Mrs. Anna Fargo, mother of Mrs. R. M. Weaver, died on Friday, January 30th, aged seventy, after a long illness. The funeral was held from the Weaver residence on Saturday. Rev. J. A. McCaughey conducted the service and the remains were taken to Minneapolis for interment.

Samuel B. Capen, best known to Congregational people as President of the American Board of Commissioners for Foreign Missions, died suddenly of pneumonia at Shanghai, China, Thursday January 29th. He was on a tour of inspection covering the Board's oriental mission stations. Mrs. Capen and their daughter were with him.

Church Notes

The churches in Duluth will observe go-to-church Sunday, February 22.

Special attention is called to the pre-vesper organ program at 4:15 this afternoon.

Miss Perlina Allen and Mr. George A. Reifstick will sing with the choir at vesper service today.

Ex-Supt. Youngdahl of the Anti-Saloon League will be the speaker at our vesper service next Sunday.

Pilgrim Congregational Church, Superior, has called an ecclesiastical council for Tuesday at 3:30 to ordain and install Rev. C. J. Armstrong as pastor. Our church will be represented by Mr. E. D. Field, delegate, and the pastor. Others are cordially invited to attend.

The following schedule of pianists for Thursday evening meetings is announced: February, Miss Alice Field; March, Miss Ruth Geddes; April, Mrs. W. D. McGill; May, Miss Winifred Warner; June, Mrs. E. W. Matter; July, Mrs. B. C. Wade. Exchanges may be arranged when convenient, each pianist being responsible for her month.

Four weeks from today the March Communion will be observed. Members of other churches, now attending Pilgrim Church, are requested to send for their church letters without delay. Each member of our church may help to secure new members by earnestly presenting the invitation to those of their acquaintance who have not yet accepted Christ.

There was a good attendance at the all-day meeting of the Ladies' Union held in the parlors last Wednesday, the work in hand being the making of surplices for our vesper choir. The luncheon at noon was well patronized by the men. At the business meeting Mrs. W. W. Sanford was appointed to send a letter of sympathy to the family of the late Mrs. Minnie Coburn whose sudden death two weeks ago brought sadness to the hearts of her associates and co-workers in this church.

Church Notes

Persons wishing to unite with our church by letter or on confession of faith will meet with the Standing Committee after Thursday evening meeting this week.

Today at Vespers the Pastor will give the third talk on messages of the great modern poets. The address today will largely deal with Tennyson's In Memoriam.

The consummation of the "Go to Church Sunday" movement in Duluth will be reached next Sunday when every one is especially invited and expected to "go to church." Pilgrim Church has 472 members and there are perhaps 800 people whose religious life centers here. To each of these the Pastor would extend an urgent personal invitation to be present at the services next Sunday. Come and bring a friend.

A library table has recently been installed in the public reading room of Bethlehem Congregational Church, International Falls, the gift of the Friends in Council, the Young People's Society and individuals in Pilgrim Church. Bethlehem Church was reorganized recently with twenty members, mostly new, eight of them being men. Rev. E. L. Heermance is pastor and the church is launching out into many much needed lines of social service.

Other Notices for the Week

WEDNESDAY, 3:00 P. M. The regular meeting of the Ladies' Union will be held in the church parlors. A full attendance is requested.

6:00 P. M. The Duluth Christian Endeavor Union will give a banquet in honor of Rev. Daniel Poling, a prominent temperance speaker of New York, in the parlors of the First Presbyterian Church. Tickets for the banquet at fifty cents each, may be obtained from Mr. Louis E. Wade. Following the banquet Dr. Poling will address a mass meeting at eight o'clock in the audience room of the same church. All members of our Young People's Society should be present.

7:30 P. M. The choir will meet for rehearsal in the church.

THURSDAY, 10:30 A. M. The Day of Prayer for Missions will be celebrated by the Duluth Missionary Union in a meeting at the First Baptist Church, corner of First street and Ninth avenue East, beginning at half past ten in the forenoon and continuing during the day. An interesting program which will be published in full in the daily papers, has been arranged. The women of the Baptist Church will serve a basket luncheon at noon. The members of our Women's Missionary Society are cordially invited. Those who will attend are asked to notify Mrs. A. G. Strong before Wednesday.

7:45 P. M. The Preparatory Service will be conducted by the Pastor in the vestry. The minutes of recent church meetings will be read by the clerk, and action will be taken on the names today propounded for membership. This service is always helpful. Every member of the church is expected to attend.

FRIDAY, 7:30 P. M. There will be an entertainment in the parlors, given by the Men's Bible Class for the members of our Sunday School and their friends. Mr. W. W. Sanford will give an illustrated address on "Our Friends in Feathers and Fur; and Some Others." The entertainment will be free to all, a pleasant token on the part of the Men's Class, of their interest in the school. The boys and girls will find this a most enjoyable evening, and they are especially invited to bring their friends.

Special Notice

Have you secured your package of duplex envelopes? If not, and you wish to be a regular contributor to the support of the church, sign a pledge-card, which you will find in the pews, and place it in the offering today. You will receive from the treasurer a set of numbered and dated envelopes, so made that in each envelope you can make your weekly offering for church support and for missions. It is desired that every member of the congregation should use a set of these envelopes and have a regular part in the support of our work at home and abroad.

Special Lenten and Easter Music

Beginning next Sunday afternoon and continuing throughout the Lenten and Easter season, special emphasis will be laid upon the vesper music, a feature being the fifteen-minute organ program at a quarter after four.

The service next Sunday afternoon will be devoted largely to music, the choir rendering among other things two or three numbers (including the well known "Sanctus") from Gounod's beautiful and famous Solemn Mass to St. Cecilia, parts of which have been given since Christmas.

On Palm Sunday, April 5th, "The Seven Last Words of Christ," by Theo. Dubois, will be sung entire. This is one of the most beautiful of modern choral works, the annual presentation of which is becoming an impressive accompaniment of the Lenten season in the musical centers of the country. Single numbers from this cantata will be sung at intervals during March, and on one Sunday the music of the afternoon will be by the Apollo Club, the exact date to be announced later.

Church Notes

At the Vesper Service today the chorus will for the first time appear in the new vestments, the gift of the Ladies' Union.

The March Communion Service will be held next Sunday morning, when new members will be received into the church.

The pastor goes tonight to Minneapolis to attend a meeting of the directors of the Minnesota Congregational Missionary Society.

Strangers in the congregation today are heartily welcomed. They are requested to remain after the service that the pastor and people of Pilgrim Church may meet them personally.

The business session of the Ladies' Union on Wednesday will be followed by a social half hour for the introduction of new members. Tea will be served by the Young Matrons' Circle.

It is desired on this "Go To Church" Sunday that every person present, whether a stranger or not, should sign one of the registration cards and place in the offering. This will be of service in determining those who were at church today. Possibly the reader of this note may have for some time neglected attendance upon church services. If so, we earnestly suggest that you set yourself to recover this good habit of worship, by coming again next Sunday, and regularly thereafter. It will help you and it will help the life and work of the church.

The following ushers were elected Thursday evening to serve during the current church year: For the Morning Service, W. O. Falk, J. P. Johnson, C. E. Lovett, H. U. Moore. For the Vesper Service, twelve men were elected, to serve month by month in groups of four, February, May, November, E. N. Edes, J. A. Kerr, H. C. Manley, Dr. A. G. Schulze. March, June, December, Lloyd Burg, D. C. Duncan, G. G. James, A. W. Taylor. April, October, January, C. H. Dunning, A. L. Goodman, W. S. Horr, R. H. Maynard. Dr. Schulze is chairman of the Vesper ushers and any desired exchanges may be made through him.

Is repentance frequent in the life of the average faithful Christian? Comment upon New Testament men who were penitent.

Special Notice

The Ladies' Union has arranged for a concert by the University of Minnesota Glee Club, in the church, on the evening of Friday, March 20th. Reports received from cities where the club has sung this season indicate that with better voices and better training than ever before, and with the assistance of two well known artists, the club will give a program here that will appeal not only to those who enjoy college songs and fun but also to lovers of good music. The ladies bespeak a cordial reception from members of the congregation who will be asked during the week to subscribe for tickets.

College Night

Pilgrim Church has perhaps never had a more interesting and inspiring midweek service than that of last Thursday evening when an unusually large number gathered to listen to the reading of letters from our undergraduates who are now away at school, telling of the religious life in the various colleges and universities where they are studying. Letters were read from eight of these and reports from five others were made by alumni who were present, making a total of thirteen institutions reporting as follows: Wellesley, Oberlin, Beloit, University of Pennsylvania, Olivet, Mt. Holyoke, University of Colorado, Smith, Carleton, Bowdoin, Amherst, Dartmouth and University of Minnesota.

These reports indicated without exception that religious work in the institutions named was never as well organized as at present and that at nearly all, the prevailing spiritual atmosphere is such that it would be difficult for any student to escape its influence.

As the Pastor fittingly said in his closing remarks: "It is a matter for thanksgiving and encouragement and augurs well for the nation that the young people of our country, who are to be its future leaders, are each year in increasing numbers going out from such centers not only of learning but of religion."

Church Notes

The Pastor preached last Sunday evening at Lakeside Presbyterian Church and on Tuesday evening at Fond du Lac.

At the midweek service Thursday evening, February 26, a letter was granted E. H. Wieland to Peoples Congregational Church, St. Paul.

The special offering taken at vespers on Sunday, February 8th, for the Minnesota Anti-Saloon League amounted to \$78.50 in pledges and \$5.23 in cash.

The attendance at our church on "go to church" Sunday was as follows: Morning service, 437; Sunday School, 206; vespers, 222; Young People's Society, 35; making a total of 900.

Mrs. Mary E. Wilson, widow of the late Frank S. Wilson, died at the home of her son, Mr. Coryate S. Wilson, on Monday, March 2nd, aged seventy-seven. The funeral was held on Wednesday, the Pastor conducting the service.

The superintendent and teachers will conduct the entertainment and refreshments will be served by the ladies of Circle Number Three. There are fifty-seven boys and girls in this department.

SPECIAL NOTICE.

The attention of the young people of the congregation not members of the Church is directed to the Pastor's invitation for meetings at the Manse Tuesday afternoon at 4:30 and Tuesday evening at 7:30 at which time classes will be organized as noted elsewhere. Parents and teachers are requested to lend their cooperation in the formation of these Pastor's classes.

GLEE CLUB CONCERT.

The Glee Club which is to sing in concert next Friday evening is composed of the finest voices ever sent out by the University of Minnesota. Mr. Carlyle Scott, head of the department of music, and director of the club, carefully selected and drilled the present members from two hundred applicants to represent Minnesota on a tour to the Pacific coast this winter. Mr. Balch, the manager is basso in Plymouth Church choir and many of the men are members of the renowned Apollo Club of Minneapolis. Earnest Golden is a talented young pianist of more than local fame and Mr. Grindelund, tenor soloist, has a voice of rich bell-like quality. Mr. William MacPhail is the artist selected to assist the Glee Club and his two groups of violin solos will delight the most critical. Tickets may be secured from any member of the Ladies' Union. Price \$1.00. One ticket admits two students.

CHURCH NOTES.

The Pastor will preach at the Lakeside Presbyterian Church this evening.

A letter to the Pastor from our Missionary Pastor, Rev. Herbert M. Irwin, will be read at the morning service today.

At the midweek meeting last Thursday evening letters to First Congregational Church, North Yakima, Washington, were granted the following persons: Gustav Charles Kohagen, Mrs. Augusta M. Kohagen, Clifford Willard Kohagen, Elmer Chauncey Kohagen and Walter Melvin Kohagen.

In accordance with the custom of previous years noon meetings will be held at the Lyceum Theatre March 23rd to 28th. The meetings will be under the direction of the First Methodist Episcopal Church, but they are planned in the interest of the whole city, and in the hope that every church will gain some benefit.

An enjoyable feature of the music at Vespers next Sunday afternoon will be two selections by the Apollo Club. The Club numbers thirty-five well trained voices under the direction of Mr. Geo. H. Madison, and will sing Kipling's "Recessional" by De Koven and "Lead Kindly Light" by Dudley Buck. The club has attained a prominent position among the musical organizations of the city and those who have heard them in concert will not need to be told that their singing will add much to the impressiveness of our service.

Church Notes

It is with peculiar pleasure that we welcome Rev. C. J. Armstrong, of Pilgrim Church, Superior, who will occupy the pulpit at morning service, in exchange with the Pastor.

Rev. Paul S. Nweeya, recently in charge of our churches at West Duluth and Fond du Lac has accepted a call to Minneapohaha Congregational Church, Minneapolis.

The Pastor spoke on "The Simple Life" at the annual banquet of the Y. W. C. A. last Tuesday evening and the following evening addressed the Discussion Class at the Y. M. C. A. on "The Life of John G. Paton."

Special attention is called to the meeting of the Young People's society immediately following the vesper service today. The Pastor will lead the meeting and it is hoped that every member of the society will be present.

Members of the congregation who are in arrears on their missionary subscriptions are requested to pay the same before April 1st as on that date Mr. H. I. Pinneo, the treasurer of the benevolent fund must forward his remittances to cover the past quarter.

An audience of four hundred people greeted the University of Minnesota Glee Club at the concert in the church on Friday evening. The concert was a success in every way. The program was most enjoyable and the financial returns while not yet fully reported are known to be satisfactory. The reception, in the parlors, following the concert was attended by a large number.

How do these gigantic operations reveal vast possibilities for moral and spiritual undertakings? Is the Church aware of God's deep interest in her plans and progress? On what basis is a man's work to be judged?

FRIDAY, 3:00 P. M. A Mother's meeting will be held in the vestry, for the mothers of children in the Cradle Roll, Primary and Junior departments of the Sunday School. Dr. A. G. Schulze will speak on "A Physician's Suggestions to Mothers." Circle Number Four of the Ladies' Union will serve light refreshments.

Special Notice

Our May Communion, occurring the first Sunday in the month, will see a considerable number of additions to our church membership. Persons in our congregation who are members of churches elsewhere should write at once for their letters, and take their place in the inner circle of those who are willing to be known in this church as the loyal servants and friends of Jesus Christ. Every person among us who has never joined the church should seriously consider two personal questions within the next few weeks: "Is there any valid reason why I should not come out and report my decision henceforth to live a Christian life as a member of this church? Is there not every reason why, in my own interest, and for the sake of bearing my part in the real work of the Christian church, I should at once place my life, for what it is worth, on the side of the church and that which the church represents?" These are vital questions, of supreme importance, not lightly to be set aside.

THE PASTOR.

Palm Sunday Vesper Service

The vesper service next Sunday afternoon will be devoted to music beginning with the usual organ program at 4:15. Miss Rogers will play the first movement of Tschaikowski's wonderful "Pathetic Symphony," perhaps the most popular of all modern orchestral compositions, arranged for the organ for this occasion, and the choir will render entire Theodore Dubois' cantata, "The Seven Last Words of Christ," a superlatively beautiful and impressive setting of the scene on Calvary.

The words of Christ are given to the tenor and baritone soloists, with a prophetic introduction for soprano. The choruses are perhaps the most dramatic feature, depicting the tumult of the mob and supplementing the solo voices with descriptive text.

Portions of the cantata have already been rendered by the choir and it is hoped that the presentation of the entire composition may become an annual part of our lenten services.

Church Notes

A daughter was born to Dr. and Mrs. A. G. Schulze on Thursday, March 26th.

