their own judgment. Although contrary to our general rule, the representatives of the Anti-Saloon League are permitted, as a matter of courtesy and as a sign of the church's sympathy with all efforts in the direction of temperance, to present the cause and to solicit subscriptions.

Our missionary teachers in the South and among the Indians. The contribution of Pilgrim Church through men and women nurtured here.

Church Notes

Members of the Ladies' Union who have not yet paid their pledges are urged to hand the money to the treasurer at their early convenience.

The proceeds of the offering at the meeting of the Women's Missionary Society next Wednesday, will be sent as a Christmas gift to Mrs. Irwin, the wife of our missionary pastor. Men of the congregation who wish to contribute to this fund may hand their gifts to the church treasurer, Mr. H. W. Nichols.

Members of the congregation are asked to bear in mind the concert by the Oberlin College Glee Club, to be given in the church on the evening of December twenty-fifth, under the auspices of the Brotherhood. The Oberlin Glee Club is one of the best in the country, and its appearance in concert here, will be a notable musical event.

"The Congregationalist," which is perhaps the leading weekly periodical devoted especially to the interests of our denomination, has lately sent out a prospectus calling attention to new and attractive features, which will be presented in its pages during the coming year. Members of the congregation can make no mistake in subscribing for this valuable publication.

There were fourteen men present at the meeting called, after morning service last Sunday, to consider the question of organizing a men's Bible class in the Sunday School. It was voted to organize such a class, and a committee was appointed to solicit members. The following men are on this committee. Mr. Harry L. George. Mr. T. E. Jones, Mr. C. W. Ericson, Mr. R. C. Coffin and Mr. E. A. Schulze. It is hoped that the new class will have a large membership.

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. Subject: "The Social Consciousness as Recognizing the Presence of God in Society." Matt. 5: 43-48; Acts 26: 15-18. The Divine standard of obligation to mankind.

Church Notes

Mrs. W. S. Horr has been called away by the death of her father.

On account of repairs in the basement of the church, there was no mid-week service last Thursday evening.

The ladies of the Square Circle and Circle Number Four cleared about one hundred dollars at their recent sale.

The concert, Christmas night, by the Oberlin College Glee Club, will be one of the best entertainments ever given in the city. The club will be brought here by the Brotherhood at considerable expense, and a liberal patronage is solicited.

The collection taken at the meeting of the Women's Missionary Society last week amounted to nineteen dollars. This will be sent as a Christmas gift to Mrs. Irwin, the wife of our missionary pastor. It is desired to increase the amount to twenty-five dollars. Men of the congregation who wish to contribute may hand the money to Mr. H. W. Nichols.

About sixty dollars is needed to provide the Christmas entertainment for the Sunday School. It has been customary to call on the congregation for voluntary offerings for this purpose. The amount required this year is a little larger than usual, and those contributing are asked to bear this in mind. The money may be handed to Mr. Andrew Nelson, Mr. E. A. Schulze or Mrs. W. G. Hegardt.

Contributions of Christmas cards and bright ribbons for the "little darkies of the South, who know no difference between Christmas and other days," are solicited. They may be sent to Mrs. W. S. Woodbridge, 311 East Third Street, who will forward them on December sixteenth, to Tuskegee, Alabama. If more convenient, these gifts may be left at the store of the Duluth Paper and Stationery Co., 18-20 West Michigan Street.

Special Notice

The annual meeting of the Ladies' Union for the election of officers and the transaction of such other business as may come before the meeting, will be held in the lecture room, Wednesday afternoon, December twenty-ninth, at three o'clock. Officers are reminded that their annual reports must be submitted at that time.

Other Notices for the Week

THURSDAY. 7:15 P. M. The annual Christmas entertainment for the children of the Sunday School will be held in the lecture room. There will be a Christmas tree and a musical program. Parents are especially invited.

