**Church Notes**

The regular monthly missionary offering will be received today.

Mr. and Mrs. T. J. Davis and family are now living in their new home, 2104 East First Street.

Members of the church are asked to remain for a short business session after the morning service.

Secretary Courtenay Dinwiddie of the Associated Charities has asked the assistance of the churches in investigating cases of destitution. In order to secure thorough and systematic work the city has been divided into districts. To this church has been assigned the district between Lake Avenue and First Avenue East from Superior Street to Eighth Street and in addition the block between Seventh and Eighth streets and First and Second Avenues East. Mrs. Milne and Mrs. Hegardt will act as Friendly Visitors in this district. Others also are desired. Volunteers in this good work are requested to report to the pastor.

The organization of the Men's Bible Class has been completed and the class is now in line with the national adult Bible Class movement and it is hoped to make it a strong factor in our church work. The class is now engaged in "Studies in Social Reform," under the efficient leadership of Mr. R. C. Coffin, taking up a course of study edited by Josiah Strong. The class meets at 12:15 each Sunday in the main body of the church, and all men of the congregation are urged to become identified with it. The membership has been steadily increasing since the new course of study was taken up.

## Church Notes

At a meeting of the Church following the morning service last Sunday a letter was granted to Mr. Walter J. Cox, who will unite with the First Methodist Church of this city.

There will be daily noon-day services at the Lyceum Theatre February 6th to 11th inclusive. These meetings, while promoted by the First Methodist Church, are planned in the interest of the whole city. Dr. M. S. Rice will be the speaker at all of the meetings which will begin at a quarter after twelve and close promptly at ten minutes of one. The hearty cooperation of all Christian people is earnestly solicited.

The Missionary Committee met on Friday evening last, to consider the question of benevolences for this year. The apportionment for this Conference has been lowered, by the State Committee, to \$1,500, and the Missionary Committee recommend to Pilgrim Church that we aim to raise of this amount the sum of \$1,300, including in this what the women raise for the Home work. This is just about the amount actually raised last year, but owing to the loss by death of the heaviest giver to this fund, we need a material increase of new givers or of larger gifts on the part of some of those formerly contributing. It would be especially unfortunate for us to have to curtail the amount contributed for the support of Rev. H. M. Irwin, our Foreign Missionary, and of his children.

The Committee accepted the resignation of Mr. W. W. McMillan, named at the Annual Meeting as a member of this Committee, because as Treasurer of the Missionary Fund he is ex-officio a member, and elected to fill that vacancy Mr. S. E. Matter. The Committee formally organized by the election of Mr. H. B. Paul as Chairman, and adjourned to meet this morning at the close of the service.

## Church Notes

Mrs. Milne, Mrs. Hegardt, Mrs. Sanford and Mrs. Vogt will serve as friendly visitors cooperating with the Associated Charities in the investigation of cases of destitution within the limits assigned to this church.

The meeting of the Brotherhood which would regularly be held tomorrow evening will be omitted and instead there will be a special meeting on the evening of February 22nd. National Secretary Frank Dyer and other special speakers will be present, and delegates from outside churches will be invited. It is planned to make the occasion one of special interest.

The Missionary Committee met again on Monday evening last at the residence of Mr. H. B. Paull to consider how best to bring to the men of Pilgrim church the question of a hearty and effective support of our proposed missionary budget. It was decided to send the new pledge card for 1911 to all our men, and if anyone finds himself overlooked it is because of unintentional oversight. The committee believes that the thirty regular contributors to the missionary benevolences of Pilgrim church, many of whom are giving with some degree of sacrifice for this work, should be aided by at least thirty more of our members, thus enabling our church to do its share, as outlined by the Apportionment Plan, in helping to evangelize America and the world.

Every member of the Brotherhood is requested to be present and bring a friend as his guest.

**Church Notes**

The Lord's Supper will be celebrated and new members will be received at the morning service on Sunday, March fifth.

Ladies of the church and congregation are asked to meet on the easterly side of the audience room after morning service to arrange for the organization of a women's Bible class in the Sunday School. To all women of the church not already engaged in Sunday School work a cordial invitation is extended to join the class.

The meeting of the Brotherhood on Wednesday evening is part of a campaign now in progress in the state to arouse the men of our Congregational Churches to greater activity in Christian work. Similar meetings are to be held in various other important centers of the state, and to these meetings delegates will be sent from neighboring Congregational Churches in smaller places. As the number of outside churches in the Duluth district is limited and as they are located at a distance we can not hope for much assistance from these churches in swelling the number present at the meeting. It therefore is important that all men of the church feel some responsibility for the success of the meeting. Every man of the congregation should be present and if possible also bring a friend as his guest.

Prof. F. B. Hill, of Carleton College, President of our State Brotherhood, will speak on "America Today—The New Masculine Response"; Special Secretary H. A. Atkinson will speak on "Christianity in the Modern World" and the subject of National Secretary Frank Dyer's address will be "The Battle for Brotherhood."

### A Word from the Sunday School Finance Committee

The Sunday School report at the annual meeting gave an impression that there was a deficit of \$100.00 in the Sunday School funds.

In justice to themselves and all concerned the Sunday School Finance Committee wish to correct this impression and submit the following explanation.

After having gone over the books for several years back, there was no actual deficit, but one Sunday School fund has been borrowing from another for the past four years.

Up to 1910 the Missionary Fund showed an indebtedness of \$52.00 against the General Fund. The plan (recently corrected) of setting aside the collection every fourth Sunday in the month for Missionary purposes whether it was needed to meet the obligations or not has been the cause of this deficit in the General Fund and surplus in the Missionary Fund. A recent contribution to the Vine Sunday School of Minneapolis of buttons amounting to \$52.00 in value, wipes out this technical deficit and leaves a balance in the Missionary Fund February 10 of \$15.04 and in the General Fund of \$10.29. We would also call your attention to the item of \$22.43, which went into the list of 1910 expenses which was a pre-payment on 1911 General Supplies.

The Trustees, of course, from report as submitted, were led to believe that the Sunday School in their suggestion that they take over the regular Sunday School budget were coming to them with a shortage of \$100.00, which was not the case as will be shown by the itemized statement herewith. No one officer or set of officers is responsible for this seeming error but a wrong system had somewhere started which had been con-

tinued, but has since been corrected. The financial statement is as follows:

## Church Notes

The Primary Department will be glad to welcome Cradle Roll babies at the Sunday School, but especially invite them to come the first Sunday of the month.

Circle Number Four recently presented the church with a traveling tray. This was used for the first time at the last Brotherhood supper and is a convenience which will be greatly appreciated.

The Women's Bible Class will meet in the main audience room after morning service to complete its organization and receive the report of the committee appointed to arrange for a course of study.

A press dispatch from Tacoma under date of March 1st announced the sudden death in that city of Rev. Frank D. Bentley, well known in this city as the pastor of Morley Church in 1898 and 1899.

Beginning today and continuing during the Lenten season the choir will render at morning services a series of selections from Dubois' beautiful Cantata, "The Seven Last Words of Christ." Miss Hyland's solo this morning is introductory to the cantata.

At the meeting of the Ladies' Union on Wednesday last, Mrs. Milne was elected President for the first half of the current year and Mrs. Davis for the last half. It was voted to hold a fair toward the close of the year and a grocery sale shortly after Easter.

Church Notes

Mrs. Florada, who at the last annual meeting of the church, was elected a member of the music committee, has sent in her resignation to the clerk, thus leaving a vacancy.

Mrs. James Pearce died of apoplexy at her home, 14 East Fifth street, on Thursday, March ninth. The funeral was held from the residence on Saturday, the pastor conducting the services. Mrs. Pearce was for many years a member of this church, and until prevented by feeble health was a regular attendant at our services.