The net proceeds received by the Ladies' Union from the Minnesota Glee Club concert amounted to \$150.50.

Pilgrim Church will observe Holy Week as last year by special devotional meetings from Tuesday until Friday evenings, April 7-10. The Communion Service will be held in the auditorium Thursday evening, the other meetings being in the vestry.

In previous years the Easter flowers for the church have been given in memory of friends who have entered into the life beyond. Those who may wish to make similar offerings toward the flowers for the approaching Easter may send their gifts to Mrs. Cora Stevenson, chairman of the Easter decorating committee.

On recommendation of the Standing Committee, the Church voted last Thursday evening to instruct the Music Committee acting with the Pastor to select a new church hymnal for the auditorium and to receive subscriptions from the members of the church and congregation for copies of the book chosen. Our present hymnal was secured eighteen years ago and is worn out in service.

One of the largest congregations ever gathered in our church attended vespers last Sunday and heard a most inspiring musical program. The Apollo Club, led by Mr. Geo. H. Madison, rendered three anthems with great power, showing the fine results of faithful training. The service was the more interesting because a number of the leading members of the club are young men of our own church. The pre-vesper organ program and one number by Pilgrim Church Quartet added to the impressiveness of the service.

The Seven Last Words of Christ

A SACRED CANTATA.

Music by Theodore Dubois.
English Version by Dr. Theodore Baker.

Introduction.

O all ye who travel upon the highway, harken unto me
and behold me: was e'er sorrow like unto my sorrow? For
the Lord Almighty hath dealt bitterly with me. Call me now
no more Naomi, from today call me Mara.

First Word.

"Father forgive them for they know not what they do,"
And the people clamor'd: He is death-guilty; take him,
take him, let us crucify him! Be his blood on us, and on our
children!
Then they did crucify Jesus, and the two thieves, one at
His right hand, the other at His left hand.

Second Word.

"Verily, thou shalt be in Paradise today with me. Amen,
so I tell thee."
Hear me O Lord and remember me, when Thou comest
into Thy kingdom.

Third Word.

"See O woman! here behold thy Son beloved."

See yon mother bowed in anguish
Who beside the cross doth languish
Where on high her son is borne.

Is there mortal, who not feeleth
To behold her where she kneeleth
So woeful, and all forlorn?

Fourth Word.

"God my Father, why hast Thou forsaken me?"
All those who were my friends all have now forsaken me,
and they that hate me do now prevail against me; and he
whom I have cherished, he hath betray'd me.
Even the vine that I have chosen, and that I have planted;
wherefore art thou now so strangely turned into bitterness,
that I by thee am crucified?

Fifth Word.

"I am athirst!"
And the Jews then passing by him, all did rail upon him,
and wagging their heads at him, they said unto him:
Ah! Thou wouldst fain destroy the temple; if thou be
Jesus, Son of the Father, now from the cross descend thou,
that we behold it, and believe on thee when we behold it. If
thou art king over Israel, save thyself, then!

The Seven Last Words of Christ—Continued

Sixth Word.

"Father into Thy hands I commend my soul."
For Thou art my God and my Father; Thou art my
Saviour.
Into Thy hands I commend my soul.

Seventh Word.

And with a loud voice Jesus cried, exclaiming: "It is
finished."
And He did bow His head, and rendered up His spirit.
And it was about the sixth hour; and the sun was dark-
ened, and darkness covered the earth, until about the ninth
hour; and the vail of the temple was rent, and all the earth
did quake; and the rocks were rent, and all the graves were
opened wide.

Prayer.

Christ we do all adore Thee, and we do praise Thee for-
ever; for on the holy cross hast Thou the world from sin
redeemed.

Church Notes

Mr. Roy W. Cameron and Miss Ethelyn Chubb were united in marriage by the Pastor at the Manse on Tuesday, March 31st.

The Easter morning Sun-Rise prayer meeting of the Christian Endeavor Union will be held this year at First Presbyterian Church, beginning at half past six. On account of this meeting the regular evening meeting of our Young People's Society will be omitted next Sunday.

Thousands of churches throughout the world will observe this week with special devotional services. Pilgrim Church will hold four services, beginning on Tuesday evening. If possible to be present every evening. You will find these services helpful and inspiring, especially the Communion on Thursday evening.

It is especially desirable that there be a full attendance at the meeting of the Women's Missionary Society on Wednesday afternoon as business of importance will be considered. The meeting will be at the home of Mrs. George A. Gray, 2122 Woodland avenue. Take the Woodland car leaving Third avenue West and Superior street at 2:30.

In accordance with the custom of previous years a special Easter collection will be taken next Sunday, the proceeds to be used by the Ladies' Union in liquidating the mortgage indebtedness on the Manse, or for such other purpose as may be found by the ladies to be desirable. It is hoped that our congregation will respond with a liberal offering.

Pilgrim church people are advised to attend the vesper service this afternoon and to spread the invitation as widely as possible among their friends. The cantata to be sung by the choir is a celebrated musical composition of dramatic power and beauty and the faithful work in its preparation will result in one of the finest musical services ever held in this city.

A banquet preceded the semi-annual business meeting of the Young People's Society held in the parlors on Friday evening, March 27th. About forty occupied seats at the prettily decorated tables at which a chicken-pie supper was served by the social committee. The Pastor acted as toast-master and clever speeches were made by the retiring president, Louis E. Wade, and by Miss Millet Davis, Willard L. Thorp and Rollin C. Hawkes. Reports were received and the following officers were elected: President, Arden Shepherdson; First Vice President, Miss Gertrude Hegardt; Second Vice President, Louis E. Wade; Third Vice President, Gordon Hegardt; Secretary, Miss Martha Ostby; Treasurer, Harold Wieland; Reporter, Thomas L. Beatty.

The following are the new committee chairmen: Meetings, Miss Millet Davis; Missionary, Miss Dorothy Strong; Church Relations, Miss Dorothy Ericson; Hospitality, Willard L. Thorp; Recreation, Miss Anna Jeronimus; Music, Miss Eloise Wade; Finance, Rollin C. Hawkes.

A Word from the Church Treasurer

During the past week the treasurer has mailed statements of the amount unpaid on pledges for the three months ending April 1st. It is possible there may be instances of confusion or error on account of inaugurating the duplex envelope system, and the treasurer hopes that anyone getting a statement that is not correct will promptly notify him.

{A Cesarea Club

(From the Congregationalist of March 14th.)

Mr. H. M. Irwin, the missionary supported by Pilgrim Church, Duluth, Minn., writing from Talas, in the Western Turkey Mission, speaks of the success of the club work among the Moslem men and boys in Cesarea. He says: "Besides those who come through the week, we have a regular attendance Sunday evenings of from two hundred to three hundred, and although the majority of these are regular, a certain percentage, probably twenty-five per cent., are constantly changing. It is a source of wonder that audiences keep up as they do. But the habit seems to be formed and many would be completely lost without the club.

"For some weeks a low-down theater company has been performing a few doors from us, but with no appreciable effect except perhaps to increase our attendance. A couple of Sundays ago two strangers dropped in and proposed that we all, missionary included, adjourn to see the dancing girls at the theater. This brought out one champion who said: 'This is good enough for me. Sit down and watch that screen.'

"One of the men went over and examined our vellum screen and said he could not see anything wonderful about it. 'You sit down and wait until he begins to put things on it; they'll be better for you than what you will get at the theater,' piped up the regular attendant. And this was followed by a chorus of, 'Amen.' The Turks are such a reserved people that so much appreciation was very heartening. Suspicion there is and will continue to be, but outspoken opposition to the use of pictures or Bible incidents is now seldom heard. When it does occur, especially with reference to the Bible, a reference to sura so-and-so of the Koran, where something is said of the character under consideration always strikes them dumb."

Your presence will greatly encourage the Missionary Committee in their plans for next Sunday's "Every Member" canvass.

8:30 P. M. The standing committee will remain after the midweek service to meet any who may wish to unite with the church at the approaching May communion.

Special Notice

Mrs. W. O. Falk cordially invites the women of the congregation to an informal reception at her home, 2014 East Superior street, next Friday afternoon from three to half past five.

Every Member Canvass for Missions

In the past two months hundreds of churches have secured pledges sufficient to cover their missionary budget for 1914 by a quick canvass whereby every person not a regular subscriber to missions was personally requested to sign a definite quarterly or weekly pledge. It was voted by our missionary committee last Monday evening to make such a canvass of Pilgrim Church next Sunday, April 19. The work will be done in the afternoon and evening of that day by a large committee, making calls two by two. In the campaign last December, making pledges for church expenses were emphasized. The present canvass has in view the single aim and expectation of covering our entire missionary budget by weekly and quarterly pledges.

Church Notes

A letter was voted to Mrs. Julia Duncan Marble, April 7th, to the Presbyterian Church in Hibbing.

Dr. C. E. Barker of Washington, D. C., will be the speaker at the Y. M. C. A. gospel meeting this afternoon. The meeting will begin at 3:30. All men are invited.

The regular evening meeting of the Young People's Society will be omitted today on account of the union Sunrise meeting this morning in which our young people participated.

Every one is asked to remain to the Easter exercises of the Sunday School immediately following the morning service. There will be special music and a short address by the Pastor.

Attention is called to the meeting of the Brotherhood tomorrow evening. Major E. D. Peek and Mr. Harry G. Gearhart will be the guests of honor. A full attendance of our men is requested.

Special attention is called to the concert by the Apollo Club at First Methodist Church on Tuesday evening. The music furnished by the club at our vesper service three weeks ago today was greatly enjoyed and the concert will afford an opportunity to hear the club in a more pretentious and extended program.

Mr. Harry G. Gearhart, for nearly fifteen years a member of Pilgrim Church Quartette, has resigned his position and at his urgent request the music committee has accepted his resignation. During his long connection with the choir Mr. Gearhart has rendered services of a conspicuously high order and of our people. It is expected that his successor, Mr. David A. Soderquist, recently of Chicago, will sing with the choir next Sunday.

8:45 P. M. Following the midweek service there will be a meeting of the Standing Committee to confer with those who are to unite with the church at the May Communion.

Special Notice

Today has been set apart by the Missionary Committee of our church for the Every Member Canvass. During the afternoon and evening calls will be made by a committee of men upon those in the church and congregation who are not at present giving regularly for the missionary work of the church at home and abroad. It is hoped that a definite weekly or quarterly pledge, the amount to depend upon the ability of the individual, will be cheerfully made to the representatives of the missionary committee when they call. It is also desired that the persons to be seen will be at home, as the work must be fully completed today. Hitherto our church has met its apportionment through the giving of only part of the people. After this campaign it is hoped that we may report next Sunday that as many people are giving to missionary work as are contributing regularly to the church expenses.

Proposed Benevolences for 1914

Our apportionment, which last year was \$1,445.00, has been increased to \$1,600.00 with slight changes in percentages as follows:

Mrs. Thorp returned on Friday evening from Minneapolis,
where she represented Pilgrim Church at the annual meetings
of the W. H. M. U. and the W. B. M. I.

Annual Meetings of the W. H. M. U. and the W. B. M. U.

The forty-second annual meeting of the Minnesota Home Missionary Union and the thirty-seventh annual meeting of the Minnesota Branch of the Woman's Board of Missions of the Interior were held April 21-23 in the Fifth Avenue Congregational Church, Minneapolis. Seventy-six delegates were registered.

A delightful banquet was tendered Miss Margaret J. Evans, for thirty-five years president of the Minnesota Branch. The toasts expressed deep appreciation of her long and faithful service. Mrs. Lowell E. Jepson was elected her successor. The W. H. M. U. re-elected Mrs. E. A. Tupper president. The next annual meeting will be held in Plymouth Church, St. Paul.

A wonderful talk was given by Mrs. J. B. Ferguson of Graceton, showing the need of northern Minnesota, from her experience as a homesteader. For two years she did not hear a sermon, and "then the valiant Howard" came, bringing faith and hope. It is the prayer of Supt. Leshner that someone will give \$50 a month for five years to put another missionary into northern Minnesota.

Miss De Busk told the pitiful story of work in New Mexico, and the great longing of the girls and boys for an education. She suggested that if we had spent more for missions we should now be spending less for war.

We were inspired by the presence of our own missionaries, Miss S. L. Peck, of Adana, Turkey, Dr. J. K. Greene, for fifty-one years at Constantinople, and Rev. and Mrs. Henry Fairbank of Ahmednagar, India. The great problem in India is how to reach the women. The native bible-women who go about in the homes telling the story of Christ are doing much to solve this problem. Sixty dollars a year will support a bible-woman.

A touching memorial service was held for Miss Eunice Atkins, our missionary for six years in Erzroom, Turkey, who died of smallpox only a few weeks ago. "She was robust, athletic, fun-loving, true and tried." Herignaz Haragimian, the Armenian girl whom Miss Atkins sent to St. Cloud to be educated, said that Miss Atkins brought love into their lives, and taught them that they must answer when Christ calls. She prays that some of Miss Atkins' friends will go out to take up her work.

Prof. Fred B. Hill of Carleton college believes that no one can be a good Christian who is not interested in missions. He said that the dynamic of the missionary enterprise is the heart of God as revealed on Calvary.

One of the strongest addresses was given by Supt. Leshner. He spoke of the power of the spirit of Christ when allowed to control our lives.

The call from all parts of the world was frequently sounded for more workers, more money and more prayer, and it was with earnest hearts that we offered the prayer of Christina C. Rossetti as printed on the program:

O Faithful Lord, grant to us, I pray Thee, faithful hearts devoted to Thee and to the service of all men for Thy sake. Fill us with pure love of Thee; keep us steadfast in this love; give us faith that worketh by love and preserve us faithful unto death. Amen.

Church Notes

Mr. David A. Soderquist, the new leader of music in the Sunday School, is arranging to organize and train a boys' choir.

The flowers which adorn the church this morning were given by two mothers, Mrs. Rose Knowlton and Mrs. Ellen Wood, in memory of their children, Mr. Frank Knowlton and Miss Ethel Wood.

The sympathy of this congregation is extended to Mrs. A. G. Schulze, whose mother, Mrs. Margaret K. Stewart, died at her home in St. Anthony Park, St. Paul, on Saturday, April 25th, aged sixty-three.

Two members of the Men's Bible class celebrated birthdays last Sunday, April 26th, Mr. Marcus W. Bates, aged seventy-four, and Mr. S. W. Clark, aged seventy-one. The class unanimously adopted congratulatory resolutions appropriate to the occasion.

The monthly missionary program will be given at the opening exercises of Sunday School today. Miss Everita Edes will give a recitation. Miss Edith Shearer will explain the work of the Church Building Society. This will be a good day on which to visit the school.

Pilgrim Church will join with thousands of churches throughout the land in observing next Sunday as Mothers' Day. The beautiful custom of wearing a white carnation or other blossom in honor of our mothers is recommended. The sermons at both services will be in keeping with the thought of the day.

Men and women in the congregation are cordially invited to attend one of the Bible Classes that meet in the auditorium soon after the morning service. Mr. W. W. Sanford leads the men in a general study of the books of the Bible. The Women's Bible class follows the International Lessons under the leadership of Mr. W. W. McMillan. The Philathea class welcomes young women to their sessions led by Mrs. W. S. Horr, in the vestry.

With the members welcomed today the membership of Pilgrim Church reaches the number of 513, by far the largest in the history of the church. Within the past eighteen months 126 persons have been received into membership. In forecasting the work for the present year the pastor suggested that we endeavor to secure 100 new members. Forty-seven have been received thus far and with the united effort and prayer of the people we shall hope to reach the goal set before us before the close of 1914.

