Thursday, June 20-

Dear Mr. Mitchell —

Did you & Mr.
Hegardt come to any con-
clusion about the matter of
letting Pilgrim organ be used
for lessons + practice? — The
reason ~~is~~ that I ask now,
is that there is another
applicant for the use of

the organ - Miss Winifred Hicks. She
wants to take lessons, & use the
instrument for part of her practice,
altho she is not dependent upon it,
as she can use the Pro-Cathedral
Organ, where she has been playing.
I remember we were wondering
what would be a fair price to
charge for practice, & have just
learned that the House of Hope Church
in St. Paul, with a big & similar
instrument, charges 25-cents
an hour - so that might be
a cue for us.

I shall either call you up
soon about this, or be in to
see you -

Sincerely yours -

Faith Helen Rogers.
