Hawkes to the members of the Women's Missionary Society and their friends to an informal social afternoon at her home next Saturday at three o'clock. The program will consist of vocal, mandolin and piano selections and dramatic reading. All women of the congregation are invited.

The Women's Missionary Society will conduct a "grocery sale" at the store of the East End Grocery Co., corner of Nineteenth avenue east and Superior street on Saturday, March 9th. Members of the congregation are asked to save their grocery orders for that date and patronize the ladies as liberally as possible.

It is expected that the pulpit will be occupied next Sunday by Rev. Henry K. Wingate. Mr. Wingate is one of our missionaries who is associated with Rev. Herbert M. Irwin in his work at Cesarea. He is now in this country on a furlough. Rev. Wm. E. Cadmus of Peoria, Ill., will preach for us on Sunday, March tenth. He will also be the speaker at the Brotherhood meeting on the eleventh.

The Women's Missionary Society voted at a recent meeting to ask every woman interested in the work of the society to EARN one dollar before March 27th, the funds thus obtained to apply on the 1911 apportionment which will be due at that time. It is hoped that every woman in the church will be interested in helping in this way. Our women have already given most generously of their money for our mission work. The sacrifice now asked is of time, ingenuity and strength.

All men of the congregation are requested to remain for a brief meeting after the morning service to consider our share in the work of this campaign.

### In Memoriam Chloe Gardiner Phillips

Some one has said that "a successful life is chiefly an attempt to translate one's visions into one's work, or to make the work of one's hands represent or express the ideal of one's soul."

Those of our church and community whose privilege it has been to know and to love Mrs. Phillips will bear willing testimony to the success of her life and to the pure moral vision and the high Christian ideals of which that life was an expression.

Mrs. Phillips was born in Medina county, Ohio, where her father owned farming lands and where, together with a large family of brothers and sisters, she grew up amid the large opportunities and real hardships which characterized the life of the pioneer of the early fifties. To such a source has our nation ever looked for strength and piety.

It was in 1891 that Mr. and Mrs. Phillips came to Duluth after a happy married life of 16 years and Pilgrim church has in the years intervening, learned to appreciate the singular merits of the always-ready helper, the faithful friend and the consecrated wife and mother whom we now mourn. In 1900 Mr. Phillips died and the Christian faith which upheld her in this time of sorrow can never be forgotten. The same faith she has transmitted to the son whom her death has left alone, but strong and brave.

In many ways has her influence been felt; but perhaps the effect is most far-reaching in the establishment of the Girls' Friendly club, of which she was the inspiration and life. In the most simple and quiet way she gathered together the girls of her neighborhood and formed them into a club, the primary object of which was development of character—a club certainly unique in its object and phenomenal in its growth. The charter members numbered 10 and within a few months there were 62 who were regular in attendance. The motto chosen was "Charity thinketh no evil," and the girls looked forward with eagerness to the intimate talks which Mrs. Phillips gave them upon topics concerning their own personal life and character development. Who can foresee the mighty results from this quiet Christian service?

So would He have all His followers work "in singleness of heart as unto Christ, not with eye service as men pleasers."

"She taught us how to live:  
With blameless life girt round with sanctity,  
Lowly in heart, in soul and purpose high.  
Sweet lessons did she give  
Of faith, of love, of hope: for all that shone  
Brightest in Christian lives, she made her own."  
H. H. S.

**FRIDAY, 2:30 P. M.** Circle Number Four will meet with Mrs. W. J. Allen, 129 Twelfth avenue East. A full attendance is desired as business of importance will come before the meeting.

## Church Notes

The regular monthly missionary offering will be received today.

Rev. Percy E. Thomas of Somerville, Mass., will occupy the pulpit next Sunday.

We welcome to our pulpit today Dr. William L. Tenney, who has been heard here before and who will always be cordially received by this congregation.

A special collection will be taken at Sunday school on Easter Sunday for the work among tubercular children. Parents are requested to cooperate with the children of the Sunday school in securing a generous offering.

The primary department of the Sunday school is in need of a cabinet to hold books and papers. Any one in the congregation who would like to donate such a cabinet or contribute toward it will please notify Mrs. A. G. Schuize, superintendent of the department.

At a meeting of the church held after morning service last Sunday letters were granted to the following, all of whom will unite with the Second Presbyterian church of this city: James McInnis, Mrs. Mary McInnis, William McInnis, James F. McInnis, Edwin H. McInnis, and John A. McInnis.

The concert by the Carleton College Glee Club given in the church last evening was well attended and thoroughly enjoyed by all present. The club will sing at morning service today. Prof. Frederick Curtis Butterfield, the club's pianist, will play the organ and Mr. A. C. Ryberg, tenor soloist of the club, will sing at both services.

The special Easter collection to be taken next Sunday will be used by the Ladies' Union in reducing our mortgage indebtedness on the Manse property. This debt which was originally \$5,500 now amounts to \$3,500. The ladies have made all of the payments on the mortgage with the exception of \$500 contributed by the Brotherhood. A liberal offering is solicited.

The following from a letter written by Mrs. Frances A. Woodbridge, who has been spending the winter in Berkeley, California, was read at the meeting of the Ladies' Union last Wednesday: "We went to the First Congregational church in Oakland last Sunday. The pastor Rev. Herbert Jump, stated while giving the notices that the flowers at Easter would be an offering from the friends of those who had passed away during the year. That struck me as being a beautiful idea and I thought I would like to contribute in that way to the memory of Mrs. Phillips whose death was and is a great shock and surprise to me. Will you kindly see that the enclosed check is used for that purpose."

Attention is called to the meeting of the Brotherhood on Monday evening. Rev. George R. Gebauer will be the speaker.

The net proceeds received by the Ladies' Union from the Carleton College Glee Club concert amounted to something over one hundred dollars.

We welcome to our pulpit today Rev. Percy E. Thomas of Somerville, Mass. Mr. Thomas is well known in Minnesota, having formerly been pastor of the First Congregational Church, Winona.

It is expected that Rev. Harry Foster Burns of Superior will occupy the pulpit next Sunday. On Sunday, April 21st, Miss Olive G. Gibson of the Congregational Education Society will speak in the morning and Mr. Burns in the evening.

The usual Easter sunrise service of the Christian Endeavor Societies of the city was held at the First Presbyterian Church this morning. On account of this service there will be no evening meeting of our Christian Endeavor Society today.

The special Easter offering taken last Sunday amounted to \$123.

Mrs. A. G. Schulze was sent as a delegate from Pilgrim Congregational Sunday School to the State Sunday School convention at St. Paul last Wednesday.

Mr. W. C. Johnson and Miss Lillian Brown were married in Minneapolis Saturday, April 6th. Mr. and Mrs. Johnson will make their home in the Buffalo Flats on East First street.

Miss Olive Gibson of the Congregational Education Society will speak at the morning service next Sunday and Rev. Harry Foster Burns of Superior will occupy the pulpit in the evening.

The officers of the Ladies' Union and the leaders of the Circles are requested to meet Tuesday, April 16th, with the president, at the residence of Mrs. Paull, for a conference concerning the work of the Union.

Mrs. C. R. Keyes will give a demonstration of cake mixing and baking at her home, 705 North Fifty-seventh avenue west, on Wednesday at 2 P. M. for the benefit of the Missionary Society of Plymouth Church. The ladies of this congregation are cordially invited. A fee of 25 cents will be asked.

The fortieth annual meeting of the Minnesota Women's Home Missionary Union and the thirty-fifth annual meeting of the Minnesota Branch of the W. B. M. I. will meet at the Olivet Congregational Church at Merriam Park, St. Paul, April 16th to 19th. Mrs. C. E. Wallace will attend as a delegate from the Women's Missionary Society of this church.

The Women's Missionary Society met its apportionment of \$185 to both Home and Foreign Missionary Societies, and in addition sent to the state Treasurers \$25 of the Thank Offering, making a total of \$197.50 to each society for the year ending April 1st, 1912. Besides the above a scholarship of \$50 has been sent to Miss Youmans of Fisk University, and \$100 to Rev. and Mrs. Irwin as a special gift for their work. One half of this amount was an individual gift.

At the annual meeting of our state association held last September at Alexandria a resolution was adopted pledging fifty thousand dollars as a subscription from the Congregational churches of the state toward the additional endowment fund of six hundred thousand dollars which Carleton College is endeavoring to raise. Of this amount fifteen hundred dollars has been apportioned to the Duluth Conference, the same to be paid in four equal annual instalments. While the action of the State Association is not binding as to any individual church it is assumed that Pilgrim Church will desire to cooperate and do its share in this important work. Our trustees have for some time had this in mind and will in the near future present the matter to the congregation.

**Annual Meetings of the W. G. M. U. and W. B. M. J.**

The Fortieth annual meeting of the Minnesota Woman's Home Missionary Union and the Thirty-fifth annual meeting of the Minnesota Branch of the Woman's Board of Missions of the Interior were held at the Olivet Congregational church in Merriam Park, St. Paul, April 16th to 19th. There were 150 delegates present, representing the different churches throughout the state. The interest and enthusiasm during the sessions were greatly enhanced by the personal inspiration of three of our missionaries, Miss Olive Gibson of New Mexico, Miss Emily Hartwell of Foochow, China, and Mrs. Mary Williams Hemingway of Taikuhshien, China.

The reports from the various societies showed a remarkable growth in missionary work during the past year, which is most encouraging. The work of missions has ceased to be the efforts of a very few consecrated women, who have always been the leaven in ages past and is being carried on by all the different branches of our churches. Why should not our young people, our Sunday School pupils, our men, as well as our women, help in this great field of missions? Thus we are truly conserving our strength, time and opportunity.