The canvass to enlist interest in our missionary benevolences conducted two weeks ago resulted in securing a gratifying number of new pledges. The total amount pledged for the current year now amounts to \$1,950.00. The Missionary Committee, of which Mr. H. B. Paull is the chairman, is desirous that every member of the congregation should have a part in this important work. Some may have been overlooked in the canvass. Any such may hand their pledges to Mr. Paull or to the Pastor.

The New Confession of Faith

(Adopted by the National Council of Congregational Churches at Kansas City, October 25th, 1913. Published in the Bulletin of November 9th, 1913, and re-printed here by request.)

We believe in God the Father of infinite wisdom, goodness and love; and in Jesus Christ His Son our Lord and Saviour, who for us and our salvation lived and died and rose again and liveth evermore; and in the Holy Spirit, who taketh of the things of Christ and revealeth them unto us, renewing, comforting, and inspiring the souls of men.

We are united in striving to know the will of God as taught in the Holy Scriptures, and in our purpose to walk in the ways of the Lord, made known or to be made known to us.

We hold it to be the mission of the Church of Christ to proclaim the Gospel to all mankind, exalting the worship of the one true God, and laboring for the progress of knowledge, the promotion of justice, the reign of peace, and the realization of human brotherhood.

Depending, as did our fathers, upon the continued guidance of the Holy Spirit to lead us into all truth, we work and pray for the transformation of the world into the Kingdom of God; and we look with faith for the triumph of righteousness and the life everlasting.

Address List of Resident Members of Pilgrim Congregational Church and Congregation

Duluth, Minnesota, May 15, 1914

A Word From the Pastor

This Address List contains the names of members of Pilgrim Church who reside in Duluth, including those temporarily absent attending school or college. It does not include the names of those members who reside in other places. These names appear in the church records, but the present List is compiled to assist the local work of our Church and its organizations.

The List also includes the addresses of adults, not members of the Church, who regard themselves as attendants at Pilgrim Church. It also includes members of the senior department of the Sunday School. It is almost impossible, with the utmost care, to make such a list complete. The Pastor and Clerk would be grateful to have any errors or omissions reported to them, that they may be mentioned in the Bulletin.

Names of church-members are indicated by the year in which they joined, which follows the name. It is hoped that within a short time those whose names lack this date mark will become members, either by letter or on confession of faith.

Care has been exercised in the distribution of these lists, so that every person or family receives at least one copy. Other copies may be secured after any service. If every person herein named were a regular attendant the Church would be filled at every service. The reminder that you belong to our church household is also a reminder that your place in the family circle should not be left vacant.

You are requested to study this list with great care and to preserve it for frequent reference. Our Church is not large. It is your duty and privilege to become personally acquainted with everyone mentioned in this book. Begin by getting into touch with those who live in your own vicinity.

Space has been left after each letter for the insertion of new names from time to time. As new members are received, be sure to write them into your copy. Keep the street addresses corrected as you learn of changes that may occur.

It is of the utmost importance that persons or families among our people when changing their residence, should report the new address to the Pastor at once.

CHARLES N. THORP.
Pastor

Church Notes

Mrs. Wally Heymar George and Mr. Warwick Martin will assist in the musical program at the vesper service today.

There will be a special musical program at vespers next Sunday afternoon, this being the final appearance of the chorus choir before disbanding for the summer.

Mr. Geo. Tibbitts of New York city will give an illustrated lecture this afternoon at the Y. M. C. A. at 3:30. Mr. Tibbitts is said to be the equal of Burton Holmes in this kind of work. Both men and women are invited to this special program.

The new address lists of the adult resident members of our congregation are now ready and will be distributed today after service. Mr. E. D. Field will have charge of the distribution assisted by Mr. W. W. McMillan, Mr. H. W. Nichols and Mr. H. B. Paull. It is desirable that at least one copy of this directory be in each family of our church household.

Annual Meeting of the Duluth Association

The Seventeenth Annual Meeting of the Duluth Association was held May 19-20 at Aitkin. Mrs. W. W. Sanford and Mr. and Mrs. Thorp represented Pilgrim Church. Six years ago the Aitkin church decided to disband the Sunday School, give up all services and devote themselves, without a pastor, to building a new edifice. They tore down the old building and a year ago called Rev. W. E. Hammond from Chicago Seminary. They were then worshipping in the new basement and last Sunday they were some new building was dedicated.

Registrar Harris reported the largest attendance of delegates for seven years. Reports were received from most of the churches and from Rev. G. P. Sheridan, delegate to the National Council. The new Statement of Faith, which appeared in a recent number of the Bulletin was adopted. It was also voted to increase the per capita tax to ten or more cents per member in order to cover the expenses of the association, as well as state and national expenses. President Cowling of Carleton brought the discussion, "The Newer Congregationalism" to an interesting climax by giving a sketch from his forthcoming report as chairman of the commission for reorganizing our seven societies. Dr. Cowling's associational sermon on "The Relation of Sin and Sorrow to Character-Building" was searching and powerful. He showed the folly of those who dismiss the entire subject of sorrow and sin by denying their existence. Paul was a greater Paul because his thorn in the flesh tested and developed his character. The Communion service was administered by Rev. H. R. Harris and Secretary Sutherland. Delightful fellowship exists between Mr. Hammond and his Methodist neighbor, Rev. A. L. Richardson. Mr. Richardson told how they "made calls together and fished together." He also related how the closing of the Congregational Sunday School six years ago had actually reduced the attendance at his school. The resumption of activities at our church had so stimulated his people that the two churches have gained this past year more than a hundred members and the Methodists are breaking ground for a new building.

By far the strongest single feature of the meeting was the Women's Missionary Hour. Mrs. Sanford treated the subject, "The Challenge of Awakening Nations" in a graphic and spirited address showing that the world's future demands the training of Christian leaders for the Orient. She was followed by Mrs. L. E. Jepson, the new president of the Minnesota Branch of the W. B. M. I. She gave an interesting story of recent visits to Fiske University and to Dr. Proctor's great institutional Congregational Church in Atlanta.

The closing session brought the delegates and local church people about the banquet tables. The exercises were presided over by Deacon Hamilton, the local editor and postmaster. The Relation of the Layman to his church, his Sunday School and his denomination was discussed with an admixture of wit and wisdom by Dr. Bray of Biwabik, Christian Pruhn of Brainerd and Rev. C. N. Thorp. Felicitous resolutions from the pen of Rev. D. T. Jenkens of People's Church, Brainerd, voiced the appreciation of the delegates for the delightful hospitality of the Aitkin church and people.

Next May the joint meeting at Superior will bring together the Superior Convention and the Duluth Association. C. N. T.

Church Notes

Strangers within our gates today are heartily welcome. They are urged to remain after service that the pastor and people of the church may give them personal greetings.

There was no midweek service last Thursday on account of the storm. The patriotic program announced for last week will be given at the meeting next Thursday evening.

Two weeks from today will be Children's Sunday. At the morning service parents will present their children for baptism. The vesper service will be in charge of the Sunday School.

Any person who did not secure a copy of the new Pilgrim Church address-list last Sunday may receive one after service today at the rear of the auditorium. The distribution is in charge of Messrs. Field, Paull, Nichols and McMillan.

The Pastor will be absent next Sunday, preaching the baccalaureate sermon at Carleton College. The graduating class includes two members of Pilgrim Church, Arthur W. McMillan and Ray E. Phillips. Our pulpit will be supplied at both services by Sec. Everett Leshar of Minneapolis.

We are favored this morning in the opportunity to hear Miss Honora De Busk, for several years engaged in teaching in New Mexico, in schools of the Congregational Education Society. Miss De Busk was born on a ranch in Colorado, educated in Tillotson Academy and Colorado College and has given her life to the cause of education along our Mexican border. The intense interest of all thoughtful Americans in Mexican problems gives her message a special timeliness.

The music at vespers today will be of special interest. The program, one of unusual merit, will be the last in which the chorus will sing this season. Pilgrim Church extends appreciative thanks to the members of the chorus who have rendered such faithful and artistic service. The popular appreciation of their work was notably shown on Palm Sunday when it was necessary to carry in chairs to accommodate the great congregation. We wish for the chorus a good vacation and anticipate their renewal of service in the early autumn.

The Meeting of the Young People's Society, 5:30

SUBJECT: "The Purity Verse." Matt. 5:8. Mr. John D. Heimick will lead the meeting.

Other Notices for the Week

MONDAY, 6:15 P. M. The Brotherhood will meet in the church parlors. Supper will be served at half past six o'clock and the program of the evening will follow. Mr. E. W. Peck, state secretary of the Y. M. C. A., will be the speaker. This will be "Ladies' Night" and the final meeting of the season.

TUESDAY, 6:30 P. M. The Philathea Class will be entertained at a picnic supper at the home of Mr. and Mrs. J. H. Lee, 124 East Winona street, Woodland.

WEDNESDAY, 2:30 P. M. Circle Number One will meet with Mrs. C. F. Colman, 2231 Woodland avenue, Hunter's Park.

THURSDAY, 7:45 P. M. The usual midweek service will be held in the vestry. The subject will be the Twenty-third Psalm. This is one of the passages in the Bible that most Christians can repeat from memory. Think it over carefully and determine which are its most helpful and precious suggestions.

Special Notice

The Third Session of the Duluth Extension of the Minnesota Summer School of Missions will be held in the Y. W. C. A. building, corner of Second avenue West and Second street, June 10th to 16th. There will be morning and afternoon sessions daily with interesting speakers and special music. The text books used will be "The Child in Our Midst" and "In Red Man's Land." The teachers will be Mrs. D. B. Wells and Mrs. H. L. Hill. The Bible study classes will follow a course on "The Acts of the Apostles" arranged by Mrs. J. D. Morrison. Leading clergymen of the city will contribute to the program, our pastor conducting the devotional service Saturday morning. The morning sessions will begin at 10:00 and the afternoon sessions at 2:00. Course tickets at 50 cents each may be obtained from Mrs. W. G. Hegardt or Mrs. F. A. Grawn.

Meeting of the Brotherhood

The address of Secretary E. W. Peck at the meeting of the Brotherhood tomorrow evening will be on the subject, "The Orient and the Land of the Southern Cross." Mr. Peck last year made a 'round the world journey in the interest of the Men and Religion Forward Movement, with Fred B. Smith, Raymond Robbins and the International Y. M. C. A. male quartette. The stereopticon slides which he will use were obtained by him at that time. The address will treat of the incidents of his journey and will be full of interest.

Church Notes

The Vesper Services will be discontinued after next Sunday until the middle of September.

The Pastor is absent today in Northfield, where he is to preach the Baccalaureate sermon at Carleton College.

The June meeting of the Women's Missionary Society which would regularly be held next Wednesday, will be omitted on account of the Summer School for Missions at the Y. W. C. A.

Miss Marie Clark has been engaged to sing in the quartette during July and August in the absence of Miss Hyland on her vacation. Miss Clark will sing a solo at the morning service today.

Next Sunday will be Children's Day. At the morning service parents will present their children for baptism. The Vesper Service will be in charge of the Sunday School. The service will include the graduation exercises of a class from the Junior to the Senior department. The new Boys' Choir will sing and the pastor will give a brief sermon to the children. The vesper offering will be devoted to the missionary work of the Congregational Sunday School and Publishing Society.

Rev. Everett Leshar, the General Superintendent of the Minnesota Congregational Missionary Society, will preach at both services today in the absence of the Pastor. He has appeared here before and has always been a welcome visitor. Since, however, we, with other Congregational people of the state, appropriated Mr. Leshar for our own and called him to the leadership of our missionary work, it has been with peculiar pleasure that we have welcomed him to our pulpit.

Special Notice

The trustees are fortunate in having secured three vacation preachers who are all great favorites with Pilgrim Church people. The schedule is as follows:

June 28—Rev. Everett Leshner of St. Paul.
July 5—President Donald J. Cowling, D. D., of Carleton College.
July 12 and 19—Prof. Luther A. Weigle, Ph. D., of Carleton College.
July 26—President Cowling.
August 2—Rev. Everett Leshner.

As the July Communion will be omitted owing to the Pastor's absence, the next reception of members will occur September 6th. Members of other churches who are now finding their church home with us are advised to write for their church letters and be prepared to enter the membership of Pilgrim Church on that date. The request may be addressed to the church itself, the pastor or the clerk. A convenient form to be used is as follows:

To _____ Church at _____
Dear Friends: Will you kindly send me a letter of dismission and recommendation to Pilgrim Congregational Church, Duluth, Minnesota. With pleasant memories of your fellowship I am,
Sincerely yours,

Church Notes

Items for next Sunday's Bulletin should be sent to Mr. E. D. Field.

The meetings of the Young People's Society have been discontinued until after the vacation season.

By vote of the church last Thursday evening the mid-week meeting will be omitted until the return of the Pastor.

The marriage of Miss Ethel L. Ericson and Mr. Alfred H. Moe was solemnized at the home of the bride's parents, June 16th, the pastor officiating. They will reside at 2223 West Second street.

An effort has been made to place a copy of the recently issued Church Directory in every family connected with Pilgrim Church. If any have been omitted in the distribution copies will be mailed upon application to E. D. Field.

As instructed by vote of the church, the music committee after examining several of the best church hymn books has chosen The Pilgrim Hymnal, published by the Pilgrim Press, as the new book for our church auditorium. Subscriptions for the books will be received about the first of September.

The Pastor with his family will leave Tuesday for vacation at Hunky Dory Farm, Balsam Lake, Wis. The farm, which accommodates fifty guests, is situated in the lake region of Polk County. They will take the Omaha to Cumberland, making the remaining sixteen miles by auto. They will occupy a small cottage on the lake, taking meals at the farm house.

The treasurer of missionary funds will send his remittance to the state treasurer for the second quarter, July 1st. We hope to make this remittance as near one-quarter of our apportionment for 1914 as may be. It is therefore urged that all missionary pledges be paid up to date next Sunday. Those who make payments in quarterly checks will kindly remit at once to H. I. Pinneo, treasurer, 602 Providence Building.

During the vacation the Pastor invites the Pilgrim Church people to join with him in a fellowship of daily reading and prayer. The readings will include three of the great books of the New Testament: The Gospel according to John, the Book of the Acts and the Epistle of James. Beginning tomorrow we shall read a chapter each day, with an extra chapter on Sundays. This will bring us through the last chapter of James on August 8th. It is hoped that in these days of separation many will join in this pleasant and profitable fellowship.

Ten Reasons for Going to Church

By Rev. H. S. Bradley, D. D., Worcester.

1. We like to please our friends. You have not a worthy friend who would not be pleased to have you go to church.
2. The Sermon may help you. Daniel Webster said, "It is a mighty poor sermon that doesn't hit me somewhere."
3. It helps us keep in touch with the Eternal Verities. There is danger that God, our lost loved ones and the future world will be crowded out of our thoughts.
4. It helps us keep our ideals fresh and high and stimulates us to live up to them.
5. It encourages an institution that stands for the best things, and that cannot live without friends and supporters.
6. It helps us to see things in their right proportions. We need the comprehensive view which takes in not only dirt and dollars, but also Character and Eternity.
7. The reflex action of worship is as inevitable as it is ennobling. One cannot help but grow like that which he reverences, loves and adores.
8. Its Service appeals to the best sides of our natures: the music to the Aesthetic, our friends to the Social, the Sermon to the Intellectual, the worship to our oldest and deepest Instincts.
9. The thought and speech on high themes, the noble hymns and dignified music are needed to offset the slang, profanity and ragtime with which we are daily assaulted.
10. Geo. F. Hoar says. "There is no more commanding public duty than attendance at church on Sunday. It would be impossible to maintain liberty or self-government if our churches were closed, and public worship of God is to be maintained only by attendance upon it."

