At the meeting of the Women's Missionary Society held on the ninth, it was voted that the society observe the Day of Prayer for Home Missions in connection with the regular mid-week service next Thursday evening, this being in accordance with the pastor's suggestion in his annual report, that an effort be made to unify our week-day church services.

Members of the Christian Endeavor Society who have magazines and papers for distribution among the lumber camps which the Society is supplying, are requested to take them to the prayer service this evening.

At the meeting of the Ladies' Union held last Wednesday, members to superintend the work of the Union during each month of the current year, were appointed as follows: March, Mrs. Rebecca P. Boyington; April, Mrs. C. E. Adams; May, Mrs. W. A. Cant; June, Mrs. L. E. Paddock; July, Mrs. H. B. Heimick; August, Mrs. M. L. Jenks; September, Mrs. T. J. Davis; October, Mrs. A. G. Strong; November, Mrs. A. W. Frick; December, Mrs. B. Webster.

On Tuesday of last week, Mr. Lawrence Syck and Miss Carrie Elizabeth Thompson were united in marriage by the pastor, and on Thursday, the pastor officiated at the wedding of Mr. Edward E. Ziegler and Miss Pearl May Martin. Mr. and Mrs. Syck will make their home in Bellingham, Washington. Mr. and Mrs. Ziegler will live in this city at 1517 East Third Street, and will attend our services.

It is not often that two golden weddings are celebrated in one family, but this happened recently within the space of a single week, when the parents of both Mr. and Mrs. Oscar Mitchell received the congratulations of their relatives and friends upon the fiftieth anniversary of their marriage. Mr. and Mrs. J. G. Mitchell, the parents of Mr. Mitchell, celebrated their anniversary on February second, at their home in Greenfield, Illinois, and Mr. and Mrs. C. A. Wildey, the father and mother of Mrs. Mitchell, celebrated theirs on February fifth, at Anamosa, Iowa, where they reside. Mr. Mitchell and daughter, Miss Constance, were present and shared in the festivities of both occasions.

Those wishing to give will please hand their subscriptions to Mr. Albert Baldwin or Mr. W. I. Prince.

In Memoriam

At the mid-week service on Thursday evening, the following resolutions were adopted and ordered entered in the minutes:

The members of Pilgrim Church desire to give formal expression to their sense of the loss sustained in the death of Wardwell Ames, who was called to his reward on Monday, March twenty-first.

For nearly twenty-three years he was a member of this Church, to which he gave the most faithful and loving service, unsparing alike of his time and of his means, and in the general religious and philanthropic work of the city he was a leader upon whom his fellow workers had learned to rely for counsel and encouragement.

As a citizen and man of affairs he commanded universal respect and honor. He was "Diligent in business, fervent in spirit, serving the Lord," and in him the highest ideals of Christian citizenship found abundant expression.

His favorite salutation of "Neighbor," may truly furnish the key to those qualities of mind and heart which endeared him to an unusually wide circle of friends, many of whom have personally felt his helpfulness.

As a Church we would express to his stricken family our affectionate sympathy, and commend them to the tender care of Him Who "doeth all things well."

Wardwell Ames

Wardwell Ames, or "Ward" as he was familiarly called and always wrote his name, was born in Oswego, New York, on December 6th, 1846.

His grandmother Ames had been a most devout Christian and member of the Methodist Episcopal Church. His father and mother had been connected with the same church in their early life, but on account of the very strict rules of the church concerning amusements, forbidding checkers and such games, they allowed their membership to lapse.

Ward was the third of five children. They came to maturity without any definite church connection. The oldest sister identified herself with the Protestant Episcopal Church. For a while Ward accompanied her to the services and was generally considered an Episcopalian, but he never joined that communion.

Not until some time after he was married did he become a church member. It was at a time of great anxiety when his wife was critically ill and her life despaired of, that Mr. Ames determined to become a member of the church. He and Mrs. Ames united with the Congregational Church of Oswego in 1875.

Although he was very young he was soon prominent. He was made church treasurer. He accepted on one condition, that the minister's salary should be paid on the first of every month, in advance. His resignation was ready when that could not be done. The times were hard after the financial collapse of 1873 and the church was in debt, but under his leadership the church expenses were met promptly and the debt paid.

In 1881 Mr. Ames went to Fargo, North Dakota, and engaged in business. On the organization of the First Congregational Church of Fargo, he and Mrs. Ames became charter members. He was a poor man, but he subscribed one hundred dollars towards the new church, and was called to account by the firm for the extravagance of his gift.

In 1886 he came to Duluth and at once identified himself with Pilgrim Church. What his life has been in this church and city every one in the church knows. A more devoted and faithful member no church ever had. He was interested in almost all good enterprises, the Bethel, the Y. M. C. A., the Y. W. C. A., the hospitals; but next to his family the church was the apple of his eye, the darling of his heart. He was the model churchman, spiritually minded in a most eminent degree, a man with whom religion was the standard and inspiration of his daily life.

He was a man of few words about the deepest things of life. Fortunately there came to light after his death a letter he wrote last May to one in great trouble. He was in Dresden, Germany, when the news came of his friend's distress and he wrote at once a message of good cheer. Here is a part of it:

"I will not undertake to explain why such troubles come. I simply know that they come (I have had a few of them) and the only thing to do is to meet them as best we can. I believe in an overruling Providence, and believe that somewhere, somehow, all these trials and sufferings will be smoothed out, and we shall be better for having endured them. I do not say much about these things, but I frequently think of them. I remember something I read years ago about this life and the life to come. It was something like this: 'We all live on an island and some time must go to the mainland. We do not know when we shall have to go, but when the boat comes to our island and our name is called, we simply step into the boat and cross over to the mainland, where we find all of our dear ones, who have crossed over ahead of us, and where we wait for those who are still left on the island. The island is limited as to everything which makes life joyous, while the mainland is simply boundless.' To me it is a beautiful thought, and when troubles have come to me has been a source of such great comfort that peace has come to me. The important thing is to be ready when our name is called, for we begin our life on the mainland in the condition we were in when we left the island. So don't worry, whatever comes. If you and I are to stay on the island a few years let us do it taking up whatever duties come to us with cheerfulness, and if, sooner or later, we are called to the mainland, let us go cheerfully."

In this letter there was revealed the secret of Mr. Ames' unflinching cheerfulness and constant goodness. The tears that would not be repressed when, on last Monday morning, the terrible news came to us of his death, and the feeling of dismay that came over us when we thought of having to do without him, showed how completely he had won our hearts, and how necessary his life seemed to us. To have known him is a benediction, to have been his friend an honor and an inspiration forever.

At last mid-week service letters were granted to Mr. and Mrs. Lane MacGregor, who will join the Endion Methodist Church of this city.

There will be a business meeting of the officers and teachers of the Sunday School at the Manse, on Tuesday evening, April twelfth. This will be an important meeting and those interested are requested to make no engagements that will interfere with their attendance.

Programs have been received showing the order of exercises at the State Convention of the Women's Missionary Societies, to be held in the church, April nineteenth to twenty-second. The list of speakers indicates that the sessions of the convention will be unusually interesting and helpful.

Special attention is called to the lecture by Dr. Luther Gulick at the High School on Wednesday evening. Church Notes

The next communion will be on Sunday, May first.

At last mid-week service a letter was granted to Mr. W. J. Stevenson, who will unite with the First Presbyterian Church of this city.

This congregation is glad to extend a hearty welcome to Rev. J. C. Faries, who will occupy the pulpit at the morning service in exchange with the pastor.

The meeting of Sunday School workers which was to have been held at the Manse on next Tuesday evening, has been postponed on account of the Sunday School convention in Minneapolis, which several of our people will attend.

Duluth will send a large delegation of Sunday School workers to the fifty-second annual convention of the Minnesota Sunday School Association which will be held in Minneapolis, next Tuesday, Wednesday and Thursday. It is expected that the convention will be the largest in the history of the Association up to the present time. Delegates from our Sunday School will be elected today.

Fifteen men of this church have received appointments from the Prudential Committee of the American Board, as delegates to the Laymen's Missionary Congress to be held in Chicago the first week in May. The congress will be inter-denominational, and will probably be the largest meeting of laymen in the interest of missionary work ever held. Two hundred and seventy delegates will represent the Congregational Churches of the country in the congress.

The thirty-eighth annual meeting of the Minnesota Home Missionary Union will be held in this church April nineteenth and twentieth, and will immediately be followed by the thirty-third annual meeting of the Minnesota Branch of the Women's Board of Missions of the Interior, which will be held in the church April twentieth to twenty-second. The programs which have been received indicate that the meetings will be of unusual interest. All who desire to entertain visiting delegates will please report their names to Mrs. W. G. Hegardt, chairman of the entertainment committee.

It is expected that the Laymen's Missionary Convention to be held in this city, April twenty-second to twenty-fourth, will attract a large attendance from neighboring towns. An active campaign to arouse the interest of all laymen is being conducted by the executive committee, and speakers from various Duluth churches have been sent out to assist in the meetings held to further the movement. Last Sunday Mr. Albert Baldwin spoke in Calumet, Houghton and Lake Linden, and today Mr. H. I. Pineo and others will address a mass meeting in Ashland, and Mr. Andrew Nelson will assist at a similar meeting in Brainerd.

The Laymen's Missionary Convention

The meetings of the Laymen's Missionary Convention will commence next Friday evening with a banquet to be held in the Armory. The names of the speakers for the various meetings to be held on Saturday and Sunday will be announced in the daily papers. It is expected that over one thousand men will register for the banquet and other meetings, and it is hoped that at least seventy-five men from this congregation will register. The men are requested to hand their applications for registration at once to W. W. McMillan, W. G. Hegardt, George A. Gray or John B. Heimick.

Church Notes

Mr. L. E. Paddock and family have moved to 1815½ East Second Street.

Members of the congregation are asked not to forget the "grocery sale" which will be conducted by the Ladies' Union on May sixth at the store of Lundmark and Franson.

One of the most interesting and instructive addresses ever given in the church, was delivered at the meeting of the Brotherhood last Monday evening by Dr. E. L. Tuohy. Dr. Tuohy besides being a general practitioner, is a specialist in Tuberculosis and his address was on this subject.