SATURDAY. 8:00 P. M. The Oberlin Glee Club will give a concert in the church, under the auspices of the Brotherhood. Admission for adults will be seventy-five cents, and for children fifty cents. Tickets may be obtained from any member of the Brotherhood.

Church Notes

On account of the Sunday School Christmas entertainment, there will be no mid-week prayer service next Thursday evening.

Special attention is called to the concert by the Oberlin College Glee Club on Saturday evening next. A thoroughly enjoyable entertainment is promised.

At last mid-week service letters were granted to Mr. and Mrs. John H. Boyle, who will unite with the Knox Presbyterian Church, Regina, Saskatchewan.

The recently organized men's Bible class will be led by Mr. R. C. Coffin. Members of the class are requested to remain for a meeting after the morning service.

Officers of the Ladies' Union are reminded that their annual reports should be ready for presentation at the annual meeting on Wednesday, December twenty-ninth.

The pastor is preparing a series of illustrated stereopticon lectures to be delivered Sunday evenings in January. The first will be on Turkey, and will be given Sunday evening, January second.

About sixty dollars is needed to provide the Christmas entertainment for the Sunday School. It has been customary to call on the congregation for voluntary offerings for this purpose. The amount required this year is a little larger than usual, and those contributing are asked to bear this in mind. The money may be handed to Mr. Andrew Nelson, Mr. E. A. Schulze or Mrs. W. G. Hegardt.

A Note from the Pastor

The new year is at the door. Two short weeks and it will be here, another allotment out of God's eternity granted to us. Seriousness is becoming. On its first Sunday morning the Lord's supper will be celebrated in remembrance of Him who loved us and gave Himself for us. There could not be imagined a more appropriate way to consecrate the new year. Let us make due preparation to keep the feast, "not with old leaven of malice and wickedness, but with the unleavened bread of sincerity and truth." Let us plan to make the service a real dedication of ourselves for the new year to the service of God, "in sincerity and truth."

It will be a great joy to receive into our membership at that time, some who have not as yet united with us in our covenant with Christ. There could be no more appropriate time to acknowledge the responsibilities and to claim a share in the privileges and blessings of membership in the church, the body of Christ.

MONDAY. 7:45 P. M. There will be a meeting of the Missionary Committee at the residence of Mr. W. G. Hegardt, 1708 East First Street, to consider the apportionment of this church for missionary offerings for 1910. The committee consists of the following: Ward Ames, W. G. Hegardt, W. I. Prince, George A. Gray, Charles A. Duncan and W. S. Woodbridge, Chairman. The pastor is also a member of this committee, ex-officio.

WEDNESDAY. 3:00 P. M. The annual meeting of the Ladies' Union for the election of officers and the transaction of such other business as may properly come before the meeting, will be held at the board room of the Y. W. C. A.

THURSDAY. 7:45 P. M. Mid-week service in the lecture room. Subject: "Redeeming the Time." Eph. 5: 1-21. The lessons of the year's experience. What have we harvested? What can we learn from our mistakes? What great hopes have we for the coming year?

Church Notes

The monthly missionary offering will be received today.

The Lord's Supper will be celebrated at the service next Sunday morning.

Officers and circle leaders of the Ladies' Union are reminded that their annual reports must be submitted at the meeting on Wednesday afternoon.

There will be no vesper service at the Y. W. C. A. this afternoon on account of the sacred concert by the Oberlin College Glee Club at the Y. M. C. A. to which all are invited.

The thanks of the congregation are extended to the Oberlin College Glee Club for furnishing the music at morning service today. The concert by the Club in the church last evening, was a treat which all who attended thoroughly enjoyed.

Special attention is called to the meeting of the missionary committee to be held tomorrow, Monday evening. The apportionment question is one of the most vital matters before our churches the country over, and it needs the most careful consideration of this church, because of our relation to the other churches of this conference.

Meeting of Missionary Committee.