The Silver Bay Conference

The Eastern Student Conference of the Young Women's Christian Association has just come to a close. The conference is held each year at Silver Bay, Lake George, New York. A more ideal spot for a conference can not be imagined; the mountains rise in front and extend back for 150 miles, the lake is spread out before you. Everything about Silver Bay is beautiful. "Bright skies and call of birds, waving fields and mighty trees, forest dwellers and friendly folk, and everywhere God."

This year seven hundred delegates were present representing 61 colleges and secondary schools. Mt. Holyoke, Wellesley and the University of Syracuse had delegations of 60, while Vassar and Smith, because their Christian associations are not affiliated with the National association, are allowed delegations of 50. The delegates are chosen from the Freshman, Sophomore and Junior classes in college. These girls will be back at college another year and will try to bring back the Silver Bay spirit to college, for the "purpose of the conference is to lead students to a fuller knowledge and more faithful service of Jesus Christ, to help them in facing the difficulties and opportunities of college life, and to bring before them their responsibilities for the furtherance of the Kingdom of God at home and abroad." Many a girl at Silver Bay is awakened, many things which may have troubled her are made clear, and she is a stronger, better Christian at the close of the conference than at the beginning. Bible classes and mission study classes are held each morning and each delegate is expected to enroll for one of each. A meeting is also held each morning in the big auditorium, a course of lectures this year being given there by Dr. Merrill of the Brick Presbyterian Church, New York City. His subjects included "God and Our Relation to Him," "Prayer," "The Divinity of Christ," "The Gospel of Redemption." Dr. Merrill is a fine scholar and a forceful speaker who renewed our confidence and enlarged our vision. Indeed each speaker present represented the choicest product of our churches and Mission Boards.

It is of interest to this congregation to know that one of the most interesting Bible courses was given by Prof. Fred B. Hill of Carleton College, whose subject was "Religious Development in the Old Testament."

The afternoons were given up entirely to recreation: Tennis, basketball, baseball and water sports; colleges and schools competing against one another. Each evening after supper some college gave a "stunt" for us all, after which we gathered in our allotted places under the trees and sang college and Silver Bay songs until time for the evening meeting.

This gathering together of girls from all over the country, from many schools, and especially the foreign girls, was one of the most interesting parts of it all. The Chinese delegation, numbering thirty, were highly educated, refined girls, speaking English that would put to shame our mother tongue as commonly spoken and possessing as well the highest ideals of friendship and Christian service. The ten days at Silver Bay can never be forgotten by any one who was there and their influence must become a vital part of her life.

Church Notes

Prof. Luther A. Weigle will occupy our pulpit next Sunday, July 19th, and the Sunday following.

The Deacon's Fund has been depleted by unusual demands which have been made upon it during the past few months. A special offering for the benefit of this fund will be taken today.

Those who have not paid their missionary pledges to the end of the quarter ending July 1st are asked to make remittance of the same as early as convenient to Mr. H. I. Pinneo, trasurer of the Benevolent Fund.

President Cowling of Carleton College will conduct the service and preach the sermon this morning and Mr. Edward Strong, Dean of the Carleton College Conservatory of Music will contribute two numbers to the musical program. Mr. Strong is one of our best known oratorio soloists, whose services are in demand throughout the country. Prior to two years ago he was for several years a member of the famous quartette of Fifth Avenue Presbyterian Church, New York.

A Message from the Pastor

Dear Friends:

The vacation weeks are slipping away very pleasantly for us. We are living the simple life in a colony of congenial people representing several different states. The little lake which fronts our cottage is a continual source of delight. We have seen it in many beautiful phases, at sun-rise, moon-light, mirroring fleecy clouds, and swept by severe thunder storms. The hot weather we sought in this Wisconsin wilderness has come in such generous measure that we have often wished for an icy blast from Lake Superior. When the mercury has mounted into the nineties the daily swim has been particularly enjoyable.

Our thoughts have often turned toward the dear people in Pilgrim Church, and we have sent to Duluth many wireless messages of affection and appreciation. It is a joy to know that we have in our church household so much of that deep genuine loyal friendship which is the only basis of real Christian experience. The influence of Pilgrim Church is moulding strong men and women, and in keeping homes sweet and loyal to the right has been mighty through the years. That we may make this influence permanent and even more powerful in the life of Duluth in the years to come is my fervent prayer. It is a rare privilege to serve such a church, and the promise of days to come fills my heart with joy. Mrs. Thorp joins me in cordial messages to all our church household. We are enjoying, day by day, our fellowship chapter and trust that many are gaining inspiration from the daily message.

Faithfully your Pastor,

CHARLES N. THORP.

Church Notes

Prof. Luther A. Weigle of Carleton College will occupy the pulpit at the service today. Secretary Everett Lesher will preach next Sunday and on the Sunday following it is expected that the Pastor will again be with us.

In view of statements made recently in the daily papers to the effect that the church has bought property in the east end and will proceed to build thereon it is proper to say here that such statements are inaccurate, the facts being as follows: Pilgrim Church as such has not taken any action in the matter. However a group of nine men all connected with the church have recently purchased the westerly 30 feet of lot 7, and all of lots 8, 9 and 10 in block 8, Longview Addition, being a tract 150 feet by 140 feet at the southeasterly corner of Fourth street and Twenty-third avenue East. In making this purchase these men have had in mind to hold the lots and turn them over to the church without pecuniary profit to themselves, if within a reasonable time the church is prepared to consummate such a transaction. The church is not, however, obligated in any way to take the property. The lots in question are admirably located for church purposes, being in the center of a finely improved and rapidly growing neighborhood.

Church Notes

Members of the congregation are cordially invited to the Sunday School, immediately after the service.

A cordial welcome is extended the Pastor, who returned from his vacation yesterday and will occupy the pulpit this morning. He will spend the greater part of this week at his summer camp, at Balsam Lake, Wis., coming back to conduct the service next Sunday and thereafter as usual. Mrs. Thorp and family will return to the Manse, Aug. 20th.

Mrs. Almeda M. Reed, a member of Pilgrim Church since 1905, died at the home of her daughter, Mrs. M. F. Bates, on Monday, August 3d, aged seventy-three. The funeral was held from the residence on Tuesday afternoon, Dr. Robert Yost conducting the service. The remains were taken to Grand Rapids, Michigan, for interment. The sympathy of this congregation is extended to the family in their bereavement.

A Letter From Our Missionary Pastor

Dear Friends of Pilgrim Church:

The rush of another busy year is over, schools and clubs are closed for a couple of months, so I take this opportunity to send a line to Pilgrim Church.

Besides the work that falls to my lot as secretary and treasurer of this large station—the largest, if I mistake not, in Turkey—the year has been filled with teaching in our Boys' High school and lecturing each week on "History of Religion" to the teachers and others, and the management of our two clubs for boys and young men. The work of a secretary-treasurer might not be considered active missionary work by the uninitiated. That it is "active" enough any one acquainted with the work of a large mission station will admit, so much so indeed that it has become the policy of some Mission Boards, among them our own, to send out young business men for this particular service. That it is "missionary" will be admitted when one understands that the one in that position has to keep in touch personally or by letter with all congregations and workers, to advise, console, encourage, resolve quarrels and assist in a thousand ways, and the time it takes! The methods of the East would drive an American business man to distraction. Was it not Lord Cromer who said that "if we want to get the view point of an Oriental we must not hurry him"? A man comes in from a distant village, sits down, you inquire about his health, that of his family, the condition of the congregation, etc. He returns the compliment in the same way and relapses into silence. After some minutes he begins again at the beginning asking after your health, that of your wife, etc., and if he knows them personally, each of the children by name. For a considerable period of time one would think that he made the trip of several days for the sole purpose of making himself acquainted with your condition. But there is always something else at the back of his head to which he finally comes. But after it is sufficiently aired one looks around to find half a day gone. It makes one think of the missionary who wrote home that he could get a great deal of missionary work done if the natives would stay away and leave him alone.

The club work for boys and young men is a child of our own begetting and although it is natural for one to look with favor upon his own offspring yet it is encouraging to have the station, the mission and the Prudential Committee look with favor upon this, as a promising youngster. It is now ten years since we began the club in Talas. Every year we have met with the opposition of the authorities of the Gregorian church and every year we have worn it down. This year has been no exception. When we began last autumn we had a fine attendance but we wakened one day to find this cut to a mere handful. We soon learned that the boys had been severely punished for attending. However, before many weeks we had them all back and more, with the permission of the church authorities. The daily average attendance has been about 40, at Sunday School 66, and at Sunday evening service 50. These are all Christian boys belonging, for the most part, to the old Gregorian church. Good work has been done. Besides active work in the gym. and reading room, part of every evening was given to the reading and discussion of some good book or a

debate. One public drama was given, the proceeds from which went toward the purchase of books for the library. If Satan finds work for idle hands, he was cheated to some extent by the Talas club last year.

The club in Cesarea has completed its sixth year. Although the attendance in the day time in the reading room and gymnasium is about equally divided between Christians and Moslems and averages 75-80, it is unique in this respect that our Sunday evening audiences, running as high as 300 and averaging 250, are almost wholly Moslem. In these meetings we use the stereopticon a great deal. Thanks to the generosity of the good ladies of Pilgrim Church we have a good lantern and fairly good stock of slides to which we are always adding.

Last spring we went through a crisis in this work. It has always been a marvel to us that we have been allowed to carry on this work year by year with practically no opposition. This was too good to last so last spring we had a little disturbance headed by a couple of young men but, from what we can learn, instigated by the then governor of Cesarea, who was a good deal of a fanatic. Although we knew it was coming and warned the police, they sent but one man and he a Christian. As the majority of these young men come around armed at night, one police and a Christian to boot was helpless. The matter went to the government and they took the position that showing pictures of the prophets was contrary to the "Sheriat" or sacred law. This was countered by pointing out that the country was supposed to be run under a constitution and not the "Sheriat." Then they ordered us to close up because we had no official recognition, which is required under a new law. We refused to close, and took the position that the law quoted did not apply to our case and any way that we were a running concern before that law was promulgated and "what is, is," in Turkey. Finally, to make a long story short, they finally crawled down, told us that we were doing exactly what they themselves wished, viz.: the enlightenment and uplift of the people, and graciously handed out a written official recognition. Now our position is more secure than before. The people know we have won out. The majority of our men were greatly incensed at the disturbance, and so we can look forward to a greater future.

The year has brought us one heavy loss through the death of Mr. Platt of Poughkeepsie, N. Y. This gentleman furnished the money for commencing this work and paid the running expenses up to the time of his going on Christmas eve, 1913. We have to plan some other way of financing this enterprise. It is considered one of the most hopeful ways we have of reaching our Moslem brethren. Let me quote a sentence or two from the last letter received from Dr. Barton: "We are always interested in the splendid work of that club. As I told the Prudential Committee yesterday, it is of more significance than the other work you are doing there, since it is rather an experiment which we are watching with a view of developing it in other centres as resources permit."

Could not Pilgrim Church assume the support of this work? We should be very glad.

Special Notice

The annual picnic of the Sunday School will be held at Lester Park next Tuesday afternoon. The school will meet at 2:00 P. M. in the parlors of the church where street car tickets will be furnished free of charge. Each of the children is requested to bring sandwiches. Other refreshments will be furnished by the Ladies' Union. Circle Number Three will have charge of the supper and Mr. Louis E. Wade will superintend the games and contests. All are requested to give their baskets to the refreshment committee immediately on arrival at the picnic grounds. Should the weather be unfavorable the affair will be postponed to Wednesday afternoon.

Church Notes

Mr. Geo. A. Selig, of Oshkosh, Wis., will sing at today's service.

Parents and friends are cordially invited to attend the annual picnic of Pilgrim Sunday School at Lester Park on Tuesday.

The Pastor returned from Balsam Lake yesterday and will be the guest of Mr. and Mrs. C. A. Duncan till Thursday, at which time Mrs. Thorp and family are expected home.

The regular sessions of the Sunday School are being maintained during the summer and the attendance and interest have been remarkable considering the number who are absent on vacation.

The Thursday evening meeting will be resumed one week from Thursday. After the meeting, candidates for church membership will have an opportunity to confer with the standing committee.

Strangers in our house of worship this morning are heartily welcomed. You are invited to remain for a few moments after service that the Pastor and people of Pilgrim Church may extend their welcome personally.

At the September Communion, three weeks from this morning, new members will be received into Pilgrim Church. Persons who wish to secure their letters from other churches are advised to write at once, that ample time may be given for issuing the letters. The Pastor would be glad to talk to those who wish to join the church on confession of faith.

new season it is hoped that a full attendance will answer
to the roll.

Other Notices for the Week

THURSDAY, 7:45 P. M. The special rally services will cul-
minate in the midweek service, the subject of which will be
"The Sources of Power and Joy in Christian Living." Study
the First and Twenty-third Psalms in the light of the Gospel,
for suggestions on the topic. You will get help from this
service. By coming you will give help and encouragement.

Special Notice

Under the auspices of the Young Men's Christian Associa-
tion a United Training Conference for Leaders in Religious Work
for Men and Boys will be held at the Association building Thurs-
day, September 24th, to Sunday, September 27th. The meetings
will be lead by Messrs. Fred S. Goodman and James A. Whitmore
of the International Committee, assisted by the state secretaries
of Minnesota. The conference will be participated in by the
associations of neighboring communities. The cooperation and
attendance of all leaders in men's and boys' work is earnestly
requested. Many of the churches will join in a "Y. M. C. A.
Sunday" on September 27th, the various pulpits being supplied
by speakers who will carry the message of the Conference
throughout the city. State Secretary E. W. Peck has been as-
signed to our congregation. Mr. Peck is a Congregationalist and
a forceful and interesting speaker, as many who have heard him
here on former occasions can testify. There will be no special
collection or solicitation of funds.

The New Hymnals

The music committee after careful consideration selected the
latest revision of the Pilgrim Hymnal for our new hymn book and
this choice was ratified by the church at a meeting held some time
ago. It is desired that three hundred copies be secured by private
subscription, the price being \$1.05 each. A sample copy of the
book with a list of the old familiar hymns contained therein
will be found on the table in front of the pulpit and subscription
blanks have been placed in the pews. Please fill out and sign
the blanks and drop in the collection plates or hand to some
member of the music committee or the Pastor. It is hoped that
this request will meet with a liberal response. The following from
the music committee in commendation of the hymnal will be of
interest: The list of revisers includes such names as Rev. Wash-
ington Gladden, Rev. Edward MacArthur Noyes and others who
stand for the highest poetical and musical ideals in church music.
The congregation will find at every opening of the books known
and loved hymns and their familiar tunes, while new ideas of
worship and enthusiasm for humanity are beautifully expressed in
new hymns set to attractive and well written modern music, worthy
to stand by the side of the old favorites.

Church Notes

Two weeks from this morning we shall hold a service of prayer for world-peace in accordance with the call of the President.

Attractive leaflets calling attention to the Rally Day exercises were sent by the Pastor to members of the congregation last week.