The pastors of the various churches in the city have invited leading laymen to occupy their pulpits today, to speak in the interest of the Laymen's Missionary Movement and the great convention to be held here beginning next Friday evening. Mr. Albert Baldwin will speak at the Glen Avon Presbyterian Church.

On account of the sessions of the Missionary Convention which will be held in the church during the coming week, the regular mid-week prayer service will be omitted, and there will be no meetings of any of our church organizations, excepting a social given by the Christian Endeavor Society, on Tuesday evening, at the home of Mr. Eugene H. Harbison, 228 South Nineteenth Avenue East.

Church Notes

The Lord's Supper will be celebrated at the morning service next Sunday.

Commencing next Sunday and continuing through the summer, our evening services will begin at eight o'clock, and the Christian Endeavor prayer service at a quarter before seven.

The thanks of the church are due to the entertainment committee, the music committee and to Mrs. Richard A. Webster and the other ladies who furnished luncheon to the delegates, all of whom by their faithful service did so much to make the meetings of the Women's Missionary Societies a success.

The sessions of the Laymen's Convention have been remarkable for the large attendance, the enthusiasm which has prevailed, and the inspiring addresses which have been given. At the banquet in the Armory on Friday evening, twelve hundred men were present. On account of the meetings today the usual evening service will be omitted.

The annual meetings of the State Missionary Societies held in the church last week were unusually well attended by visiting delegates. The Women's Missionary Society of this church was represented in the meetings by Mrs. Milne and Mrs. Sanford, as delegates, and the Christian Endeavor Society by Miss Mars and Miss Shearer. Special attention is called to the report of the meetings on page four of the Bulletin.

The services in the protestant churches of the city today, will center around the Laymen's Missionary Convention now in session here. Visiting speakers will occupy the various pulpits. Our own church is fortunate in securing J. P. Jones, D. D., one of our most famous missionaries, to speak at the morning service. The pastor and congregation are glad to extend to Dr. Jones a hearty welcome.

The State Missionary Meetings

The meetings of the Minnesota Woman's Home Missionary Union and of the Minnesota Branch of the Woman's Board of Missions of the Interior have been of great educative value to the women of Pilgrim Church. An insight has been gained, first of all, into the arduous labor involved in the carrying on of the executive work of these two boards. The sincere and unselfish efforts of these consecrated women who, year after year, give of their time and of their strength in the interest of organized mission work, will surely stimulate our women to a more earnest endeavor to do their part towards relieving the burden which continually rests upon these central boards.

The general discussions provided for by both the Home and Foreign programs were of especial value as they revealed a new method, a broader conception or a wider vision. One of the salient addresses of the Home meeting was that given by President Fenenga of Northland College, Ashland. Dr. Fenenga emphasized the fact that in this northern country the foreigners who form our greatest menace are the Finns, the Poles and the Russians, who, because they have fought for liberty or for national life and have lost, are branded as criminals and often come under the ban of our extradition laws. These people, said President Fenenga, are as heroic as were our Hancocks or our Paul Reveres and we can teach them the heroism of life.

Dr. Dewey's address before the W. B. M. I., Wednesday evening was a clear and logical statement of the reason for engaging in the work of evangelizing the world. First, because of the bigness of the undertaking—big things enlist our efforts always—second, because we receive so much from the beneficiaries themselves.

The speaker pointed out the need of the Anglo-Saxon to assimilate such traits of character as the steadfastness of the Chinese, the alertness of the Japanese, the Mohammedan's immovable faith in God, the Brahmin's imagination. Then, too, the speaker continued, it conveys to us a new conviction of the grace of God and it stirs within us the fire of heroism.

Another notable address was that of Miss Welpton, a mission worker from Marash, Turkey, who discussed the political, educational, social and economic changes brought about by the new regime in Turkey.

The last session was held Friday morning and was addressed by Dr. Jones of India, who spoke of the sincerity and piety of the Indian women, and by Miss Fenenga of Mardin, who, in a charming manner but with intense earnestness, impressed upon her hearers the importance of the present movement to the missionary cause in Turkey.

The closing words of the President, Miss Evans, will long remain with us. She spoke of the symbolism of the old church and of the danger that this symbolism should creep into our own religious life. "God desires of us," Miss Evans said, "not symbolism—but sympathy with His Divine purpose to send the Gospel to all the world. Our annual budget redeems us from sentiment only and makes us witnesses for Christ."

Special attention is called to the change in time of our evening services which, commencing today and continuing during the summer, will begin at eight o'clock instead of half past seven.

Members of the congregation are asked to give their liberal patronage to the "grocery sale," which will be conducted next Friday by the Ladies' Union at the store of Lundmark & Franson.

The State Sunday School Convention

The 52nd annual convention held in Minneapolis April 22-25, was marked by great enthusiasm and earnestness and by the intelligent grasp of the different problems presented. Every one carried away new ideas to be applied to his own school. The unity with which all denominations worked for the general good of the Sunday School was most inspiring and one cannot help but feel that a new era is dawning in Sunday School work.

Dr. F. B. Meyer of London, President of the World's Sunday School Association, gave several addresses. He is an able speaker with a charming personality and he impressed every one with the beauty and sincerity of his character. Other notable speakers were Rev. W. A. Brown, Marion Lawrence and Mrs. H. M. Leyda, all of Chicago.

The subject of practical missionary work in the Sunday School was given much attention, emphasis being laid upon the necessity for training and education along this line. Commencing in the primary grades, teach the need of missions and form the habit early of systematic giving to a definite cause. Three things are necessary for training along this line:

1. The child must be constantly informed of the needs of the mission fields.
2. He must be made to feel his own responsibility.
3. He must be trained to hear God's call either to go himself or to send some one else.

Great stress was laid upon the necessity for a graded school and the following standard of excellence was recommended:

1. Pupils grouped into departments and grades, including Cradle Roll, Beginners, Primary, Junior, Senior and Adult grades.
2. Teachers selected who are fitted for the grades and classes.
3. A good course of instruction.
4. Regular annual promotion.

It was estimated that we lose 75 per cent of our scholars between the ages of eleven and fifteen. Consequently these are lost very largely to the Church itself. We have not yet found the way to deal with pupils of this age.

To appear on the honor roll every school must have a teacher training class and an organized adult class with officers and committees for work. "Every member of the congregation a member of the Sunday School" is the aim in Sunday School work for the coming year.

Quoting from one of the inspiring addresses of the convention: "A fact not yet impressed upon us that for the great number of children and youth the Sunday School is the only chance for direct religious instruction and wherever it fails they must grow up in ignorance of the Bible. If it is not a school it must be made into one; if it is loose in organization or slipshod in method, it must be brought to use the best methods of the week-day school; if its teachers are untrained, we must fit them for the great task. Out of all the tides of progress in religious development of the past century the Sunday School emerges as the central institution of the church for the education of the millions in the first truths of the Bible."

Church Notes

Mr. Frederick Knowlton and family have moved to 411 East First street.

Mrs. J. L. Crawford was called from the city recently by the death of her father.

At the Laymen's Missionary Congress in Chicago, this church was represented by Mr. W. S. Woodbridge and Mr. Albert Baldwin.

The pastor spent Tuesday and Wednesday of last week in Cumberland, Wis., where he attended the annual meeting of the Superior Convention. A joint meeting of this Convention and the Duluth Conference is being arranged for next year.

The Laymen's Missionary Congress

It seems to be the unanimous verdict of all the men who were permitted to attend the Laymen's National Missionary Congress, which was held at the Auditorium in Chicago from May 3rd to May 6th, inclusive, that it constituted in many respects the greatest religious conference that has ever been held in America. It was a unique gathering, not alone in that it was a religious congress of laymen, but also in the fact that practically all Protestant denominations were represented by large delegations.

The opening session was held on Tuesday afternoon, and the congress adjourned Friday night. Meetings were held in the Auditorium, for men only, every forenoon and evening, and there were twenty-four formal addresses at that place by men whose denominational affiliations were unknown to the great majority of those who listened to them. Wednesday afternoon was given up to sectional conferences, held at various halls, churches, hotels, etc., in the vicinity. Conferences of physicians and surgeons, ministers, lawyers, Sunday school and Bible class workers, business men, brotherhoods, church officers and editors, respectively, were thus held. For each of these meetings splendid programs had been arranged, and laymen who were recognized leaders in their respective professions or vocations addressed the meetings.

On Thursday afternoon there was held a conference of all the delegates to the congress in Orchestra Hall. This was, so to speak, a meeting of the committee of the whole, at which was discussed the vital, practical question of the congress, viz.: How to conserve and extend the influence of the national missionary campaign. The resolutions there read and recommended to the congress for adoption, are too lengthy to be given in full at this time. In substance, they recognized as one of the most beneficial results of the campaign the spirit of unity and co-operation that had been displayed, and declared that the chief place in all future plans be given to "follow-up" work in keeping the movement a living, vital power in the church.

On Friday afternoon, conferences by churches were held at various places. Here were discussed ways and means by which the different denominations could proceed with the work most advantageously and effectively. Representatives of the Congregational Church met and listened to addresses by Dr. C. H. Patten, our former pastor, and others. The apportionment plan of giving, as adopted by this church a few years ago, was discussed at length; and it appears that this plan is in operation very generally in our Congregational Churches in all of the states, except in Ohio. When the delegates were asked to express briefly their experiences with the working of this plan in their respective churches, the responses were enthusiastic, and the declaration of what the churches were undertaking for the current year under the inspiration of the campaign just closing was undoubtedly most cheering to the secretaries of the various societies of the church.

The congress adjourned on Friday night, after adopting as a body, the substance of the resolutions recommended by the delegates at their informal meeting on Thursday afternoon.

WEDNESDAY, 3:00 P. M. The regular monthly meeting of the Ladies' Union will be held in the parlors of the church. A full attendance is requested.

THURSDAY, 6:15 P. M. The mid-week service will be preceded by a supper to which all members of the congregation are invited. Supper will be served at half past six. The service following will be devoted to missionary matters and especially to reports from the delegates who attended the recent Laymen's Missionary Congress in Chicago.

Church Notes

The thirteenth annual meeting of the Duluth Conference will convene in Brainerd, May thirty-first.

Miss Ida E. Van Stone of the Normal school, will sing with the choir at morning and evening services today.

The members of the Missionary Committee are asked to remain for a short meeting after the morning service.