At the morning service last Sunday the following persons coming by letter were received into the membership of the church: Mr. and Mrs. Carl E. Wallace, 430 Eleventh avenue east, from First Congregational church, Yankton, S. Dak.; Mr. and Mrs. Walter S. Donat, 615 East Fifth street, from First Congregational church, Mason City, Iowa; Mr. and Mrs. W. J. Case, 2612 West Fourth street, from First Congregational church, Owatonna, Minn.

As announced in the Bulletin last Sunday, the choir will render at morning services during Lent, selections from "The Seven Last Words of Christ", a sacred cantata by Theo. Dubois of which this morning's anthem is the first number. The cantata is written for full chorus and soloists, but much of its devotional message may be conveyed even in the condensed version which the limitations of a quartette require. Such a condensation, however, calls for some knowledge of the composition on the part of the listener who must realize that the various voices are forced to do double duty, assuming not only the solo parts but also their respective parts in the chorus, a change involving at times a complete antithesis of sentiment. Thus Mr. Gearhart will sing this morning both "the voice of Christ" and his own part in the "Chorus of the Mob." The "seven last words" on which the cantata is based, are as follows: "Father Forgive Them, for They Know Not What They Do;" "This Day Shalt Thou Be With Me in Paradise;" "Woman Behold Thy Son—Behold Thy Mother;" "My God, My God, Why Hast Thou Forsaken Me!"; "I Thirst;" "Father Into Thy Hands I Commend My Spirit;" "It Is Finished."

### In Memoriam

(Adopted and ordered entered in the minutes at a meeting of the church held after morning service, Sunday, March 26th.)

Pilgrim Congregational Church desires to place upon record an expression of its deep sense of loss in the death of William S. Woodbridge, which occurred at Los Angeles, California, on March 24, 1911.

One of the organizers of the church, and for more than forty years one of its deacons, he merited the unique experience of having been elected, at the last annual meeting of the Church, deacon for life.

His love for the Master found its deepest expression in loyal devotion to the Master's church, and that devotion was felt in every department of the church's activities.

As chairman of the Missionary Committee he was chiefly instrumental in creating and sustaining an active missionary spirit in the church, and in placing the benevolences of the church upon a systematic basis.

As teacher in the Sunday School during most of the years since the foundation of the church, until failing health compelled him to discontinue teaching, he left the impress of his deep spiritual life upon many of the young, who came from his instruction into active membership of the church.

As Senior Deacon of the church he thought of, and visited the distressed he planned for their relief, and he prayed for an increased spirituality in the church.

There are probably few of us who have not heard this church referred to as "the apple of his eye."

While as a church and congregation we thus express and record our appreciation of him, we at the same time tender to his stricken family our tenderest love and sympathy.

## A Tribute

(From the Duluth News Tribune of Monday, March 27th.)

Forty-one years ago Duluth was a straggling village and its hills were covered by a dense pine forest. It had no railroad connection with the outside world and did not have the advantages of water connection with the rest of the state. It was isolated, but ambitious.

It was then that William S. Woodbridge came here with his bride, from Boston; from the center of American culture to all the rigors, hardships and privations of the frontier. He had the pioneer spirit; he had the ability, the enthusiasm, the idealism, the tenacity of purpose, that always conquers, and transforms frontiers to cultural centers.

His history became the history of Duluth and, in no small measure, the history of Duluth became his history. He was prominent in all of its activities, and rode its troubled seas, now on the crest, now in the trough of the waves. He never lost his courage and was always ready to do his share.

Of late years his health kept him away from the city in winters and his business removed him from the whirl of events. But he never lost his interest nor lagged in his intense loyalty to Duluth.

The news of his death at Los Angeles, last Friday, was received here through the News Tribune of Saturday. It brought great regret to all who knew him and sorrow to the hearts of those older residents with whom he had been an active co-worker.

Praise of him is unnecessary, as his life tells its own story of honor and accomplishment. But his memory will be cherished in many hearts and Duluth itself is the monument of him and of those with whom he labored to make it, not alone big, but also great.

### William Starkweather Woodbridge

Mr. Woodbridge was descended from a long line of earnest, sincere, Godly people. With but one break for eleven generations his forefathers in a direct line bore the name John Woodbridge. With one exception all of these were preachers, and nearly all were dissenting preachers, a strong proof of their scholarly attainments and independence of thought. He was ninth in descent from Governor Dudley, the first governor of Massachusetts Bay Colony, seventh from John Eliot, the apostle to the Indians, and fourth from Jonathan Edwards, the Martin Luther of America. His father was Rev. Jonathan Edwards Woodbridge, and his mother's maiden name was Catherine Starkweather.

He was born in Brookline, Massachusetts, June 30th, 1844, and when still a child united with the church of which his father was the pastor. He was ready to enter Williams College when in 1861 the call of his country led him, a lad of seventeen, into active service. He enlisted in an Arkansas cavalry regiment, and for a time was Provost Marshal, an especially difficult position for so young a man. After nearly three years service he left the army a First Lieutenant.

Returning to Boston he entered civil life as clerk in a bank, but in 1870 he decided to go west and to the new "boom" city at the head of Lake Superior. He married Miss Frances A. Poole, and their wedding journey brought them to Duluth, at that time on the far frontier. Here Mr. Woodbridge started the business which grew into the institution of which he was the head at the time of his death. He also in 1878, in connection with his other business established the Lake Superior News, a weekly paper of which he was both proprietor and editor, and which enjoyed the distinction of being the best weekly newspaper in the State. The weekly finally developed into the Daily News which by consolidation with the Tribune became our morning News Tribune.

Mr. Woodbridge was always a prominent figure in the community but especially is this true with reference to all religious work, and in this work, whether among the veterans of the Grand Army Post, of which during the last year of his life he was Commander, or in his church, or in the Young Men's Christian Association, where he was a director from its inception, he was an acknowledged leader.

He was prominent in the movement which led to the organization of Pilgrim Church in 1871, being one of the original sixteen members and a deacon continuously from the beginning. We who have been associated with him in church fellowship have learned to know something of his love for this church and its welfare, a love that may well be called the ruling passion of his life. But his horizon was not bounded by the narrow limits of his own church, for to him was given the wider vision which took in the broad field of God's work in all the world.

In February, accompanied by Mrs. Woodbridge, he went to California for his customary winter vacation and to seek a renewal of his health which for some years had been somewhat impaired. In Los Angeles he was obliged to go to the hospital, where on Friday, March 24, he passed away after a brief but painful illness.

An abiding trust in the goodness of God which sustained him in life did not fail him in the hour of his death. As he neared the end, and his body was torn with suffering, which at times seemed greater than he could bear, he turned to the promises of the Master with the faith of a child. He found the supreme comfort in the words of Christ, "Peace I leave with you, My peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

Sustained and soothed by such words as these our friend St. Paul's words may fittingly apply: "I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day."

## Church Notes

The usual evening service will be omitted today.

Mr. John C. Nafe has been engaged as permanent tenor in the choir.

There will be an inter-denominational Missionary Conference in connection with the Laymen's Missionary Movement on Tuesday and Wednesday, April 11th and 12th, in this church. The ladies of the church will serve supper before the evening meetings.

The funeral of the late William S. Woodbridge was held in Los Angeles, California, Saturday, March 25th. The remains were placed in a receiving vault in San Mateo and later will be brought to this city for interment. Mrs. Woodbridge will be with her son, Mr. J. Edwards Woodbridge, 606 San Mateo Drive, San Mateo, California, until she is able to undertake the return journey.