The box department, which sends boxes of clothing and food to new settlers, missionary camps and needy individual families was most strongly emphasized as an efficient way to serve in mission work. Personal work of this nature was forcibly advocated.

The budget recommended by the board at Chicago as Minnesota's share for the support of our missionaries, etc., aggregates \$8,500.

In order to meet this in a business-like way, the churches of our denomination have adopted the apportionment plan. Individual churches are raising the apportionment assigned them by using various methods. The apportionment committee recommends the payment of these apportionments quarterly; if this were done, societies would find they could much more easily collect their money and often materially increase their present contributions.

The taking of more missionary literature, more Bible study, self-sacrifice and daily prayer were urged as weapons with which to carry on this important service of the Master.

MRS. C. E. WALLACE.

## Church Notes

The Y. M. C. A. Sunday afternoon meetings for men have been discontinued for the summer.

It is expected that S. Banks Nelson, D. D., of Minneapolis will occupy our pulpit next Sunday.

At the annual meeting of the Friends in Council held last Monday evening the following officers were elected: President, Miss M. Alice Drew; Vice President, Miss Esther Bowen; Secretary, Miss Oppel; Treasurer, Miss Mary E. Murdoch.

The May meeting of the Brotherhood, which would regularly come tomorrow evening, has been postponed to Monday, May 27th. This will be the annual "Ladies' Night" and will be the last meeting of the season. Mr. W. G. Crosby will be the speaker. Full particulars of the meeting will be announced later.

On Tuesday of this week the Young Women's Christian Association will begin a campaign to raise money for the expenses of the coming year. The amount required is \$8,000. A special invitation is extended members of Pilgrim congregation to contribute liberally to this fund.

It is with pleasure that we again welcome to our pulpit Rev. Wm. E. Cadmus, pastor of the First Congregational Church, Peoria, Ill. Dr. Cadmus arrived in the city on Thursday last and took charge of the midweek service. As he must leave on an early evening train today it has been found desirable to hold a vesper service this afternoon at half past four o'clock, which will take the place of the regular evening service.

The fifteenth annual meeting of the Duluth Conference will convene with the First Congregational Church, Biwabik, May 28th and 29th. Pilgrim church is entitled to three delegates and these will be elected at the midweek service next Thursday evening. As the Conference will this year be deprived of the able support which it has been accustomed to receive from our pastor it is especially desirable that we send a full delegation.

Attention is called to the meeting of the Brotherhood on Tuesday evening. Mr. Wilson G. Crosby will be the principal speaker and the presence of the ladies will make this last meeting of the season an occasion of special interest.

### Special Notice

The Missionary Extension Course of the International Union will hold a three days' session at the Y. W. C. A. hall, June 4th to 6th. There will be two sessions each day beginning at 10 A. M. and 2 P. M. A full program will be published in the daily papers. Mrs. D. B. Wells and Miss Grace Lindley, who are to conduct the course, are specialists in the work, and this will be an opportunity no woman in the church should miss. Course tickets for 50 cents can be procured of Mrs. E. H. Lee and Mrs. W. W. McMillan.

### Annual Meeting of the Duluth Conference

The fifteenth annual meeting of the Duluth Conference of Congregational Churches was held with the First Congregational Church at Biwabik, May 28 and 29.

Pilgrim Church was represented by Rev. J. Kimball, Mr. T. H. Hawkes, Mrs. W. A. McGonagle, Mrs. W. S. Horr and Mrs. C. E. Wallace. The annual sermon was preached by Rev. Geo. P. Sheridan of Brainerd from Gen. 4:9, "Am I My Brother's Keeper?" It was an able scholarly address and brought out the truth, that in the present day creeds and dogmas do not count for much, but the essential thing is the brotherhood of man, and how can we best lend the helping hand to those about us. At the business session Wednesday morning, reports were given from most of the churches in the Conference, and these in the main were encouraging. Both the churches at Brainerd have now regular pastors, as well as the one at Grand Marais. The church at Biwabik is planning for a new church building, as the present one is old and too small to accommodate their Sunday School, which sometimes has an attendance of 165, a remarkable showing, as the church membership is only 50. It was voted in accordance with the recommendation of the State Association, to change the name from Duluth Conference to Duluth Association, and also for each church to raise its apportionment for this year. The Woman's Missionary hour on Wednesday afternoon was conducted by Mrs. Horr, following which the delegates were taken on a trip to the iron mines, while the ladies were entertained at the homes of the Biwabik ladies. Probably the most inspiring, helpful, and yet practical of all the meetings was the concluding one on Wednesday evening, addressed by Dr. Geo. R. Merrill on the "Minister and His Church," followed by Rev. W. L. Sutherland of Detroit on "The Church and Its Minister." The meetings emphasized the need of assistance from the Home Missionary Society, which some of these struggling churches should have, and yet which is withheld from them at the present time on account of lack of funds. These churches look to Pilgrim Congregational Church as their natural leader, and if Congregationalism is to grow and expand in Northern Minnesota, we should do all in our power to help by our sympathy, our advice, and, if need be, by our gifts.

**A Word of Welcome**

It is with sincere pleasure that we welcome Rev. Edward M. Noyes and Mrs. Noyes to our church and to our homes. As pastor from September, 1883, to September, 1894, Mr. Noyes endeared himself in a peculiar way to the people of Pilgrim congregation and his labors here during this formative period left an abiding impress on the life of our church and city. The ties of affection and Christian fellowship which bound him to us then have never been broken. Although the menace of the passing years has wrought changes in him and in us we like to think that in a sense he still belongs to us and we claim the right to feel a measure of pride in the work which he is now doing in a wider field as pastor of a leading New England church and member of the prudential committee of the American Board.

**Special Notice**

The Woman's Missionary Society aims to raise through the women of the church the entire 30 per cent of the church apportionment which will be sent to the Woman's Home and Foreign State Boards. This can only be accomplished when every woman in the church gives something. Small contributions are especially desired from those who have not yet pledged. These small amounts if given by every one will easily make up the sum total as may be seen by the following tentative schedule:

25 women giving 1 cent per week.....	\$ 13.00
25 women giving 2 cents per week.....	26.00
40 women giving 5 cents per week.....	104.00
30 women giving 10 cents per week.....	156.00
7 women giving 25 cents per week.....	91.00

Total amount desired.....\$390.00

Will not every woman in the church join in this important work and send to the Treasurer, Mrs. A. G. Strong, 1515 East First street, a definite pledge for some of these amounts, using the blue envelopes weekly, monthly, quarterly or annually as desired.

### Church Notes

It is expected that Rev. Roy B. Guild of Topeka will occupy the pulpit July 21st and 28th.

There were forty people present at the preparatory service last Thursday evening. The meeting was led by Mr. Noyes.

The funeral of the late Frank S. Wilson was held from the family residence at Lakeside Monday, July 8th. Mr. Noyes conducted the service.

As noted elsewhere in the Bulletin a call to the Pastorate of Pilgrim church has been extended to Rev. Wm. E. Cadmus of Peoria, Ill. No response to this call has as yet been received.

At the meeting of the church held after morning service last Sunday the letter of Miss Mae Anders from the First Congregational Church, Fairfield, Iowa, was presented and it was voted that she be received into our membership.

Rev. Edward M. Noyes accompanied by Mrs. Noyes reached the city last Sunday afternoon by boat and will return to their home in Newton Centre, Mass., the coming week. The First Church in Newton, of which Mr. Noyes has been pastor during the eighteen years since he left Duluth, will celebrate its two hundred fiftieth anniversary in 1914 and enjoys the distinction of having had but ten pastors in its entire history.

### An Important Meeting

At a meeting of the congregation held after morning service last Sunday the committee on "pastoral supply" by its chairman, Hon Wm. A. Cant, presented the following report and in submitting the report Judge Cant stated that of the seven members of the committee one member did not concur:

"To the Members and Congregation of Pilgrim Congregational Church of Duluth:

"Your Committee on Pulpit Supply report that since their election they have met regularly and have considered and discussed with much care the qualifications of a considerable number of men who have been suggested for our vacant pastorate. In this work we have kept in mind so far as possible the requirements of this particular church, and the character of man in our judgment most suited to its needs. We despair of finding anyone who will please all equally well, or be equally strong along all lines, and we realize in some measure at least the many view points from which a pastor of this church must be judged, and the many demands which will be made upon his time and powers. As a people we should not be unduly critical. Any man, and especially any strong and worthy man, will have peculiarities of his own. He has a right thereto, so long as they do not give substantial ground of offense among his fellow men. If we are steadfast in our desire to make Pilgrim Church still more a strong central body for the doing of good works, and a force and influence for the beautifying and ennobling of individual character in both young and old, and for the accomplishment of civic righteousness and the betterment of the community roundabout, and a force also in the higher reaches of religious faith, we should be able to work with any good man of fair ability or better, whose heart is in such work. What is called for on the part of us all is not the display of fastidious criticism, but the exercise of sound judgment of the warm and generous kind, but such also as shall correctly determine what, under all the circumstances, is best for this church. There should be keen appreciation of the great needs of the time, and there should be a willingness to enlist and serve, not until something goes slightly awry, but for life. Entirely apart from any religious fervor, and draw-

ing alone for the present, from our experience as men, we know well enough that what is needed on the part of all is greater consecration, and the disposition still further developed, having put one's hand to the plow, not to turn back.