The annual meeting of the Friends in Council which was to have been held Saturday, May fourteenth, was postponed.

The complete returns from the "grocery sale" recently conducted by the ladies of the church, show the proceeds to be forty-four dollars.

At last mid-week service a letter was granted to Mrs. Ella O. Young, who will unite with Forest Heights Congregational church, Minneapolis.

There was a large attendance of the ladies of the church at a birthday surprise party for Mrs. Milne at the home of Mrs. H. B. Paull Saturday afternoon, May twenty-first. A feature of the occasion was that those invited were asked to guess the age of the guest of honor by contributing a penny for each year, for the benefit of the Ladies' Union.

The domestic science work which is being conducted at the Salter School by the ladies of the East End Circle and the Salter Circle under the direction of Miss Laura G. Frick, as teacher, has met with marked success. The ladies have installed a valuable equipment and at present, instruction is being given to more than one hundred pupils, including a class of twenty-four boys.

It will be remembered that the pastor in his last annual report made some suggestions looking toward the unification of our week-day church services. No definite steps have yet been taken to carry out these suggestions. The subject will be presented and discussed at the meeting of the Ladies' Union next Wednesday, and it is hoped by many that some action may be taken. The matter is of sufficient importance to insure a large attendance at the meeting.

The following item is taken from the Duluth Evening Herald of twenty years ago: "The Pilgrim Congregational church has undertaken the support of a missionary family in West Africa, at Bailundu, and has raised nearly \$1,000 for that purpose this year. Mr. and Mrs. Stover are the missionaries. As the Y. P. S. C. E. of the Pilgrim church have for several years supported a pupil in a training school at Osaka, Japan, the church is now well represented in the mission field."

WEDNESDAY, 2:30 P. M. The Square Circle will meet with Mrs. George M. Tallant, 2111 East Third street. A full attendance is requested.

THURSDAY, 7:45 P. M. Midweek service in the lecture room. Subject: "The Day at Caesarea Philippi." Matt. 16:13-20; 26:57-58. Assuming Messiahship. Why did Jesus wish to conceal the fact that he was the Messiah? Did Peter voice the feeling of all the disciples or was it his individual opinion? The modern thought of Jesus. What think ye of Christ?

FRIDAY, 2:30 P. M. The East End Circle will meet with Mrs. T. J. Davis, 1601 London Road. All members of the Circle are requested to be present.

Church Notes

The regular monthly missionary collection will be received today.

Mrs. Homer Collins will sing with the choir at morning and evening services today.

Mrs. Annie J. Rees, who has been an active worker in Circle Number Four, left last Thursday for Pittsburgh, where she will make her future home. Dr. W. R. Bagley and family also left Duluth last week to make their future home in the West, at some point not yet definitely determined.

The thirteenth annual meeting of the Duluth Conference will be in session during Tuesday and Wednesday of this week, at the First Congregational Church, Brainerd. Our church will be represented in the convention by the pastor and by Mr. C. E. Holt, Mrs. Milne and Mrs. H. W. Nichols, all of whom were elected as delegates at the last midweek service.

There was a large attendance at the missionary supper last Thursday evening. The supper was prepared under the direction of Mrs. Stevenson, to whom the thanks of all present were expressed by a unanimous vote. At the meeting which followed unusually interesting reports of the recent Laymen's Missionary Congress were given by Mr. Albert Baldwin and Mr. W. S. Woodbridge.

At the present time the First Presbyterian and First Baptist churches of this city are without ministers and Doctor M. S. Rice of the First Methodist church is abroad. This unusual condition has thrown an added responsibility on our pastor as it has brought to him so many calls to visit the sick and conduct funeral services that his usual routine of pastoral duties has been somewhat interrupted. In caring for others the pastor does not wish to overlook any of his own people and he has requested that all cases of sickness or special need in this congregation be reported to him promptly.

The Duluth Conference

The thirteenth annual meeting was held in Brainerd with the First Church May 31 and June 1. The attendance was not large, but all of the pastors were present and a majority of the churches were represented. In addition to the ministers at work within the conference there were present the Revs. Walter H. North of Little Falls, N. P. Olmstead of St. Paul and Thomas W. Barbour, Ph. D. of Cass Lake, superintendent of our work in northern Minnesota. The sermon was preached by the Rev. H. R. Harris of Biwabik on The Faith That Moves Mountains. His central thought was that a little faith earnestly put forth will accomplish great things. He quoted the reply made by a devout woman to Mr. D. D. Moody's question, "Are you the woman of great faith?" "No; I am the woman of little faith in a great God."

The addresses by the Rev. Walter H. North on New Wine in New Bottles and that by Dr. Barbour on God's Challenge to the Churches were illuminating, able and inspiring. The addresses were of a high order and were greatly appreciated by those who heard them. Unfortunately the people of Brainerd, like the people of most churches and communities where such meetings are held, seemed to have the idea that the services and addresses were only for the delegates. The chief benefit of such gatherings is for those with whom the meeting is held.

The conference is the custodian of the records and standing of the ministers. It also grants licenses to preach. A young man of Swedish-Finnish birth and training, Mr. Oscar A. Granholm, graduate of the Swedish department of Chicago Theological seminary, was licensed for two years. He is doing a very hopeful work among his own people, centering at Biwabik, holding the services in our church there.

The condition of the churches as reported is now in the main very hopeful—Aitkin is about to rebuild the church. They have been without a pastor for two years, but they are now almost ready to make a fresh and most promising start. Brainerd First has a pastor of whom every one speaks most appreciatively, and the church is planning to build a parsonage. Biwabik has a similar enterprise in hand. All told the condition of the churches is more promising than for several years. A. M.

Church Notes

The Friends in Council have discontinued their regular monthly meetings for the summer.

The pastor will attend a meeting of the trustees of Carleton College and also a meeting of the business committee of the State Association at Northfield on Tuesday of this week.

The pastor and Mr. C. E. Holt attended the annual session of the Duluth conference which met in Brainerd last Tuesday, and Wednesday. Reports of the meetings will be presented at the mid-week service next Thursday evening.

The morning service next Sunday will be devoted to special exercises by the Sunday school in observance of "Children's Day." Parents who wish to present children for baptism will please notify the pastor as early in the week as possible.

Church Notes

The topics of the mid-week services have been such that they can be profitably used as Bible studies. The pastor has so treated them in several instances and will continue to do so except when manifestly inappropriate.

The Friends in Council were pleasantly entertained Tuesday evening, June 7th, at the home of Miss Emma Schulze. Officers for the ensuing year were elected as follows: President, Miss Catherine Shearer; Vice President, Miss Myra Germond; Treasurer, Miss Jane Murray, and Secretary, Miss Hattie Yager.

The following have been appointed on a committee to cooperate with the officers of the Sunday School in arranging for the annual picnic of the school: Mrs. Hegardt, Mrs. Stevenson, Mrs. M. F. Bates, Mrs. Adams, E. H. Harbison and Mr. Mattocks. The committee is requested to remain for a brief meeting after the morning service.

At the Children's Day exercises last Sunday morning the following children were baptized by the pastor:

Church Notes

Miss Ruth Brown will sing with the choir at morning and evening services today.

Miss Roella Sophia Lovett and Mr. Hugh Robert Bergo were united in marriage by the pastor on Wednesday evening, June 22, at the home of the bride's parents, Mr. and Mrs. C. E. Lovett, 1732 East Third street. Mr. and Mrs. Burgo will be at home after August first, 1205 East Second street.

Mrs. Florence Bowen Johnson, wife of W. C. Johnson, died at St. Luke's hospital Thursday, June 23, and the funeral was held Saturday, the 25th, the pastor conducting the services. Mrs. Johnson was for many years a member of this church, in which she had a large circle of friends. The sympathy of this congregation is extended to the bereaved family.

At the Communion service on Sunday, June 19th, the following young people of our Sunday School were admitted to membership in the church on confession of faith: Thomas James Beatty, James Arden Shepardson, Elsie Clara Schweiger, Clara Helen Bartholdi, Beatrice May Webster, Martha Julia Ostby, Ruth Marie Paull, Gertrude Marie Hegardt, Millet Davis, and Lillian Daisy Zerbe. Mrs. Lillian Hanscom Goodell, 3009 Helm street, was also admitted to our membership by letter from Kirk Street Church, Lowell, Mass.

Special Notice

The annual picnic of the Sunday School will occur at Lester Park next Wednesday afternoon. The school will meet in the Sunday School room promptly at two o'clock and proceed to the corner of Lake avenue and Superior street, where at a quarter after two chartered cars for the picnic grounds will be in waiting. The cars will stop en route to take on passengers at Tenth avenue East, Seventeenth avenue East, and Twenty-fourth avenue East. All children of the Sunday School and their parents and all others of the congregation regardless of age are asked to take their baskets and join in this annual outing. Supper will be served at a quarter to six o'clock, and those unable to be present during the afternoon are asked to be at the supper.

Church Notes

Mr. M. L. Jenks was recently called from the city by the death of a sister.

The attention of the congregation is directed to the fact that our next annual meeting will be notable as the fortieth anniversary of the organization of the church. While it is too soon to make definite arrangements for its celebration, it will be well to bear the fact in mind in making plans for the coming year's work.

Of late the attendance at the mid-week service has been so small as to raise the question in the minds of some as to whether or not it would be advisable to discontinue this service during July and August. It does not seem fair to the pastor to ask him to prepare for a service which so few attend. The subject for the meeting next Thursday is a practical one which should interest all. A special invitation is extended to each member of the congregation to be present.

Church Notes

A daughter was born to Mr. and Mrs. Clarence H. Dunning on Thursday, July Twenty-First.

The pastor and family who have been absent on a vacation journey during the past two weeks, returned to the city on Monday last.

At the mid-week service last Thursday evening a letter was granted to Miss Edith Hessmer, who will join the Lakeside Presbyterian Church of this city. The meeting also voted to discontinue the mid-week services for the remainder of the summer. There will therefore be no service next Thursday evening or thereafter until further notice.

Mrs. Magdalena Wieland, mother of Mr. G. A. Wieland, died July nineteenth, in her seventy-fifth year, while on a visit to her daughter, Mrs. Wm. Leitz in Seattle. The remains were brought here for burial, and the funeral was held Monday, July twenty-first at the residence of her son, 512 East First street, Rev. J. J. Bizer conducting the service.