Mr. Merritt S. Cook, a member of Pilgrim Church since 1893, died at his home in this city Sunday, March 26th, aged seventy-three. The funeral was held on Tuesday last, the pastor conducting the services.

Death claimed another of our members, Mr. William Kaiser on Thursday, March 30th. Mr. Kaiser was killed by a train at Gnaden Hutten, Ohio, where he was visiting his boyhood home. He joined this church in July, 1888. Mrs. Kaiser went to Gnaden Hutten on Friday. The sincere sympathy of this congregation is extended to these stricken families.

## Church Notes

Members of the Women's Bible Class will meet after the morning service for a business meeting at which officers will be elected.

On account of the "Follow Up" Missionary conference to be held in the church this week the April meeting of the Brotherhood will be omitted.

The local corps of the Salvation Army has asked permission to have some of its members at the church door after the service this morning. This is self denial week and the Army and local corps ask help in providing the sum of money apportioned to them. The money is used in support of their refuge work. This is entirely a free will offering. The corps here is small and weak, and any assistance will be greatly appreciated.

The Easter collection next Sunday will be applied on our indebtedness on the Manse property which at the present time is \$4,000. Since this property came into possession of the church one and a half years ago, payments on the mortgage have been made at the rate of \$1,000 a year. This sum can be paid this year also if each member of the congregation contributes to the extent of his ability. A liberal offering is solicited.

Mr. La Roy A. Lippett is now pastor of a home missionary church at Roundup, Montana. He will be ordained to the ministry on April 19th, and he desires a letter from this church to the First Congregational church of Roundup. Mrs. Nellie M. Christie also requests a letter to the First Presbyterian church of Indianapolis, Indiana. Members of the church will please remain for a brief meeting after morning service to take action on these requests.

Mr. R. C. Coffin, educational secretary of the Young Men's Christian Association of this city, has accepted the position of Assistant State Secretary and about June 1st will move from the city to Minneapolis. Mr. Coffin is to be congratulated on this call to higher service, but will be greatly missed by the local Association and by our church and Sunday school in which he has done such efficient work.

### Other Notices for the Week

**WEDNESDAY, 3:00 P. M.** The regular monthly meeting of the Ladies' Union will be held in the Board Room of the Y. W. C. A. A full attendance is requested as business of importance will be presented for consideration.

### Thirty-fourth Annual Meeting of the Minnesota Branch of the W. B. M. J.

Those of us to whom the privilege has been given of attending the 34th annual meeting of the Minnesota Branch, have received an inspiration and an enthusiasm which though it will be difficult to impart in its fullness, will, we hope, result in more active service.

Miss Evans, in the opening devotional hour, spoke of the five bequests which Christ made to us in His last Will and Testament: The privilege of prayer in His name, the Holy Spirit, His own companionship, Peace, and last of all, Work. But the work which he left us to do is not just work in the sense of activity and energy in behalf of His Kingdom—but the work which is an interpretation of the spirit of God within us.

Miss Nason, too, emphasized the fact that we should not think of our work as merely the preparation of interesting programs, the increase of our membership or the raising of our apportionment but of the transmutation of all these things into life.

This thought has been uppermost in all of the sessions. "The transforming of love, the emotion, into love, the motive."

It is impossible in a short calendar notice to mention even the best things we have heard; but perhaps the most abiding impression is of the presentation of the Medical Missionaries' work in China by Dr. Emma Boose Tucker. Dr. Tucker's personality wins attention at once. Her face reflects the life of the spirit and one feels in her presence, the force of the truth, "The fruit of the spirit is love." Dr. Tucker vivified to us the vastness of the population of China by saying that every third child born in the world is a Chinaman. She pointed out that the most important element in the awakening of the New China is its educational awakening and the best feature in connection with missions in China is the union of all denominations in the work of the higher schools.

The vital and responsible position of the medical missionary was made very clear to us as Dr. Tucker described to us the tours from village to village when often 300 patients have been treated and seven operations performed in one day, and of the work of the hospitals where one-third of the cases were eye cases and where 3,500 operations have been performed in one week. Dr. Tucker asked our prayers that the physicians might never become too weary during this ministration to the body to give out spiritual help as well.

At present there is only one physician to every 250,000 people in China and they have all the ills the flesh is heir to and some more besides. We shall never forget the graphic picture presented to us by this speaker of her own illness with her new born baby by her side at a time when cholera, scarlet fever and whooping cough were raging in the compound; of the absolute impossibility of observing quarantine because of lack of room—and then with tears in her eyes she spoke of the danger of the children of our workers on the field under such conditions. "Oh!" she exclaimed, "It is not right. We know it is not right."

This is only one of the many appeals that have come to us and our souls have been stirred as never before to a sense of our own share in the responsibility for the welfare of our missionaries and for the spreading of Christian methods and Christian ideals throughout the whole world.

### Thirty-ninth Annual Meeting of the Minnesota W. H. M. U.

The 39th Annual Meeting of the Minnesota W. H. M. U. was held in Plymouth Church, Minneapolis, April 20th and 21st. The new president is Mrs. Tupper, a sister of Miss Emily Hartwell of the Foochow, China, Mission.

Mrs. Howard Murray Jones presided at the sessions and the programs were varied and interesting. Perhaps the most noteworthy address was that delivered by Mrs. Ida Vose Woodbury, who was introduced as the "best man in the A. M. A." Mrs. Woodbury is probably the most eloquent woman speaker in America today. Her oratory, her diction and her rapidity of speech all remind one of Phillips Brooks. She spoke of the five representative American figures, the Puritan Ancestor, the Revolutionary Soldier, the Abolitionist Father, the Boy in Blue and last of all, the Missionary. This last figure she considered the greatest of all for "It is greater to make men worthy of liberty than to make them free."

She spoke of the work for which the A. M. A. stands as the most vital, the most necessary, the most far-reaching and the most widespread of any work in the world. Emphasis was laid upon the thought that God had chosen America as an exponent of His Spirit and that America was now being tested. Many instances were given of discrimination against the negroes, illustrated by stories, some of which led us to the verge of tears and others creating merriment, tinged always with sympathy. The mission to the Mountain Whites was made to seem very much worth while when we heard that the new generations of Turners and Howards are no longer at feud, but are now attending our schools together, one of them being president of the Christian Endeavor Society. One of the older Turners who led the last feud is now a strong supporter of Mission Work in Harlan county, Ky., made famous by the deadly Howard-Turner controversy.

Mrs. Woodbury spoke, too, of Alaska, saying that we bought the people there for 2 cents an acre and that the salmon last year paid three millions more than we paid for the whole territory. There are few workers in this field, but the results are manifold. One mission there reports a Sunday School of 300 and an attendance at prayer meeting, at a time when the thermometer registered 40 below, of 186. The speaker suggested that it might be wise to move our home churches to a colder climate.

The work among the Indians was also touched upon. In the Santee agency the Indians have increased their membership at the rate of 75% while the Congregational whites of America have increased 2%. They have given an average of \$9.00 apiece while the whites have averaged \$2.55.

Other phases of our home mission work were mentioned by other speakers, notably the training, in the Schauffler School, of young women who go out into Slavic communities to break down race prejudice; and the schools for Christian education in New Mexico.

The sessions closed with a forceful address by Dr. Cyrus Northrup, the president of the A. M. A.

The next meeting of the Union will be held at Glencoe in April, 1912, and at least two months before that time a new constitution is to be presented to all auxiliaries for ratification.

### Other Notices for the Week

**MONDAY, 3:00 P. M.** There will be a meeting of the Woman's Missionary Union at the Y. W. C. A. at which Miss Alma E. Doering from the Congo field in British East Africa will speak on her interesting and important work. All women of this congregation are urged to be present.