The Fifty-ninth Annual Meeting of the General Congregational Conference of Minnesota will be held at Wadena October 6-8. Our church is entitled to be represented by the pastor and seven delegates, to be elected Thursday evening.

At the Rally Exercises of the Sunday School today the pastor will give a short talk and there will be special music and the roll-call by classes. A photograph of the entire school will be taken. The adult classes are invited to meet with the main school for the opening exercises. Parents and friends will be cordially welcomed.

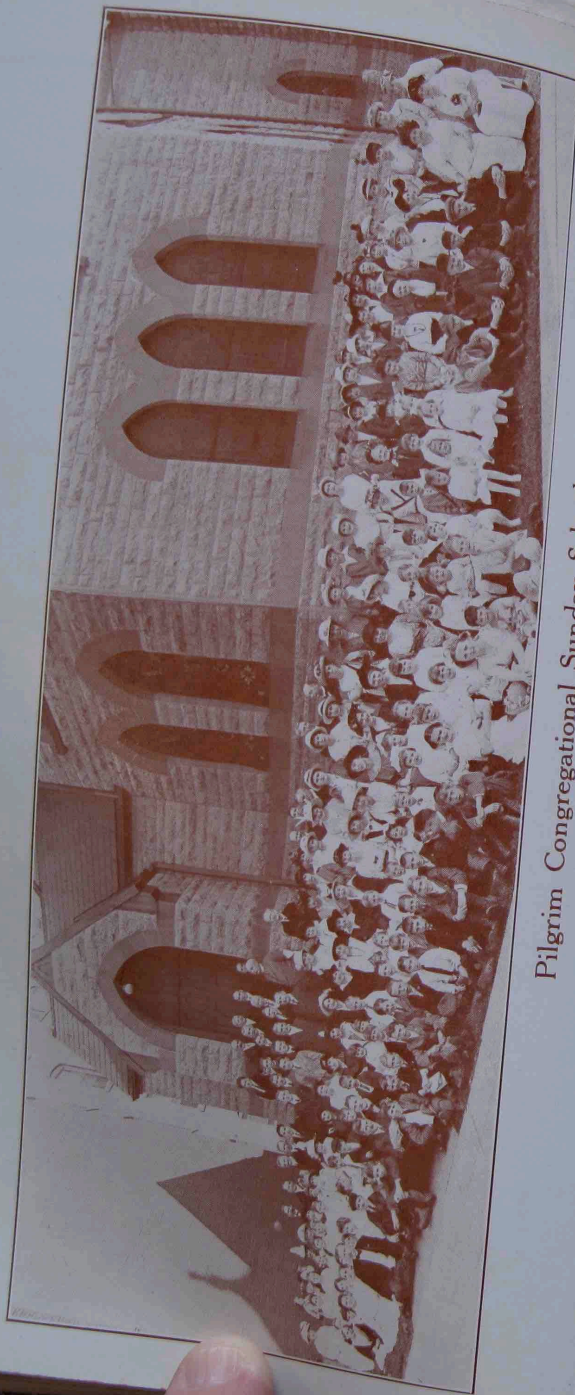

Attention is called to the First Vesper Service of the season at 4:30 this afternoon. The music will be by Pilgrim Quartette. The chorus will sing at vespers on Sunday, October 4th, and thereafter. All who wish to sing in the chorus this season are requested to notify the chairman of the music committee, Mrs. E. W. Matter. Miss Rogers will again direct the choir.

It should be borne in mind that at the close of the present month another quarterly payment on account of our church benevolences will be due. Members of the congregation, both men and women, are therefore reminded that all pledges to the end of the present quarter should be paid to Mr. H. I. Pinneo, Treasurer of the Benevolent Fund, as promptly as possible, that his quarterly remittance may be made in full on the first of October.

There was a large attendance at the Fall Reunion on Friday evening. The rooms were beautifully decorated and a generous supper was provided. The musical selections by Miss Hyland, Mrs. Larson, Miss Warner, Mr. Reifsteck and Mr. Soderquist, with Miss Allen at the piano, were especially enjoyed. A pleasing and unusual feature was the recognition of the birthday of Mrs. Thorp and Mrs. Falk, by the presentation to them of elaborately decorated birthday cakes. Mrs. W. S. Woodbridge made the presentation speech in her usual graceful manner.

John B. Heimick, for ten years a member of Pilgrim Church, died at his home, 2536 Greysolon Road, Thursday, September 17th, aged forty-one. The death of his daughter Mary, aged seven, occurred on Sunday September 13th, at the home of her grandmother in Milwaukee, where she was visiting. The funeral of both was held from the residence Saturday afternoon, the Pastor conducting the service. The profound sympathy of this congregation is extended to the doubly stricken family. At a special meeting of the Brotherhood on Friday evening Hon. Wm. A. Cant was instructed to draught resolutions appropriately expressing the feelings of the men of the church.

A Call to Prayer

President Wilson has signed a proclamation calling the people of the United States on Sunday, October 4, to pray for peace in Europe. President Wilson's proclamation is as follows:

By the President of the United States of America.—A Proclamation.

Whereas, great nations of the world have taken up arms against one another and war now draws millions of men into battle whom the counsel of statesmen have not been able to save from the terrible sacrifice; and,

Whereas, in this as in all things, it is our privilege and duty to seek counsel and succor of Almighty God, humbling ourselves before Him, confessing our weakness and our lack of any wisdom equal to these things; and,

Whereas, it is the especial wish and longing of the people of the United States, in prayer and counsel and all friendliness, to serve the cause of peace,

Therefore, I, Woodrow Wilson, president of the United States of America, do designate Sunday, the fourth day of October next, a day of prayer and supplication, and do request all God fearing persons to repair on that day to their places of worship, there to unite their petitions to Almighty God, that overruling the counsel of men, setting straight the things they cannot govern or alter, taking pity on the nations now in the throes of conflict, in His mercy and goodness showing a way where man can see none, He vouchsafe His children healing peace again and restore once more that concord among men and nations without which there can be neither happiness nor true friendship, nor any wholesome fruit of toil or thought in the world; praying also to this end that He forgive us our sins, our ignorance of His holy will, our willfulness, and many errors, and lead us in the paths of obedience to places of vision and to thoughts and counsels that purge and make wise.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

WOODROW WILSON.

WILLIAM JENNINGS BRYAN,
Secretary of State.

6:6-10. Miss Martha Ostby will be the leader.

Other Notices for the Week

WEDNESDAY, 3:00 P. M. The regular meeting of the Ladies' Union will be held in the church parlors. The business session will be followed by a social hour at which tea will be served.

THURSDAY, 7:45 P. M. The usual midweek service will be held in the vestry. The subject will be a discussion of the question: "If You Were Given a Hundred Dollars to Invest in Missions and Philanthropy, How Would You Divide It?" Figure out the best schedule you can make and present it with your reasons therefor, at the meeting.

FRIDAY, 8:00 P. M. The Friends in Council will be entertained at the Manse. This first meeting of the season will be a social to which all members and other young women of the church are invited.

Special Notice

State Treasurer Decker of Minneapolis, through whom our church offerings for missions and benevolences reach the various boards, remits all funds in his hands on the last day in each quarter to the different societies. This requires our church treasurer of these funds to remit to Mr. Decker two days earlier and our remittance will be made tomorrow. We wish the sum sent to represent as much as possible of the quarter's obligations. Please bring your pledge up to date through the offering today, or mail Mr. Pinneo a check tonight. The King's business requires promptness.

A Word of Welcome

It is with special pleasure that we again welcome State Secretary Edward W. Peck of the Young Men's Christian Association, who will occupy the pulpit at morning service today. Mr. Peck brings to Pilgrim Congregation the message of the United Training Conference, which has been in session in this city during the past week.

Church Notes

The attendance at Sunday School last week was 208. Mr. and Mrs. Fred E. Weatherwax have removed to Williston, S. D.

The Pastor is speaking on the work of the Y. M. C. A. at the First Baptist Church this morning.

Letters were granted Thursday evening to Mr. and Mrs. William C. White to Plymouth Congregational Church, Milwaukee.

Next Sunday morning Pilgrim Church will hold a Service of Prayer for Peace in accordance with the call of President Wilson.

Otis Russell Lippitt, who during his residence in this city was a member of Pilgrim Church, died at his home in Denmark, Iowa, on Friday, September 25th. The sympathy of the congregation is extended to the family in their bereavement.

Miss Mary K. Goodhue, for several years a teacher in the Central high school, and a member of our congregation, was married on Tuesday, Sept. 22, at the home of her parents in Northfield, Minn., to Mr. Hugh H. Wellman of Chicago.

The Ladies' Union requests the loan or gift of a couch to be placed in the parlors of the church, and used as a resting place in time of need. Will any one who can supply this request kindly report to Mrs. W. O. Falk. A couch cover has been already offered.

At the midweek service last Thursday evening the following were elected delegates to the state conference which will meet at Wadena Oct. 6th to 8th; Mrs. W. S. Woodbridge, Mrs. C. N. Thorp, Mrs. W. S. Horr, Mr. and Mrs. E. D. Field, Mrs. W. G. Hegardt, and Mr. W. W. Sanford.

The Ladies' Union is preparing for a Rummage Sale to be held about the middle of October. It is not too early to begin to gather together articles for the sale as opportunity may offer from day to day. Warm cast off clothing and shoes will be especially valuable at this season of the year. The ladies solicit generous contributions.

Congregational Minnesota, our state magazine devoted to church news and missionary information, is a live journal of great interest and value. The publisher, Mr. T. H. Colwell, a Minneapolis printer and an ardent Congregationalist, has for several years met the annual deficit on the paper personally, amounting to over \$200 per year. He announces that if the paper is to continue there must be an immediate increase in subscriptions at 25 cents per year. Most of the Pilgrim Church subscriptions expire this month. The following women will receive from their respective circles new subscriptions or renewals and the list will be delivered to Mr. Colwell at the State Conference at Wadena. Hand your quarter to Mrs. W. S. Donat, Mrs. W. G. Hegardt, Mrs. H. W. Nichols or Mrs. Sarah F. Stewart.

Peace Hymn

God of the nations, near and far,
Ruler of all mankind,
Bless Thou Thy people as they strive
The paths of peace to find.

The clash of arms still shakes the sky,
King battles still with King,
Wild through the frightened air of night
The bloody tocsins ring.

But clearer far the friendly speech
Of scientists and seers,
The wise debate of statesmen and
The shout of pioneers.

And stronger far the clasped hands
Of labor's teeming throngs,
Who in a hundred tongues repeat
Their common creeds and songs.

O, Father! from the curse of war
We pray Thee give release,
And speed, O speed the blessed day
Of justice, love, and peace!

Church Notes

Miss Luella Gleason of Owatonna will be at the organ for both services today.

Our delegation to the Minnesota Congregational Conference at Wadena this week, from Tuesday until Thursday, will consist of Mrs. W. S. Woodbridge, W. W. Sanford and the pastor.

The Peace Hymn used in our service this morning was recommended by the Federal Council of Churches and the Church Peace Union to be sung in all churches of the United States today.

The Pastor will speak this evening at the Twenty-fifth Anniversary of Westminster Presbyterian Church, West Duluth. Tuesday evening he will deliver the annual sermon at the State Conference at Wadena. Friday evening he will speak at the Fall Reunion of Pilgrim Church, Superior.

The Message of the Lord's Prayer will be the subject of seven Vesper addresses by the Pastor, beginning this afternoon. The prayer will be taken up, phrase by phrase, and the aim of the addresses will be to revive and inform that appreciation of this great prayer which is often lost through our very familiarity with it. Form the Vesper habit. It will put new values into your Sunday afternoons.

Pilgrim Chorus Choir will resume its work for another season at Vespers this afternoon. The chorus has made a large place for itself, not only in the worship of our church but in the musical life of the city. With new accessions, and under the competent leadership of Miss Faith Helen Rogers, Pilgrim Chorus will, with the valuable support of the quartette, put the note of hope and joy into many worshipping hearts this winter.

A Prayer Against War

By Professor Walter Rauschenbusch.

O Lord, since first the blood of Abel cried to Thee from the ground, this earth of Thine has been defiled with the blood of man shed by his brother's hand, and the centuries sob with the ceaseless horror of war. Ever the pride of kings and the covetousness of the strong has driven peaceful nations to slaughter. Ever the pomp of armies has inflamed the passions of the people. Our spirit cries out to Thee in revolt against it, and we know that our righteous anger is answered by Thy holy wrath.

Break thou the spell of the enchantments that make the nations drunk with the lust of battle and draw them on as willing tools of death. Grant us a quiet and steadfast mind when our own nation clamors for vengeance or aggression. Strengthen our sense of justice and our regard for the equal worth of other peoples and races. Grant to the rulers of nations faith in the possibility of peace through justice, and grant to the common people a new and stern enthusiasm for the cause of peace. Make our soldiers and sailors swift to answer to the call of duty, but inspire them none the less with a hatred of war and may they never for love of glory or advancement seek its coming. May our young men still rejoice to die for their country with the valor of their fathers, but teach our age yet more effective ways of giving our life for the flag.

O Thou strong Father of all nations, draw all Thy great family together with an increasing sense of our common blood and destiny, that peace may come on earth at last, and Thy sun may shed its light rejoicing on a holy brotherhood of peoples. We ask it in the name of Jesus Christ our Lord, the Prince of Peace. AMEN.

A Prayer for Peace

By Bishop David H. Greer.

O God, Who hast made of one blood all nations of men to dwell on all the face of the earth, and Who hast taught us in Thy Holy Word that one is our Father, even God and all we are brethren, we pray Thee in this dark hour of international strife that Thou wilt open the eyes of the people and of all who are in authority, that they may see their true relation to Thee and through Thee to one another. Teach them that hatred and violence are not strength but weakness; that the true safeguarding of a nation is not found in weapons of war but in righteousness and truth and brotherhood and peace. Give to those who suffer in this present war the consolation of Thy grace. Comfort the wounded, cheer the dying, bind up the broken-hearted. Bring, we pray Thee, to a speedy end this international strife and hasten the time when peace shall flourish out of the earth, when all shall dwell together in unity and love and war shall be no more. We ask in the name of our Saviour, Jesus Christ. AMEN.

Fifty-ninth Annual Meeting of the Congregational Conference of Minnesota

At 3 o'clock Tuesday afternoon a line of churchly appearing people, carrying grips and umbrellas was filing along the level streets of the town of Wadena in search of the Congregational church. Arrived, they found a truly beautiful new church, large enough to comfortably seat 250 persons and already pretty well filled with an audience who were listening to an inspiring address of the Moderator, Hon. Lowell E. Jepson of Minneapolis. From that time until Thursday noon, when the train left for Duluth, the three delegates from Pilgrim Church, Rev. Mr. Thorp, Mr. W. W. Sanford and Mrs. W. S. Woodbridge, were in faithful attendance from 8:30 A. M. to 9:30 P. M. To accommodate the 140 delegates, the church had apparently secured the co-operation of the whole town, as we found when we went to the places assigned to us for the night. The pastor went to the prosperous home of a lumber dealer, a son of Mr. Sampson Dower, in the 70's a resident of Duluth and whom old residents remember as the father of 14 children. Mr. Sanford was sent to the home of a man who bottled beer and Mrs. Woodbridge and her roommate, Mrs. Tupper, a sister of Miss Hartwell of Foochow, China, were sent to the home of a Roman Catholic. It was a most generous and even courageous undertaking on the part of the Wadena church to assume the entertainment of such a gathering. Our breakfasts we foraged for, with varying success, but the other meals were supplied by the ladies in the pleasant and convenient dining room of the church and were most palatable and abundant. This was the time for pleasant greetings, for committee meetings in corners, and for unexpected recognitions. Among the valuable addresses, uplifting and instructive, I will only mention the annual sermon by our pastor on "Wider Religious Freedom," the five devotional addresses by Rev. Theodore Shipherd of Milwaukee on the general subject "The Message and the Messenger," the paper by Supt. Leshner on "The Growing Task" and the paper by Supt. Herrick on "The Big Opportunity of the Church; its Sunday School Work." The delegates enjoyed an automobile ride around the prosperous prairie town and its outskirts. They also had one glimpse of the sun of Wadena for about ten minutes and the heavens of Wadena wept unstintingly at their departure. Reports of the meetings will be given at the midweek service on Thursday.