Mrs. Wieland was an old resident of the city and a member of the German Evangelical church in which she was an active worker.

The sympathy of this congregation is extended to the family in their bereavement.

The Edinburgh Conference

The August number of the *Missionary Herald* contains an interesting report of the World Missionary Conference, by our former pastor, Cornelius H. Patton, D. D., Home Secretary of the American Board.

The conference which has been characterized as the most important gathering of the Christian Church ever held, convened in the city of Edinburgh, June twentieth to twenty-third. Dr. Patton's report should be of special interest to the people of Pilgrim church and for that reason the following extracts from it are here given:

"This was not a convention in the ordinary sense of the word. As anticipated in all the preliminary statements, it was a select body of experts. The delegates roughly classified were missionaries, native workers, administrators, and supporters, the last mainly pastors, although laymen of influence were by no means lacking. Of the 1,200 delegates, America had about four

The Edinburgh Conference—Continued

hundred, forty-three representing the American Board. With 160 societies participating, of all Protestant denominations in Europe and America engaged in foreign work, no one board could be conspicuous. Each society found its place in the mighty host.

"The American Board delegation was a weighty one, especially in the missionaries summoned from the field for this purpose. Such men as Davis, Gulick, Sheffield, A. H. Smith, Jones, Hume, Peet, Shepard, Bridgman, were not eclipsed by any of the distinguished workers from the front. The Board made its full contribution to the discussions.

"The representative character of the debates may be suggested by the fact that at one session eleven different nationalities participated.

"While no votes were taken, certain ideas became so outstanding as practically to constitute the policy of the conference. Among those ideas may be mentioned the exaltation of the native church as the chief agent in world evangelization. The democratic ideal of a self-governing, self-supporting, and self-propagating native church, which has been a cardinal principle of the American Board from early days, has been voiced by this conference as the bedrock principle of missions, and is likely to be the greatest contribution of the conference to missionary efficiency. Another outstanding fact was the enthusiasm of the conference for Christian education, especially higher education for the raising up of native leaders. In most of the debates the missionaries took the leading part, with the representatives of the native churches a close second.

"The highest object of the conference was achieved at the session of June 21, when the subject of co-operation and unity was considered. The Business Committee brought in a resolution, formulated by Commission Eight, looking to an International Committee of information, comity, and co-operation. The plan called for a temporary Continuation Committee until such time as the boards composing the conference should approve of a permanent committee. The discussion upon this resolution occupied nearly an entire day, and was of extraordinary interest. The underlying problems of unity between all Protestant bodies were laid bare, and were discussed with rare frankness and good humor.

"But without question the best speech was made by Mr. Cheng, a Manchu, whose simple statement, 'Denominational distinctions do not interest the Chinese,' stated the whole situation in a nutshell. The vote was unanimous in favor of the resolutions, the audience breaking out in the Doxology. The significance of this action can hardly be overstated. It makes international the large measure of comity which has existed for years among the American societies, and is big with promise for a general movement looking to the reunion of Christendom.

"It is too early to estimate the meaning and value of this great conference for world evangelization. But in the judgment of sober-minded men it is bound to mark a new era in Christian co-operation and efficiency on the foreign field, and quite possibly also at home."

Church Notes

Miss Marie Clark will sing at the morning service today.

Rev. George L. Clark of Wethersfield, Conn., with whom the pastor began his theological studies, has been a guest at the Manse during the past week. It was through the influence of Mr. Clark that the pastor was led to give up the study of the law and prepare for the ministry.

Mr. and Mrs. F. R. LeRoy have asked for letters to Laurelwood Congregational Church, of Portland, Oregon, and Dr. Howard Baker has requested a letter to the Presbyterian church of Wheeling, West Virginia. As there will be no mid-week service this week, members of the church are requested to remain for a moment after the morning service to take action on these requests.

Mrs. Mary H. Hoopes died at her home in this city on Tuesday, August ninth, and the funeral was held Thursday, August eleventh, Rev. J. C. Faries conducting the services. Mrs. Hoopes was for many years a member of Pilgrim church having been received into membership in 1885. After the removal of the family to Hunter's Park she became identified with the work of Glen Avon Presbyterian church, to which she transferred her membership.

Le Roy, who will join Laurelwood Congregational church, Portland, Oregon, and to Dr. Howard Baker, who will unite with the Presbyterian church, Wheeling, West Virginia.

Other Notices for the Week

WEDNESDAY 2:30 P. M. Circle Number Four will meet with Mrs. W. N. Hart, 320½ Seventh avenue East. A full attendance is requested as plans for fall work will be discussed.

Church Notes

"Rally Day" will be observed by the Sunday School on September 25th.

Mr. and Mrs. W. N. Hart have moved to No. 320½ Seventh avenue West.

Mrs. J. H. Batson, of Superior, will sing with the choir at morning and evening services today.

This congregation is glad to extend a welcome to Rev. W. E. O'Neil who, in the pastor's absence, will occupy the pulpit at both services today.

The annual fall reunion and "Harvest Home" supper will be held in the lecture room, Friday evening, September 23rd. This will mark the close of the vacation period and will inaugurate another season of activity in every department of our church work. All are requested to reserve the date and cooperate to the fullest extent in securing a large attendance.

Some changes are being made in the grading of the classes of the Sunday School, and new grades will be introduced which will bring the school fully up to the rank of first class, as recognized by the State Sunday School Association. The different departments will be as follows: Cradle Roll, Beginners, Primary, Junior, Intermediate, Senior. Men's Bible Class, and Teachers' Training Class. The new International Graded Lessons will be used.

It is expected that Rev. Herbert M. Irwin of Cesarea, Turkey, who is now in this country, will visit Duluth the latter part of September. Mr. Irwin has for several years been identified with this church as its special representative on the foreign missionary field. Members of the congregation will be peculiarly interested in becoming acquainted with him and in hearing from his own lips something of his work. It is hoped that he may be able to occupy our pulpit for two successive Sundays. On account of Mr. Irwin's proposed visit, the first fall meeting of the Woman's Missionary Society, which would regularly come this week, will be deferred till the latter part of the month.

Other Notices for the Week

WEDNESDAY, 3:00 P. M. The Woman's Missionary Society will meet with Mrs. James W. Norton, 1124 East First street. The foreign mission topic will be "Central America" led by Mrs. W. W. Sanford. The home mission topic will be "The Woman's Missionary Society" led by Mrs. T. H. Hawkes.

A Message from the Pastor

It was hoped that the pastor would be able to return to the city the first of this week, but it has been thought best to defer his home coming for a little time. The following letter written by his own hand is very welcome:

To the Prized Friends in Pilgrim Church, Duluth:

Dear Friends: My devoted wife has spoken many times of the sympathetic inquiries you have made concerning my condition. I desire to thank you, one and all, for your great kindness and for the marks of esteem and affection I have received from you, in the nearly twelve years of our fellowship and work together. Now that I am, for the time being, a prisoner of bodily weakness, and know something of the reality of pain, I appreciate all the more your tender compassion and beautiful affection.

I do not know yet when I shall be permitted to come home, but in God's good time I hope to be with you again, ministering to you in holy things and especially in the truth and love of Christ.

I am happy to subscribe myself

Your Pastor and Friend,

ALEXANDER MILNE.

Cleveland, O., Sept. 19, 1910.

The Fall Reunion

There was a large attendance at the annual fall reunion last Friday evening. An enjoyable social time followed the supper, with musical selections by Mr. and Mrs. R. R. Morton. Mr. T. J. Davis presented a message to our absent pastor and moved that it be sent as a night letter telegram from Pilgrim Congregation. The motion was unanimously carried. The message was as follows:

"Rev. Alexander Milne, Cleveland, Ohio.

On sitting down to the Annual Harvest Home Supper Pilgrim people pause to unite in affectionate greeting to their pastor, begging you to be patient in the delays of convalescence, and assuring you that each recurring Sabbath of your absence only strengthens the tie that binds you to us.

Pilgrim Congregational Church and Congregation."

Church Notes

The regular monthly missionary offering will be received today.

Judge S. F. White and family have moved to No. 9 Kimball Flats, 111 Ninth Avenue East.

Mrs. R. C. Buck of Superior will sing with the choir at morning and evening services today.

Miss Adelia McCollum and Miss Myra Germond are now living in Apartment M, Buffalo Flats.

Members of the church are requested to remain for a brief business meeting after the morning service.

The first Brotherhood meeting of the present season will be held in the parlors one week from tomorrow evening.

The sympathy of our people is extended to Mr. and Mrs. Samuel Shearer, Jr., in the loss of their little daughter, Catherine, who died on Tuesday, September twentieth.

It should be noted that the missionary meeting next Wednesday will be with Mrs. Norton, instead of with Mrs. McGonagle as announced in the Bulletin last Sunday.

The teachers' training class will meet for organization at the regular session of the Sunday school next Sunday. The class will be under the direction of Mrs. E. D. Field.

Church Notes---Continued

The congregation is glad to again welcome to this pulpit Rev. John A. McGaughey, director of religious work in the Y. M. C. A., who will speak at both morning and evening services today.

Attention is called to the special exercises in the Sunday school today in connection with "Rally Day." A cordial invitation is extended to each member of the congregation to be present.

It is expected that Rev. Herbert M. Irwin of Cesarea, Turkey, will speak at morning and evening services next Sunday and at the meeting of the Brotherhood Monday evening, October third.

Commencing next Sunday and continuing during the winter the evening service will begin at half past seven o'clock and the meeting of the Christian Endeavor Society at half past six o'clock.

At a special meeting of the church after the morning service last Sunday, letters were granted to Mr. and Mrs. E. C. Bacot. They will unite with the First Presbyterian Church, Oak Park, Ill.

Envelopes will be found in the seats for the special collection to meet the needs of the Sunday school as outlined by Mr. Albert Baldwin at the morning service last Sunday. A generous contribution is requested.

The Woman's Misisonary Society will hold a special meeting next week at which Rev. Herbert M. Irwin will speak on his work in Turkey. The meeting will be held at the home of Mrs. W. A. McGonagle, Hunter's Park.

At the meeting of the Ladies' Union last Wednesday, it was voted to pay \$500 on the Manse mortgage before the annual meeting of the church. In order to do this it will be necessary that all pledges be handed in promptly.