"Of the men whose special qualifications for the work of this church we have canvassed, our opinion is that the one best suited therefor is Rev. Wm. E. Cadmus, late pastor of the First Congregational Church at Peoria, Ill. He is everywhere regarded as a strong and zealous man. To procure the services of Mr. Cadmus will require an annual budget of \$1,610 in excess of the amount which heretofore we have been obliged to raise and pay. Of this amount about \$900 will be necessary to maintain a trained helper in connection with the pastor's work. Whatever be your disposition of this report, we concur in the advisability of securing and maintaining such a helper as soon as possible. The total additional expense here proposed is considerable, and, with the other questions presented, is for the consideration and determination of the church. We feel warranted, however, in recommending that this burden be assumed.

"Mr. Cadmus is a man with a zeal for definite, progressive work, and it is partly as the result of our conference with him, that reference to work of that character is made in the resolution which is presented herewith.

We therefore present for your consideration and recommend the adoption of the following resolution:

"Be it resolved by Pilgrim Congregational Church of Duluth that we desire as Pastor a man, who, in addition to making the church still more a beneficent influence with individual lives, will plan and lead in thoroughgoing constructive work, in the increase of church membership and attendance, in the growth of all the organizations of the church, in its increased influence for right living and right action throughout the community of which we are a part, and that we individually engage by our own personal efforts to further such ends.

"Be it further resolved that we extend to Rev. Wm. E. Cadmus the call of this church to serve as its pastor, beginning with September 1, 1912, or at such other date in the

near future as shall be mutually agreeable, and that we engage to pay him as compensation the sum of \$5,000 per annum, the same to be paid in equal monthly instalments, with the understanding that out of said sum Mr. Cadmus shall pay not less than \$900 per annum in equal monthly instalments for the services of a trained helper who shall be procured and maintained as a part of the regular working force of this church, and with the further understanding that Mr. Cadmus shall occupy the parsonage belonging to the church, and shall pay in equal monthly instalments at the rate of \$750 per annum as rent therefor.

"Be it further resolved that a copy of this resolution be transmitted to Mr. Cadmus by the Committee on Pulpit Supply, and that if accepted by him, the same, with such acceptance, shall constitute a contract between the parties so long as the same shall remain mutually agreeable, and that negotiations on the part of this church respecting the further details, if any, of such contract shall be carried on by the Board of Trustees."

Following the reading of the report Judge Cant moved its adoption. This motion was seconded and after considerable discussion the meeting proceeded to an informal ballot. The votes having been counted the chairman, Mr. Oscar Mitchell announced that eighty-two votes had been cast in favor of the motion and twenty-two against it, and the report of the committee was declared adopted.

A motion was thereupon made and seconded that the informal ballot be made formal, which motion was carried by a viva voce vote. The chairman then asked all to rise who were willing in the event that Dr. Cadmus accepts the call thus tendered, to pledge him their hearty support and this pledge was duly given by a unanimous rising vote. The meeting then adjourned.

### Dr. Cadmus Declines Call

Rev. Wm. E. Cadmus has declined to accept the call recently extended him to become pastor of Pilgrim Church for reasons as set forth in the following letter:

Pilgrim Congregational Church,  
Duluth, Minn.

Dear Brethren:

The resolution extending a call to me to assume the pastorate of the Pilgrim Congregational Church has been duly received and carefully considered.

It is needless for me to express my great satisfaction with certain aspects of the call. Your church has suffered, like most of our Congregational churches, from lingering so long at the

### Dr. Cadmus Declines Call—Continued

same dead level of achievement. The feeling your call expresses that your church for one is ready to stand shoulder to shoulder, with a new and higher mark in view, and move forward to greater conquest in the name of Christ, has the right ring. The trouble with most of our churches today is that few of them are really "going concerns." It is not so much new theology that they need as a forceful, vital grip on the essentials of the old faith. If you set this new mark for yourselves any man of good ability who comes to you will surely put Pilgrim Church back in its old place of leadership, or be the instrument of inspiring all the churches of Duluth to move forward in unison to greater things for the Master.

I appreciate also the confidence your call expresses in me personally. The large additional financial outlay you propose to assume shows confidence in yourselves and is a compliment to me which assuredly I appreciate. Most churches first grow moribund in their exchequer. They then adopt a restricted financial policy, which not only weakens any institution, church or otherwise, but is the best possible evidence to the world that they are not prospering. Your act expresses confidence that you can not only do all you have done heretofore, but can, under proper warranty, excel your own record.

If nothing more comes out of our negotiations with one another, it has been worth all the trouble, many times over, to have concentrated your forces on a policy of forward movement, and also to have shown faith in your own ability by standing ready to assume a large additional financial responsibility.

It now seems that, beyond most delightful personal acquaintanceships and friendships, this must be the net result of our negotiations. For I do not feel, much as these circumstances of your call please me, that I am warranted in accepting it. The large negative vote cast on your informal ballot indicates an absence of spontaneous enthusiasm which I fear would too seriously cripple our work at the very beginning. There is no way of knowing how much of it is personal against me, how much was due to lack of opportunity to reflect upon the new responsibilities involved, or how much may have been caused by a desire on the part of some to hear and to judge other candidates.

That there are some who would like to hear other men I have been advised. While under normal circumstances this is not considered good church policy, it may be that in this case it will satisfy any members who have such a feeling and lead to ultimate unanimity.

In declining your call I am not insensible of the royal hospitality which it has been my privilege, together with Mrs. Cadmus, to enjoy in your homes, or of the honor it would be to minister to such a company of noble men and women, or of the patience, clearness, fairness, and comprehensiveness of the masterly report submitted through your Chairman Judge Cant.

Wishing you grace, mercy and peace,

Yours sincerely,

WM. E. CADMUS.

Miss Nellie M. Sinclair died in this city on Thursday, July 18th, aged twenty-five. The funeral was held on Saturday, July 20th. Dr. Robert Yost of the First Presbyterian Church conducted the service. Miss Sinclair was a member of Plymouth Congregational Church, Minneapolis, at the time of her death, but she grew up in Pilgrim Church, of which she was a member till she went to live in Minneapolis some years ago. After returning to Duluth she was active in our Sunday School and among our young people and we have always thought of her as belonging to us. Her death has come as a personal sorrow to a wide circle of friends in this city who have known her from childhood.

**Church Notes**

We welcome to our pulpit today Rev. Charles N. Thorp, pastor of the First Congregational Church, Chelsea, Mass. Mr. Thorp will remain during the week and will conduct the midweek service on Thursday evening and preach for us again next Sunday.

In spite of rather threatening weather a large company of adults and children gathered at Lester Park for the annual picnic of the Sunday school last Wednesday afternoon. The occasion was a very special one, as the eighty-third birthday of our much loved teacher, Mrs. S. F. Stewart, was celebrated at the same time. After the children were served the older people were seated and at the conclusion of a bountiful supper a birthday cake decorated with candles was placed before Mrs. Stewart, and in behalf of the Sunday school Mr. Brewer Mattocks, Jr., presented her with a bouquet of American beauty roses.

**THURSDAY, 7:45 P. M.** The usual midweek service will be held in the lecture room. Subject: "Afterward." Heb. 12:1-24. Looking beyond present experiences. Discipline and development. The mercy of correction. The final goal.

**Church Notes**

Mr. and Mrs. G. A. Wieland and family have moved to 413 East Fifth street.

Members of the Ladies' Union are asked to remain for a brief but important meeting after the morning service. Please gather at the back of the audience room.

The attention of the women who are studying Sherwood Eddy's "Awakening of India" is called to the August number of the Missionary Herald, where Robert A. Hume, D. D., treats of present conditions in India. In a concise and interesting article he notes the wide interest in social rather than religious questions and gives many reasons why there is not more of a movement towards the Christian church, while there is a growing and genuine attraction toward the Lord Jesus Christ. Dr. Hume's article is well worth reading and will be of special interest to members of our Missionary Society.

Mr. Philip Holgate and Miss Lou Staples were united in marriage at the home of the bride's parents, 1023 East Second street, on Wednesday evening, Aug. 21st. Dr. Robert Yost read the service. Mr. and Mrs. Holgate will be at home after November 1st at 923 East Fifth street.

We welcome to our pulpit today Dr. G. C. Williams, pastor of First Congregational Church, Keokuk, Iowa. Dr. Williams is no stranger here, having preached for us on several occasions. With Mrs. Williams he is spending the vacation season in Duluth. They are guests in the home of their daughter, Mrs. Hubert U. Moore, 1905 East Fifth street.

Miss Faith Helen Rogers, who has been our organist for several years, will sever her connection with our choir and after today will act as organist and choir director in Pilgrim Church, Superior. It is with genuine regret on the part of this congregation that Miss Rogers has been released to serve her home church. Her successor has not yet been engaged.

**Special Notice**

At a meeting of the congregation held after morning service last Sunday Hon. Wm. A. Cant, chairman of the committee on pulpit supply, submitted the following report, which was unanimously adopted.  
To the Members and Congregation of Pilgrim Congregational Church of Duluth:

Your Committee on Pulpit Supply report for your consideration and recommend for your adoption the following resolution:

Be it resolved that this church extend to Rev. Charles N. Thorp of Chelsea, Massachusetts, an invitation to serve as its Pastor for a term beginning on the first day of October, 1912, or within a reasonable time thereafter, and continuing so long as may be mutually agreeable.

Be it further resolved that if this call be accepted, we pay Mr. Thorp as compensation for his services at the rate of three thousand dollars (\$3,000.00) per annum, which sum shall be paid in equal monthly payments; that we provide for his use, free of rent, the parsonage now owned by the church, and that we pay his reasonable moving expenses from his present place of residence to this city.