**WEDNESDAY, 6:15 P. M.** There will be a banquet in the parlors under the auspices of the Brotherhood. The price of tickets will be one dollar per plate and the proceeds will be for the benefit of the Sunday School. Members of the congregation are asked to cooperate with the Brotherhood and with the ladies who have charge of the supper, in securing a large attendance.

**FRIDAY, 2:30 P. M.** The women of Pilgrim Church and of Plymouth Church, West Duluth, are asked to attend a meeting at the Congregational Church in New Duluth to look over the field with a view to arousing interest in the church and Sunday School at that place. The New Duluth women will serve coffee and visiting ladies are asked to take sandwiches. The train will leave the union station at half past two o'clock and arrives in Duluth on the return trip at twenty minutes to seven.

## Church Notes

Miss Alma Doering, missionary from British East Africa and the Congo State, will speak to the Sunday School at the close of the lesson this morning.

The Brotherhood banquet on Wednesday evening will be in celebration of the annual "ladies' night." The Sunday School committee will serve a turkey dinner and there will be responses to toasts by interesting speakers. The proceeds will be for the benefit of the Sunday School. An enjoyable time is promised.

Special attention is called to the meeting of the ladies at New Duluth on Friday afternoon. The church there has been closed for the past thirteen years, but the industrial awakening which will come with the building of the new steel plant will afford an opportunity for Christian work which Duluth Congregationalists cannot well neglect. Rev. Allen Clark, one of our state home missionaries, has been on the ground for some weeks past and plans to conduct regular services in Plymouth Church, West Duluth, and in connection with his work there will also make an effort to revive the church at New Duluth, probably beginning with the organization of a Sunday School. It is hoped that a large number of our ladies will attend the meeting on Friday afternoon.

The joint session of Duluth Conference and Superior Convention held in Pilgrim Church, Superior, last Tuesday and Wednesday, represented about thirty churches in Minnesota and Wisconsin. The business sessions of the two bodies were held separately, but both participated in the general program. The Rev. F. M. Sheldon of Madison, Wis., general superintendent of Congregational work in that state gave an able and helpful address on "Ideals and Tasks," full of sound advice to churches and ministers. The addresses by Miss Starkweather of Ashland, Mrs. Tahrig of Washburn and Mrs. Alvord of Washburn were unusually interesting. They spoke of methods in missionary meetings and in giving missionary instruction to Sunday Schools.

Mr. William J. Horner of Brainerd was by Duluth Conference licensed to preach for two years. The joint meeting acted as an ecclesiastical council in examining two candidates for the ministry, Mr. Skidmore of Cumberland, Wis., and Mr. Oscar Arvid Granholm of Biwabik, Minn. Both were accepted, and Mr. Granholm was ordained at once. Mr. Granholm has been working with the Swedes and Swedish Finns in Biwabik, holding service in the Congregational Church.

The Rev. E. E. Day of Iron River, Wis., gave an address on "The Church and the Rural Community," showing what may be done by a versatile minister in helping the transition to a country town when the sawmill leaves.

Our church was represented by the pastor, Mrs. Milne and Mr. and Mrs. A. G. Strong.

**Special Notice**

The ladies of the church will serve a twenty cent luncheon in the parlors from twelve to one o'clock each day of the current week excepting Saturday. While the luncheons are primarily for the convenience of the students of the high school it is hoped that there will be a generous patronage on the part of the public. The proceeds will be for the benefit of the Ladies' Union.

**Farewell Banquet**

A farewell banquet was tendered Mr. R. C. Coffin in the parlors of the church by the Christian Endeavor Society, last Monday evening. Mr. Coffin will soon move to Minneapolis to take up the work of Assistant State Y. M. C. A. Secretary, to which he was recently appointed. During his residence here he has been an able helper in the church, the Sunday school, and the Christian Endeavor Society. It is with more than ordinary regret that Pilgrim Church relinquishes him to the larger work and bids him God speed.

**Church Notes**

Mrs. Katherine Wieland Leitz has requested a letter to the First Presbyterian Church, Seattle, Washington, and Miss Margaret I. Yager has asked for a letter to the Methodist Episcopal Church, Virginia, Minn. Members of the church will please remain for a brief meeting after morning service to take action on these requests.

At the Communion Service last Sunday morning the following, coming by letter, were received into the membership of the church: Mr. Wilbur D. Case, 2628 West Third street, from the Congregational Church of Owatonna; Mr. and Mrs. Wm. C. Auld, 317 East Fifth street, from the Congregational Church, Bellingham, Washington; Mr. and Mrs. W. O. Falk, 1201 East Second street, from Park Avenue Congregational Church, Minneapolis; Miss Alice H. Field, 321 Twentieth avenue East, from Plymouth Church, St. Paul.

## Church Notes

Mrs. Christine Anderson, wife of Mr. David W. Anderson, died at her home, 2507 Branch street, Wednesday, May 31. The funeral was held on Thursday, the pastor conducting the services. Mrs. Anderson was for many years a member of Pilgrim church. The sympathy of this congregation is extended to the bereaved family.

Mr. R. C. Coffin has gone to Minneapolis, where he will at once take up his work as Assistant State Secretary of the Young Men's Christian Association, to which position he was recently appointed. The men's Bible Class in our Sunday School which he so ably conducted has not yet selected a new leader but a committee for this purpose has been appointed. The class will be lead today by Mr. A. C. Parsons.

Rev. Herbert M. Irwin, our missionary pastor, with his wife and family will visit Duluth during the present week. Special attention is called to the reception for Mrs. Irwin on Friday afternoon at the manse, and to Mr. Irwin's lecture in the church on Thursday evening. **A Comparison**

The Congregational Year Book for 1911 came last week. It gives the statistics of the Churches up to January first. The benevolent contributions are reported by the treasurers of our national societies. The following figures have been selected from the Minnesota reports. The Churches named are those with which Pilgrim would be classed in standing and number of members. The Church at Winona is not included because the figures from that Church are incomplete.

It is interesting to note that only two Churches in the state are ahead of our Church in regard to benevolent contributions in proportion to membership, Plymouth and Lowry Hill at Minneapolis. Plymouth, which heads the list, sold their downtown property a few years ago for \$250,000, and with the proceeds erected a beautiful Church, having every convenience, in a most favorable location. As a sort of thank offering for this splendid edifice, which cost them nothing, the people of Plymouth largely increased their missionary contributions. Almost without exception these Churches are located in residential districts, and have little or nothing of the backward and downward pull of the downtown situation. Lowry Hill, Minneapolis, is in the finest residence section of the city.

It ought to encourage us to know that we compare so favorably with these our peers.

### Church Notes

Captain and Mrs. Joseph Cox have made their home in Two Harbors, Captain Cox's work being such that he must now be there all the time. They greatly regret having to leave Duluth and Pilgrim Church. They have requested their letters that they may unite with the Presbyterian Church in Two Harbors. Members of the Church are asked to remain a moment at the close of the morning service to take action on this request.

## Special Notice

The attention of the members of the congregation is called to the blue envelopes which have been placed in the pews by the Woman's Missionary Society.

Opportunity is given through the use of these envelopes to every member of the congregation to contribute something to the mission work which our church is doing on the foreign field and in our own country.

The Congregationalists of America are pledged to a work for missions and benevolences aggregating two million dollars. This two million dollars is apportioned to the states, and by the state societies to the churches. Minnesota's share is \$50,000 and \$1,350 of this is to be raised by Duluth Pilgrim Church\*. 30% of the amount raised by each church goes to the woman's organizations (15% to the Foreign and 15% to the Home Board).

The Woman's Boards, which are engaged in the foreign field, co-operate with the American Board, but they are doing an independent work chiefly in the conducting of schools for women and young children. In the 50 years of their existence they have contributed nearly eight million dollars to this work.