Church Notes---Continued

Hereafter the officers and teachers of the Sunday school will hold regular monthly meetings. At the meeting held at the Manse on Monday, the nineteenth, it was voted that the last Monday evening of each month be devoted to this purpose.

The fifty-fifth annual meeting of the General Congregational Association of Minnesota will meet in the First Congregational Church, Crookston, October third to fifth. Mr. E. A. Schulze and Mrs. W. W. Sanford have been appointed as delegates to represent Pilgrim Church in these meetings.

Mrs. Bartlett Crane, civic revivalist, will visit Duluth Friday, September thirtieth, and will confer with city officials, members of the medical society, the clergy and others in regard to civic conditions here and their betterment. She will address the general public at the High School Assembly Hall on Sunday afternoon, October second, and at the Methodist church on Tuesday evening, October fourth. It is hoped that the men and women of the churches will be interested in this good work.

The domestic science work which was inaugurated at the Salter school last spring by the ladies of the East End and Salter Circles, has been formally taken over by the Board of Education, by whom it will be continued, and extended to include the Jefferson and Endion schools. The Board has requested that the Ladies' committee that had the work in charge last spring be continued in an advisory capacity. This committee has already had a conference with the principals and teachers of the three schools.

Church Notes---Continued

Early Friday morning the church was damaged by fire, which is supposed to have caught from the electric light wires. Starting in the floor of the main audience room near the front wall of the church the fire burned in a narrow path to the roof and occasioned an estimated loss, including water damage, which will necessitate new decorations, of \$2,000 to \$3,000, which is fully covered by insurance. The efficient work of the fire department averted a very serious loss. Although the fire was directly adjacent to the beautiful Munger and Woodbridge memorial windows, these were practically uninjured. Services will be held in the lecture room until further notice.

Special Notice

A box is being packed by the Woman's Missionary Society for one of our workers and his household of Aitkin County. All interested in this work may send contributions to the rooms of Mrs. B. Webster as early in the week as convenient. The family consists of the pastor, his aged mother of seventy-seven years, his sister, and her daughter, the latter twelve years old. Warm bedding and winter clothing of all kinds will be acceptable. In order that garments of the proper size be sent the ladies in charge have requested the publication of the following measurements:

| | Height | Bust | Waist | Collar | Shoe |
|--------|-----------------|--------|--------|---------|-------|
| Pastor | ...5 ft. 11 in. | 37 in. | 33 in. | No. 14½ | No. 7 |

| Niece | ...4 ft. 10 in. | 29 in. | 27 in. | No. 13 | No. 3 |

The size of the pastor's hat is No. 6¾. Further particulars if desired may be obtained from Mrs. C. E. Holt, Mrs. Albert Baldwin or Mrs. H. I. Pinea.

A Word of Welcome

Rev. Herbert M. Irwin of Cesarea, Turkey, missionary of the American Board, and especially identified with this church as our missionary pastor, scarcely needs an introduction to this congregation. The fine spirit of the man has been revealed to us through his letters to the church and we know of the splendid work which he has been conducting. It is a pleasure to welcome Mr. Irwin to the city and to our pulpit.

Church Notes

The net proceeds from the "Harvest Home" supper amounted to \$60.

The meeting of the Friends in Council, which would regularly be held tomorrow evening, has been postponed to Monday evening, October 10th.

Commencing today and continuing through the winter the evening service will begin at 7:30 o'clock and the meeting of the Christian Endeavor Society at 6:30.

Special attention is called to the fact that the meeting of the Woman's Missionary Society announced for this week, will be Tuesday instead of Wednesday as usual.

At a special meeting of the church after the morning service last Sunday a letter was granted to Mr. A. C. Barthe, who will join the Endion Methodist Episcopal church of this city.

The Ladies' Union will serve luncheon to students at the Central High school next week. A committee of ladies of which Mrs. W. G. Hegardt is the chairman will have the matter in charge.

The "missionary box," which is being prepared by our ladies, will be sent off the latter part of the present week. Those who have articles to contribute will please send them to the rooms of Mrs. B. Webster at their earliest convenience.

The pastor has sufficiently regained his strength to be able to return home. He arrived in the city yesterday morning, but will not resume his pastoral duties at once, it being thought best that he spend some time in further rest and recuperation.

At a meeting of the Christian Endeavor Society, held in the lecture room last Tuesday evening, the following officers for the ensuing year were elected: President, Miss Winifred Warner; Vice President, Mr. Edwin H. Wieland; Secretary, Miss Elsie Schweiger; Treasurer, Mr. Harry L. George.

At the Brotherhood meeting tomorrow evening, the men of the church will have an opportunity to hear something about political conditions in the Turkish Empire, from a speaker who has first hand information, and has seen at short range the rise of the Young Turk party which has been the wonder of the world. The Brotherhood extends a special invitation to all men of the congregation to be present.

The Ladies Union will serve luncheon in the Church parlors to the students of the high school during the coming week. The work will be in charge of the different circles as follows: Monday, Salter Circle; Tuesday, Square Circle; Wednesday, Star Circle; Thursday, East End Circle; Friday, Circle Number Four.

Mrs. Mary E. Townsend died at her home, 216 East Second street, on Thursday, October sixth, aged sixty-six years. The funeral services were conducted by Dr. M. S. Rice of the First Methodist Church on Saturday, October eighth, and the remains were taken to Sandwich, Ill., for burial. Mrs. Townsend during her residence here was a valued member of Pilgrim Church.

Mrs. Frances Squire Potter of Chicago, formerly professor of literature in the University of Minnesota, who will speak at the morning service, comes to the city to deliver a course of lectures under the auspices of the Century Club. Pilgrim Congregation takes pleasure in extending her a hearty welcome to this platform. Mrs. Potter will give the final lecture of the course Monday evening at the First Baptist Church.

The joint meeting of the National Council and Congregational Societies will be held in Boston, October tenth to twentieth. The centenary of the American Board will be celebrated and in connection with this event there will be present at the meetings delegates from over fifty other missionary organizations. The program of the National Council and of the various societies will include many distinguished speakers. Mr. H. W. Nichols, Mr. E. A. Schulze and Mr. E. D. Baker have been appointed delegates to represent our Brotherhood at the meetings of the Congregational Brotherhood of America, which will constitute a part of this great religious gathering.

Fifty-fifth Annual Meeting of the State Association

One current of thought ran through the entire meeting of the State Association, convened at Crookston last week. It may be epitomized in one sentence: "The real work of the Church is to minister to the spiritual life."

One might expect to learn much at such a meeting in regard to questions of organization, of methods and of financial ways and means, for this association constitutes the machinery by which the work of our Church in Minnesota is made effective. All these things had their place. They were essential and important; but they have long since faded into the background of the memory while this one strong, clear-cut message remains.

State Association Meeting Continued

It was the underlying thought of the Annual Sermon delivered by Dr. Clarke of Minneapolis, who took for his subject, "Being versus Doing," and a few of whose sentences I quote.

"The spiritual vitality of a man is the measure of his Christianity."

"The spirit of things religious must be behind all humanitarian activities."

"The supreme concern of the Church is ministry to the spirit."

It permeated the address of Rev. Barnett of Zumbrota who spoke to the Brotherhood, urging that more emphasis be placed upon the "Life Within." It ran through the talk of Rev. Herrick, State Superintendent of the S. S. and P. S., who said we needed "not so much machinery, as men."

President McVey of the University of North Dakota brought out the same thought in the conclusion to his very scholarly address, "The New Moral Code," and Rev. Secord of Alexandria in his paper "The Thermometer of the Church," said that the standard by which to measure the real Christian life of the Church is the earnestness of the members in carrying out the true purpose of the Church—Evangelization. Many other speakers emphasized this thought and it was uppermost in all the devotional services.

The first devotional service was lead by the Rev. Assadorian of Argyle in Armenian, who read the 24th Psalm with an impressiveness which made of it a personal exhortation from God to each one of the audience.

President Cooper in his opening address spoke of the religious education of the young and gave it as his opinion that the Sunday School fails as an educational institution because of lack of time, of authority, and of skilled teachers. Until such time as these three essentials may be supplied, the influence of the Sunday School will be a negligible quantity. The representative of the Anti-Saloon League occupied a part of one morning session. He urged strongly the fact that temperance work is Church work; and following his address, it was voted to send resolutions to Indian Commissioner Valentine, to Secretary Ballinger, to Governor Eberhart and to the Indian Agent, Mr. Johnson, commending the latter's attempt to enforce the law against the sale of liquor to the Indians.

Other notable addresses were delivered; and many interesting questions discussed but lack of space prevents speaking of them in detail.

The spirit of God was surely with these representatives of the Congregational Churches at their 55th meeting, and we felt His benediction resting upon us as we listened in closing to Dr. Creagan's masterly review of the work of Congregationalists in the foreign field for the last 100 years.

Surely, we said, "This is the Lord's doing. It is marvellous in our eyes."

HELEN H. SANFORD, Delegate.

A Letter from the Pastor

Dear Friends: I am always happy to return to Duluth and the gladdest home-coming of my life was two weeks ago when I bade a willing farewell to the hospital and came back to my own home. It is a great disappointment to me not to be able to take up my work at once. I am finding out how severe was the ordeal through which I passed six weeks ago. I am glad to report a steady, if somewhat slow, increase of strength. I am assured, in time, a complete recovery.

I never appreciated, as now, the exceeding great kindness which you have shown me and mine. I ask you to be patient a while longer. As soon as I am entirely able I shall be only too happy to take up my work again as a preacher of the Gospel of Christ. That seems to me the one thing worth doing and worth living for.

Devotedly Your Pastor,

ALEXANDER MILNE.

A., beginning Wednesday, October twenty-sixth, with a meeting at 7:30 P. M. There will also be an afternoon meeting on Friday, October twenty-eighth at two o'clock, followed by regular meetings on Wednesday and Friday of each week till the course is completed.

A Word to Parents from the Officers and Teachers of the Sunday School

We are introducing the new graded lessons into the Sunday school and desire your interest and help until the children have the matter well in hand.

The lessons are the result of appeals from Sunday school workers all over the country for better methods and are edited by the International Sunday School Association, composed of able critics and educators.

The lessons are all given in story form, as stories appeal most forcibly to little children. After each lesson, folders are given the children containing the story of the day and suggestions to parents for impressing the lessons. Very valuable help may be given the child at home in following these suggestions.