Church Notes

The Pastor enters today upon his third year of service in Pilgrim Church.

At Vespers this afternoon the Pastor will give the second of the series of talks on The Lord's Prayer.

Mr. Charles V. Greer and Miss Myra T. Patterson were married Oct. 6, 1914, at the home of the bride in Streator, Ill. They will be at home after November first at 815 East First street.

On Friday at eight o'clock the Pastor and his wife invite the young people of Pilgrim Church and congregation, fourteen years of age and over to spend a social evening at the Manse, 1131 East First street.

A few more subscriptions for the new hymn books are needed to make up the required number. The price is \$1.05 each. Subscriptions may be handed to Mrs. E. W. Matter, chairman of the music committee.

A grocery sale will be conducted by Circle Number Three early in November. Be sure and reserve your winter orders for this sale and patronize the ladies as liberally as possible. A more definite announcement will be made later.

The State Conference at Wadena last week was in many ways a remarkable gathering. Our church sent three representatives. If you care to inform yourself regarding the larger problems of our church life, be sure to hear our delegates on Thursday evening.

The Women's Missionary Society is preparing to send a barrel to the Industrial School at Moorhead, Miss., as has been the custom for a number of years. Contributions of light-weight clothing are especially needed, and these may be left at the home of Mrs. H. I. Pinneo, 1227 East Third street.

The meeting of the ladies of Circle Number Two with Mrs. Hawkes on Tuesday afternoon will be for the purpose of trimming hats for the rummage sale. All women of the congregation are requested to send such millinery and trimmings as they care to contribute to Mrs. Hawkes' residence, 210 Sixteenth avenue East before the meeting.

Shubael F. White died at his home in this city on Saturday, October 4th, aged seventy-three. The funeral was held on Monday, the pastor conducting the service. Judge White was formerly for many years a regular attendant at our services. The sincere sympathy of Pilgrim congregation is extended the daughters in this bereavement.

Church Notes

Miss Luella Gleason has been engaged as organist.

Edward C. Moore, D. D., of Cambridge, Mass., is the new president of the American Board, elected at the 105th annual meeting of the Board held last week in Detroit.

The call for subscriptions for the new Pilgrim Hymnal has met with a splendid response. The music committee has sent an order to Boston for 275 copies and we shall soon be enjoying the use of the new books.

Persons desiring to join Pilgrim Church by letter or on confession of faith at the approaching Communion, November 1st, are asked to confer with the standing committee after the Thursday evening meeting this week.

Attendance at Vespers is steadily increasing. The Pastor gives this afternoon the third address in the series on The Lord's Prayer. Invite some of your friends to come down today and enjoy the choice music by the newly reorganized Pilgrim Chorus. This service will be attractive to the stranger if he finds our own people in attendance in large numbers.

Mrs. Ella Viola Cook, widow of the late Merritt S. Cook and for many years a member of this church, died at the home of her son, W. H. Cook in this city, on Wednesday, October 14th. The funeral was held on Friday, the Pastor conducting the service. Mrs. Cook was at the time of her death a member of the church in Winnipeg, to which she had transferred her membership on her removal there.

Memorial

(Presented by Hon. W. A. Cant, and adopted by the Brotherhood of Pilgrim Church at its last meeting)

John Bernard Heimick was born at Saginaw, Michigan, on November 16, 1872, and died at Duluth, Minnesota, on September 17, 1914. In him the Brotherhood of Pilgrim Congregational Church recognized a sincere, reverent-minded, manly man. Acquaintance and association with him was a privilege not to be forgotten. The memory of his life is fragrant with much good. Bowing humbly, we deplore his loss and we cherish the recollection of his quiet strength and his steadfastness in all that makes for the highest and best in the lives of men.

In Memoriam

Ella Viola Reynolds was born in Romulus, Wayne county, Michigan, September 24, 1840. She received a good education in the schools of Ypsilanti and for six years had charge of a private school for girls in Kingsville, Ontario. She was married to Merritt Seymour Cook October 31, 1864. Mr. and Mrs. Cook were for twenty-one years residents of Duluth and made for themselves a large circle of friends. After Mr. Cook's death, which occurred April 26, 1911, Mrs. Cook lived with her daughter, Mrs. E. W. Ashley of Winnipeg. The last few months of her life were spent with her son, Mr. W. H. Cook of this city. Her death occurred there shortly before 5 o'clock last Wednesday. Mrs. Cook was a valued member of Pilgrim Church during her residence in Duluth. There was no uncertain ring to her Christian belief and she showed no hesitation in proclaiming it. One could not talk with her long without knowing that she had seen Jesus. She had a happy faculty for making friends, and was never more pleased than when entertaining them in her hospitable home. She retained to the last a kindly interest in her friends. She took part in all lines of church work, but the missionary cause especially appealed to her. Many times has she quietly given the writer a little extra offering for the cause so dear to her heart, and she rejoiced when told the particular purpose for which it would be used. She was a loving wife, a devoted mother and a loyal friend. The intense suffering of her last illness was borne with great fortitude. It was a privilege to be with her then and hear her speak with calm assurance of her approaching departure to her heavenly home and of the joy that awaited her there.

Special Notices

The First Church in Newton, Mass., of which Rev. Edward
MacArthur Noyes is the Pastor, has issued invitations to the
celebration of the two hundred fiftieth anniversary of its organ-
ization, Friday, Sunday and Monday, October 30th and November
1st and 2nd. At the meeting of the Standing Committee last
Tuesday evening it was voted that it be recommended to the
church that the Pastor and Mr. E. W. Matter be appointed as a
committee to draw up and forward to the First Church in Newton,
on behalf of Pilgrim Church an expression of friendly greeting
appropriate to the occasion. It has seemed desirable that this
recommendation be acted upon at the morning service today.

Mrs. Edith Smith Davis, superintendent of scientific temper-
ance investigation and of scientific temperance instruction of the
world's and national W. C. T. U., will speak at an open meeting
at the Swedish Baptist church, Third street and Twenty-second
avenue West, this afternoon at 3 o'clock and at the Endion Meth-
odist church, Nineteenth avenue East and First street, this evening
at 7:30 o'clock. All are invited.

Miss Hyland Resigns

Miss Florence Hyland, who since Sunday, October 16th, 1910, has been a member of Pilgrim Quartette, has requested to be released and the music committee has accepted her resignation with regret which will be shared by the entire congregation. During this long term Miss Hyland has rendered services of a conspicuously high order and has been unflinching in generosity when asked to contribute to our music at special meetings of a church and its various organizations. In many friendly ways she has attached herself to our people that we venture to express the hope that though after today she is to be no longer a member of the choir she may continue to consider herself as identified with Pilgrim Church.

Church Notes

The net proceeds from the rummage sale conducted by the Ladies' Union last week were about \$220.

The Lord's Supper will be celebrated and new members will be received at the morning service next Sunday.

Special attention is called to the meeting of the Young People's Society this afternoon, at which officers for the ensuing term will be elected.

The interesting report from the annual meeting of the American Board, published in this number, was written for the Bulletin by Mr. Albert Baldwin, who attended the sessions of the meeting.

Attention is called to a change in the hour of the midweek service which hereafter will be at eight o'clock instead of a quarter to eight, as authorized by vote of the church at the meeting Thursday evening.

The following are the new officers of the Brotherhood elected at the last meeting to serve during the ensuing year: E. D. Field, President; W. W. McMillan, Vice President; Ralph Pinneo, Treasurer; A. G. Strong, Corresponding Secretary; Wil-lard B. Matter, Secretary.

Mrs. Julia Bacon Horr, a member of Pilgrim Church since 1891, died at her home in this city on Tuesday, October 20th, aged fifty-two. The funeral was held from the residence on her birthday, Thursday, October 22nd, the Pastor conducting the service. In her death this church acknowledges the loss of a devoted member whose life was singularly conspicuous for its consecrated Christian service.

The attention of the men and women of the congregation is invited to the fine opportunity afforded for modern Bible study by the two adult classes for men and women that meet in the auditorium a few minutes after the close of the morning service. Mr. Sanford is concluding a course on The Books of the Bible with the men. Mr. McMillan is conducting discussions of the inter-national lessons with the women. One may join either of these classes at any time and will find the time thus spent a wise invest-ment.

Julia Bacon Horr

Mrs. Horr was born in Oberlin, Ohio, October 22, 1862, and died in Duluth, October 20, 1914. The formative period of her life was spent in Oberlin, where she attended the public school and later graduated from the college. These were significant years whose full fruition was the simple, noble, gifted, sincere life which we knew. She was twenty-one years of age when she went to Wellington, Ohio, as a teacher in the public schools. Three years later she became the wife of Walter S. Horr and together they established their new home in Wadena, Minnesota, where in several years Mr. Horr was in business and where in 1889 a daughter was born to them. In 1890 they moved to Duluth and during the twenty-four years which have since elapsed Mrs. Horr's life has been one of widest human relatedness. Those organiza-tions in our city which stand for human betterment or for wider culture have felt the impress of her character and the individuals whose lives have been touched by hers have found her always "the friend and the aider of those who would live in the spirit."

Upon the religious life of the community, her influence has been most potent. There are many to bear witness to the quality of her work as chairman, for many years, of the religious com-mittee of the Young Women's Christian Association, many to tes-tify to the devotional spirit which she inspired as president of our church missionary society, and during the last two years her con-secrated leadership of the Philathea Class has been a leaven whose far reaching effects no one can estimate.

Wherein lay the secret power of attraction which was felt by all with whom she worked? In the faculty ever to discern the best in another's character. Not what we were but what we were striving to be concerned her. Only a soul, itself touched by God is able so to recognize in every individual, that divine possibility which human imperfections hide from common sight.

Much of sorrow was hers to endure during these years. Only a little more than two years was she privileged to keep her daugh-ter with her, and two sons born in Duluth died in infancy. But this supreme test of the Christian character she met with serene faith and confidence; and while we think of the desolate home where her presence no longer cheers we think also of the happy reunion of mother and children and we rejoice that her spirit has gone on to its larger ministry. She was indeed peculiarly fitted to enter the kingdom of heaven for she lived in it while upon earth.

"By her life she taught,
By her death we learn."

The American Board Meeting

The 105th annual meeting of the American Board was held at Detroit, Michigan, from October 13th to 16th, inclusive. The enthusiasm, the little incidents which must be witnessed to be appreciated, but which give a color to the surroundings that is so delicious and yet is so elusive when one attempts to picture it in words, and that indescribable something that, for a better name, we call the "atmosphere of the meeting," all of these elements, quite as real as the set program, are necessarily lacking when one undertakes to commit to paper his impressions of such a gathering.

Unable to attend all of the nine sessions, the writer consoled himself with the conviction that he could no more have digested all of the good things of the intellectual feast that was spread than he could hope to digest all of the good things of a nine course dinner.

I think that, on the whole, the address of most universal interest was that on Wednesday morning by Secretary Barton upon "Outstanding Features of our Missionary Year." As he recounted the various matters of great interest to all who listened, I am sure that everybody felt that there was one feature that stood out far ahead of all others, and that was the wide-reaching effect upon our missions of the European war. I can briefly mention but a few of the problems dwelt upon by Mr. Barton.

Many missionaries had already started to the field when war was declared and a part were detained in this country just as they were ready to depart. The board has had to provide for such so far as possible. Of those who were en route, some stopped in European countries and will study until the conditions enable them to go on. Others, detained before starting, are pursuing further preparatory studies in this country.

With the outbreak of the war Turkey, in which country one-third of the Board's missionaries are located, declared the abrogation of those treaties by which foreigners had been exempt from the jurisdiction of the Turkish court. This act has aroused the Powers to the necessity of seeing that steps are taken to protect foreigners and the American Board with characteristic promptness and foresight has notified the missionaries to urge the Turkish officials to visit the schools, colleges and hospitals and satisfy themselves that everything is there conducted in a spirit of fairness and good will.

What had the appearance of causing serious trouble with the missionaries and the mission stations was the inability to transmit money through the banks. This was met by the Standard Oil Company's notifying the Board that the Board might pay the funds into the New York office of the company and it would see

The American Board Meeting—Continued

to the distribution of funds in the missionary fields where the company had representatives. By this plan the Board has been enabled to meet the needs and obligations in the field.

Perhaps the most dramatic difficulty forced upon the Board, as well as upon all missionary enterprises in foreign lands by the war, is the presentation to so-called heathen nations of the anomalous spectacle of the most enlightened Christian nations of Europe engaged in deadly conflict, with the followers of Jesus Christ sending their missionaries to preach the humility and beauty and the enlightenment of the teachings of the Prince of Peace to non-Christian civilizations, while they are at home engaged in the carnage of war and each asking God's blessing and help in the attempt to slay his brother Christian. In commenting upon this situation, Secretary Barton read two or three extracts from a verbatim report that was made from an address by a Mohammedan in the celebrated Mosque of St. Sophia in Constantinople. The substance of it was: "I bring you glad tidings. The hordes of unbelievers in so-called Christian lands are butchering each other by the thousands. May the good work go on! And the congregation said 'Amen.'" In an editorial in a Pekin paper the Christians were held up to scorn because of the inconsistency of their national life with their teachings, as demonstrated by the war.

These problems the Board and its missionaries must meet as best they can. As the Secretary presented them, there was no spirit of pessimism but a clear ring of optimism that rose above the storm of war and permeated the whole gathering, so that one somehow felt that the problems and difficulties that were arising and which were being met so skillfully and so courageously, were indeed blessings in disguise.

Can you imagine the impression that was given by the sight, upon the the platform together, of five veterans in the Turkish field, the aggregate of whose years of service exceeded two hundred and fifty? Dr. Greene of Constantinople, who has been on the field fifty-six years and who is apparently over eighty years of age, delivered a ringing address upon the subject, "The Call to the Home Churches." He read from manuscript. He read without glasses. His voice reached every corner of the large auditorium. One could not listen to these veterans, so enthusiastic, so optimistic, so clear in their understanding not only of the needs and opportunities and political questions existing in their fields of work, but of the problems of the American Board being persuaded that the missionaries of the home land, without become statesmen and diplomats as well as teachers and preachers.

After all was over, the lasting impression was that the American Board is a wise, economic, judicious and statesman-like body, doing with the funds placed in its hands a mighty work which increases with the years and which no amount of war, even among Christians, can efface.

The New President of the American Board

(From the Advance of Oct. 22nd.)