Minnesota women share in this work by supporting seven missionaries and thirteen native teachers and their school expenses are \$7,500, exactly 15% of the \$50,000. The salaries of these workers remain unpaid if the church apportionments are not fully met. No other organization stands ready to do this work which is specifically for women and children.

The Minnesota Woman's organization for Home work is pledged to aid in the support of Rev. Pohammer of Grand Marais, the work among the Swedish-Finn miners in Biwabik, Rev. Howard's work in northern Minnesota, the Schaeffler Training School for girls and other important work.

Pilgrim women, in conjunction with the younger missionary societies of the church are anxious to assist the church treasurer of benevolences in raising the \$1,350 which has been apportioned to us and have fixed as their aim the contributing of the 30% which will be used for the work which women are conducting.

Any one wishing to contribute a weekly or monthly sum to these specific purposes is asked to use the blue envelopes. Pledges for any amount will be gladly received by the treasurer, Mrs. A. G. Strong, 1515 East First street.

If every man, woman and child in the Congregational churches of America gave 3 cents a week for missions we should more than reach our aim of two million dollars.

\*In addition to our apportionment, we have an extra item of \$80, which is necessary to complete Mr. Irwin's salary.

#### A Letter

The following letter mailed at Gibraltar has just been received by the pastor

S. S. "Pannonia."

July 29, 1911.

My Dear Mr. Milne:

We have been thinking of you all many times since leaving Duluth and take this opportunity of saying so.

We had a most pleasant trip down the lakes and a fine visit in Ontario. We left there July 4 for Boston and New York. From there we went to West Virginia returning in time to sail on July 20 from New York. We have had a fine journey so far. Old Neptune seems to be in a genial mood and is not raising any disturbance. But he is such a fickle creature I'm almost afraid to say so much in his praise.

We hope to reach Gibraltar on Sunday some time, probably in the evening. Although ticketed to Naples, we may not disembark there. The cholera is so bad there that some ports are enforcing quarantine regulations against it. To sail from there to Constantinople would mean quarantine for us I'm afraid, so we have been thinking it would be better to stay aboard this boat until we reach Trieste and take an Austrian Lloyd steamer from there to Constantinople. However, when we reach Gibraltar we shall learn what's best to do.

The children, Mrs. Irwin and myself are well and remember with gratitude all the kindness we received while at Duluth. Hoping you are all well and with kindest regards to Mrs. Milne, Marjorie and all friends, I remain,

Yours Sincerely,

H. M. IRWIN.

### Special Notice

Our midweek services, which by vote of the church at last annual meeting were temporarily discontinued, are to be resumed. The first meeting will be on Thursday evening, September 7th. A cordial invitation is extended to each member of the congregation to be present.

## Church Notes

The regular monthly missionary offering will be received today.

The first fall meeting of the ladies' union will be held in the church parlors Wednesday afternoon, Sept. 6th, at three o'clock. A full attendance is requested.

At a meeting of the church held after morning service Sunday, Aug. 13th, letters were granted to Mr. and Mrs. Joseph Cox. They will unite with the First Presbyterian church, Two Harbors.

It is expected that one of the Bishops in attendance on the Episcopal Missionary convention will occupy the pulpit at morning service and possibly also at the evening service next Sunday.

What is to be the largest and most important convention in Episcopal church circles ever held in the northern part of Minnesota will take place in Duluth on Sept. 1, 2 and 3, when the annual convention of the sixth missionary department will be held. The district which will hold this session is comprised of the states of Minnesota, Iowa, North and South Dakota, Nebraska, Montana, Wyoming and Colorado, and each of the dioceses will be represented by a bishop, five clergymen and five laymen. The Duluth diocese will be represented by ten clergymen and ten laymen.

Letters have been sent by the Associated Charities to all churches, societies, lodges and other organizations undertaking charitable relief work in the city, asking them to send representatives to a meeting to be held at Memorial hall in the court house Wednesday, Sept. 27, at 3 p. m. The meeting is called for the purpose of ascertaining just what can be done by the various organizations for relief of the destitute during the coming winter and to enable that body, which is the central and coordinating unit, to map out its campaign of work. Last winter a tentative plan of districting the city among the societies and churches was adopted and it is to perfect this plan and make what modifications and changes may seem necessary that the meeting is called. Just what field can be covered to advantage and what means the different societies can command, if called upon, will be ascertained, and the information secured will be availed of to facilitate the work of the board in the city.

Next Sunday morning the pastor will repeat, in accordance with many requests, the sermon preached on July 23, on "The Overcoming of Fearfulness." When first preached the attendance was small, as the day was very stormy and many present asked that the sermon be preached again. Let us make it a day of rallying in the Church service as well as in the Sunday School. The thought of the sermon is entirely appropriate to such an occasion.

The regular monthly missionary offering will be received next Sunday.

Members of the women's Bible class are requested to meet for a short business session immediately after the morning service.

Beginning Sunday, October first, and continuing during the winter, evening services will begin at half past seven o'clock.

The sermon this morning on "The Overcoming of Fearfulness," was preached by the pastor on July twenty-third, and is repeated by special request.

At the meeting of the Christian Endeavor society, which was held last Sunday evening, plans for the coming season were discussed, and it was voted that the regular Sunday evening meetings which were discontinued during the summer, be not for the present resumed.

Notwithstanding the threatening weather there was a good attendance at the mid-week service last Thursday evening. So great was the interest that request was made that the meeting for some time should be devoted to a study of selected psalms.

The fifty-sixth annual meeting of the General Congregational Association of Minnesota will be held with the church in Alexandria on September 26, 27, 28. The annual sermon will be preached by President Donald J. Cowling, of Carleton College. The appointment of delegates from this church will be taken up at the mid-week service.

The annual fall reunion of the church which was held in the lecture room last Friday evening, was well attended. More than one hundred fifty members of the congregation and their friends sat down at the bountiful tables which the ladies had provided. After the supper there followed an enjoyable social evening with music by Miss Merritt, and an interesting stereopticon talk on "Housing Conditions in Duluth," by Secretary Dinwoodie, of the Associated Charities.

**A Word of Welcome**

Roy B. Guild, D. D., of New York City, head secretary of the Men and Religion Forward Movement, who will occupy the pulpit this morning, is too well known here to need an introduction. His appearance here on former occasions, the work in which he is now engaged and the many friends he has made in this city, insure for him a cordial reception always by this congregation.

**Church Notes**

The monthly missionary offering will be received today.

Commencing next Sunday and continuing during the winter our evening services will begin at half past seven o'clock.

The pastor will speak today to the Men's Bible class on "The Christian Law of Wages."

The fifty-sixth annual meeting of the General Congregational Association of Minnesota will be held with the church in Alexandria Tuesday, Wednesday and Thursday of this week. The pastor will attend these meetings and has been authorized to appoint delegates to represent this congregation. Members of the church who can arrange to attend the meetings will please notify the pastor.

At last midweek service it was voted that a certificate of good standing in this church be granted to Mrs. E. L. Fisher and that her name be dropped from the list of members, she having become identified with the Christian Science church. This action was taken at Mrs. Fisher's own request, and was accompanied by an expression of regret that we are to lose her from our membership.

Services in the Protestant churches of the city will be devoted today to the Men and Religion Forward Movement and there will be mass meetings in the interest of this movement in various parts of the city this afternoon at half past three o'clock as follows: At the Y. M. C. A. building, the Norwegian Danish M. E. church in the West End, the Baptist church, West Duluth, the Lester Park M. E. church, and at the Glen Avon Presbyterian church.

The annual thank-offering meeting will be held the second Wednesday in November.