With the beginning of the fall season some important changes are to be noted in the choir. Miss Ruth Alta Rogers has been engaged as choir director and will have entire charge of the music including a chorus choir which is being organized and which will as soon as practicable assist the choir in the music of the evening service. Miss Faith Helen Rogers, who recently resigned her position as organist will be succeeded by Mrs. Louis Dworschak. Miss Hyland resumes her place in the choir after her vacation and Miss Charlotta Simonds will play the organ at both services today.

## Special Notice

There was published in the church bulletin of last week a report of resolutions offered by the Committee on Pulpit Supply, the same being unanimously adopted by Pilgrim Congregation, calling Rev. Charles N. Thorp of Chelsea, Massachusetts, to serve as pastor to this congregation. Today we publish the acceptance of Mr. Thorp. It is as follows:

September 2, 1912.

Pilgrim Congregational Church,  
Duluth, Minn.

Dear Brethren:

The invitation to undertake the pastorate of your church was received and has had my deep and prayerful attention. Pilgrim Church has been favored with a succession of able and devoted ministers. The influence of the church upon the higher life of Duluth and adjacent communities has been one of power. The spirit and hospitality of your people made a most favorable impression upon me on my recent visit.

The efficient church in a large and growing city is ever facing momentous problems. A heavy responsibility rests upon the pastor; but the most resourceful leader is powerless without the devotion and loyalty of the people. The men of Pilgrim Church are accustomed to meet great problems in a large and effective way. Their quality and caliber are a fair guarantee that the immediate problems facing you will be mastered and that the next chapter in the history of Pilgrim Church will be worthy of your illustrious past.

The invitation with which you have honored me, to become your leader in this new era, I am constrained humbly and prayerfully to accept, believing it to be the Master's summons to service among you. It is far from easy to relinquish an engrossing task and to part with this beloved church, but we believe that, with the divine aid, and your own hearty co-operation, we shall find a great work and a host of friends in your fellowship. I have asked the First Church in Chelsea to release me from the pastorate October first and shall hope to begin work with you October thirteenth. Let us join our prayers that the Great Head of the Church may richly bless our life and work together in the coming years.

Faithfully yours,

CHARLES N. THORP.

### Church Notes

Miss Emma Johnson will act as organist today.

Mrs. H. H. Hoyt is at her cottage on Park Point for a short time before leaving for the west.

Miss Marjorie Milne has returned from Tryon, N. C., to resume her studies in the high school. She will make her home this winter with Mr. and Mrs. T. J. Davis.

**A Letter from Mr. Noyes**

To Pilgrim Congregational Church, Duluth, Minnesota:

It was a privilege indeed to renew so many old friendships in Pilgrim Church this summer, and Mrs. Noyes and I look back upon our visit to Duluth with great pleasure. I am now rejoiced to learn that you have united in the choice of my friend, Rev. Charles N. Thorp as your pastor, and that he is soon to begin his work among you. His ministry in Chelsea has endeared him to his own people, and his personal qualities have won the respect and confidence of the Congregationalists of Greater Boston.

The changing conditions have given to Pilgrim Church both a serious task and a great opportunity, and in the meeting of these I know that you will give your new leader cordial and loyal support. A suggestive passage in Wilhelm Meister exalts reverence as the soul of religion, and commends three reverences—for what is above us, what is around us, and what is beneath us; that we be not unmindful of God, nor fail to discern the noble and true in daily life, and that we may see the possibilities for good in humble things and lowly folk, and of blessing in pain and adversity. To these a fourth reverence has been added—for what is within us, that we may realize more fully our own highest ideals. In like manner let me interpret the opportunity of this opening pastorate as a summons to a fourfold loyalty. Loyalty to God, in the reverent faith and loving purpose of daily living. Loyalty to the Church. No one will long retain interest in a Church which he does not regularly attend when attendance is possible. If the Church is to interpret Christ to this age, it must have the loyal service, sincere devotion, and earnest prayers of all true hearts. Loyalty to our fellowmen. A clear perception of their need, a deep sympathy with their struggle, an intense desire to bring them into the fellowship of the Master. Loyalty to our own highest vision and experience; being assured, in spite of failures, defeats, and perplexities, that we are called "to His own kingdom and glory."

May God who has guided you in the past, give His richest blessing to pastor and people, and may all the agencies of your common service be quickened into abundant fruitage.

Faithfully yours,

EDWARD M. NOYES.

## In Memoriam

At a special meeting of the congregation held in the lecture room Monday evening, September 23d, the following was presented by Hon. William A. Cant and unanimously adopted:

Reverend Alexander Milne died at Columbus, Ohio, on the 22nd day of September, 1912. For nearly thirteen years immediately prior to the first day of January last he was the pastor of this church and the beloved friend of us all.

Mr. Milne was a profound scholar of great intellectual and moral power. He was in the forefront as a preacher of the Word. His field was of the mind and of the spirit and he was pre-eminent therein. He knew the reasons why. Withal, he was ever clothed with true humility and gentleness of spirit. He was a friend of man. His life was filled and graced with a multitude of "those little nameless unremembered acts of kindness and of love." Through the baptism of the newly born, the weddings of those who had reached maturer years, and the final service for those who had been called beyond, Mr. Milne became entwined in the affections of our people. His counsel, always wise, will long be remembered and followed, and his words of comfort will continue to solace and to bless. His life among us was a benediction which time cannot take away. Our tribute is a tribute of affectionate regard.

To those of his immediate family who survive, we tender the consolation which may be found in an assurance of the love we bear. As gently and as unobtrusively as we may we offer the kind hand and we speak the sympathetic word.

## Church Notes

The regular monthly missionary offering will be received today.

Mrs. Carl Milton Brewster will play the organ and Mr. Horace Brown will sing at today's services.

The annual fall reunion of the Church will be held in the parlors on the evening of Friday, October 18th.

The Sunday School will celebrate "Rally Day" on Sunday, October 13th. The graduating exercises of the primary and junior departments will be held at that time. Parents are asked to cooperate with the children in securing a large attendance, to greet Mr. Thorp who will begin his work here on that date.

There was a special meeting of the congregation in the lecture room at eight o'clock Monday evening, September 23d. The meeting was called to take action on the death of Rev. Alexander Milne, which occurred at Columbus, Ohio, Sunday, September 22nd. The meeting with profound sorrow adopted the tribute which appears in full on another page and voted that Mr. Oscar Mitchell be appointed to attend the funeral as the representative of Pilgrim Church. It was also voted that the pulpit be appropriately draped for two weeks or until such time as our new pastor shall begin his work here, and that Mr. Milne's portrait in the lecture room be similarly draped for a period of six months.

The funeral of our late pastor, Rev. Alexander Milne, occurred at Columbus, Ohio, on Wednesday, September 25th. Dr. Washington Gladden conducted the service assisted by Rev. Mr. Warren, pastor of Plymouth Church, Columbus. Mr. Oscar Mitchell, who attended the funeral as a representative of Pilgrim Church, also contributed to the service by appropriate remarks and the reading of the tribute to Mr. Milne adopted by the Church on Monday evening. Mr. Mitchell returned from the funeral on Saturday and it is expected that Miss Marjory Milne will return today. It is understood that Mrs. Milne expects to come back to Duluth soon and make her home here at least for a time.

Rev. Charles N. Thorp will begin his work as pastor of Pilgrim Church next Sunday, October 13th. It is expected that he will arrive in Duluth, Saturday, the 12th, accompanied by his family.

The Sunday School will celebrate "Rally Day" next Sunday, at which time the graduating exercises of the primary and junior departments will be held. Parents are asked to cooperate with the children in securing a large attendance to greet our new pastor.

The music committee is arranging for a chorus to assist the quartette at our evening services, beginning next Sunday. The first rehearsal will occur in the church on Wednesday evening. Miss Faith Helen Rogers will act as musical director. Anyone wishing to become a member of the chorus will please confer with Mrs. E. W. Matter, chairman of the music committee.

The organ prelude which will be played at the memorial service this afternoon was Mr. Milne's favorite melody, and he often requested it on the organ as an offertory. The words of the song seem especially appropriate to this occasion:

"There's nae sorrow there Jean  
There's neither could nor care Jean  
The day is aye fair  
In the Land o' the Leal.

Then dry thae tearfu' e'e Jean  
My soul lings to be free Jean  
And angels wait on me  
To the Land o' the Leal."

### The New Pastor

Rev. Charles Nicholas Thorp the ninth pastor of Pilgrim Church, who will begin his work here on Sunday, October 13th, was born at Oxford, New York, June 2nd, 1870. He prepared for college at Oxford Academy and graduated from Amherst in 1891. After two years engaged in teaching he entered Yale Divinity School, from which he graduated in 1896. He was assistant pastor of the First Congregational Church, Rutland, Vermont, 1896-1897 and pastor of the First Congregational Church, Oswego, New York, 1897-1906, having been ordained on going to Oswego in 1897. In 1906 he accepted a call to become the first pastor of the Reorganized First Congregational Church in Chelsea, Chelsea, Mass., in which relation he remained till September 30th of this year, when he was dismissed by council to assume the larger work in this city.

During the pastorate in Chelsea a church edifice costing \$80,000.00 was built, 264 members were received, a flourishing young peoples society of 150 members was organized and developed, and in the closing days of the pastorate a large gift for the purchase of a parsonage was secured.