During the first two years of the junior course when the historic sense begins to develop, the instruction is given through stories chronologically arranged but from different periods.

The geography of the Bible lands is introduced and many psalms and passages of scripture are prescribed for memorizing. Through the correlated lessons children learn facts about the Bible, manners and customs of the people and other things which help to make the Bible a living book.

We learn by doing and for this reason this part of our work should be a very important factor in fixing the stories in the minds of the children.

If we had the necessary room, tables, material, we could plan for this work at the Sunday school, but so long as we haven't, we ask the assistance of the parents in preparing the Work Books at home. It may seem that the books for the first year leave no room for originality. This is true in a sense and the work has been purposely prepared in this way, for before the pupils can do original work they must learn the lesson of following instructions accurately, and they learn not only to do this but get the greatest benefit from the lessons themselves.

These books, with some additional tests, will be the basis for promotion from year to year and we wish to send the best books to the State Association for exhibition.

The success of the work depends upon the thoroughness with which it is done and one short hour a week is not enough for all we wish the children to get of Bible knowledge.

Children have not as a rule, been trained to give much of any time outside to the Sunday school lessons, but if we all appreciate the importance of the work and realizing how inefficient our own training has been along these lines we will be glad to have the children studying under improved methods. Your interest and co-operation will be greatly appreciated by the teachers and officers of your Sunday school.

Church Notes

The monthly missionary offering will be received today.

Members of the Congregation are asked not to forget the "grocery sale" to be conducted by the Ladies' Union at the store of the Lundmark-Franson Co., on Wednesday, November tenth.

Thomas McLarey, D.D., the well known lecturer, will speak at the morning service next Sunday, and Rev. Herbert M. Irwin will occupy the pulpit on Sunday, October thirteenth, and for three successive Sabbaths thereafter. The church is peculiarly fortunate in being able to secure Mr. Irwin at this time. All will welcome this opportunity for a more intimate acquaintance with our missionary pastor.

An Important Church Meeting

At the close of the regular service last Sunday morning, Mr. Oscar Mitchell, chairman of the board of trustees, requested the congregation to remain seated for the consideration of some matters that should come before the church as a body. The chairman stated that in view of the illness of our pastor, it was fitting that the church take formal action in recognition of that fact. Thereupon Mr. Albert Baldwin made the following motion:

"I move that this Church grant a leave of absence, with full salary, to our pastor, Mr. Milne, during his illness and until he shall be able to resume his accustomed work, and that the chairman of the board of trustees convey to Mr. Milne and his family an expression of the warm sympathy of this Church and congregation with the assurance that, while we shall be gratified when he shall again take up his pastoral duties, we hope that he will not resume his work before it is prudent to do so or allow the slowness of convalescence to discourage him."

The motion was carried by a unanimous rising vote, and was so declared.

The chairman then asked the congregation if it desired to take any action with respect to pulpit supply. No motion was

An Important Church Meeting---Continued

made and the chairman declared that in the absence of any formal motion it would be taken as the sense of the meeting that the question of pulpit supply be left in the hands of the board of trustees.

As the last item to be considered, the chairman said: "Does the Church desire to consider the question of resuming the mid-week services, which have been discontinued for the past few weeks?"

Mrs. T. J. Davis offered the following motion:

"I move that the mid-week services be resumed, and that the responsibility for the meetings be left with the deacons."

In seconding this motion, Mr. Baldwin said, in substance:

"I am very glad that the motion was worded as it was, for in seconding it, I am given an opportunity, without my seeking it, to say a few words about the mid-week services."

"If the motion implies, as I hope it does, that this congregation has come to a realization of the NEED of the mid-week service; that the absence of such a meeting has made such an impression upon the people of this Church that they feel they ought no longer be without the benefits of such a service; and that the votes that shall be cast in favor of this motion mean that such voters have resolved that they will support the meetings by their presence; in short, if it is the understanding of this congregation in voting upon this motion, that the expression in the motion 'that the responsibility for the meetings be left with the deacons,' means that the responsibility of arranging to have meetings be left with the deacons, but that we shall all be responsible for the support of the meetings, then I am heartily in favor of the motion. But I greatly fear that by many of us the words of the motion will be taken in a too literal sense. I fear that in the bottom of our hearts most of us will welcome the idea of the mid-week service, with the responsibility for the meeting, the responsibility for the attendance, the responsibility for what is said and done, resting upon the deacons and a few others, with no serious conviction upon the part of the great body of our congregation that each one ought to be as responsible as the deacons for this service of the Church."

"In the hope, however, that I am wrong in my fear and that at this time, especially, when we are without the counsel and leadership of our pastor, all will help bear the responsibility, in its broadest sense, for the mid-week service, I second the motion."

The motion was unanimously carried.

A Letter from the Pastor

To the Officers and Members of Pilgrim Church:

My Dear Friends: Words are inadequate to express my heartfelt appreciation of the very kind and generous action taken at the meeting on October the thirtieth. I prize deeply not only the act but also the sympathetic expression which accompanied it.

I trust that it will not be long before I can resume my duties. Then perhaps I can show some worthy tokens of thankfulness.

With grateful regard,

Circle Number Four and the Square Circle will conduct an apron and "home-cooking" sale at the store of the Gray-Tallant Co. on Wednesday, December 7th.

John Edward Farrow, D. D., of Brooklyn, who will occupy the pulpit this evening is a well known Congregational clergyman, and a lecturer of national reputation. We are glad to welcome Dr. Farrow to this platform.

Mr. Frank Fenstermacher and Miss Marion Allen were united in marriage at the home of the bride's parents, Mr. and Mrs. F. N. Allen, on Wednesday, November 2nd, the pastor officiating. Mr. and Mrs. Fenstermacher will reside at 522½ East Third street.

The Teachers Training Class has organized and registered with the State Sunday School Association under the name "Priscillas." The officers are Mrs. J. H. Lee, president; Miss Sinclair, Secretary and Treasurer; Miss Warner, chairman of the social committee, and Miss McFarland, chairman of the membership committee. The class is under the leadership of Mrs. E. D. Field.

Edward Moffatt Irwin, aged 16 months, child of Rev. and Mrs. Herbert M. Irwin, died at Winnipeg Tuesday, November 8th and the funeral was held on the 10th. The sympathy of this congregation is extended to Mr. and Mrs. Irwin in this bereavement which has prevented Mr. Irwin from being with us today. As announced in the Bulletin last week arrangements had been made for Mr. Irwin to occupy the pulpit for four Sundays. It is not yet known whether or not he will now be able to meet this engagement.

Sixty women met last Wednesday afternoon at the Manse for the annual Thank-offering service of the Woman's Missionary Society. The occasion was one of much interest. Mrs. John MacLeod reviewed in her pleasing way Wm. E. Strong's new book, "The Story of the American Board," and Mrs. O. J. Larson sang "O Rest in the Lord" from the Elijah and "A Song of Thanksgiving" in a very effective manner. The pleasure of the occasion was further increased by the presence of the pastor. The offering amounted to over \$120. A delightful social half hour, with refreshments, followed and the members of the society departed with renewed encouragement and purpose for future work.

Special attention is called to the union Thanksgiving service in the First Presbyterian church on Thursday at 10:30 A. M. The pastor requests that there be a large attendance from this congregation. Our usual mid-week prayer service will be omitted.

Rev. and Mrs. Herbert M. Irwin arrived in the city Saturday morning and are being entertained by Mr. and Mrs. W. G. Hegardt, 1708 East First street. Mr. Irwin will occupy the pulpit today and will also preach at morning and evening services next Sunday. This congregation takes pleasure in extending to Mr. and Mrs. Irwin a very cordial welcome.

Annual Meeting of the Brotherhood

On Monday night the Brotherhood held its regular monthly meeting. After the supper which was served by the ladies of the church, the annual election of officers was held. The following were elected for the ensuing year: President, Mr. S. E. Matter; Vice President, Mr. W. W. McMillan; Secretary, Mr. Roger S. Weaver; Treasurer, Mr. W. C. Johnson.

In an informal discussion of the general work and object of the Brotherhood two subjects received especial consideration. First, The view was expressed that there was possibly too much organization, as evidenced by the number of committees provided by the By-Laws, for the accomplishment of the best results, and the President appointed a committee to consider more fully this subject and to report at the next regular meeting, with such recommendations as it desired to make.

Second, The question was raised as to whether it was a wise thing for the Brotherhood to undertake to raise money for the church by solicitation of its members or otherwise, and the idea was urged that the subject of finances would better be kept in the background, since the prime object of the Brotherhood is to get the men of the church together, and not to raise money. In this connection it was suggested that a year ago the Brotherhood committed itself to the undertaking of paying \$500 during the year on the parsonage indebtedness. It was ascertained that the treasurer had but \$200 of the amount. Three members at the meeting volunteered to contribute the balance of the \$500 in order that the new year might start with a clear record. It was then unanimously decided that the Brotherhood would not for the future assume any of the financial burdens of the church and that the men of the church, young and old, may be assured that they will not be met on all sides with requests for money when they come to the Brotherhood meetings.

At last mid-week service a letter was granted to Miss Elizabeth C. Selden, who will join Clinton Avenue Congregational church, Brooklyn, New York, and to Mr. Edward A. Albrecht, who will unite with the First Congregational church, Boise, Idaho.

The December meeting of the Brotherhood has been postponed to Tuesday, the 13th, at which time Dr. Rice of the First Methodist church, will be present and will speak on his recent journey through Palestine. The address will be illustrated by a large number of stereopticon slides.

Repairs on the main audience room of the church are progressing satisfactorily. The decorating is about completed and the new floor covering which is being provided by the Ladies' Union will be laid as soon as possible. It is hoped that the room may be ready for occupancy in about three weeks.

Special attention is called to the sale of aprons, towels and "home cooking" to be conducted at the store of the Gray-Tallant Co. next Wednesday by Circle Number Four and the Square Circle. The sales held by these two Circles in former years have fully demonstrated that they are deserving of our patronage.

Mrs. George A. Gray has consented to assume the duty of superintending the Cradle Roll. It is hoped that every member of the Congregation will feel some responsibility for this important department of our Sunday School work, and cooperate by reporting the names of all candidates for the Cradle Roll to Mrs. Gray.