Edward C. Moore was born in 1857 at Westchester, Pa. He was graduated from Marietta College and Union Seminary and studied in Berlin, Gottingen and Giessen. He was ordained at Yonkers, N. Y., in 1886, and in 1889 became pastor of the Central Church of Providence, R. I., whence he was called in 1901 to the chair he now occupies as professor of theology at Harvard. He is a member of many learned societies, and one of the foremost scholars in America. He became a member of the Prudential Committee of the American Board in 1899, and for four years, 1905-08, was its chairman. For two years he gave up the chairmanship, but was re-elected in 1910, and since has continued to occupy that important position. He has traveled around the world on a deputation of the American Board, and has been welcomed everywhere, both by missionaries and scholars.

He was a delegate to the International Council in Edinburgh, and took with him his address on Missions. But during the days of the Council, as his theme grew big in his soul, he cast aside his manuscript and re-wrote his address, which is remembered as one of the truly great addresses of the Council.

He brings a new type of man to the presidency of the Board. Hopkins brought to it the impression of a commanding personality. Storrs was the foremost orator of his time, needing a great theme for his genius, and never so commanding in his mighty eloquence as when he spoke of the conquest of the world for Christ. Lamson, the gentle, the sweet-spirited, came as a pacifier after a period of storm and stress. Capen was the business man in the organized work of the Lord. Moore is the scholar-statesman—the Woodrow Wilson of the Board, the methodical man of judgment and vision. He is a man with a trained mind and a clear grasp of the missionary problem, a man with wide experience and notable prestige at home and abroad.

(Sent to the First Church in Newton as authorized at our morning service last Sunday).

Duluth, Minn., Oct. 27, 1914.

To The First Church in Newton,
Newton Centre, Mass.

Greeting:

Pilgrim Congregational Church of Duluth, Minn., sends congratulations and felicitations on the occasion of the celebration of the 250th anniversary of the organization of the First Church in Newton.

Thirty-one years ago there came to us from Yale Divinity School a young graduate whom we had called to be our pastor. He proved to be not only a pastor but an organizer and leader. Under his wise administration our church grew and prospered.

After eleven years we with regret surrendered him to New England and to you and for twenty years you have enjoyed his ministry.

There are many here who still think of Rev. Edward Mac Arthur Noyes as in a manner belonging to us. We like to believe that through his labors in the upbuilding of Pilgrim Church in its earlier days, we had a share in his development and that here he became fitted for the larger work to which you invited him.

Our congratulations on this happy occasion are not therefore prompted by any ordinary feelings of friendliness and good will, but by a profounder interest and affectionate regard, which make us bold to claim the privilege of being glad with you, while you celebrate the consummation of two and a half centuries of history as a church of Christ.

The younger business and professional men of the congregation are invited to meet with the newly organized Pilgrim Club in the auditorium after service this morning.

Subscribers for the new church hymnals who have not yet paid are requested to send the money with as little delay as possible to Mrs. E. W. Matter, chairman of the music committee, as it is desired to make remittance to the publishers not later than Wednesday of this week.

The vesper service will be omitted this afternoon on account of the Flying Squadron mass meeting which will be held at 2:30 in the First Methodist Church, and because of a similar meeting tomorrow evening the regular meeting of the Brotherhood has been postponed for one week.

A copy of the new booklet containing the Thursday evening topics should be in the possession of each member of our congregation. An attendance of more than fifty people at the meeting last Thursday evening indicates that the programs which the Pastor has provided will prove of such interest and helpfulness as to largely increase the attendance at our midweek services.

The following extract from a personal letter received by the Pastor from a friend in the East, who is a member of Mr. Noyes' Church and superintendent of his Sunday School, will be of interest:

"I am exceedingly glad to get your Bulletin of Oct. 25 and to note the action your church has taken with reference to the two hundred and fiftieth anniversary of the First Church in Newton. Please tell your people that Rev. Edward MacArthur Noyes, their former pastor, has completed twenty years' service in this old, historic church and is more firmly attached to its present and future life than ever before. Our average morning church attendance increased in the year 1913 over 1912 25%, and is still growing. In the two hundred and fifty years' history of our church, there have been but ten pastors, Mr. Noyes being the tenth. The interesting item in this connection is that six of the nine deceased pastors came from the seminary to this church and lived, died and are buried in Newton."

Extracts from Mrs. Irwin's Letter

(Received by Mrs. W. G. Hegardt and read at the meeting of the Women's Missionary Society last Wednesday.)

My Dear Mrs. Hegardt and Friends of Pilgrim Church:

I hardly know where to begin to tell you all the happenings in Turkey today. As soon as war broke out in Europe soldiers were mobilized here. Part of the forces have left for Constantinople and part may go today. Several months ago Emin Pasha, minister of war, made a flying visit here to inspect the regular troops (Caesarea is a military center now) and tried to inspire the soldiers with thoughts of revenge and regaining glory lost in the last war.

When the war broke out and England took the two battleships upon which Turkey had set her heart, bitterness against England became intense and the feeling was inflamed by the Turkish press in Constantinople. We received a letter yesterday from a doctor in England who had planned to come to Turkey, saying that if the trouble became serious the British government intended removing their subjects from the interior. Mr. Irwin, being a Canadian, would come under the head of Britishers and it would be strongly against our personal feelings to leave when the country was in trouble and we would certainly not do it unless there came a direct command.

Our hearts are aching for the people here. In almost every house there is sorrow over the going of sons or husbands. Some of the rich have bought themselves off for 43 pounds, but the mass of the people can't pay it, as it would be more than a year's

Extracts from Mrs. Irwin's Letter—Continued

salary. If war is not averted it is hard to see how this impoverished land can stand much more. Horses and donkeys have been seized everywhere. The moratorium has not been raised which makes the opening of schools difficult. Mr. Irwin happened to draw several hundred liras (station money) from the Ottoman Bank just before the trouble began, and this has enabled the missionaries to lay in winter supplies and we decided to draw only one half of our salaries between now and January 1st and this will enable us to pay preachers and some of our workers in full. Our schools will try to open next Wednesday, though they can accept as boarders only full pay pupils, cash in advance, in order to pay the teachers and high prices of food without running into debt. Coal-oil, sugar and other things can be obtained with difficulty. Miss Davis, a teacher in our girls' school, may not be able to reach us. She has been in Constantinople for the summer, and the railway is in the hands of the government for military purposes, and as yet she has no permit. We are not even sure of getting her from the railway here, as only hidden and decrepit horses have escaped government seizure and travel is almost impossible. Miss Davis will probably go to Smyrna to teach, as she can reach there by sea.

Mr. and Mrs. Cooper, new missionaries for our station, are in England awaiting orders from the board and may return to Halifax. Dr. Hoover and family are in America on furlough, so that the hospital will be closed this year. A young native doctor, assistant to Dr. Hoover last year, has had to join the army so we are left this year without a doctor, though we are thankful to have Miss Phelps, a good American nurse.

The fact that Turkey, taking advantage of the war, has renounced the capitulations, may affect us in our work. Word comes to the military officials here that as guests in the country, foreigners are to be treated with the greatest courtesy. How long this attitude will last we do not know, but we shall try to be as friendly as possible.

Corinne remarked this morning when looking at our beautiful asters, "Mother, it does not seem as though there could be war when we look into the garden, does it?" Baby Genevieve is now ten months old, as well and happy as can be, a great joy and comfort to us all.

I hope that you will all remember us and the work here in your prayers. It is an unprecedented year in the difficulties of work in Turkey and we need help and guidance more than ever before. With warmest love to you all, affectionately your friend and co-worker,

GENEVIEVE IRWIN.

The Apollo Club, directed by Miss Rogers, will sing at Vespers this afternoon. Last Palm Sunday the seating capacity of Pilgrim Church was taxed by the large numbers wishing to hear them. Their opening concert will occur in our church next week.

On the last page of today's Bulletin will be found full particulars of a canvass of the parish by members of the Young People's Society for new subscriptions and renewals for our Congregational newspapers and magazines. It is greatly to be desired that every giver to missions in our church should subscribe to one or more of the periodicals which give information concerning this work. The Young People's Society is heartily to be commended for undertaking this movement and may expect a cordial response from the people.

Congregational Newspapers and Magazines

The Young People's Society enters today upon its second annual canvass of Pilgrim Church for subscriptions to our Congregational periodicals. The Society receives a small commission from the Congregationalist and Advance. The missionary magazines are furnished at the lowest club rate, the young people believing that they are doing the missionary cause good service every time a subscriber to a missionary paper is secured. The committee will call upon many church families in the next two weeks with samples of the papers, and will be glad to receive renewals or new subscriptions. A small outlay will insure for your home an abundant supply of the best reading and keep you abreast with the great movements of the religious world. The following papers are included in the canvass:

THE CONGREGATIONALIST, published in Boston, is our strongest denominational paper. It is one of the best family weeklies, and is already taken in more than twenty Pilgrim Church homes. The regular rate is \$3.00. Our club rate for renewals or new subscriptions is \$2.50 per year.

THE ADVANCE, published in Chicago, is an excellent Congregational weekly, especially strong in western church news. It has a number of loyal subscribers among us. The regular rate is \$2.00. Our club rate, renewals or new subscriptions, is \$1.75 per year.

THE MISSIONARY HERALD, our monthly magazine of foreign missions, contains the latest news from the foreign workers with many interesting pictures. Regular rate 75 cents. Our club rate is 50 cents. Sixteen families took this paper last year.

MISSION STUDIES, the monthly magazine of the Woman's Board of Missions for the Interior, gives latest items from their workers. Fifty cents per year.

THE AMERICAN MISSIONARY, the monthly magazine of the five homeland missionary societies, is a combination of five home missionary papers. The regular rate is 50 cents. Our club rate is 25 cents.

CONGREGATIONAL MINNESOTA is the state Congregational monthly published in Minneapolis. It keeps us informed of church and missionary matters within the borders of Minnesota. The regular rate is 50 cents; our club rate is 25 cents.

THE PRAYER CALENDAR FOR 1915 is a beautiful booklet issued by the Woman's Home Missionary Federation. It contains a great variety of interesting missionary items, one for each day in the new year. Price 10 cents.

One dollar will secure three monthly magazines covering our world wide Congregational work, foreign, national and state. Add \$2.50 for the Congregationalist, or \$1.75 for the Advance, and you will be thoroughly furnished with information and inspiration along religious lines for 1915.

Of course you will wish some Prayer Calendars for Christmas presents.

Anna L. Paull, Chairman, Church Relations Committee.
Elizabeth M. Anderson, Mary C. Baldwin, Dorothy Bates,
Marjorie L. DeForest, Dorothy D. Ericson, Mildred A. Hart,

Dr. Robert Yost, pastor of the First Presbyterian Church, will give his farewell talk to the young men of the Y. M. C. A. this afternoon at five o'clock. Luncheon will be served at six. Young men are cordially invited.

The younger business and professional men of our congregation are invited to join the Pilgrim Club, which meets during the Sunday School hour in the rear of the auditorium, under the leadership of William C. Allen.

Last Thursday evening the Church, on nomination of the Standing Committee, elected H. B. Paull, Mrs. F. A. Grawn and W. W. Sanford a committee with full power to appoint the Nominating Committee of seven persons to serve in connection with the approaching Annual Meeting of the Church.

Solicitors for the Woman's Missionary Society

Solicitors for pledges for the church missionary fund for 1915 through the Woman's Missionary Society have been appointed as follows:

West of Fifth Ave. E. except Minn. Point.....Mrs. G. A. Wieland
 Fifth Ave. E. to Eleventh Ave. E.....Mrs. W. W. McMillan
 Eleventh Ave. E. to Nineteenth Ave. E.....Mrs. W. A. Cant
 East of Nineteenth Ave. E., except Hunter's Park and
 Woodland.....Mrs. W. I. Prince
 Hunter's Park and Woodland.....Mrs. W. A. McGonagle
 Minnesota Point.....Mrs. Samuel Shearer

As the duplex envelopes are in use it is requested that weekly pledges should be given.

Closing the Financial Year

December is an anxious month for those in charge of our church and missionary funds. The church bills and missionary apportionments for 1914 must be met from funds pledged and paid in before the close of the year. The church has no reserve funds; it is therefore of tremendous importance that every pledge be met in full, since each pledge that falls behind means a shortage. It is encouraging to note that the number of regular givers to church expenses and missions during this present year is much larger than in former years. If every subscriber who reads these words makes every effort to meet his pledges in full to December 31st we shall have gratifying reports at the Annual Meeting. Those who are not carrying regular pledges for these funds are requested to make a contribution during the present month.

The January Ingathering

Pilgrim Church will receive new members on the first Sunday of the New Year. What more beautiful time could be chosen for entering into church membership than at the threshold of another year? Within the past few months more than a score of members of churches in other places have joined our congregation. If you plan to live in Duluth and to permanently ally yourself with Pilgrim Church, you are asked to write at once for your church letter and to take your stand with the more than five hundred men and women of our congregation who are glad to be known as the friends and followers of Jesus Christ. It is well to write for a church letter at least three weeks before you wish to use it, as some time is required for the granting of the letter. The Pastor also hopes that some of our own young people will decide to begin the year by uniting with the church. Persons wishing to unite with the church by letter or confession in January may meet the Standing Committee after any Thursday evening meeting before Christmas.

There were sixty persons present at the meeting last week.

Church Notes

The congregation will be shocked and saddened to learn of the death of one of our most beloved members, Deacon Elmer W. Matter, at St. Luke's Hospital yesterday morning.

The sympathy of Pilgrim Church is extended to Mrs. H. W. Nichols in the passing away of her mother, Mrs. Mary W. Gates, which occurred December eighth at her home in Superior, of which city she had been a resident for fifty-seven years. She was an early graduate of Mount Holyoke and the oldest member of the First Presbyterian Church, a woman of rare gifts and beautiful character.

The canvass made by the Young People's Society for the church and missionary periodicals was very successful, resulting in the following subscriptions: Congregationalist, 22; Advance, 11; Missionary Herald, 13; American Missionary, 11; Congregational Minnesota, 4; Mission Studies, 1; Prayer Calendar, 31. The total receipts were about \$88. The society has received fifteen new members in the past month.

We shall observe Christmas Sunday one week from today. At the Morning Service there will be appropriate music and a Christmas sermon. At 12:05 the Sunday School invites the congregation to meet with them in the auditorium to enjoy a Christmas program of songs and recitations by the children and a brief talk by the Pastor. The Organ Recital will be given at 4:15 and a Christmas Carol Service by Pilgrim Chorus at 4:30. The Young People's Society will conclude the day with their Christmas meeting, at 5:30.

The Christmas Box

The many friends of Rev. H. R. Harris of Biwabik will be interested in the trunk of clothing which the Woman's Missionary Society is preparing to send this week for the Harris family. In previous years a Minneapolis church has sent this annual gift, but this year we are glad that the opportunity is ours. Good, wearable clothing will be appreciated, shoes and stockings, underwear, caps, etc. Mr. Harris' height is 5-8½; bust 43, waist 43, shoe 7½ EE. Mrs. Harris is 5-3, bust 36, waist 24, shoe 4½. There are four boys, Addison, aged eleven, shoe size 2; Emerson, aged nine, shoe size 1; George, aged 3½, shoe size 2; and baby Wilbur, eighteen months, shoe size 4. There is great destitution in Biwabik this winter. Mr. Harris would gladly distribute among his needy neighbors articles that are not intended for his own family. Some who have no garments to give may help with a gift of money. Mrs. Pinneo has charge of packing the trunk and asks that all articles be left at the home of Mrs. Paull, 1632 East First Street, sometime this week. Mr. Harris has put in many years of self-denial in Northern Minnesota. Mrs. Harris' severe illness this fall added greatly to their financial strain. We can show our appreciation of Mr. Harris by making this Christmas gift one that will gladden the hearts of this family.