Mr. Thorp has been a leader in his Conference and has taken a prominent part in Congregational activities in Greater Boston. He endeared himself in a peculiar way to the members of his congregation who on accepting his resignation adopted the following expression of appreciation:

"It is with mingled feelings of unwillingness, regret, appreciation and congratulation that this action is taken. Unwillingness to allow the going away of the faithful pastor who seems so necessary to the growth and successful planning of the church at this time; regret that the happy relations between pastor and people, socially and religiously, must be broken; appreciation, deep and strong, of the faithful, loving service of pastor and pastor's wife to the church and individual members of the church; congratulation to the pastor that his years of devoted service to this church have brought the reward of a larger work in a wider field with perhaps much greater opportunities. With deep gratitude for the six years which we have been allowed to have of our pastor's life we allow him to go from us, wishing for him all possible happiness and success in his new home and new church relations. As our loss is the other's gain we would send to the Duluth Church our happy congratulations in its successful choice of a pastor."

On Sept. 28, 1898, Mr. Thorp was married to Miss Susan G. Long of Rutland, Vermont, who is a graduate of Mt. Holyoke College of the class of 1896. Mrs. Thorp has been the president of the Boston Mt. Holyoke Alumnae Association during the past two years. Two children, Willard, aged 13, and Margaret, aged 7, complete the family circle.

It may be of interest to note that Mr. Thorp's name was first brought to the attention of our committee on pulpit supply by Dr. H. A. Bridgeman, editor of the "Congregationalist."

**A Word of Welcome**

Pilgrim congregation extends a cordial and affectionate welcome to the new pastor and his family.

We demand much from him. He has the right to expect more from us. As a Church we look back over an honorable history of more than forty years. We have been one of the strong moral forces in this community. We are looking forward to greater things under the new leadership.

The pastor can do little alone. Only as there exists in the heart of each individual member the solemn determination to do his share with loyalty and enthusiasm, can the joint efforts of pastor and people be carried to successful accomplishment.

The sincerity of our welcome must be attested by evidences of this spirit. Such a welcome we would offer today.

**Church Notes**

A son was born to Mr. and Mrs. W. T. Maynard on Friday, October 4th.

Mrs. D. J. Sinclair left the city Thursday for Los Angeles, California, where she will make her home.

The first fall meeting of the Brotherhood will be held in the parlors on Monday evening, October 21st. Officers for the ensuing year will be elected at this meeting.

The committee in charge of the arrangements for the Fall Reunion on Friday evening would be glad to receive contributions of flowers to be used in decorating the parlors. These should be sent to the church Friday afternoon.

The pastor and his family arrived in the city Saturday. While the Manse is being made ready they will be guests in the homes of Mr. and Mrs. W. G. Hegardt and Mr. and Mrs. H. B. Paull.

Attention is called to the Fall Reunion on Friday evening. It is hoped that every member of Pilgrim Congregation will be present to greet the new pastor and his wife. Those who will be unable to attend the supper are especially invited to be present later in the evening. There will be responses to toasts after the supper followed by a social hour.

The sad intelligence of the death from cholera of Miss Cora May Welpton, a missionary supported by the young people of the W. B. M. I. at Marash College, Turkey, has just been received. Miss Welpton was one of the speakers at the annual meeting of the Minnesota branch of the W. B. M. I. held here in April, 1910. She made many friends at that time who will not soon forget the earnestness and enthusiasm of her addresses.

The chorus which has been organized to assist the quartette in the music at our evening services will sing for the first time at the service this evening. Miss Faith Helen Rogers will be the musical director and Miss Ruth Geddes has been engaged as organist. Any one wishing to become a member of the chorus will please confer with Mrs. E. W. The Woman's Missionary Society aims to raise through the women of the church the entire 30 per cent of the church apportionment which will be sent to the Woman's Home and Foreign State Boards. This can only be accomplished when every woman in the church gives something. Small contributions are especially desired from those who have not yet pledged. These small amounts if given by every one will easily make up the sum total as may be seen by the following tentative schedule:

	\$ 13.00
25 women giving 1 cent per week.....	26.00
25 women giving 2 cents per week.....	104.00
40 women giving 5 cents per week.....	156.00
30 women giving 10 cents per week.....	91.00
7 women giving 25 cents per week.....	\$390.00

Total amount desired.....

Will not every woman in the church join in this important work and send to the Treasurer, Mrs. A. G. Strong, 1515 East First street, a definite pledge for some of these amounts, using the blue envelopes weekly, monthly, quarterly or annually as desired.  
H. H. S.

This afternoon's meeting for men at the Y. M. C. A. is the first of a series of special meetings to be held during the week. Crittenden, field secretaries of the National Board. A program of special interest and helpfulness has been prepared. The women of this congregation are asked to assist in securing a large attendance at these meetings.

This will be the first opportunity afforded the Pastor to meet the men alone and it is hoped that the meeting will be largely attended. Mr. Thorp is well fitted to speak on the question of the Commission form of government, which will be up for discussion, as he had three years experience in Chelsea under this new and efficient form of municipal administration.

### A Scotch Blessing

If after kirk you bide a wee  
There's some wad like to speak to ye.  
If after kirk you rise and flee,  
We'll all seem cold and stiff to ye.

The one that's in the seat with ye  
Is stranger here than you, maybe.

All here ha'e got their fears and cares,  
Add you your soul unto our prayers,  
Be you our angel unawares!

## Church Notes

The Ladies' Union realized something over one hundred dollars from the "grocery sale" which they conducted recently.

The union Thanksgiving service will be held in this church at 11:00 a. m. Thanksgiving day, the Pastor preaching the sermon.

The annual Christmas Bazaar for which the women of the church are arranging will be held in the parlors on Friday, December 6th.

On Wednesday evening the Chorus will be the guests of the East End Circle at a dinner in the parlors of the church. This is to give our singers an opportunity to meet the new Pastor and his wife and to become acquainted with each other.

At the meeting of the Brotherhood last Monday evening the following officers were elected: President, Hon. W. A. Cant; Vice President, Secy. B. C. Wade; Treasurer, W. C. Johnson; Secretary, R. M. Weaver; Corresponding Secretary, W. I. Prince.

The attendance at our evening service is steadily growing. The music is most attractive, the address is practical and the atmosphere of the service warm and hospitable. Call up some friend this afternoon and arrange to bring him to the church tonight.

The great cause of Home Missions will be presented in churches of every denomination throughout the land this week. There will be a union meeting at the First Presbyterian church Thursday evening in which six leading churches in the central part of the city will join. Seven-minute addresses will be made by the six Pastors. This will be a unique and powerful service and will take the place of the usual prayer meeting. Be sure and come.

A Bible Study Conference will be held at the Young Women's Christian Association building beginning tomorrow evening and continuing during the week in accordance with the program published in the daily papers. The conference will be conducted under the leadership of Mrs. Emma F. Byers and Miss Frances M. Crittenden, field secretaries of the National Board. The women of the congregation are asked to cooperate in securing a large attendance at these meetings.

The ladies of the church are arranging to send a barrel of needed articles to Miss Gardner who is interested in work among the colored people at Moorhead, Miss., and is well known to many of our congregation. Clothing for men, women and children will be acceptable. Shoes are especially needed. House furnishing can also be used. Gifts should be sent this week to Mrs. H. I. Pineo, 1227 East Third street.

Complete returns from the grocery sale conducted by the Ladies' Union show total net proceeds of about \$128.

In accordance with the usual custom the offering taken at the Thanksgiving service will be for the Children's Home.

The annual Christmas Bazaar for which the ladies of the church are preparing will be held in the parlors Friday, December 6th.

The usual Thursday evening meeting will be omitted this week, religious interest for the day being centered in the morning service.

Mrs. Wm. E. Isham and son Eugene have returned to the city after an absence of several months and are now living at 113 East Second street.

There was a large attendance at the recent Thank Offering meeting of the Women's Missionary Society. The offering amounted to something over \$60.

The ladies of the church are arranging to send a Christmas purse to Mrs. Irwin. Contributions should be handed promptly to Mrs. W. G. Hegardt or Mrs. E. W. Matter.

The union home missionary service last week was well attended and left a strong impression upon those who attended. The congregation contained a good number of Pilgrim church people.

The Christmas Committee of the Sunday School, of which Mr. H. W. Nichols is chairman, is already making plans, which include a Christmas Vesper Service by the School, Sunday afternoon before Christmas, taking the place of the evening service, and a Festival for the school some evening of the following week.

### Church Notes

Attention is called to the invitation issued by Mr. and Mrs. Thorp to the young people of the parish for Tuesday evening next. The object of the gathering is to afford an opportunity for better acquaintance and to talk over some interesting plans for young people's work in our church.

At the last meeting of the Ladies' Union it was voted to send a purse to Mrs. Irwin as a Christmas remembrance. Mrs. W. G. Hegardt and Mrs. E. W. Matter were appointed as a committee to receive the voluntary contributions of our ladies for this purpose. It will be necessary to send the money at once in order that it may reach Cesarea in time for the holidays. It is hoped that many will wish to share in the privilege of remembering Mrs. Irwin and her work in this way.

At the recent meeting of the Standing Committee the Pastor described the successful Vesper Services as held by downtown churches in different cities. The committee after a full discussion voted to recommend to the Church the establishment of such a service Sunday afternoons at 4:30 to take the place of the evening service, beginning Dec. 22. The recommendation of the committee will be discussed and voted upon by the Church at the Thursday evening meeting this week.

Miss Dalborg Gunderson, violinist, will assist in the music at our service this evening.

Letters have been granted to Mr. and Mrs. W. B. Rittenhouse to the First Presbyterian Church, Oak Park, Ill.

Pilgrim Church people rejoice with their friends of First M. E. Church in the decision of Dr. Rice to remain in Duluth.

It has been thought desirable to omit the December meeting of the Brotherhood. The next regular meeting will occur the second Monday in January.