A Word from Mr. Irwin

To the Friends of Pilgrim Church:

On behalf of Mrs. Irwin and myself, I wish to express our deep appreciation of the kindness shown us during our stay in Duluth.

From the time when our association with Pilgrim church began, we have been closely drawn to you, pastor and people, through the kindly interest shown both in ourselves personally and in the work so dear to our hearts. We trust that these days spent in more intimate relationship may only tend to strengthen the bond and become a means of greater blessing in the Master's work.

Very sincerely yours,

H. M. IRWIN.

Church Notes

On account of repairs which will be made on the heating plant of the church during the week, there will be no mid-week service next Thursday.

Rev. James M. Lewis, who will occupy the pulpit at morning and evening services today, is pastor of the Congregational church at Sandwich, Ill. This congregation unites in extending to Dr. Lewis a very cordial welcome.

A movement to organize all the religious denominations in the world in a compact against war, was started last week in the city of Cleveland by the Cleveland Peace Society.

The first step taken will be to obtain united action on the part of all American churches and to that end every minister in the United States will be asked to speak on the subject of world peace on Sunday, Dec. 18.

President Charles F. Thwing of Western Reserve university, and the Rev. W. W. Eustard, a prominent Baptist clergyman, are at the head of the movement.

A club of twenty-three persons in the church, all men but two, subscribed last December for the Missionary Herald, the up-to-date magazine, published by the American Board, that tells from month to month the story of our Foreign Missionary work. The Club price is only fifty cents, or the Herald will be furnished with the American Missionary, which is devoted to our Home Mission work, for seventy-five cents. We did well in this matter last year. Can we not do even better this year, and increase our Club list to thirty names? Subscriptions may be given to Mr. Wm. S. Woodbridge or to any of the deacons.

Church Notes

The regular monthly missionary offering will be received next Sunday.
 The next meeting of the Friends in Council will be on Tuesday, January 10th.

It is expected that the main audience room of the church will be ready for occupancy Sunday, December 25th, and that the pastor will preach at the morning service.

Subscriptions for the Missionary Herald and the American Missionary will be received by Mr. William S. Woodbridge or any of the deacons as noted in the Bulletin last Sunday.

The ladies of the Women's Missionary Society are about to send a Christmas gift to Mrs. Herbert M. Irwin. Any one wishing to contribute for this purpose may hand the money to Mrs. A. G. Strong, treasurer of the Missionary Society.

A new and expensive gas range has just been installed in the kitchen of the church. We are indebted to the generous activity of Circle Number Four for this much-needed improvement. It will be remembered that this circle not long ago furnished the kitchen with the coffee urn which has been so much appreciated.

A contribution of thirty dollars is to be sent by the Primary department of the Sunday School for a year's support of a pupil in Mr. Irwin's School for girls in Cesarea. One-half of this amount will be contributed by a lady who is active in the work of the Primary department and the balance by the pupils in the department.

During the past week the heating plant of the church has been undergoing repairs and for this reason the meeting of the Brotherhood last Tuesday evening was held in the lecture room of the First Baptist Church. The supper was served by the teachers in the primary department of the Sunday School. The silver collection, which amounted to nearly forty dollars, will be devoted to a fund which is being raised to purchase a piano for the Primary department. The thanks of the congregation are due to our Baptist neighbors for so generously tendering the use of their church, to Dr. Rice for the interesting lecture which followed the supper, and to Mr. Willard for furnishing and operating his stereopticon.

IN MEMORIAM.

Entered into rest at her home in Los Angeles, Cal., Nov. 30th, Mrs. C. W. Rossiter, a former resident of Duluth. While here, she and her husband were members of Pilgrim Church. She was ever an earnest Christian worker, eager to help in every way to uplift humanity.
 Her loss, by the church in Los Angeles, will be greatly felt. Her last words were, "Peace—and rest, peace—and rest."
 Our deep sympathy is extended to Mr. Rossiter, two daughters, a sister and other friends, in their bereavement.

It will not be possible to call on everyone personally to solicit funds in order to come to our Annual Meeting with our debts all paid.

Church Notes

The monthly missionary offering will be received today.

A daughter was born to Mr. and Mrs. John B. Heimick on Wednesday, December 21st.

The Christian Endeavor Society will conduct a Christmas service at the county poor house this afternoon. Members are requested to take the incline car which leaves Superior street at 2:30 p. m.

Members of the congregation who are willing to help the ladies in sending reading matter to the various lumber camps will please send contributions of magazines and periodicals to the church as early in the week as possible.

It is an appropriate celebration of the Christmas time to welcome the pastor after his enforced absence from the pulpit, and to worship again in the audience room of the church, which, since the fire in September, has been repaired, beautifully decorated and furnished with a new floor covering. Pilgrim congregation unites in extending to the pastor an affectionate welcome, and expresses appreciative thanks to the committees on whom has fallen the work of superintending the repairs on the church building. Special acknowledgement is due to the Ladies' Union who have provided the new floor covering, and to Mr. Alexander Anderson of the committee on buildings and grounds, whose services have been invaluable.

Members of the congregation who wish to contribute magazines and periodicals for use in the lumber camps are requested to send them to the church not later than Thursday.

The service this evening will be largely devoted to music. The choir has prepared a special program, and considerable time will be given to the singing of familiar hymns by the congregation. There will be a brief address by the pastor. A special invitation is extended to all to be present.

Annual Meeting of the Ladies' Union

The annual meeting of the Ladies' Union was held on Wednesday in the church parlors. Reports were given by the circle leaders and standing committees, showing excellent results in the year's work.

Aside from the regular pledges, Circle Number Four has given a fine new gas range for the kitchen and expects to make another gift soon.

Star Circle gave a large and successful party early in the year and has a plan for making a gift to the Sunday school.

Square Circle has enjoyed holding regular monthly meetings with an average attendance of almost two-thirds of the membership. The earnings were sufficient nearly to double the pledge money.

Salter and East End Circles undertook the experiment of introducing domestic science work in the Salter school. The ladies were entirely successful and have now turned the work over to the school board, to be continued and enlarged.

The Union now has a standing committee for Sunday school work, which has given invaluable aid to the teachers, supplying important needs, which can not be met except in this way.

The purchase of floor-covering and a payment of \$500 on the manse have been the principal expenditures of the year.

Officers for 1911 were elected as follows: Vice President, Mrs. H. B. Paull; Secretary, Mrs. Brewer Mattocks, Jr.; Treasurer, Mrs. A. W. Frick. The election of president was deferred till a subsequent meeting.

Church Notes

Special attention is called to the annual meeting of Pilgrim Church on Thursday evening. After the supper, reports will be presented by the pastor and the heads of the various departments of our church work. Officers and committees will be elected as follows:

Two trustees to succeed Mr. C. W. Ericson and Mr. A. W. Frick; two deacons to succeed Mr. Albert Baldwin and Mr. E. W. Nichols; treasurer of the benevolent fund to succeed Mr. W. W. McMillan; clerk to succeed Mr. Brewer Mattocks, Jr. The music committee and the missionary committee will also be elected.

It is desirable that the reports presented at the annual meeting on Thursday evening next shall be written on paper of our customary uniform size, for greater convenience in filing. This paper will be supplied by the church and may be found on the table in front of the pulpit.

The sympathy of this church is extended to Mr. and Mrs. John M. Conklin in the death of their daughter, Alice, which occurred on Wednesday, January 11th. The funeral was held Friday, the 13th. Dr. A. W. Ryan conducted the services. Miss Conklin was aged 23 at the time of her death and was a member of St. Paul's Episcopal church.

Annual Meeting of the Woman's Missionary Society

The Woman's Missionary Society held its annual meeting at the home of Mrs. H. I. Pineo on Wednesday. Annual reports were read. The Treasurer's report showed that both the Home and Foreign apportionments for the year have been met and that a balance of \$56 (which is one-half of the Thank-Offering) remains in the treasury. This balance is eventually to go towards the furnishing of Mr. Irwin's school for girls in Talas, Turkey. The society hopes to raise \$100 for that purpose.

The election of officers resulted as follows: Honorary President, Mrs. S. F. Stewart; President, Mrs. W. W. McMillan; Vice President, Mrs. Alexander Milne; Secretary, Mrs. J. H. Lee; Treasurer, Mrs. A. G. Strong.

Work for the coming year as outlined by the program committee is based on two text books. The one for the Home Mission programs deals with the immigrant question from the standpoint of the Woman's Home Mission work.

The one for the Foreign Mission program is entitled "Missions and Social Progress." A vote of thanks was tendered to the retiring president, Mrs. Holt, for the very able and faithful service which she has rendered during the past year.

The program for the afternoon was in charge of Mrs. W. S. Woodbridge. She described in detail the work of the non-sectarian religious organizations of the city and spoke at length of the ordinance regulating picture shows, which is soon to be brought before the city council. Each member of the society was earnestly requested to call upon or write to each of the sixteen aldermen urging them to vote for this ordinance.

Annual Meeting of Pilgrim Church

There was an unusually large attendance at the fortieth annual supper and business meeting of the church on Thursday evening, January 19th. The reports which were presented by the heads of the various departments of our church work were listened to with interest and indicated progress in many ways, during the past year. Lack of space prevents a detailed notice of all these reports.

The report of the trustees again emphasized the need for an increase in the amount of our weekly pledges in order to escape the necessity of having to make up a deficit by a special assessment upon a few at the end of the year. The amount so raised this year to cover such deficit was \$1,875.75, being larger than usual on account of expenditures occasioned by the recent fire in the church. According to the report of the finance committee there are but 116 regular weekly pledges in force, which suggests the possibility of increasing the total amount of our weekly contributions by increasing the number of pledges.

The clerk of the church reported a total membership at the present time of 423, the following having been removed by death during the past year: Mr. Wardwell Ames, Mrs. W. C. Johnson, Mrs. I. W. Foglesong, Mrs. Mary E. Townsend and Mr. John Christie, Jr.

The report of the superintendent of the Sunday School was very gratifying in that it showed that during the year such changes in classifying and grading have been introduced as to bring the Sunday School up to the rank of first grade as defined by the State and National Sunday School Associations. The superintendent's report carried the recommendation that hereafter the church undertake the financing of the Sunday School, all school collections excepting missionary funds to be turned over to the general fund. In a discussion of this recommendation it developed that there is considerable opposition to its adoption at the present time and the matter was laid on the table.