Our missionary committee at their meeting last Monday evening, considered the apportionment for benevolences for nineteen hundred and ten as suggested by the state committee, \$2 000 for this Duluth conference, which is four per cent. of the total for all the Congregational churches of the state.

They voted to recommend that we endeavor to raise in Pilgrim Church \$1,750, this amount to include what our Women's Missionary Society may raise for the home work, and in addition to continue, as heretofore, our contribution of \$75.00 to Plymouth Church, West Duluth, \$25.00 to the Chicago Theological Seminary, and \$15.00 to the American Bible Society.

It was also the sense of this meeting that we should, under any circumstances, make good our pledge of \$520.00 in nineteen hundred and ten, for the salary of Rev. H. M. Irwin at Cesarea, Turkey, and for the support of his two children.

The pledge cards placed today in the pews give fuller details of the general apportionment, and are intended for general distribution and careful consideration.—W. S. W.

Annual Meeting of the Ladies' Union.

A large number attended the annual business meeting of the Ladies' Union Wednesday.

The reports presented showed that excellent work had been done in a quiet way, along various lines this past year. The treasurer's report was heard with great satisfaction. The ladies voted to pay five hundred dollars to the trustees before January first, as their first payment on the new manse. A considerable sum will be left in the treasury, in addition to the money realized from the recent sale held by Circle Number Four. This circle has done extra work this year, and desires to use the proceeds from it for some specific need of the church. Mrs. R. A. Webster was appointed to take charge of the Brotherhood supporters for the supper at the annual meeting. An informal discussion as to the work most needed to be done by the Union for next year was followed by the election of Mrs. W. G. Hegardt as Vice President. Mrs. H. W. Nichols, Secretary, Mrs. Geo. A. Gray, Treasurer. The election of President was left for a subsequent meeting. Harmony, willingness to work, and an earnest desire to help Pilgrim Church do her part in promoting the Kingdom of God, characterized the meeting.—J. T. M.

Church Notes

Rev. W. J. Horner of Grand Marais, was in the city last week and addressed the meeting of the Brotherhood on Monday evening, and the meeting of the Women's Missionary Society, Wednesday afternoon.

At the annual business meeting of the Women's Missionary Society held last Wednesday at the home of Mrs. A. E. Walker, the following officers for the ensuing year were elected: Mrs. Chas. E. Holt, President; Mrs. E. W. Matter, Vice President; Mrs. A. G. Strong, Treasurer; Mrs. C. F. Coleman, Secretary; Mrs. H. W. Nichols, Auditor. Mrs. S. F. Stewart is the honorary president of the society. The society adopted Dr. Clark's book, "The Gospel in Latin Lands," as a text book for the year's study.

Mr. W. G. Hegardt and Mrs. H. B. Paull were called from the city several days ago by the fatal illness of their mother, Mrs. Anna B. Hegardt, who died at her home in Redlands, California, on Thursday, January sixth. The remains are being brought to Duluth for burial. Mrs. Hegardt formerly resided here and was, before her removal from the city, a member of this church. She will be remembered by all who knew her as a woman of sterling Christian character, and the children who survive may truly "rise up and call her blessed." The sympathy of the church and congregation is extended to the family in their bereavement.

Rev. W. J. Horner of Grand Marais, a public library and last week wishes to establish in Grand Marais, a public library and reading room, and contributions of books and magazines for this purpose are solicited, the magazines to be used also in lumber camps and other places where they are needed. The Women's Missionary Society has undertaken to assist Mr. Horner in this work and will send a box of reading matter suitable for this purpose by next boat, which will probably go within the next two or three days. All who wish to have a part in this work may send their contributions to the church, or notify Mrs. W. W. Sanford.