The East End Circle has left over a few baby garments which were not sold at the Bazaar. They are offered now at very reasonable prices and may be seen at the residence of Mrs. T. J. Davis, 2104 East First street.

The Oberlin College Glee Club will give a concert in the Church Saturday evening, December 28th, under the patronage of the Ladies' Union. The club has appeared here in concert on two former occasions when it fully sustained its reputation as the best college glee club in the country.

Owing to the storm and the small attendance at the meeting last Thursday evening it was decided to defer action one week upon the recommendation of the Standing Committee that a Vesper Service be established Sunday afternoons at 4:30 beginning Dec. 22, to take the place of the Evening Service.

Thirty-six Christian people living in Fond du Lac have sent out a call for an Ecclesiastical Council, to be held next Sunday at 3:30 p. m. to advise them in the organization of a Congregational Church. This movement has grown out of the faithful labors of Rev. Allen Clark of West Duluth. Our Church will choose a delegate Thursday evening to act with the Pastor at the Council. A general invitation is extended to Pilgrim Church people to attend the Council, and show our hearty interest in this new and promising enterprise.

There were fifty of the Pilgrim Church young people at the Manse last Tuesday evening as guests of Mr. and Mrs. Thorp. The response to the Pastor's plans for the development of a large and influential Young People's Society was gratifying. Everyone was interested. The committee of arrangements, consisting of Misses Zelma G. Kaiser and Fanny B. Lippitt, Messrs. Thomas Beatty and Ralph H. Pineo, with the Pastor, will report a plan for the society at the Young People's Rally, tonight at 6:30. A full attendance of the young people is expected.

The Finance Committee is at work on the "Special Collection," which is being made at this time in order to come to our Annual Meeting with our debts all paid. It will not be possible to call in person on every member of the Church and Congregation and the committee desires to take this means of extending an invitation to all, who have not been solicited in person and wish to have a share in this collection, to send their checks to H. W. Nichols, Church Treasurer, before January 1st, 1913.

W. G. HEGARDT,  
Chairman Finance Committee.

### Vesper Service

Beginning next Sunday afternoon at 4:30 the new plan for Vesper Service which was adopted by vote of the Church on Thursday evening, will go into effect, the evening service being transferred to the late afternoon. In many cities such a service has been found helpful to a large number of people. Our Sunday School will furnish the program for the first service. The school will gather in the vestry and march in a body to reserved seats in the church. There will be songs and recitations by the children, a violin offertory, and an anthem by the quartette. After next Sunday we shall have at the Vesper Service the same splendid choral and instrumental music which has been such an attractive feature of the evening worship.

## Church Notes

At last midweek service a letter to the Presbyterian Church, Foxboro, Wis., was granted Mr. Carl H. Lovett.

A letter recently received from our Missionary Pastor, Mr. Irwin, will be read at the Thursday evening meeting.

The proceeds of the Bazaar recently conducted by the Ladies' Union amount to two hundred ninety-five dollars.

The next Communion will be Jan. 5th. Those who wish to join Pilgrim Church are asked to meet the standing committee after Thursday evening meeting this week or next.

The Christmas Entertainment of the Sunday School will be held Monday evening, Dec. 23, at 7:30. Santa Claus and his wife are expected. Classes are asked to bring gifts for the poor. There will be candy and fun galore.

Attention is called to the Council at Fond du Lac this afternoon. Mr. Albert Baldwin was elected delegate at the Thursday evening service and he with the Pastor and several others who are to attend will represent Pilgrim Church in this important meeting. All are cordially invited.

At the young people's meeting this evening Mr. Wayland Hall Sanford will report for the committee on constitution. At the Rally last Sunday night there were seventy-five present and forty-two signed as charter members of the new society. This is most encouraging. Every young person in Pilgrim Church will wish to take advantage of this new opportunity. The list of charter members is still open for signature.

The Oberlin College Glee Club comes to us again on the evening of December 28th, under the patronage of the Ladies' Union, and everyone should keep the date reserved for this occasion. The Oberlin Glee Club enjoys the distinction of being the best college club in the country and according to reports is this year appearing at its best. The ladies suggest that concert tickets will make appropriate Christmas cards.

### Church Notes

The usual missionary offering will be received next Sunday.

Letters were granted Mr. and Mrs. John C. Swan to the Endion M. E. Church of this city, at last midweek service.

Mrs. O. J. Larson, contralto, will sing in the quartette today. Mrs. Henry K. Brearley will be at the organ, and at the Vesper Service Miss Valborg Gunderson, violinist, will again assist.

Forty-seven young people have signed the preliminary list of members of the new Society. The Christmas Service of the Society at six tonight, at which officers will be elected, will bring out a full attendance. The older people are always gladly welcomed at these meetings.

The Congregational Church in Fond du Lac has been formally organized and recognized by Council. Last Sunday afternoon witnessed the consummation of the hopes and prayers of many hearts in that community. Pilgrim Church offers its prayers and best wishes to the new sister Church. At the Council our Pastor was moderator, Mr. Albert Baldwin scribe, and Messrs. M. W. Bates, E. W. Matter and W. W. McMillan from our church were present.

Beginning today the second service of this Church will be held at 4:30 P. M., taking the place of the Evening Service. The new Vesper Service will have the same musical features which have proven so attractive: the large chorus choir, the violinist and the organist, with occasional solos and duets by the church quartette. The Pastor will preach a brief practical sermon. Turn your own footsteps and those of your friends toward Pilgrim Church at the twilight hour, Sunday afternoons.

### The Christmas Spirit

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the Angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for behold I bring you good tidings of great joy which shall be to all people. For unto you is born this day in the city of David a Saviour which is Christ the Lord."

"And suddenly there was with the angel a multitude of the heavenly host praising God and saying: Glory to God in the highest, and on earth peace, good will toward men."

"Since that immortal night went by  
The whole earth is our Bethlehem.  
Hosannas ring from every sky!  
In forest glade, on billowy main,  
Judea's height, Chaldea's plain,  
By any shore or mount or sea,  
Where faith and hope and love abide,  
And self is lost in sacrifice,  
There the celestial gates swing wide,  
And Heaven descends to human eyes,  
There Christ the Lord is born again,  
There is his new nativity."

## A Word from the Missionary Committee

Duluth, Minn., December 23, 1912.

To the Members of the Church and Congregation of Pilgrim Congregational Church:

The apportionment of this church for missions for the year 1912 is \$1,300.00, which amount includes the sum of \$525.00 pledged for the support of Rev. H. M. Irwin, our Missionary Pastor.

Our church, thus far, has never failed to meet its apportionment in full.

Conditions have not been favorable for raising the amount required by reason of removals, deaths and the fact that we were without a pastor during the greater portion of the year.

The Committee urgently requests all who have not contributed to this very important fund during the year to make remittance to W. W. McMillan, Treasurer, on or before January 10th, 1913.

H. B. PAULL,  
Chairman.

## Church Notes

The regular monthly missionary offering will be received today.

Miss Gladys Reynolds will sing in the quartette at today's services.

The thanks of the congregation are extended to the Oberlin College Glee Club for furnishing the music at the morning service today. The concert which the club gave in the church last evening was a musical treat which was thoroughly enjoyed.

The Church Service Thursday evening at 7:30 is of unusual importance. The names of new members will be acted upon by the Church. The Pastor will deliver a brief address in preparation for the January Communion Service. Members should aim to attend. The service will conclude in time for the concert, held in the church that night.

The following officers for the Young People's Society were elected last Sunday: President, Wayland Hall Sanford; First Vice President, O. E. Amtsbuechler; Third Vice President, Ralph H. Pineo; Secretary, Miss Anna Jeronimus; Treasurer, Frederick R. Bates; Reporter, Miss Fanny Lippitt. The Second Vice President will be elected today.

Trace out if you can the influence or influences that brought you to a decision. The pastor would be glad to receive written messages from those unable to attend in person.

### Annual Meeting Ladies' Union

There was a large attendance at the annual meeting of the Ladies' Union last Wednesday afternoon. The reports of officers and circle leaders were presented and officers for the ensuing year were elected as follows: President, Mrs. W. A. McGonagle; Vice Presidents, Mrs. Geo. A. Gray and Mrs. W. O. Falk; Secretary, Mrs. David Davis; Treasurer, Mrs. A. W. Frick. It was voted that the Treasurer be instructed to pay from funds on hand six hundred dollars on the Manse mortgage and a rearrangement of the various circles was adopted. Under the new plan membership in the different circles will be determined by alphabetical arrangement of names instead of by geographical lines as heretofore. The plan was referred to a sub-committee who will work out the details and report at a subsequent meeting. The business session was followed by a pleasant social hour at which light refreshments were served.

## Church Notes

Fellowship meetings will be held at Plymouth Church, West Duluth, next Wednesday afternoon and evening. The afternoon meeting for the women will be led by Mrs. W. W. Sanford. The evening meeting for men and women will be addressed by Mr. C. L. Rakowsky, Rev. C. N. Thorp and others. Pilgrim Church people are cordially invited. Tea will be served for those desiring to attend both meetings.

At the annual meeting of the Women's Missionary Society on Wednesday, the 8th, the following officers were elected: President, Mrs. F. A. Grawn; Vice President, Mrs. C. E. Wallace; Secretary, Mrs. W. C. Johnson; Treasurer, Mrs. H. W. Nichols; Auditor, Mrs. W. G. Hegardt. It should be noted that the proposed rearrangement of circles by the Ladies' Union will not affect the solicitors of the Missionary Society who will have the same districts as heretofore.