At the annual meeting of the Brotherhood last Monday evening the following officers for the ensuing year were elected: President, E. W. Matter; Vice President, W. W. Sanford; Secretary, Roger M. ### In Memoriam

Miss Cora Nason, whose death occurred in St. Paul a little over a week ago, had for several years held the position of Field Secretary both of the Minnesota Branch of the Woman's Board of Missions of the Interior and of the Minnesota Woman's Home Missionary Union.

Her work in this capacity was always efficient and her consecration to it perfect. Last year she visited 88 different churches, creating interest in missions in new communities and arousing the older churches to renewed efforts. At the last joint meeting of the societies which she represented, Miss Nason spoke of the "Power of an Endless Life," quoting from John x: "The works that I do in my Father's name, these bear witness of me." No more fitting words could be used to epitomize the life of Cora Nason and many there will be in the future years to testify that hers is an "Endless Life." H. H. S.

### Church Notes

The regular monthly missionary offering will be received next Sunday.

The Ladies' Union will conduct a "grocery sale" at the store of the Lundmark-Fransen Co. the second week in November.

The next communion service will be on Sunday, November fifth. Those wishing to unite with the church at that time will please inform the pastor.

The fiscal year of the American Board of Commissioners for Foreign Missions closed on August thirty-first. The first year of the Board's second century marks a substantial advance in its support. The total receipts for the year were \$1,032,025.75, and the expenditures were \$1,030,604.92, the surplus on hand on August thirty-first being \$1,420.83.

The North Central Territorial Institute of the Y. W. C. A. will be held in the Association building November sixth to eighth. The Institute will be preceded by a mass meeting on Sunday, November fifth. The object of the institute is to arouse interest in the work that the Association is doing. The district which will be represented in this important gathering embraces the states of North and South Dakota, Iowa, Nebraska and Minnesota.

### The Pastor's Resignation

At a meeting of the Church held after morning service on Sunday, November twelfth, the chairman of the Board of Trustees presented a letter from the pastor in which he tendered his resignation as pastor of Pilgrim Church. The letter is as follows:

November 10, 1911.

Mr. Oscar Mitchell,

Chairman, Board of Trustees, Pilgrim Church.

Dear Mr. Mitchell: I have given much thought, during the past year, to the subject of my relation to the church. After considering all the circumstances, I have decided that the time has come for me to offer my resignation of the office as pastor of Pilgrim Church, the same to take effect, if mutually agreeable, at the end of the present year, on Sunday, December the thirty-first. I shall be greatly obliged if you will communicate this to the church.

As I was installed according to Congregational usage, it will be necessary to seek the aid of an ecclesiastical council in dissolving the pastoral relation. I ask the church therefore to unite with me in calling such a council.

It is proper for me to state that the controlling factor in reaching this decision is the fact that my health seems to demand it. I am advised that a period of entire freedom from responsibility, in a milder climate, would hasten the return to normal vigor.

It is with deep regret that I seek the breaking of a bond which had become almost a part of my life. My pastorate has been a most happy one. I have been the recipient of many and great kindnesses. My work has been followed by much and generous appreciation. There is abundant evidence of the loyal support of the church and congregation. I could not express adequately my gratitude for all the kindness bestowed on myself and family. We shall ever hold in grateful memory the friends who have so loved us and aided us in our efforts in Christ's name.

Sincerely yours,

ALEXANDER MILNE.

It was voted that a meeting of the Church be held immediately after morning service, Sunday, November nineteenth, to take action on the pastor's letter and a committee was appointed to prepare appropriate resolutions to be submitted at that time.

## The Pastor's Resignation Accepted

At a meeting of the congregation held after morning service on Sunday morning, November nineteenth, the following resolutions were presented and adopted without dissenting vote:

The members of Pilgrim Congregation desire to give formal expression to their affectionate regard for their pastor, Rev. Alexander Milne; their loving appreciation of his devoted service as pastor of Pilgrim Church for nearly thirteen years; and their regret for the necessity that has impelled his resignation, as conveyed to the church in his letter of November tenth.

During his pastorate, the longest in the history of the church, and under his leadership, this congregation has paid a mortgage indebtedness of \$15,000.00, made extensive improvements in the church building, purchased the valuable Manse property on East First street, assumed the support of a missionary pastor on the foreign field, and largely increased its offerings for general benevolent purposes.

His acknowledged abilities as a scholar and preacher have commanded respect and challenged admiration beyond the bounds of his church and won for him an enviable standing in the city and state.

His single-hearted devotion to the Christian ministry has been shown not alone in the pulpit, but in a daily life which has shrunk from no exertion in ministering to his people, and in responding, often at great personal sacrifice, to the many calls which have come from outside the church, particularly from those in sorrow and distress; and in all his labors he has had the efficient aid of a wife who has been devoted to his work, and who has been an untiring leader among the women of the church.

It is not easy to express in words the regrets which are experienced on severing the ties which have united pastor and people for so long a time, but in so far as words can convey the feelings of the heart, this formal expression is offered to the pastor and his family as indicating in a very small degree the affectionate esteem in which they are held by their loyal friends in this congregation.

Therefore, be it Resolved, That, regretting the necessity for its action, as stated in the pastor's letter of resignation, with fullest recognition and appreciation of his services to this church in the past, and with a fervent prayer for his speedy return to health, and for his future continued usefulness, the church accepts Mr. Milne's resignation in the spirit in which it is tendered, and appoints the Chairman of the Board of Trustees to act, in conjunction with the pastor, in selecting a committee to call an ecclesiastical council to terminate the pastoral relation; and

Be it Further Resolved, That as an additional expression of the appreciation and loyalty of the church and congregation, the Trustees of the Church be directed to pay to Mr. Milne on the termination of his relation as pastor, the sum of Fifteen Hundred Dollars in addition to all salary to that date.

### Church Notes

Mr. Frank Davis Knowlton, son of Mr. and Mrs. Frederick Knowlton, died on Tuesday morning last. The funeral service was held in the church in the forenoon of Thanksgiving Day. There was a very large attendance, particularly of young men. So large a company, manifesting sorrow evidently deep and sincere, was a remarkable tribute to the character and winning personal qualities of their comrade and friend. Mr. Knowlton was in his boyhood a member of our Sunday School. He was for years connected with the Minnesota National Guard, and in that service attained the rank of Captain. He had in abundant Spanish war. He was deservedly popular. He had in abundant measure the faculty of making and holding friends. He was but associated with his father in the grocery business, and he had the firm confidence and esteem of his customers. He was but thirty-two when he died. His father and mother have the warm and tender sympathy of this congregation in their sore bereavement.

The meeting of the Ministerial Association last Monday was followed by a complimentary banquet tendered to Mr. Milne by his brother clergymen.

The collection at the Missionary meeting next Wednesday will be devoted to the fund which the ladies are raising to send as a Christmas gift to Mrs. Irwin. After the Missionary meeting there will be an important meeting of the Ladies' Union.

At last midweek service letters were granted to Mrs. Matilda Ginder and Miss Florence Ginder, who will unite with Plymouth Church, Minneapolis, and to Mrs. Grace Duncan McLeod, who will join the First Presbyterian Church of this city.

Special attention is called to the meeting of the Brotherhood on Tuesday evening. At the last meeting Mr. Bert Fesler spoke advocating ownership by the city of an electric light plant. At the meeting next Tuesday Mr. C. O. Baldwin will present the arguments for the other side of this question. It should be noted that the meeting will be on Tuesday evening, having been postponed from Monday.