Special attention is called to the annual meeting of the church on Tuesday evening. Reports will be received from the pastor and the heads of the various departments of our church work, and officers as follows will be elected: One Trustee to succeed Mr. W. I. Prince; three deacons to succeed Mr. W. S. Woodbridge, Mr. W. W. McMillan and the late Mr. Charles Alden Smith; two members of the standing committee to succeed Mrs. W. A. McGonagle and Miss L. Ella Roe; treasurer of the general fund to succeed Mr. H. W. Nichols; clerk to succeed Mr. E. G. Chapman; and three members of the music committee to succeed Mr. J. P. Johnson, Mrs. E. W. Matter and Mrs. Albert Baldwin. The Sunday School Superintendent, Missionary Committee and Ushers for the ensuing year will also be elected.

In Memoriam.

In this number of the Bulletin devoted so largely to a record of our work for the past twelve months it is fitting again to make mention of those of our number removed by death during the year: Chas. Alden Smith, Edmund L. Phillips, Mrs. Lucile Wood and Thomas Leslie, who died in St. Paul and on account of long absence was perhaps not known to many of our congregation. Once more as a church we would extend to the bereaved families our affectionate sympathy, and again place on record our sense of the loss sustained by the church in the removal of these members.

CHURCH NOTES.

Copies of the Congregational Handbook for 1910 have been received and may be obtained from the pastor. These books contain the prayer meeting topics for the year and other valuable matter.

Mr. W. G. Hegardt and Mrs. H. B. Paull returned to the city last Wednesday, bringing the remains of their mother, Mrs. Anna B. Hegardt, who died at her home in Redlands, California, on Thursday, January sixth. The body was taken to Forest Hill Cemetery for interment, the services being private.

Miss Mabel Rose Duncan and Mr. Jesse A. Bradley were united in marriage Wednesday evening, January nineteenth, at the home of the bride's parents, Mr. and Mrs. Charles A. Duncan, the pastor officiating. Mr. and Mrs. Bradley will be at home after March first at 1122 East Second street.

ANNUAL MEETING OF PLYMOUTH CHURCH.

Our sister church at West Duluth held its annual meeting last Wednesday evening, beginning the exercises with a bountiful supper, which was enjoyed by some forty people. This was followed by music and recitations, after which came written reports for the past year, the election of officers and the question of extending a call to Rev. Daniel G. Cole, who for the past three months has been the acting pastor.

The membership of the church is now sixty-two, with quite a percentage of absentees, showing a net loss of two members during the past year. The average attendance at the Sunday school has been forty-two and the missionary collections amounted to twenty-seven dollars.

It was voted to invite Mr. Cole to continue as acting pastor and at Mr. Cole's own suggestion no fixed term was set, it being agreed that the arrangement could be terminated by either the pastor or the church on sixty days' notice from either party.

The kindest feeling was expressed toward Pilgrim Church, pastor or the church on sixty days' notice from either party. It was voted to send a formal letter to express the gratitude and it was voted to send a formal letter to express the gratitude of Plymouth Church for the hearty support given it by the older sister organization.

Annual Meeting of Pilgrim Church.

The enthusiastic loyalty of our people to Pilgrim Church was never more heartily attested than on Tuesday evening, January eighteenth, when nearly two hundred gathered in the parlors at the thirty-ninth annual supper and business meeting of the church.

The ladies made no mistake when they entrusted the preparation of the supper to Mrs. M. F. Bates and Mrs. B. Webster, to whom are due the thanks of all who were present for the bountiful repast, which was so generously provided and expeditiously served.

The business session was called to order at a quarter before eight o'clock and opened with the singing of a hymn and with Scripture reading and prayer by the pastor, who acted as moderator. In absence of the clerk Mr. E. W. Matter was elected clerk pro tem.

The first order of business was the presentation of reports from the heads of the various departments of our church work.