In the reorganization of Home Missionary Forces in Minnesota, Secretary Merrill completed his long term of service Dec. 31. Rev. W. L. Sutherland, superintendent of the Congregational Sunday School and Publication Society for Northern Minnesota, has recently been appointed Acting Superintendent of the Home Missionary Society in the Central, Duluth, and Northern Pacific Conferences. He will combine the two offices, his headquarters remaining at Detroit, where one of our former members, Rev. La Roy A. Lippitt has recently become pastor.

A large and enthusiastic meeting of the Brotherhood was held last Monday evening at which the new president, Hon. W. A. Cant, delivered an impressive address on "The Fundamental Place of Religion in the Making of Manhood." Remarks were also made by the Pastor and others. The president announced the following committee appointments: Membership and Invitation, E. A. Schulze, J. B. Heimick, Wayland H. Sanford, Ralph H. Pineo, J. J. Lumm; Educational and Religious Work, C. E. Wallace, Robt. C. Johnson, E. N. Edes, E. W. Matter, A. Laird Goodman; Meetings and Programs, H. B. Paul, D. C. Duncan, David Davis, Brewer Mattocks, Jr., Dr. F. A. Grawn.

Attention is called to the annual meeting of the church on Tuesday evening next. The Pastor and the heads of the various departments of our church work will present their annual reports and officers and committees will be elected as follows: Trustee to serve three years to succeed Mr. Alexander Anderson; two deacons to serve for three years to succeed Mr. W. W. McMillan and Mr. E. D. Field; two members of the standing committee to succeed Mrs. John Drew and Mrs. W. W. McMillan; treasurer of the general fund to succeed Mr. H. W. Nichols; treasurer of the benevolent fund to succeed Mr. W. W. McMillan; clerk to succeed Mr. Brewer Mattocks, Jr. The music committee, missionary committee and ushers for the ensuing year will be elected and the meeting will vote on the question of confirming the election of Sunday School officers as previously chosen by the school.

### Church Notes

The monthly missionary offering will be received today.

The excellent portrait of the late Wm. S. Woodbridge which has been hung in the parlors is a gift to the church from the deacons.

At last midweek meeting letters were granted the following persons: Miss Rose Dengler, to First Congregational Church, Madison, Wis.; Mr. and Mrs. O. O. Townsend, to Park Avenue Church, St. Paul.

Both men and women are invited to the Y. M. C. A. meeting this afternoon at half past three o'clock at which the subject "Some Problems of Child Labor" will be discussed by Miss Jean Poirier and Rev. J. A. McGaughey.

As instructed by vote of the church at the annual meeting the pastor has appointed a committee to carry out his recommendations relative to a new location for Pilgrim Church. The committee is as follows: C. A. Duncan, Chairman; E. D. Field, T. H. Hawkes, Oscar Mitchell, J. W. Norton.

At an informal meeting of the men of the church after vespers last Sunday the pastor presented some interesting and significant facts relative to the eastward movement of the "center of population" of our church constituency which has gradually taken place during the past few years and for the first time in public raised the question whether the time has not come for the church to consider the advisability of procuring a new home. It is quite within the range of possibility that subsequent events will give historic significance to this meeting.

## The Annual Meeting

Over 200 members partook of the excellent supper provided by the ladies at the forty-second annual meeting of the church Tuesday evening. A large proportion of these remained to hear the annual reports and to participate in the election of officers for the ensuing year.

The business meeting was called to order at 8 o'clock by the Pastor, Rev. Chas. N. Thorp, and after singing "Blest Be the Tie that Binds," and a few words of prayer, the minutes for the past year were read by the Clerk, Mr. Brewer Mattocks, Jr. This was followed by reports from the various societies and committees. Taken as a whole these were most satisfactory, indicating a condition of activity, faith and loyalty in a year full of difficulties and discouragements.

The report for the newly organized Young People's Society was given by its president, Wayland H. Sanford. The first meeting of the society was held at the Manse in November, being attended by 75 young people. This was followed by a formal meeting on December 8th, when arrangements for a permanent organization were effected. Much interest and enthusiasm is manifested and the meetings are now being held regularly with an attendance of from 50 to 75. A thriving young people's society is one of the bright outlooks for the coming year.

Mrs. W. W. McMillan, president of the Women's Missionary Society, reported a profitable year of study and much work accomplished. The financial year has been made to conform with the fiscal year of the church and their treasurer's report showed that the year's apportionment had been met, leaving a balance in the treasury.

The Friends in Council reported through Miss Alice Drew, the president. The suppers have been well attended and from these suppers the society has managed to create a surplus in spite of the high cost of living. Their recent study has been Isaac Headland's "China's New Day."

The Sunday School report was read by Mr. Andrew Nelson, superintendent. All the departments including cradle roll, teacher training class and adult Bible classes are organized and at work and the teachers are becoming familiar with the new graded lessons. The school has again demonstrated that it is not only self supporting but has a balance of \$85 in the treasury and has contributed over \$100 for missionary purposes.

Hon. W. A. Cant, the new president, spoke for the Brotherhood which had five meetings the past year with an average attendance of 38. There is a growing interest in this society and the speaker extended a cordial invitation to all men of the church to join the ranks of this exclusively men's organization.

Mrs. W. A. McGonagle's report indicated that the Ladies' Union had enjoyed a year of successful activity. Eleven hundred dollars having been paid on the Manse mortgage during the year.

The church treasurer, Mr. H. W. Nichols, showed that all bills had been promptly met and a small balance on hand.

## The Annual Meeting—Continued

Mr. W. G. Hegardt, chairman of finance committee, gave a brief verbal report.

Mr. Oscar Mitchell, chairman of trustees, reported the church as having no outstanding obligation except the mortgage on the Manse now reduced to \$1,900; \$600 of the amount due next September having been paid in advance by the Ladies' Union to which grateful acknowledgement and praise was given.

It was recommended that every family in the church be represented by pledges for regular contributions towards the expenses of the church.

Mr. R. A. Webster for the Building and Grounds Committee stated that the church property is in good condition, extensive repairs having been made on the parsonage during the year.

Next Mr. W. W. McMillan, treasurer of the Benevolent Fund, reported that the apportionment had been met and a small balance on hand.

The remarks of Mr. H. B. Paull, chairman of the Missionary Committee, were cordially received and he hopes to be greeted as heartily when contributions to the missionary fund are solicited. He recommended regular monthly or quarterly contributions so that funds may be promptly forwarded, also that the apportionment plan be adopted.

The clerk of church presented a most complete and interesting report. The church roll now shows a membership of 430. Four members have been removed by death during the year; Mrs. Chloe Phillips, Miss Reva Isham, Mr. Wm. A. Holgate and Rev. Alexander Milne. The clerk recommended, in closing, that a vote of thanks be given to the Pastoral Committee for its most efficient and satisfactory work. This was done by a unanimous rising vote.

The Pastor's report was listened to with much interest. It was full of optimism and encouragement for the future work of the church. Full details of this report are published on another page of the Bulletin.

The election of officers came as the next order of business resulting as follows: Trustee for three years, Mr. Alexander Anderson; two deacons for three years, Mr. W. W. McMillan and Mr. E. D. Field; members of Standing Committee, the former members declining to serve, Mrs. H. B. Paull and Mrs. E. D. Field. Treasurer General Fund, Mr. H. W. Nichols; Treasurer Benevolent Fund, Mr. W. W. McMillan; clerk, Mr. Brewer Mattocks, Jr.; Music Committee, Mrs. E. W. Matter, Mr. E. G. Chapman, Mrs. C. H. Dunning; Missionary Committee, Mr. H. B. Paull, chairman, C. A. Duncan, Albert Baldwin, S. E. Matter, W. G. Hegardt, Geo. A. Gray, T. H. Hawkes, W. I. Prince. The Pastor and the treasurer of the benevolent fund are ex-officio members of this committee. A committee consisting of Mr. Baldwin, Mr. Frick and Mr. Sanford was named to appoint ushers for the morning and evening services. This committee to act in consultation with the pastor.

### The Annual Meeting—Continued

Mr. Pineo fittingly expressed the thanks of the church to Mr. Andrew Nelson for his five years of continuous service and upon his resignation Mr. Albert Baldwin was elected superintendent of the Sunday School. Mr. Harbison, secretary, and Mr. Arden Shepherdson, treasurer.

The recommendation of Mr. H. B. Paull for the apportionment plan as a definite goal for missionary giving was adopted.

Mr. T. H. Hawkes, chairman of committee for revision of membership roll, reported progress and stated further work will be taken up soon.

It was voted that a committee of five be appointed by the chair to act with reference to a building site and to ascertain the probable cost of a new church edifice, as recommended by the pastor.

Mr. M. W. Bates moved that the church officers, deacons and standing committee be a committee for nomination of officers to be elected at the next annual meeting. The general sentiment seemed to favor a committee on nominations for all officers and committees, and on motion of Mr. E. W. Matter it was voted to postpone action until some later date prior to the next annual meeting. After the singing of a hymn the meeting adjourned.

E. D. F.

### A Word of Appreciation

The report of the committee appointed to nominate officers of the Sunday School has the following concerning the retirement of Superintendent Andrew Nelson:

"Mr. Nelson came into the Sunday School work with us over five years ago, when he was a comparative stranger in the city. Upon the very urgent request of pastor and teachers he accepted the office of superintendent. Through the subsequent years beset with unusual difficulties he has been full of courage and good cheer. Always kindly and courteous he has worked in harmony with officers and teachers and he leaves the school well organized, and with the best Christian spirit prevailing. He has commanded the admiration and won the love and esteem of all those who have been associated with him in Sunday School work. Although he gives his office over to another, we hope the school may continue to claim his active interest and profit by his counsel."

