Mr. Oscar Mitchell,
1200 Alworth Bldg.,
City.

Dear Sir:

I am sending you under separate cover a planting plan for the Pilgrim Congregational Church which Mr. Matter has thought favorably of. I understand at this time there will be no action taken on the matter but there will be shortly after the year and thought possibly you might wish a copy of the plans.

I was very sorry I did not have the opportunity to do any of your residence work this fall but trust that in the spring you will be in a position to do so.

At such a time as the Northland Country Club see fit to go ahead with their landscape work, I will appreciate an opportunity to figure on this work, furnishing the shrubs, trees, native nursery stock also planting of same.

I have had experience in filling large orders of the Pickands-Mather Co., Oliver Mining Co., City of Duluth and many large residences in this city. Most of the parks on the ranges have been planted with Jewel Nursery stock and plantings have proved very successful.

Trusting that I may be favored by some of your business for spring, I remain

Yours very truly,

WHC : RAG

Wallace H. Carpenter