The report of the deacons called attention to the fact that attendance at the mid-week service has become so small as to raise the question whether this service could with propriety be discontinued for the present. A very spirited discussion was precipitated by the introduction of a motion to discontinue the mid-week service, which motion was amended to read that the service be discontinued only until such time as the pastor shall be able to again lead the meetings. The motion as amended was carried by a somewhat narrow majority, many present not voting.

A summary of the financial statements embodied in the various reports will be found on another page of the Bulletin.

The meeting proceeded to the election of officers and committees and the following were elected: Trustees to serve for three years, Mr. Geo. A. Gray and Mr. A. W. Frick; Deacons to serve for three years, Mr. Albert Baldwin and Mr. H. B. Paull; members of the Standing Committee to serve for one year, Mrs. John Drew and Mrs. H. L. Paddack; Treasurer of the general fund to serve for one year, Mr. H. W. Nichols; Treasurer of the benevolent fund to serve for one year, Mr. W. W. McMillan;

Annual Meeting--Continued

Clerk to serve for one year, Mr. Brewer Mattocks, Jr. The Music Committee for the ensuing year was elected as follows: Mrs. E. W. Matter, Mrs. Edward Florada and Mrs. C. H. Dunning.

The Missionary Committee for the ensuing year was elected as follows: Messrs. W. S. Woodbridge, W. I. Prince, Chas. A. Duncan, W. G. Hegardt, Geo. A. Gray, H. B. Paull and W. W. McMillan. The pastor is ex-officio a member of this committee.

Sunday School officers as previously elected by the school were confirmed as follows: Superintendent, Mr. Andrew Nelson; Assistant Superintendent, Mr. E. A. Schuize; Secretary, Mr. Eugene Harbison; Superintendent of Primary Department, Mrs. A. G. Schulze; Assistant, Mrs. H. B. Paull; Superintendent Junior Department, Brewer Mattocks, Jr.

Following the election of officers the Clerk presented a letter from Mr. W. S. Woodbridge tendering his resignation as deacon on the ground that impaired health has prevented him at times from performing some of the duties of the office. Mr. Woodbridge has held the office of deacon in Pilgrim Church continuously for forty years. His letter elicited a vigorous protest and was followed by a motion that he be elected deacon for life, which motion was carried unanimously. Incorporated in the motion was an expression of the deep regard in which Mr. Woodbridge is held by the church, and a release from obligation to perform the active duties of the office except as may accord with his pleasure or convenience.

Before adjournment the meeting voted that the clerk be instructed to procure flowers and send on behalf of the church to Mr. A. G. Strong, who for some time has been ill at his home, the same to be accompanied by an appropriate expression of affectionate regard and best wishes for his speedy recovery.

Forty Years Retrospect

On January 18th, 1871, Pilgrim Congregational Church was organized with 16 members, six of whom are still members of this church, and residents of Duluth: Rev. and Mrs. J. Kimball, Mr. and Mrs. J. P. Johnson and Mr. and Mrs. Wm. S. Woodbridge. Five of the original 16 are dead, among these being Rev. C. C. Salter and Mrs. R. S. Munger; three live outside of Duluth, while the remaining, Mrs. C. C. Salter and Mr. George Spencer are residing in the city, but have joined other churches.

Our church, humanly speaking, owes its origin to two Oberlin graduates, Mr. and Mrs. L. H. Tenney, who had a deep love for the Congregational way, and foresaw large possibilities for Duluth. The final result has justified their wisdom and foresight.

The first two deacons of the church were J. Kimball and Wm. S. Woodbridge, while of the five trustees, R. S. Munger is still with us, an honored member of this church, and Hon. J. D. Ensign, a leading member of the community, but attending another church.

Our first Sunday School was organized with eight scholars, and some older people as a sort of "filling"; if our present trustee and chairman of the finance committee, Mr. W. G. Hegardt, was not a charter member of the Sunday School, he became a member within a very short time after the opening of the school.

The forty years of our church life are mainly of interest as connected with our four prominent pastors, Reverends C. C. Salter, Edward M. Noyes, Cornelius H. Patton and Alexander Milne, our present pastor, whose pastorate in length exceeds that of any of the others. We had other faithful pastors, Rev. C. A. Conant, two years; Rev. E. C. Ingalls, one year; Rev. J. W. Hargrave, one year, while Rev. M. M. Tracy, now dead, was with us fifteen months; but their pastorates were so short, and Duluth's general business depression so great that these years were full of labor and trial, and saw little if any growth, except in our Sunday School.

Mr. Salter's work was full of enthusiasm and hopefulness; though like the coney we were "a feeble folk", yet under Mr. Salter's stirring leadership the church bought two lots at the corner of Second Street and First Avenue East, and put up a frame building, the whole costing between \$4,000 and \$6,000, \$500 of which, let us not forget, was given us by the Church Building Society. Previous to this we had worshipped in what was then known as the Pendleton block, a frame building located at the corner of Superior Street and First Avenue West, where the store of S. H. Knox & Co. now stands. Our Sunday School grew apace, reaching the 175 mark within a year; we never omitted the prayer meeting, winter or summer, and our membership stood at the end of the first year 42, at the end of the second year 56. We then cut loose from financial dependence on the Home Missionary Society, and at the same time increased our pastor's salary to \$1,700.

But 1873 and the five years that followed were times that tried men's souls, especially on the outer rim of mundane things, where Duluth was then located. In the expressive language of

one of our leading business men, "There was at times hardly enough money in town to buy a breakfast." All our banks but one closed their doors, and the deposits of that one dropped, on one critical day, to \$300.00. Mr. Salter's health, never very robust, failed and in April, 1876, he left us, "Cast down but not destroyed," and in much the same strain could we tell of the experiences of the next six or seven years. But slowly, almost imperceptibly at first, Duluth was getting upon her feet. It was about this time that we began to welcome new comers to our church, the Peck family, a tower of strength, Mr. and Mrs. J. W. Norton, young men like E. W. Matter, T. H. Hawkes, W. W. McMillan, W. A. McGonagle and others, and in June, 1883, Mr. Munger discovered for us in New Haven, Conn., just the man we needed, as he assured us. He proved a true prophet, for from the time that Rev. Edward M. Noyes, just graduated from Yale Divinity School at the age of twenty-four, came to us in September, 1883, until he left us in September, 1894, we had a pastor, leader, organizer, for whom any church might well be thankful. He found us with 50 resident and 45 non-resident members; the report of our clerk on January 17th, 1893, showed a total membership, after a careful revision of our rolls, of 364. It may be of interest to note that at the meeting it was voted to undertake the raising of \$5,000 to purchase a site and build a new Congregational Church in Endion Division. The site was purchased and later the church was built, but it is now, Congregationally speaking, only a memory.

It was during this pastorate, at the annual meeting on January 11th, 1887, that the church voted to erect a new building. Work was commenced in May of that year, the building committee being J. W. Norton, Chairman, J. F. Patten, R. S. Munger and Wm. S. Woodbridge. On November 26th, as we were nearly ready to occupy the new building, came the fire which gutted the building and delayed our occupancy for a year or more. It was not until early in February, 1889, that we commenced to use the new auditorium, though using the basement some weeks earlier. The direct loss to the church over and above the insurance was \$3,500.00; the total cost of site, building and furnishings was \$55,838.53. This building, which was again damaged by fire during the past year, is still our church home.

Our first church building, erected in the summer of 1871, finally came into the possession of the Unitarian church, and was moved to its present location at the corner of Eighth Avenue East and First Street.

Of the death of Mr. Noyes' youngest daughter, and then of his wife, both resulting from typhoid fever, we have space only to say that the final result was a threatened nervous breakdown which necessitated a change. Our loss was the gain of the First Church, Newton, Mass., and of the Prudential Committee of the American Board, of which Mr. Noyes has been a valuable member for many years. Pilgrim Church may well be glad that we had some little share in shaping the future of a man so rich in good influences and high resources.

It was no easy task that fell to Rev. C. H. Patton, now Dr. Patton, when in February, 1895, he took up the work that Mr. Noyes had laid down. But he took it up with a brave heart, and wide vision; his interest in the Sunday School, in the train-

ing of the young people in the Christian Endeavor Society, and in Missions, Home and Foreign, in our other Congregational Churches in Duluth was unceasing, and our church feels the effect of these still. It was with sincere regret that we recognized that his call in August, 1898, to the First Church of St. Louis, Mo., was a call to go higher, which he ought not to refuse. And how proud we have been, rightly proud, of his work for the past seven years as Home Secretary of the American Board, and we are now following with interest, as best we may, his missionary tour in Turkey, India and Africa, glad to remember that he was our pastor.

We come now to the present pastorate, that of Rev. Alexander Milne, which because it comes within the memory of most of us who are now members of the church, will require but little space compared with the review of the 28 years preceding.

Mr. Milne commenced his work with us on the second Sunday in February, 1899, having thus completed nearly 12 years of service. He found us with a debt of \$15,000, the annual interest on which, \$900, was a harrasing burden. By wise plans on the part of the Trustees, and hearty co-operation of the church as a whole, the entire debt has been wiped out, some two years ago seeing its final extinction. Another important forward movement has been in the increase of our Missionary pledge and the assuming of the support of a Foreign Missionary. Early in 1907 we arranged with the American Board to assume the support of Rev. Herbert M. Irwin and his two children, the total sum required being \$528.00 and we have contributed some little in excess of that sum to the Board, besides the contributions of our Woman's Missionary Society to the W. B. M. I., which this past year amounted to \$185.00. We have also made a material increase in our Home Missionary Offerings, though we were not able this year to reach the apportionment of \$1,750.00 for the seven Societies as made by the State Apportionment Committee. Our church membership now stands at 423 which includes many non-resident members; our Sunday School enrollment is 175. The difficulty in holding our membership through the movement of the population away from the center which we began to feel 20 years ago, has not diminished with the years, nor it is likely to grow less. It calls for increased watchfulness on our part to maintain the sense of personal interest and personal responsibility throughout the church as a whole.

Looking back over the forty years we see many mistakes and failures, we see losses by fire and flood, but we see also the good hand of our God upon us, and let us have faith to believe that His goodness will not fail us, but that He who hath led us, will lead us unto the end.