The "International Fair" conducted by the Ladies' Union in the church last Friday was highly successful both financially and socially. The proceeds of the fair amounted to considerably more than three hundred dollars. The principal feature of the evening program was the presentation of John Kendrick Bang's farce, "A Proposal Under Difficulties." During the evening Mr. Coleman Naughton, the well known cartoonist, made portrait drawings of those who patronized the American booth. The special thanks of the Ladies' Union are extended to Mr. Naughton, and also to Mr. Stanley Lamb and Mr. Lynn McLaughlin, who took part in the farce.

Carleton College; in the interests of fellowship in the neighborhood and in Duluth Conference; and in hearty and effective cooperation in the work committed to Congregational churches throughout the world he has been an associate and leader whose departure from us will be greatly felt.

We commend our brother to the confidence and regard of the churches, and earnestly pray that with speedy restoration to his wonted vigor he may have before him even larger opportunity and greater success as a faithful minister of the Gospel of Jesus Christ.

We recognize with thanksgiving the unity and loyalty of this church, its appreciation of the pastor, and the gracious measures by which it has sought to relieve for him the burden of this experience. We bespeak for it the grace of our Lord Jesus to deepen its devotion and confirm its loyalty, and the guidance of the Holy Spirit by Whom it may be led to a new leadership that shall be worthy of the succession.

Following the adoption of the above resolutions the minutes of the meeting were read and approved and the Council adjourned.

### Church Notes

The monthly missionary offering will be received next Sunday.

The annual meeting of Pilgrim church will occur on Tuesday, January sixteenth.

The annual Sunday School Christmas entertainment was held in the parlors last Friday evening.

There are some who have expressed a wish to unite with the church before the pastor takes his departure. These and any others who may so desire will be received into our membership at the morning service next Sunday.

The Plymouth Missionary Society of West Duluth recently held its annual Thank Offering meeting at the home of Mrs. J. H. Lee, 124 East Winona street. The collection from ten thank offering boxes amounted to \$20.29, the total collection being \$21.79 and the attendance 27. Rev. M. S. Rice of the First M. E. church gave an interesting talk on missions in Africa.

Mr. Dinwiddie of the Associated Charities has asked that the following facts be made clear. The plan which was first tried of districting the city, giving each philanthropic organization responsibility for the charitable work of a certain district, has been found impracticable because of the tendency of the poor to congest in certain districts, the frequent movings of some families from one district to another and the fact that many are without homes of any kind. Mr. Dinwiddie would be glad to have the churches or individuals in the churches take the responsibility of certain cases. Names and needs will be furnished upon application, and it is expected that such names will be kept confidential in so far as possible. It is hoped that the question of our relation to the Associated Charities will be discussed at the annual meeting in January and that some plan of co-operation may be decided upon.

#### **A Parting Word**

When in December, 1898, I was with this congregation ten days, I was not attracted by the location of the church. I was, however, greatly attracted by the people. That was the determining factor in my acceptance of the call to become pastor. Some things I foresaw and feared. A down town church from which the people are moving away, is in almost every instance a hard battle. My expectations in reference to the people have been more than realized. I have found them all that I hoped they would be and much more.

My dominant feeling in coming to the close of this pastorate is a profound gratitude for the opportunity I have had in labor and helpfulness, and for the kind appreciation and aid I have received. I have been treated with rare generosity. Four times my salary was voluntarily increased and the parting gifts of two thousand dollars to Mrs. Milne and myself crown a series of unusual and great kindnesses. My labors in the pulpit and elsewhere have been received with exceptional appreciation. I can say from the heart I am glad I came and that I stayed so long. There are some drawbacks in a long pastorate but there are great blessings also, as I have discovered.

It is now my part to bid you farewell. I commend you to God and to His riches of Grace in Christ Jesus. "Finally, be ye all of one mind, having compassion one of another, love as brethren, be pitiful, be courteous." If after today I shall no more be your pastor may I not subscribe myself always,  
Your Friend,  
ALEXANDER MILNE.

## Church Notes

An excellent portrait of Mr. Milne has been presented to the church by Mrs. Milne and has been hung in the parlors with the portraits of other former pastors.

Attention is called to the meeting of the Brotherhood on Monday evening at which Dr. Robert Yost of the First Presbyterian Church will be the speaker.

Dr. Luther A. Weigle, Dean of Carleton College, who will occupy the pulpit today, does not need to be introduced to this congregation. Dr. Weigle preached for us September 18th last, and will always receive a cordial welcome here.

Cornelius H. Patton, D. D., Home Secretary of the American Board and former pastor of Pilgrim Church, is now on a tour of visitation to some of our more important churches. He will be with us Thursday and Friday, January 18th and 19th, and while here will speak in the church on his recent journey through Africa. The lecture will be illustrated by stereopticon slides and will be of exceptional interest.

There will be a special meeting of the congregation immediately after the morning service today to consider the matter of appointing a committee to arrange for supplying the pulpit, and to consider further the appointment of a committee to take up the matter of calling a pastor, which committee shall as soon as possible report to the church the results of its investigations and its recommendations concerning the same.

### Special Notice

The title of Dr. Patton's stereopticon address next Thursday evening will be "Along African Trails," and it will describe a journey of over four thousand miles in the interior of Africa, including Gaza Land, Mashona Land, Matabele Land, Natal and Angola on the west coast. Certain parts of the trip were in the nature of exploration of new territory with reference to studying the habits and status of the natives in the hope of eventually establishing mission stations among them. This applies particularly to Mashona Land between our station at Chikore and the Cape to Cairo railroad. The lecture will abound in descriptions and pictures illustrating the strange life of the natives. There will be shown views of the remarkable old ruins in Southern Rhodesia in the heart of the African Forest, which date back as far as King Solomon, and which indicate some long lost civilization. Dr. Patton will also take his hearers to the Victoria Falls and show them some glorious views of that old wonder. The slides are all from his own photographs which were taken with very great care, having reference not only to accurate descriptions of the scenes, but to artistic values as well.

### Church Notes

Mr. Geo. M. Tallant has been elected president and Mr. A. C. Parsons leader of the Men's Bible class.

Rev. Wm. L. Tenney, professor in the department of History of Carleton College, will occupy the pulpit at morning and evening services next Sunday.

On account of the recent unusual demands on the deacons' poor fund, there will be a special collection taken for this fund at morning service next Sunday.

It is desired that the reports submitted at the annual meeting be written on paper of the customary uniform size for greater convenience in filing. This paper will be furnished by the church and may be found on the table in front of the pulpit.

At a special meeting of the congregation held after morning service last Sunday a committee to take up the matter of calling a pastor, and to arrange for temporary pulpit supply was elected as follows: Hon. W. A. Cant, W. W. McMillan, E. A. Schulze, A. D. Goodman, Oscar Mitchell, J. P. Johnson and E. W. Matter. The committee met and organized Monday evening, electing Mr. Cant chairman and Mr. McMillan secretary.

Secretary Patton of the American Board, and former pastor of Pilgrim Church, who is at present on a tour of visitation to some of our more important churches, will be in Duluth next Thursday and Friday. ### Church Notes

The regular monthly missionary offering will be received next Sunday.

On account of unusual demands which have recently been made on the deacons' poor fund a special collection for this fund will be taken at the morning service today, immediately after the sermon.

Mr. and Mrs. Milne left for the south last Wednesday. They expect to spend the remainder of the winter in Winter Park, Florida. During their absence Miss Marjorie will make her home with Mr. and Mrs. T. J. Davis, 2104 East First street.

Wm. L. Tenney, D. D., who will occupy the pulpit at morning and evening services today, is professor in the department of history of Carleton College. Pilgrim congregation takes pleasure in extending to Dr. Tenney a most cordial welcome.

All women of the church who wish copies of the missionary text books "The Conservation of National Ideals" and "India Awakening" will please notify Mrs. E. W. Matter without delay in order that all books wanted may come forward in one shipment.