The Christian Endeavor Society, through its President, Mr. E. B. Neff, reported a membership of thirty-four, being a slight increase over last year. The report of Mr. Eugene H. Harbison, Secretary of the Sunday School, showed a membership of two hundred twenty-three, being an increase for the year of about fifteen per cent. Mr. Andrew Nelson, Superintendent of the Sunday School, in his report, emphasized the present pressing need of the school for more teachers. The report of Miss Mary E. Murdoch, who has charge of the Cradle Roll, showed that this new department is now well established. Miss Murdoch asked for a fuller co-operation on the part of parents in reporting the names and dates of birth of the children who should be enrolled. Mrs. Robert Smith, Superintendent of the primary department of the Sunday School enumerated in her report several things needed, among them being more chairs, blackboards, a screen, and a door cut through a partition in order to make an independent entrance to the class rooms of her department.

An unusually interesting report was presented by Mrs. W. W. Sanford, President of the Women's Missionary Society. It is perhaps not fully realized and appreciated to how great an extent this society has been "an inspiration to the Church in a great deal else besides missionary work."

In the absence of Mrs. S. W. Clark, President, the report of the Ladies' Union was presented by Mrs. H. W. Nichols. This report evinced the usual activity of the ladies who have already paid the five hundred dollars pledged by them for this year toward the mortgage on the Manse.

Mr. George A. Gray, President of the Brotherhood, reported a satisfactory condition of that organization as indicated by a large attendance at the monthly meetings and by the fact that half of the five hundred dollars pledged for the year toward the mortgage on the Manse has already been raised.

Mr. Oscar Mitchell, President of the Board of Trustees, reported that the extraordinary expense made necessary by repairs on the church, the proposed purchase of a motor for the organ

and to make up a deficiency in the general fund has been promptly met by a generous subscription, the total amount so raised being eighteen hundred fifty-five dollars. Too much emphasis can scarcely be laid on the recommendation in Mr. Mitchell's report that every member of the church and congregation be directly represented in the financial support of the church by a definite weekly pledge.

Mr. Milne's report made grateful acknowledgement "for the comfortable and beautiful home so unexpectedly and generously provided," and reported that the past year had been one of normal pastoral activity. He called attention to the pressing need of a church directory and suggested the propriety of giving some thought looking toward the unification of our week-day church services. The portion of his report bearing on this point will be found on the sixth page of the Bulletin.

Financial statements were rendered by Mr. H. W. Nichols, treasurer of the general fund, and Mr. W. W. McMillan, treasurer of the benevolent fund. Other financial statements were incorporated in the reports of the various presidents. A summary of these will be found on page seven of the Bulletin.

The reports were all by vote of the meeting received and placed on file.

On account of the absence of the Clerk, Mr. E. G. Chapman, no report from him was presented, but it appears from the records that the number of our membership is about the same as one year ago.

The meeting then proceeded to the election of officers for the ensuing year and the following were elected: Trustee to serve for three years, Mr. Alexander Anderson; deacons to serve for three years, Mr. W. S. Woodbridge and Mr. W. W. McMillan; deacon to serve for two years to fill out the unexpired term of Mr. Charles Alden Smith, deceased, Mr. A. G. Strong; members of the standing committee to serve for one year, Mrs. John Drew and Mrs. H. L. Paddock; treasurer of the general fund to serve for one year, Mr. H. W. Nichols; treasurer of the benevolent fund to serve for one year, Mr. W. W. McMillan; clerk to serve for one year, Mr. Brewer Mattocks, Jr.

In the report of the Secretary of the Sunday school referred to above, the meeting was advised that the Sunday School had elected officers for the ensuing year as follows: Superintendent, Mr. E. A. Nelson; assistant superintendent, Mr. E. A. Schulze; secretary, Mr. Eugene H. Harbison; treasurer, Mr. A. W. Taylor; conductor of music, Mrs. A. E. Walker. By unanimous vote of those present the election of these officers was confirmed.

Ushers for the ensuing year were elected as follows: For morning services, Messrs. H. L. George, J. B. Helmick, H. I. Pineo and W. C. Johnson; and for evening services, Messrs. E. A. Albrecht, Gay C. Huntley, E. H. Wieland and E. L. Kimball. The missionary committee for the ensuing year was elected as follows: Messrs. W. S. Woodbridge, W. I. Prince, Charles A. Duncan, W. G. Hegardt, George A. Gray, Ward Ames and H. B. Paull. The pastor is ex-officio a member of this committee.