The January Ingathering

Pilgrim Church will receive new members on the first Sunday of the New Year. What more beautiful time could be chosen for entering into church membership than at the threshold of another year? Within the past few months more than a score of members of churches in other places have joined our congregation. The Nominating Committee

To the Members of Pilgrim Church:
Your committee, elected to choose a Nominating Committee, which shall place in nomination candidates to be voted on for officers and committee members at the next Annual Meeting, hereby reports that the following have been selected to act as such Nominating Committee: C. A. Duncan, chairman; Mrs. C. A. Gray, Miss Bessie G. Mars, E. N. Edes, W. W. McMillan, Ralph Pinneo, Dr. A. G. Schulze.
Respectfully submitted,

Letters were granted Thursday evening to the following members who have removed from Duluth: Mr. and Mrs. J. Harry Gaines to First Congregational Church, Ashland, Wis.; Mrs. Conrad B. Wolf to First Presbyterian Church, Hibbing.

It is greatly desired that all subscribers to the general expense and missionary funds of the church should make payments in full next Sunday that the year's accounts may be closed and all obligations met. Those not regularly pledging are requested to make a generous payment at the close of the year.

In Memoriam

In the death of Elmer Wales Matter, which occurred in this city on December twelfth, Pilgrim Congregational Church loses one who for thirty-two years was an active and devoted member, and who was of preeminent influence and usefulness in the life of the church.

He was born April eighth, 1861, in Oberlin, Ohio, and was the son of Conrad Matter and Ursula Wales Matter. His boyhood was spent in Brodhead, Wisconsin, to which place his parents moved from Oberlin in 1863. He was graduated from Oberlin College in the class of 1882, and it is an interesting circumstance in his family history that both his father and mother were graduates of

Church Notes

Next Sunday morning the New Year Communion Service will
be held with the reception of members to the church.

The Men's Meeting at the Y. M. C. A. at 5 p. m. today will
be addressed by Dr. J. W. Hoffman. The Norwegian Chorus will
sing.

The service preparatory to the January Communion will be
held in the vestry Thursday evening at eight o'clock. This will be
the last night of the old year. The pastor will give an address.

The Christmas donation for Biwabik by the Woman's Mis-
sionary Society consisted of two large trunks of clothing, blankets,
etc., and \$41 in money. The Christian Endeavor Society sent
gifts of candy and toys. The gift will bring gladness to the home
of the pastor and many others at Biwabik.

The Christmas Carol Vesper Service of last Sunday was con-
sidered one of the finest musical services ever held in our church.
The chorus numbered thirty voices and the old favorite carols
were greatly enjoyed. In response to numerous requests the pro-
gram with the exception of one anthem will be repeated today at
Vespers.

Both the Christmas Sunday service and the Christmas Festival
of the Sunday School were greatly enjoyed by the school and their
friends. Generous gifts were brought by the various classes for
distribution to families and to the different charities in the city.
The committees in charge and the children who took part are
deserving of high praise.

Beginning next Sunday and continuing until Palm Sunday the
Pastor will give at Vespers a series of twelve character studies of
famous men who may be considered the twelve apostles of modern
christianity. The lives of these men are full of inspiring lessons
for the men and women of today. The series will include Wyclif,
Huss, Savonarola, Luther, Melancthon, Erasmus, Zwingli, Loyola,
Knox, Calvin, Cromwell and Wesley.

The church treasurer, Mr. H. W. Nichols, will be glad to
deliver packages of duplex envelopes for 1915 to all present sub-
scribers to the general church expense fund and the missionary
fund. It is understood that all pledges continue indefinitely unless
the treasurer is notified otherwise. The envelopes are in the rear
of the auditorium, and pledge cards may be had by any wishing
to begin making regular payments to these funds for 1915. Every
family connected with Pilgrim Church is expected to support,
according to their ability, the church and missionary funds.

In Memoriam

the same college in 1859. He came to Duluth in the fall after his graduation and brought his letter to this church from the Second Congregational Church of Oberlin, which he had joined early in his college course. Soon after coming to Duluth he married Lizzie Emma Peck, who had been a class mate at Oberlin.

Coming to Duluth at a period in the city's growth when many young men came from different sections of the country to make their home, he was an esteemed and beloved member of a large group of young people, some of them college associates, and many of whom made Pilgrim Church their church home. He early entered into the activities of the church, and his personality has been indelibly stamped upon its life and character. He served it in many ways, and was a deacon at the time of his death. His judicial mind and keen perception of right made him a wise counsellor and a safe guide.

No more fitting tribute could be paid to his Christian character and manly qualities than was expressed by our pastor at the funeral service:

"One of the distinguishing characteristics of Mr. Matter was a prevailing atmosphere of peace and serenity, a capacity for joy which his whole life tended to enlarge. The range of his joy was as wide as the range of his interests, for into every essential relation of his life he entered with devotion and delight.

"In midlife he felt the same enthusiasm for his college as in his youth. This was a vital relation that grew dearer with the years.

"He was happy and loyal as a citizen; fond of his city, hopeful of her future, zealous for her good name, eager for her moral as well as material advancement.

"In his family life he knew unbroken love and joy and peace and he drew to himself a large circle of devoted friends because he showed himself unfailingly friendly.

"In business he was diligent, deriving much quiet pleasure from his daily work, mastering the details of a complicated business and finding satisfaction in dealing justly, thoughtfully, courteously with employees, customers and business associates.

"I doubt if ever a man took keener delight in the religious life. His growing religious faith and experience led him more and more deeply into the service of his church. He has served our church in most of its official positions always with zeal and wisdom.

"In recent years he became the church historian dignifying the weekly bulletin from a mere list of announcements to a carefully edited weekly history in which all the various elements entering into the life of a large and growing church found adequate and appropriate record.

"He was human-hearted, generous, optimistic, companionable. His keen sense of humor added much to his enjoyment and that of his associates.

"The sources of his unfailing contentment and optimism lay in the unseen. So fully did he give himself to the relationships of life that he came to know the friendship of God as well as of men and women.

"His departure leaves us not alone with a sense of loss, but with a vivid appreciation of the nobility of true Christian manhood and a profound conviction that such a spirit must find still richer fulfillment in the life beyond."

Is stranger here than ye maybe.
All here hae got their fears and cares,
Add ye your soul unto our prayers,
Be ye our angel unawares!"

Church Notes

The Sunday School will elect its officers at the regular session this morning.

The Inter-Church Council has recommended that February 21st be observed in Duluth as Go-to-Church Sunday.

Mrs. Elsie A. Liscomb passed away suddenly Thursday at the age of fifty-six years. She had been a member of Pilgrim church less than a year. Her fine Christian character and ready sympathy won her many friends among us.

Attention is called to the annual meeting on Tuesday evening. It is desired that, so far as possible, every member of Pilgrim church and all who call this their church home, should be present at the supper and participate in the business of the evening. Reports will be presented by our Pastor and the heads of the various departments of our church work. Officers and also the members of various committees will be elected for the ensuing year.

Memorial

(Presented by Hon. W. A. Cant and adopted by the Brotherhood of Pilgrim church at its last meeting.)

ELMER WALES MATTER was born at Oberlin, Ohio, on the 8th day of April, 1861, and died at Duluth, Minnesota, on the 12th day of December, 1914.

In him, to an unusual degree, there were blended those qualities which are regarded as of the first order among men. He had rare native strength of mind and character. He was a clear-headed business man. He was deeply religious as a matter of conviction. One of his dominant characteristics was his faithfulness. His life was mellowed by his sense of humor. He had fine mental poise and an abundance of reserve force. He discerned and emphasized the realities of life. His views upon any subject were invariably the result of an intelligent reflection and of sound judgment. He was broad in his outlook, broad in his sympathies, and tolerant of opinions which differed from his own. Without self-assertion, the sum of his qualities was such that others instinctively recognized in him a definitely superior character. In the midst of great usefulness, and with a suddenness which shocked us all, he was stricken. The memory of his life and his influence remains to enrich the individuals who knew him, this Brotherhood which he served, and the entire community of which he was a part.

An Appeal from The Needlework Guild of America

The Needlework Guild of America has sent an emergency call to the Duluth branch for assistance in sending funds to Lyons, France, in which they say "The Guild proposes to open workrooms where girls and women will be kept warm and will make material into garments for the wounded soldiers and be paid the war wage of 20c per day. Also to open workrooms for Belgian mothers, where they can bring their babies and make garments. There are many thousands of Belgians in Lyons. Eight hundred arrived in one day. This money for which we are asking will give employment to starving women in the war country, and will aid the wounded soldiers. The shipment will be made through the American Red Cross and it is hoped that many will respond to the request for contributions from 10 cents upwards."

Church Notes

Two hundred and fifty persons attended the supper preceding the annual meeting of the church last Tuesday evening.
 Mr. Andrew Nelson will talk to the Men's Bible Class this morning on some phase of the Reformation.
 The annual report of the Assistant Superintendent of the Sunday School revealed the fact that Pilgrim Sunday School lacks but one point necessary to be listed as an "Honor Sunday School"—A Teacher's Training Class. The Assistant Superintendent emphasized the importance of establishing such a class at once.
 The second anniversary of the founding of the Pilgrimage Class, which meets in the church tower under the instruction of John H. Lee, was celebrated at the Manse last Wednesday evening. There were present Charles Blackwood, Louis Blais, Waino Brander, Charles Leste, Colin Mackay, William Hermanson and Christy Spornick. At the close of the evening's festivities a telegram was sent to Mr. Lee by the members of the class. The pastor is teaching the class for a few weeks, during Mr. Lee's absence.

The Annual Meeting

The forty-fourth annual meeting of the church was held in the parlors last Tuesday evening. The Pastor acted as moderator. The minutes of the last annual meeting were read and approved. Reports were made by the heads of all the departments of church work. The report of the Clerk showed we have received during the year, 51 new members with losses by death and dismissal 17, a net gain for the year of 34, making the present membership 17,506, the largest in the history of the church. The report of the Ladies' Union disclosed that a payment of \$1,000.00 had been made by them on the Manse mortgage, thus reducing that indebtedness to \$400.00. The various financial reports showed the past year to have been most satisfactory from the standpoint of church finances. All financial obligations of the church for current expenses are paid. The Treasurer of Benevolences reported the church apportionment paid in full; and in addition a sum of \$210.00 remitted to Mr. Leshar for special State Work.

The Board of Trustees through its Chairman, Oscar Mitchell, recommended that the finances of the Sunday School be placed under the control of the Board of Trustees, so that all contributions made by members of the Sunday School shall be made to the church and its various activities. This recommendation was adopted and all collections in the Sunday School will hereafter be paid through the Sunday School Treasurer to the Church Treasurer and all expense of the Sunday School will be paid out of the general fund.

The committee on Church Site, through its chairman, Mr. C. A. Duncan, reported that nine members of the church have purchased the property at the southeast corner of Twenty-third avenue East and Fourth street (100x140 feet). Privilege is given to the church to secure this property at any time within five years.

The Pastor's report showed a year of substantial gains in all the departments of the church, and sketched a program for 1915 which, if all members join in furthering, will bring us to our next annual meeting with a membership of 600, an attendance of 100 at mid-week service, a vesper congregation filling the church and a financial condition which will show our regular income a little in excess of our expenditures. He also recommended that in view of the report of the committee on Church Site, a building committee be appointed to investigate all preliminary problems connected with the construction of a new church building. The closing paragraph of the Pastor's report is as follows:

"I cannot find words to express my gratitude for the many ways in which you have encouraged your Pastor in our work. I doubt if ever a minister wrought under happier conditions. You have taken both my wife and myself into your hearts and lives, and made us feel more than ever at home among you. May God bless Pilgrim Church and guide us out into a great year of service in His Name, filled with His Spirit, dependent upon His power."

As recommended by the nominating committee the number of deacons was increased to eight, an Assistant Treasurer of Benevolent Funds and a Visiting Committee were elected.

The report of the tellers appointed by the moderator to count the ballots shows that all candidates selected for the various offices by the nominating committee were elected. The report of the tellers will be found elsewhere in this bulletin.

The Distribution of Pilgrim Church Benevolences

The National Council of Congregational Churches, through the state conference and local association, has assigned to our church to raise, as its share in our missionary work, the same sum as last year, \$1,600. This sum is raised through the weekly offerings of many subscribers, paid through the duplex envelopes. A few givers prefer to send checks quarterly to the treasurer of the benevolent funds. Treasurers H. W. Nichols and Walter S. Horr will be glad to provide packages of duplex envelopes to those wishing to begin making regular payments. The amounts received are divided according to the following schedule, thirty-five per cent being devoted to foreign work and sixty-five per cent to home work:

For Foreign Work.	
American Board	20%
Woman's Board of Missions of the Interior	15%
For Home Work.	
Minnesota Women's Home Missionary Union	15%
Minnesota Congregational Home Missionary Society	30%
American Missionary Association	5 1/4%
Church Building Society	6%
Congregational Education Society	2 3/4%
Congregational Sunday School and Publishing Society	4 1/2%
Ministerial Relief	1 1/2%

In addition to the \$1,600 to be divided as above, the church aims to raise \$205, which completes, together with our gifts to the American Board, the \$525 pledged by our church toward the support of our foreign missionary pastor, Rev. Herbert M. Irwin.

In Memoriam

The following members of Pilgrim Church have passed into the Life Eternal during the past year:

John B. Heimick, a business man of high standing and stalwart character.

Mrs. Ella V. Cook, whose many years of loving service in the church will be long remembered.

Mrs. Julia B. Horr, beloved teacher and influential leader in good works in the church and city.

Elmer W. Matter, a pillar apostle of the church, earnestly devoted to the Master's service.

Mrs. Elsie A. Liscomb, whose brief sojourn among us was rich in friendship.

It is fitting again to recall the service in this church of these friends who are gone; again to express our sense of sorrow and loss in their departure and to register our faith that they still live in the joy and glory of the City of Life.

A Letter from Mr. Irwin

Talas, Turkey, Dec. 8, 1914.

Dear Mr. Thorp and All Pilgrims:

We have recently been told at the post-office that English is taboo and we must write in "American." A British consul here has been reading "Shorty McCabe" for pastime and remarked that one must become proficient in the language of Shorty in order to fulfil the requirements. This letter goes to you open, and I can say nothing regarding the war. Our district seems to be the center of the war-cyclone; we are in a state of peace and quiet. Our schools are going forward far better than we had feared, both as to attendance and support. The hospital is closed, as Dr. Hoover is on furlough and the native assistant physician in charge has been drafted into the army. Our club work is going better here than in Cesarea. For the work here I have a young man who has had twelve years of Y. M. C. A. experience in the United States. With his knowledge and push the work here was never so flourishing and influential. The government liked the appearance of our horses and annexed them for war purposes, so that it is hard for me to look after the club in Cesarea, especially after dark. It is generally considered here that only men of ill repute are abroad after sundown. However the reading room and gymnasium are kept open there. Business is more and more deranged. Some staples are difficult or impossible to obtain: sugar, kerosene, matches, etc. Flour and meat are cheap and plentiful. We may have to take our coffee without sugar and go to bed with the hens but we bid fair to get enough to eat. We are well and in security. We should like to know more of what is going on in the world, but some day after the censorship is removed we may like Rip Van Winkle awaken to what has been going on unknown to us. Mrs. Irwin joins me in best wishes for the new year.

Yours sincerely,
H. M. IRWIN.