The important event of last week in our church life was the coming of Dr. Patton, who received a hearty welcome. Thursday noon he was entertained by the men at a luncheon in the Y. M. C. A. building. After the luncheon he spoke on "Present Day Conditions in India" and in the evening he delivered a stereopticon lecture in the church to a large audience, the subject being "Along African Trails." Both addresses were listened to with the deepest interest. Dr. Patton left for Minneapolis on Friday evening. His engagements while here were under the management of Mr. H. B. Paull, who acted as committee of arrangements. The special thanks of the congregation are due to Mr. Paull for his valuable services.

## The Annual Meeting

One hundred sixty members of Pilgrim congregation assembled at the forty-first annual meeting of the church held in the parlors on Tuesday evening, January 16th.

Promptly at 6:30 o'clock those present were asked to be seated at the tables and after grace by Mr. M. W. Bates, partook of the bountiful supper provided by the ladies.

Following the supper Mr. Oscar Mitchell, chairman of the board of trustees, called the meeting to order and prayer was offered by Deacon Hawkes. The meeting then proceeded to the business of the evening. The minutes of previous meetings were read and approved and the reports of the various organizations and departments of our church work were received.

The Christian Endeavor Society, through its president, Miss Fanny Lippitt, reported having recently begun a systematic course of Bible study under the leadership of Mr. J. A. P. Neal. Miss Alice Drew, president of the Friends in Council, gave an interesting account of the activities of this society and of its interest in missions. The report of Mr. Andrew Nelson, superintendent of the Sunday School, showed that the largest attendance during the year was 211 and the smallest 54, with a total enrollment of 223 including the cradle roll of 25. Mr. E. W. Matter, president of the Brotherhood, our youngest organization and the church baby so to speak, reported a membership of 108, with an active campaign in prospect to add to this number from the younger men of the church. Mrs. W. W. McMillan, president of the Women's Missionary Society read an encouraging and comprehensive report of the missionary zeal and work of our ladies. The account of the meetings of the society was inspiring. As usual the report of the Ladies' Union, presented by Mrs. T. J. Davis, was listened to with great interest. Her report showed that this organization started the year with 47 cents and ended the year with \$300.00 in the treasury. The report of Mr. H. W. Nichols, treasurer of the general fund, showed all current bills paid and a small balance on hand. Mr. R. A. Webster for the committee on buildings and grounds, reported the church property in good condition and recommended that a building and grounds committee be continued as a permanent committee of the church. Mr. Oscar Mitchell, chairman of the board of trustees, in presenting his report commented on the efficient work of the finance committee and the building and grounds committee.

The report urged the congregation to pull together with especial zeal during the period in which we are without a pastor and commented on the harmony evidenced in the church. The reports of Mr. H. B. Paull, chairman of the missionary committee, and Mr. W. W. McMillan, treasurer of the benevolent fund, showed that our apportionment of \$1,300 for 1911 has been fully met and that an additional sum of \$298.50 was contributed to various benevolent objects. Mr. Brewer Mattocks, Jr., clerk of the church, reported a total membership of 427, a net gain of 4 for the year. He recommended that a committee be appointed to assist the clerk in revising the church roll with a view to determining what names, if any, should be transferred to the list of absent members.

It was voted that all the reports be received and placed on file after which the meeting proceeded to the election of officers. Mr. Oscar Mitchell and Mr. W. G. Hegardt were elected as trustees for three years to succeed themselves. Mr. T. H. Hawkes and Mr. A. G. Strong were elected as deacons for three years to succeed themselves. Mr. E. A. Schulze was elected as deacon to serve for two years to fill out the unexpired term of Mr. Wm. S. Woodbridge, deceased. Mr. Schulze, however, having expressed an earnest desire to be released from service as deacon his resignation was accepted and Mr. E. D. Field was elected in his place. Mrs. John Drew and Mrs. W. W. McMillan were elected as members of the standing committee. Mr. H. W. Nichols was elected treasurer of the general fund, Mr. W. W. McMillan treasurer of the benevolent fund and Mr. Brewer Mattocks, Jr., clerk. Mrs. E. W. Matter, Mr. E. G. Chapman and Mrs. C. H. Dunning were elected as members of the music committee and the following were elected as members of the missionary committee: Mr. H. B. Paull, Mr. W. I. Prince, Mr. C. A. Duncan, Mr. W. G. Hegardt, Mr. Geo. A. Gray, Mr. S. E. Matter and Mr. Albert Baldwin. The nomination of ushers for the ensuing year was referred to the Brotherhood, the names selected to be reported to the church for action. Officers of the Sunday School as previously chosen by the school were confirmed as follows: Superintendent, Mr. Andrew Nelson; Assistant Superintendent, Mr. Brewer Mattocks, Jr.; Secretary, Mr. Eugene Harbison; Treasurer, Miss Myra Germond; Superintendent of Junior Department, Adelia McCollom; Superintendent of Primary Department, Mrs. A. G. Schulze; Superintendent of Cradle Roll, Mrs. Geo. A. Gray; Musical Director, Mrs. A. E. Walker; chairman of missionary committee, Miss Mary E. Murdoch; chairman of entertainment committee, Miss Jennie S. Moody; classification Superintendent, Miss Bessie G. Mars.

Mr. T. H. Hawkes and Mr. E. W. Matter were elected as a committee to assist the clerk in revising and correcting the church roll, and it was voted that the trustees be authorized and requested to appoint the finance committee and the committee on buildings and grounds for the ensuing year, after which there being no further business the meeting adjourned.

## In Memoriam

During the year 1911 five of our members entered into rest: Mrs. James Pearce on March 19th; William S. Woodbridge on March 24th; M. S. Cook on March 26th; William Kaiser on March 30th; Mrs. David Anderson on May 31st. Mr. Woodbridge was one of the sixteen charter members of Pilgrim Church and a deacon continuously from its organization to the time of his death, a period of more than forty years.

It is fitting that in this brief review of the past year we again record our sense of the loss sustained in the removal by death of these our friends and associates in Christian work.

## A Timely Message

"Have faith in God." That is the message I would give to Pilgrim Church. There are times when these simple words of Christ come to us with tremendous power. There are resources in God of which we have not dreamed, and faith is the key to them. Our habit is to live along from day to day believing in God as the fundamental concept of our lives and trusting in him in a general way. But have we availed ourselves of all there is in God? Have we ever attempted such a thing? We are living in an age when our earth has been revealed to us in a marvellous way. Scientists tell us, after living on the earth all these ages the human race is just on the point of discovering the earth. Unsuspected forces and materials are being opened up for us on every side. Etherial communications between continents, human flight, radio-activity, all matter resolving itself into energy are signs of a fresh realization of the world in which we live. How little we have been getting out of the world! But how about God, who is above matter and force and time and the soul of man? How about the omnipotent, the infinite One? Have we begun to realize the possibilities of our maker? "Have faith in God," said Jesus, "and you can remove mountains." The Church has yet to enter into that promise. There are mighty spiritual powers lying dormant all about us. Is it not time we discovered our God? For us to plead helplessness in such a day as this is pitiable indeed. Let us be strong in faith, full of enterprise, courageous, invincible. God has great things in store for us if we will but connect with him by faith. Pilgrim Church is a divine institution. God has shown you his favor, He has declared His leadership in the past. But a far more glorious future awaits you—if you are willing in the day of his power. In seeking a new pastor seek a man of strong faith, a man who has experiences with God. Beware of mere brilliancy, rhetorical show, personal ambition. You want a man of God, and God will lead you to him and him to you if you seek in the right way for the right ends. Pray about this thing a great deal.

CORNELIUS H. PATTON.