### The Pastor's Annual Report

After a brief review of the Pastor's work since he came to us in October the report continues as follows:

It is my duty as a faithful watchman on the walls of our Zion, to present to you certain aspects of the situation in which we find ourselves today, together with sundry recommendations looking toward what I am constrained to believe is to be the greatest chapter in the history of Pilgrim Church. Our present edifice was erected in the year 1887. At that time your beloved and optimistic pastor, Mr. Noyes, predicted that eventually the Church would remove to the east end, maintaining the work at Lake avenue, if needed, as a mission. Not long after the First Presbyterian Church to the east of us, and the First M. E. Church to the west erected commodious buildings, and have since attained large membership. They are doing thorough downtown work, searching this region for material; they stand about a half mile apart, guarding the present approaches to the downtown district. The area between these two churches is steadily becoming a section of business houses and public buildings. As Duluth grows, the business section is bound to push uphill and crowd out the homes of the people. Our church stands closest to this business invasion.

Two questions of a general nature confront us. First, are we needed downtown? I have rarely seen a similar area in the heart of a city with so many church buildings. The Romanist cathedral, the multitude of Scandinavian churches, the Jewish synagogue, the M. E., Presbyterian, and a host of other churches, with our own, are offering religious opportunity to this downtown section. The Bethel, with its various activities, and rescue work, the Y. M. C. A. and the Y. W. C. A., present institutional features to those in need.

May it not be that Pilgrim Church is more needed in some other section of our city?

The other general question involves a survey of Duluth to see if a church like ours is needed in any particular section. Within a few years the Normal School neighborhood has been opened up; it is destined to become a center of large population in the next ten years. The grades out there are easier; sections far up the slope are available for building. From Tenth avenue as you go eastward, you find the unfinished Christian church on Twelfth avenue, the unfinished St. Paul's at Seventeenth avenue and Superior, the little Unitarian church at Eighteenth and First, the Endion Methodist (once our own property) at Nineteenth avenue and First street and the Pro Cathedral just below it. If I were a young business man, with little children in my home, having just built a house at Twenty-fourth avenue East, I should quietly call a meeting of some of my neighbors and promote the organization of a Congregational Church not far from the Normal School, as a section that needs a church of the Presbyterian or Congregational type, and needs it now. The Normal School is steadily growing; the church that is located within easy reach of that school is bound to make its impress upon the coming teachers in all this northern section

### The Pastor's Annual Report—Continued

of the state. Furthermore such a church can command the support and minister to the religious needs of a steadily growing number of settled households.

It is sound church-experience, that a church building to be effective must be located within easy distance of its people. Some of the most influential and powerful churches in America today were started in what is now the business section of a city. Later, as population moved outward, the church followed its people to the section where they congregated. Our own Plymouth Church in Minneapolis recently disposed of its down town property and built a \$250,000 edifice within reach of its people in a suburb. Situated there, the church is taking on new life; a large Sunday School is being built up from the homes of their own people and their neighbors; had that church persisted in maintaining itself several miles from its people it would be waning. Such a move is by no means a retreat; it is a genuine advance. The easy thing would be to stay down town and hold the fort, until the ammunition is all exhausted. The heroic thing is to occupy higher ground, and win in the end larger things.

I have been making a map of our parish, plotting streets and locating every family in which we have one or more church members. The church directory for 1905 makes possible a comparison. In 1905 Pilgrim Church had west of Lake avenue 40 families. We now have ten families. Between Lake avenue and Tenth avenue east we had seven years ago 75 families. We now have 35. East of Tenth avenue we had 75. We now have 115. Totals, in 1905, 190 families; in 1912, 160 families.

At present, west of Tenth avenue east, we have but 45 families. East of Twentieth avenue east we have 62 families. In 1905, if our building had been set in the center of the church population, so that as many families were east of it as were west of it, it would have stood at Eighth avenue east. Today the center lies at Sixteenth avenue east. It has been moving eastward these seven years at the rate of over a block a year, and the end is not yet.

In the light of these facts, we may well ask two questions. What is the probable future of our Church if we remain on the old site? Our region is less residential and we have a very slight personal hold on the neighborhood. If we hire church visitors and build a modern parish house, we shall simply bring our work to the standard of efficiency of our two neighbors. They have the inestimable advantage of many families in this locality. We may scour the hotels, and get hold of some transients. Meanwhile our own people are largely located from one to three miles away. I know there are some who will cleave to this church as long as the church lives. But some have left us within the past ten years. We are winning few new families in the east end. A number of our east end people send their boys and girls to other Sunday Schools. That means that we are unable to care for our own children. Just now there is

### The Pastor's Annual Report—Continued

ample money for current expenses; how will it be fifteen years hence? If the supply of youthful material fails and funds for maintenance gradually dwindle, eventually Pilgrim Church must pass from the map of Duluth forever.

What may be the future of this Church if within a reasonable time we sell the Lake avenue property, and erect a new church home somewhere east of Sixteenth avenue east?

(1) We shall hold our own people. The people in the western portion of the parish are just as loyal as are the people in Woodland, or in the Twentieth avenue section; they will take the car and go towards the morning sun at the hour of worship. By providing near-by Sunday School facilities for our boys and girls we shall stop the steady loss of our own young people and their families.

(2) We shall stand as a strong church, with a new and handsome building, in a section where hundreds of young people are now living and more are soon to build homes. With our remarkable constituency of leading men and women, we are destined to attract and win many families, and to furnish them the inspirations of the religious life.

(3) The resources of Pilgrim Church, personal and financial, will increase, and not diminish; and we shall be able to do larger things for the downtown section through the Y. M. C. A., the Y. W. C. A., the Bethel, or in union mission work, as the opportunity may arise.

(4) Pilgrim Church has always been known as a church which trains and furnishes leaders for the higher life of Duluth. In the new location we could even more abundantly fulfil that peculiarly important function in years to come.

(5) In the whole process of building a new church we shall find a wonderful harmony and joy. The old sinking at the heart, which you have all at times felt as you have contemplated the gradual waning of the power of this old church will give way to a feeling of hope and exultation, as together we sacrifice, as the fathers of 1887 sacrificed, that this Church may have a beautiful and substantial home, in the right location for the best service.

(6) The influence of such a church upon the students of the Normal School is not to be forgotten; to set this church over against those hundreds of young people, each a future leader in our state, will be fraught with untold blessing to multitudes.

The Pastor felt it his duty to lay this matter informally before a group of our church men last Sunday evening, about 40 being present. This representative gathering was of one heart and one mind in the conviction that Pilgrim Church, so far as its people are concerned, has already gone into the east end, and that, as soon as the necessary business arrangements can properly be made, the building ought to follow the church. We were told by the Chairman of the Board of Trustees that

## The Pastor's Annual Report—Continued

certain financial investigations should first be made. These investigations concern three matters. First, the selection of a suitable lot, and the securing of an option thereon; second, the canvassing of the market for a possible sale of our present property, and third, the estimate of the cost of a new edifice and the ability of the people to meet the outlay.

There are plenty of available lots in the section in question. We cannot expect to realize full value for our present property, but prospects for a favorable sale are bright.

As to the cost of a new edifice, opinions will widely differ. The wise church today extends the process of erecting and financing a new building over a term of years. There are two ways of doing this. One is to build in two sections, erecting first a commodious parish house, or chapel, and later, adding the main church. The other is to erect a complete building, securing immediate subscriptions, large and small, payable in two or three annual installments, as the givers prefer. It is rarely the case that a church building is dedicated free from encumbrance; which simply means that Christian people often prefer by extending their giving through a mortgage over a term of years, to build a House of God that will be a joy to all beholders, and a delight to their children's children. My impression is that when Pilgrim Church builds, she will build something as much in advance of the present churches of Duluth as this old building was in advance of its neighbors, when it was erected.

It is my firm conviction that by 1915 Pilgrim Church should be doing its business from a center between Sixteenth and Twenty-fourth avenues east. I would therefore close this report with the following recommendation:

"Resolved, that a committee be chosen to make immediate investigation as to an available lot in the east end for a new church edifice, and to secure an option thereon if deemed advisable; to look into the matter of securing a purchaser for the present Lake avenue property; to obtain the necessary facts as to the cost of a new edifice, and to report their findings to the Church."

CHARLES N. THORP,  
Pastor.

## Proposed Benevolences for 1913

On recommendation of the Missionary Committee, the church at the annual meeting voted to adopt "The Apportionment Plan," in accordance with which the sum of \$1,445 should be raised by Pilgrim Church for benevolences during the current year, thirty-eight per cent to be for foreign missions and sixty-two per cent for the home work, the money to be divided among the following nine societies in the proportions indicated:

### For Foreign Work.

American Board .....	23%
Woman's Board of Missions of the Interior.....	15%

### For the Home Land.

Minn. Woman's Home Missionary Union.....	15%
Minn. Congregational Home Missionary Society.....	24 1/4 %
American Missionary Association.....	5 1/4 %
Church Building Society.....	6%
Congregational Education Society.....	4 1/2 %
Congregational Sunday School and Publishing Society.....	5 1/2 %
Ministerial Relief .....	1 1/2 %

It will be noted that in accordance with the above schedule 23% of the whole amount or \$332.35 will go to the American Board. The church has, however, undertaken for several years past to pay to the American Board \$525 toward the support of Rev. Herbert M. Irwin, our Missionary Pastor. For this reason the missionary committee made the further recommendation that the additional sum of \$192.65 be raised to complete the amount pledged for Mr. Irwin. This recommendation was adopted, making a total of \$1,637.65 which it is proposed to raise for missionary purposes during the year 1913, as against \$1,503.80 contributed in 1912.