The music committee for the ensuing year was elected as follows: Mr. J. P. Johnson, Mrs. T. H. Hawkes and Mrs. Clarence H. Downing.

Annual Meeting—Continued.

The trustees were authorized to appoint a finance committee of five members and a committee on church buildings and grounds of three members.

It was voted that the salary of the pastor be continued at three thousand dollars per year until further action by the church, and that the action of the missionary committee in recommending that the church endeavor to raise seventeen hundred fifty dollars as our apportionment for 1910 for our seven national benevolent societies, be approved.

The pastor and Mr. E. W. Matter were elected as a committee to prepare and publish a new church directory, it being understood that other members of the committee will be elected at a subsequent meeting.

This concluded the business of the meeting, which was closed with singing and with the benediction by the pastor.

CAN WE UNIFY OUR WEEK-DAY SERVICES?

(An extract from the pastor's annual report.)

Could we not look forward to a unification of our services during the week? I have observed that there cannot be held between Sundays more than one large successful service. These are busy times and our people, men and women, have many cares and responsibilities. In former days there was usually but one service during the week, the mid-week prayer meeting. It is a fact, I believe, that in most churches that service has fallen off greatly in number and influence. This does not mean that people are less devoted. It means, in part, that their time is taken up in other ways, some of them very good ways. Think of our church last week. On Monday evening forty men were present at the Brotherhood supper and meeting. On Wednesday afternoon twenty-five women met at Mrs. Walker's house as the Women's Missionary Society. On Friday evening a large number came together in a social way to a reception in the Manse. Is it passing strange that on Thursday evening we did not have to put up the sign, Standing room only? Think of this week. Here is this large representative gathering of the church. It is altogether likely that the Thursday evening service will show some falling off from even the usually small attendance.

Would it not be possible to improve our arrangements in the way of unifying these excellent but to some extent competing services? For instance, why could not our annual meeting be held on Thursday evening? It is always preceded by a brief devotional service. Take Thursday evening (or any other if more convenient) as the church night and as far as possible center everything on it. Instead of the ladies meeting on Wednesday afternoon, why could they not meet on Thursday? They frequently have refreshments, just enough to spoil the appetite for supper. Why not have just a little more a little later and invite the men to come in. The whole could be followed by a glorious devotional and spiritual service that would be helpful to everybody. It is at least worth thinking about, and I pass the idea on.

As some of the Missionary Funds of the Friends in Council, the Society of Christian Endeavor and the Sunday School were turned over to the treasurer of the benevolent fund and by him disbursed, the sum of \$88.00 is duplicated in the above summary and should be deducted from the receipts and disbursements to arrive at the correct net amount of these totals.

An analysis of the financial statements of the various treasurers shows that there was collected for missionary purposes during the year from all sources \$2,220.40 and paid out for the same account \$2,178.05.

PROPOSED BENEVOLENCES FOR 1910.

Our missionary committee recommends that this church raise in 1910 for our seven Missionary Societies \$1,750, which sum will include the amount that will be raised by our Woman's Missionary Society for home work. Our committee further recommends that Pilgrim Church shall this year give, as for some years past, \$75 to Plymouth Church, West Duluth; \$25 to Chicago Seminary and \$15 to the American Bible Society.

To accomplish this will require the help of every member of the church, and of such other of our regular attendants as may be interested, and the ideal form of help is a pledge of some definite amount, payable weekly or monthly, these offerings to be divided as to our seven societies on the following percentage:

American Board of Com. for Foreign Missions.....	30
Congregational Home Missionary Society.....	30
Congregational Missionary Association.....	13
American Missionary Church Building Society.....	14
Congregational Church.....	6
Education Society.....	5
Sunday School & Publishing Society.....	2
